FROM THE BRIDGE ☆☆☆

November, 2001 - Vol. 11 Issue 11

**Commodore Jim Shriner**

Welcome to the month of November, cool days and cooler nights. By now, most of you have had your sailing vessels and your boats winterized and put away for the winter months. It is time to enjoy the Club with the many activities planned by Governor Steve Harris for the months ahead. Hopefully, these activities will help us through these trying times from the tragic events on September 11, 2001. God Bless America, United We Stand!

Some of the recent activities enjoyed by all were the Snowball Regatta, (refer to Governor Den Knaul's article) the Oktoberfest and the ever-popular Halloween Party. A big thank you to Fritz and his staff, Hans and Charles for the wonderful menus, and also to all of you who helped at the Annual Fall

Workday, October 21st. Thanks to Governor Mark Russell, House and Grounds, for organizing the work day, and to Vice-Commodore Jim Thompson, Bar and Kitchen, for the buffet lunch menu for all who worked.

Thanks again to the Auxiliary for having me as their speaker at the October meeting. Some 50 ladies were in attendance, thanks to the efforts of President Judy Bair and her board—Sue Owen, Kris Pfahl and Cherry Shain.

As you probably know by now, we have lost a very popular member, Dr. Robert M. Snow, fleet surgeon, who passed away on September 22, 2001. Dr. Snow was an avid sailor who loved to compete at the Sunday afternoon races at the Buckeye Lake Yacht Club. Please take a moment in remembrance of Dr. Robert M. Snow. Betty, you and your family have our deepest sympathy.

Also, we want to thank Fritz for making such a smooth transition as manager of the Buckeye Lake Yacht Club. Thanks to Commodore Nick De Santis and Michelle for the Snowball flower arrangements for the Regatta weekend! Have a safe and enjoyable Thanksgiving and, as always, please continue to enjoy the many activities and dining at the Club. Jane and yours truly look forward to seeing you at the Buckeye Lake Yacht Club.

## Bar & Kitchen

By the time you read this, you should have savored Hans' fine German cooking at Oktoberfest and had some really creepy food at the Halloween party.

We hope that all was enjoyable.

When you see me around the Club, please do not hesitate to give me your thoughts about how to improve our bar and kitchen performance. We may not be able to put every suggestion into practice, but it's your Club and your ideas are always welcome.

Every year we have problems because of the lack of reservations for an event and then many people show up and our staff is overwhelmed. (We schedule work based on our judgment as to how many will be attending.) So, please make reservations.

It is also vitally important that you make reservations for big events, or you may get shut out. For example, it is not too early to make your reservations for the New Year's Eve party.

Have a great November and Happy Thanksgiving!

**Vice Commodore  
Jim Thompson**

## Entertainment

**A** new year and a new Board assignment... As I begin to "get my feet wet" (or maybe dry?) as Entertainment Governor, I'm looking forward to Governor Steve Harris the coming year. We'll soon be working on the calendar for the upcoming year and will begin the process of planning events. I have already begun working on this process with our new Manager, Fritz Reiterman, and the Flag Officers. We hope to continue the quality of entertainment and events that our membership has enjoyed in the past. If any member has ideas for themes for events and parties for the coming year (particularly for the "off-season"), please e-mail me at [entertainment@buckeyelakeycc.com](mailto:entertainment@buckeyelakeycc.com). Let's work together to make this year another great year at BLYC. I also would like to expand on the work started by Rear Commodore John Geiger last year in having members "host" parties. The hosts would help out with theme ideas, decorating, and generally serve helping to welcome people and make the event a success. If you're interested in helping out in this manner, please let me know.

This past month, we enjoyed the Oktoberfest with Han's traditional German buffet and the Mike Farrenkopf Band. The Halloween Party with Butch Wax and the Caddilacs, was, once again, a huge success as well.

In the coming month, we will have Gayla Smith on Piano on Friday, November 2, and the traditional Thanksgiving Dinner at the Club on Sunday the 18<sup>th</sup>. Next month brings the Adult Christmas Party on December 15 and New Year's Eve as only BLYC can celebrate it on the 31<sup>st</sup>. Mark your calendars now and get your reservations in early.

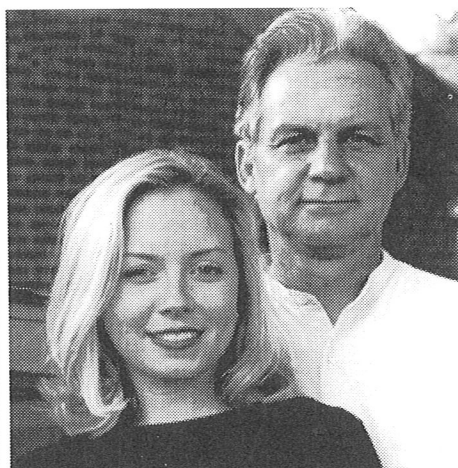

See you at the Club,

## Membership & Directory

**A**s the seasons change, so do the responsibilities of the BLYC Governors. It was my pleasure

to serve as the Log Governor Tom Shain Governor during the past year. Now it is my pleasure to help welcome our new members on board. The Board of Governors has approved the following new members.

