

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

August, 2002 - Vol. 12 Issue 7

Commodore Jim Shriner

Welcome to the month of August at Buckeye Lake and the BLYC, the best kept secret in Ohio.

July was great with the Fly Over Ceremonies on the 4th, big band sound with the Pastels on Crystal Ballroom Night, Seafood Night at Watkins Island on the 26th, Junior Bay Week at Put-in-Bay and the sailing competition for our young sailors, and the Annual Golf Outing chaired and organized by Don Best.

August is also busy with the Commodore's Cruise in Pittsburgh coordinated by Commodore Nick Santis and his lovely wife Michelle, followed by the ever popular Luau with entertainment by the Majestics and Commodore John Sproat.

The Annual Antique and Classic Boat Regatta/Show will be the 23rd and 24th of August. Some boats will remain on Sunday, the 25th. Commodore Tim Maite and his committee of Commodore Howard Clark, and Commodore Frank Foster IV do a great job at this very successful event. Thanks Tim and committee for all of the hard work that is required to make this event a memorable and traditional part of our BLYC summer.

Please refer to Governor Steve Harris' article for specific dates and times for other August entertainment, more information regarding the Antique and Classic Boat Regatta and Show, and Governor Knaul's article about Junior Bay Week appearing in this Log.

Governor Dan Knaul's article will be of particular interest due to the very successful week that our Junior Sailors experienced, thanks to Dan and his committee's efforts.

Thanks again to Fritz and his staff for all that they do to make the Club a place to go. Fritz and his staff served some 160 dinners on Seafood Night alone. Thank you, Fritz.

I would like to express our sympathy to Ralph "Bud" Woltjen and his family. His wife Dorothy passed away recently.

Although Jane still looks forward to fishing trips (remember last month), she missed the early morning outings at Put-in-Bay. One morning we had seven board members show up to fish under yours truly's direction.

As always, my lovely wife Jane and I look forward to seeing you at the BLYC.

Bar & Kitchen

What a Fun month!

We just got back from Bay Week. The kids worked hard and did great. The adults didn't embarrass anyone and had a great time. Tony's Bar will reserve a place for us next year.

Vice Commodore
Jim Thompson

The Golf Outing brought "lots" of fun, through "lots" of heat. Don Best put on a spectacular program as always. The steaks (from Michael's Meats) were excellent!

August brings our biggest event of the year—the Luau. It is a great party—so don't miss it!

The Antique and Classic Boat Regatta and Show will be bigger than ever. Tell your friends and come on over for a wonderful display of wooden and classic boats. And, it's free.

Remember, please make reservations for dinner at the Club. It helps us plan to serve you better.

See you at the Club,

Jim Thompson

Entertainment

I hope that everyone has been enjoying the summer at Buckeye Lake. We've had some great weather and even greater bands for our activities so far this summer at the Club. It looks like I might just make my goal of never needing to set up the tent for the band for parties! The July activities were well attended and everyone had a great time. The Pool Party on July 6 was a big hit and, as usual, the Paul Clark Band was fabulous. I understand that Paul has been playing around the lake the past couple of weeks, so everything must be going well with his cancer treatments. Paul's been an integral part of the lake and a good friend of our Club for many years. Please keep him in your prayers.

The Crystal Ballroom was a big hit this year as well. The Pastels Big Band did a great job and really enjoyed playing at the Club. It was a good time. A big thanks goes to Fritz, Hans and Charles, and the staff for helping to make this event a success.

Coming up this month, we still have plenty of activity at the Club:

Commodore Rob Dye Poker Run

Governor Steve Harris

Please make plans to attend these exciting and fun events. It's hard to believe it, but summer's coming to an end soon. Let's take it out in style.

See you at the Club,

House & Grounds

To all my fellow BLYC

members, with August upon us I hope everyone has been enjoying their summer so far.

Governor Mark Russell

House and Grounds has been working on cost quotes for maintenance projects around the Club. As some of these projects are compiled and the maintenance costs are approved, we will be able to proceed as they fall into budget.

I hope the members have noticed the updates in the parking lot. The over-flow entrance has been stripped off, plus emergency vehicle stripping onto Tanner drive and the updated handicap parking has been addressed to meet code.