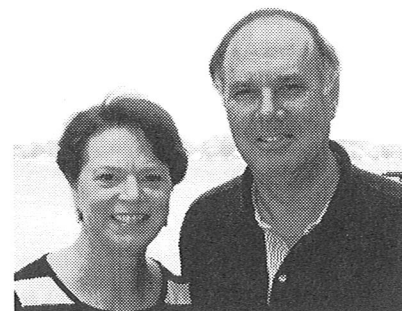

Frank Laskowski and first mate Rachel

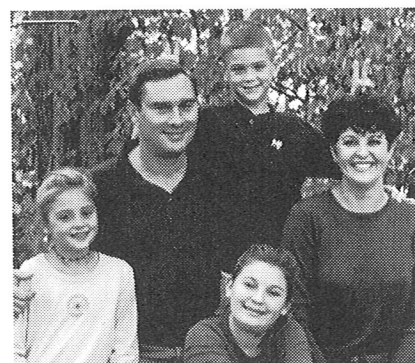

Michael Hickey and first mate Marilyn

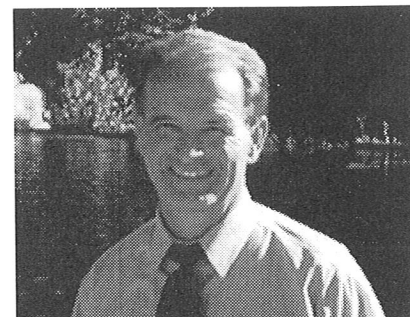

Bruce Grear and first mate Teresa

Edwin Davy and first mate Anne

Geza Locsey and first mate Jean, children Jennifer, Carly, and Geza Jr.

Don McAuliffe

Brian Boling and first mate Lin

Should you require any assistance regarding membership issues, please contact the Club office and I will try to help find a solution. In the event you are interested in sponsoring a new member, we will help with the application process. If you recognize any of our new members, please offer them a warm receipt.

Kind Regards,

## Race, Regatta, & Jr. Sailing

This year's Snowball roster was smaller than usual, but we had good sailing days! The weather was better than expected, but at times it got very brisk with some

Governor Dan Knaul

serious wind! It is always a pleasure to host other yacht clubs and have them test the waters of our lake.

We had 20 boats with four Classes; Cruiser, Interlake, Lightning and Flying Scot. This year, in the Interlake Class, our own Tracey Davis was able to race her boat for the first time with Cameron Evans as Skipper and her husband, Matt, helping her crew!

I would like to thank my Snowball Co-chair Bill McIntyre and also everyone who helped me with my first Snowball as Sailing Governor: Governor Steve Harris for all his advice and support, my first mate Terri for acting as statistician, Governor John Geiger for the photos, my Race Shack Crew of Emil Klein, Brett Pfahl, Bruce Pfahl, Governor Mark Russell, Ed Riley, all the junior sailors, the Coast Guard Auxiliary, Commodore Nick and Michelle DeSantis, Fritz, Hans, Charles, Chris and all the wait staff for doing such a good job! I would also like to thank Commodore Jim Shriner and Jane for their support. Such a successful Snowball would never be possible without all the help and support shown by many, many people at the Club, so I apologize if I have neglected to mention you by name. I sincerely appreciate your help and support and look forward to the next year as your Sailing Governor! The Sailing Committee will be meeting throughout the winter. I will be contacting Committee members in the near future to schedule meetings.

## BLYC Website Gets a New Look!

Recently, the BLYC website received a major overhaul for the new Club Year. In addition to updating the "backend" (the part that makes it all run smoothly), we changed the overall look and feel of the site as well. If you haven't been there lately, take a look! The address is <http://www.buckeyelakeyc.com>

As always, we're working hard to make the site a valuable part of the BLYC.

This is just another way for the Club Officers and Management to keep you, the members, updated on current happenings. If there is something that you feel will help to make the site more useful, please don't hesitate to let us know either through comments on the site, or by e-mailing the webmaster at [admin@buckeyelakeyc.com](mailto:admin@buckeyelakeyc.com)

## Rentals & Docks

From your ever concerned and ever working Governor: a new job brings new problems:

Subject: Governor Don Lemmon  
Boat docks and trailer spaces at East Port.

If in the past you have been misled or told that you can park or use an unoccupied boat dock or trailer space, this is incorrect. All of our available boat

docks and trailer spaces have been rented at this time, and if you are parked or docked in a space not rented by you, you need to move your boat or trailer. These spots are to be used only by the people who have rented them. If you have a rented space and wish to allow someone else to use your spot, you need to notify the board in writing.