There is a problem I need to address regarding the pool tree. Unfortunately, that has to do with a large bulge in the sidewall of the pool itself. Quality Pool pointed the problem out to us in the seasonal maintenance they do for the Club. This bulge is being caused by the root system of the tree. If this is not taken care of after we close the pool down for the season, the side of the pool may be on the bottom by spring. Of course we will keep you updated on this subject as it unfolds.

Before signing off, I would like to mention how proud we are of our Junior sailors and the coaches for a great Bay Week this year. Along with a large

turnout and support from members, it was fantastic.

I hope all our members enjoy the rest of the summer.

See you around the Club.

Rentals & Docks

Boat docks and trailer storage spaces are still available. If you are considering winter storage at Eastport it is not

Governor Don Lemmon

too early to make plans. Don't be left without a dock or storage. Call me at 928-4443, or leave a message at the Club if you are interested.

Remember! In preparation for the Annual Antique and Classic Boat Regatta and show, **All Boats need to be removed from the front basin by Thursday evening, August 22nd.**

Boats can be returned to the basin Sunday, the 25th as show boats are removed. If you need help finding a spot for your boat, contact any board member. Your cooperation is necessary to make this traditional event possible. Thanks for your understanding.

Beginner Sailing Camp

We have just finished our first week of beginner sailing camp. What a great week we had. The winds on Monday and Tuesday were calm and the 20 sailors could get used to being in a sailboat and working with a partner. Then the winds really picked up for the next two days and everyone got to experience what it was like to sail in strong winds. Then on Friday we had our awards ceremony and three special awards were given out. The first one was an Instructor's Award given to the sailor who had the most positive attitude, who was willing to help everyone and would try sailing in all types of boats. Congratulations to Katie Riggebbach! Our second award went to our Top Sailor in the class. This award went to the sailor who scored a perfect 50 on her sailing test and only missed four on her written test. Congratulations to Christina Trusty! And our final award went to our Most Improved Sailor. This award went to a sailor who was in camp for the first time and scored a 46 out of 50 on his sailing test. Congratulations to Frankie Benson! We had a awesome team of students. I want to thank Stone Parker, Nate Owen, Cameron Evans, Gary West, and Crystal Gilen for all their hard work.

Race, Regatta, & Jr. Sailing

Junior Bay Week was a HUGE success!

I just returned from the annual I-LYA Junior Bay

Governor Dan Knaul

Week Regatta at Put-in-Bay and what an amazing week it was! There were nearly 200 juniors participating from 20 clubs this year - a record turnout. We sent our team of eight from BLYC and they represented us well. Although we were a bit troubled early in the week with some equipment problems and an injury, our junior sailors hung in there and never gave up! The final finishes were as follows:

Cameron Evans, Laser — 12th Place Commodores' Series (34 boats)

Gary West, Laser — 21st Place Commodores' Series (34 boats)

Cody Joseph and Brian Foley, CFJ 38th Place Commodores' Series (38 boats) *Cody and Brian didn't race much of the week due to injury.*

Nate Owen, Steve Unwin, & Tim Frame, Thistle — 4th Place Commodores' Series (10 boats)

Austin Miller, Optimist I-LYA Optimist Championships
Cancelled due to adverse weather.

All in all, it was a great week. I would like to thank Tracey Davis and Stone Parker for all their great work at Bay and all summer long. I don't know what our Junior program would do without them. I'd like to thank our chaperones Mike Evans, Jim and Suzy Owen, Chuck and Marilee Bendig, and Tom and Bridget Charles; all of the Board and wives who made the trip to support our Juniors; the members who came to the picnic; Commodore Gus and Martha Schell; Commodore Gale Roshon and Norma; Steve Harris for the safety boat; Suzy Owen and Terri Gatton for the picnic; and, of course, Junior Fleet Captains Nate Owen and Cameron Evans for their leadership with the team this year. This is Nate's

final year of eligibility to race for the Club. Nate has raced for us for three years and has done a fabulous job. On behalf of the entire membership —

Thank You, Nate, for your dedication to Junior Sailing at BLYC and for representing us well. Good luck in your future sailing!

Keep in mind that we will hold the annual Commodore Gus Schell Junior Regatta at BLYC on Saturday, August 3rd and there's still plenty of sailing left this season.

See you on the water,