This is a procedure that has been in effect for a long time. We need to follow this procedure in order to secure the rental agreements with our membership, and to assure members that their spaces will always be available for them. Many of our members do not use their spaces all

the time. But, their spaces need to be honored by their rental agreements. No one is permitted to park in them without written permission by the person who has rented the dock or trailer space. There are no exceptions to this procedure. All unauthorized boats and trailers will be moved to unsecured areas.

Please contact Don Lemmon at 740-928-4343 with any questions or concerns regarding this procedure.

Please help our Club by following this procedure and honoring our rental agreements with our membership.

## The Auxiliary

Secretary Sue Harris

New officers for 2001 - 2002 are now in place after the September 16th Election. Porch Picnic, President Terri Gatton thanked the 2000-2001 officers and all the members for their support over the year and welcomed new President Judy Bair, Vice President Cherry Shain, Treasurer Kris Pfahl, and Secretary Suzy Owen.

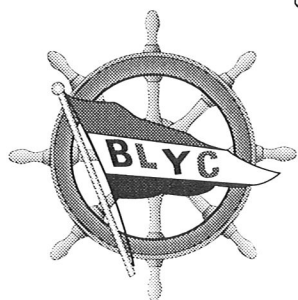

A strong emphasis is being placed on membership for the upcoming year. Please consider joining the auxiliary. 85 members already have! Dues are \$10.00 a year and can be paid to Kris Pfahl. Auxiliary members support yearly BLYC functions, such as the Junior Sailing Program, the Children's Christmas Party and Easter Egg Hunt, the Snowball Regatta and ongoing functions of the Club, just to name a few.

Our next meeting will be Thursday, November 8th at 6:30 p.m. We will enjoy dinner and a "seasonal greens" workshop at Herb n' Ewe. Please call in your reservation to the Yacht Club (740-929-9941) by Sunday, November 4th. Carpools from the BLYC parking lot will assist members in transportation and a flyer will be sent with directions. All members are encouraged to come and get into the Holiday spirit—we would love to see you there!

As the Holidays approach, don't forget to purchase BLYC Throws (\$50.00 each) for everyone on your gift lists. Contact Terri Gatton or any of the BLYC Officers to make your purchases.

See you in November!

*Sue*

## BLYC Show Case News

In 2001, the BLYC Auxiliary approved the purchase of blankets/throws depicting scenes from the Club. These scenes include: The Snowball Regatta, The Wooden Boat Show, a current picture of BLYC, a picture of BLYC before remodeling, one scene in each of the four corners of the throw and a replica of the BLYC burgee and wheel in the center. This could make a perfect birthday or Christmas gift for your spouse, family member or sailing friends and would also be a one-of-a-kind wedding or housewarming present. The throw is red, white and blue, is machine washable and easily dried in the dryer. What a great thing to keep on your boat to snuggle up in for those misty morning rides to breakfast or on moonlight cruises!

The auxiliary currently plans to use the proceeds from the sale of these throws to purchase new china for the Club. Purchase between now and December 1, 2001 and receive 10% off your purchase price with the coupon in this Log! Won't you show your support for the Auxiliary and BLYC by purchasing some? Purchasing options available include cash, check, charge and member charge.

Access to the showcase will continue to be limited. The following people have keys to the showcase:

Terri Gatton-Showcase Chairman 2001 - 2002, Kris Pfahl-Treasurer, Cherry Shain-Vice President, and Jane Shriner.

If you care to make a purchase, please see Terri Gatton, one of the others listed above or leave your name on the clipboard list on top of the showcase. If you have questions, or are going to be at the Club at a specific day or time, please call Terri @ 740-929-2446 and arrangements can be made to meet you at the Club!

Thank you for your support!

OCTOBER - NOVEMBER 2001

*Terri Gatton*

## To All members of Buckeye Lake Yacht Club,

A concept has surfaced... did you know that some of your members have also been joining the Auxiliary?

The Auxiliary was created to support BLYC and its members, so it seems appropriate that the Club members would also support the Auxiliary. This would cost you \$10 (yes, our dues are ridiculously low).

Do you enjoy the rockers on the porch? How about the barstools? The restored walls, furniture and window treatment in the fireplace room? The patio and poolside furniture? How about the wall treatment in the entryway? Do your children and grandchildren enjoy the Christmas and Easter parties? There's a lot more, but I'm sure you've gotten the point by now.

Please think about this and join—you won't have to be active, just support us in our efforts to make the Club more user friendly and attractive. A check may be made out to BLYC Auxiliary and sent to the Club or you may call 614-929-9941 and have it added to your monthly statement.

Thank you for your time and consideration,

*Judy*
