

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

November, 2002 - Vol. 12 Issue 10

Commodore Jim Thompson

Well, Fall is finally here and the Club has been transformed from a sailing and swimming locale to a gun club and a great party place. All of this thanks to the volunteers on workday! Much was accomplished, but there is much to be done.

By the way, we understand that there are a number of members who don't believe in workday and believe that the Club should pay to have all that work done. We will be happy to accept contributions from those who feel that way.

We've been working to prepare our budget and like most organizations are trying to reduce expenditures and increase revenues. We intend to limit our regular menu somewhat which will reduce our inventory costs and to adjust some food prices. We want to eliminate

some entertainment items but hope to add one big special event this summer. We're not going to mail the calendar this year unless you (individually) request it. They will be available at the Club. We've cut the cost of production and mailing. We're planning on raising most dock fees, (not the new ones), annual dues a little, initiation fee a little more, and hold the line on all expenditures, if we can.

We welcome your suggestions!
After all, it's your Club.

See you there.

Bar & Kitchen

I want to thank everyone who helped make my year as Log Governor memorable. It is fun taking pictures of friends and BLYC family having a good time whether it be at a party, sailing, at the pool, or just hanging out. Later this fall I will organize all of last year's photos by name or group and put an alphabetized portfolio on a table in the Commodore's Lounge. Please feel free to browse through the portfolio and take any picture(s) that you might want to keep.

**Vice Commodore
John Geiger**

Now that the fun is over, not really, I have assumed the responsibility of Bar and Kitchen. What this means is that I am responsible for all food and beverage service and related operational processes and procedures. I will be working closely with Fritz and his staff to improve both service and quality. Our goal is to provide you as a member, and your guests with the best value possible, in an atmosphere that cannot be equaled at the Lake, or in my opinion in Central Ohio. Fall and winter views from the Club cannot be matched.

Adjustments will be made behind the scenes from a process and procedure prospective that will contribute to enhanced service, improved product quality and variety, and hopefully from a fiscal prospective, improve the Club's bottom line.

We now have e-mail at the Club. You will be able to e-mail reservations and/or ask questions regarding specials, upcoming events, etc. Menus will be posted on the web, and parties and events will be highlighted. A big thanks to Rear Commodore Steve Harris for his efforts with respect to both the website and e-mail.

We will be working on our telephone reservation and booking system both from a technical and personnel prospective. Reservations help us provide better service, and from a cost control prospective actually contribute to our efficiency.

A Bar and Kitchen Committee will be organized and will meet in November.

Your input, suggestions, and even complaints are welcome. See me at the Club, or call my home phone number at (740) 928-0829. A suggestion box will also be placed in the Fireplace Room for your convenience.

See You at the Club,

Entertainment

Hey guys... are we having fun yet!!! Just wait for what's to come. Snowball Regatta was a great suc-

cess. I heard through the grapevine that Member Tender & Karaoke Night was a blast. How about Commodore and members of the Board of Governors singing? I was out of town and really sorry I missed that treat or fiasco, depending on your ear. If you missed Oktoberfest, Chef Charles was at his very best and the entertainment was wonderful. The Adult Halloween Party was a fun-filled evening of creative costumes, fun, music, dining, and dancing.

Much thanks for those of you who took time to fill out or email me the entertainment survey. I will compile and share the results as soon as I complete them.

Upcoming November Events

November will feature a new pianist, and another fun night of Karaoke. Look for my flyer soon coming for all the dates, times and details.

**OSU Football Tailgate Party,
November 23, 2002**

If you don't have tickets, we will be at the Club enjoying the game on the big screen. A full tailgate menu has

been planned. Hope to see you there.

**Adult Christmas Party,
December 14, 2002**

Plan ahead to attend this year's annual Adult Christmas Party, there will be plenty of fun, food and, of course, more live entertainment for your dancing enjoyment.

**New Year's Eve Party,
December 31, 2002**

Bring in the New Year with fellow members; the evening will feature The Paul Clark Band.

I encourage you to support club events, "Let's have 'f_n', (the only thing missing is u).

House & Grounds

This is my first article as your House & Grounds Governor. I

would like to thank all of those members who have been of assistance and support to me in the past and look forward to working with all our members in the future to maintain and improve our Club's facilities. We are fortunate to have a beautiful, historic clubhouse. However, as with any "old house," there are many areas that we need to evaluate and work on this year to maintain it. Any suggestions on how we can best improve our facility will be helpful and appreciated. I will keep you updated on projects being completed in each issue of the Log. Please feel free to call me at (740) 928-4343 with your concerns and suggestions.

Governor Don Lemmon

Don

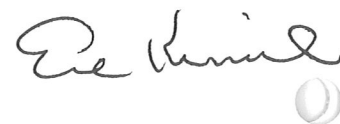

Off-Island Maintenance

Ed Kincaid

Greetings members and mates! As you read this article we will undoubtedly have completed another successful Fall Workday at the Club. The off-island activities we hopefully completed are as follows:

- ✓ Repairs to the "laser dock" near the pool
- ✓ Replacement of the missing wood hand railing by the gravel drive-up.
- ✓ Repairs to loose/rotted planks on the docks in the front of the Club
- ✓ General cleaning and "crisping" of the Eastport Area
- ✓ Replacement/Repair of the door to the shed in the Eastport Area.

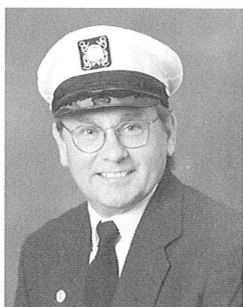

My first project of the year was the replacement of several loose and rotted boards on the dock in front of the hoist. These docks were repaired the week prior to the Snowball regatta. Thank you, Bruce Pfahl for your commitment to having the docks repaired and safe for the regatta. Thank you, Bill McIntyre for dutifully noting and recommending repairs. My goals this year for Off-Island maintenance are two-fold: First, to ensure a clean, safe and secure facility. Second, I hope to have productive communication with the members regarding maintenance. I will canvass the area on a regular basis, but I encourage any member to approach me with observations and suggestions for Off-Island maintenance. I promise that all communications will be reviewed and followed up on, as appropriate. Please feel free to contact me through the website, or stop me in the Club. Thanks to all of you for both placing your trust in me and to your dedication to the upkeep of the Club.

Race, Regatta, Jr. Sailing

To all my fellow BLYC

members, we couldn't have had a better weekend for the Snowball Regatta this year.

Governor Mark Russell

Mother Nature gave us good wind for most of the races. The turnout in the Lightning Class was very good. We added the Thistle Class to the Regatta this year, and our BLYC Cruising Class had a good turnout as well. The results of this year's Snowball are as follows:

Lightning Class:

1. Rob Ruhlman – Pymatuning Yacht Club
2. Steve Weeber – Cowan Lake Sailing Assoc.
3. Kurt Andrews – Leatherlips Yacht Club

Thistle Class:

1. Walter S. Grubb – Buckeye Lake Yacht Club
2. Brett Pfahl – Buckeye Lake Yacht Club
3. Cameron Evans – Buckeye Lake Yacht Club

Cruising Class:

1. Bob Snow, Jr. – Buckeye Lake Yacht Club
2. Bill Reynolds – Buckeye Lake Yacht Club
3. Bill McIntyre – Buckeye Lake Yacht Club

During the awards ceremony, we also presented out Club Trophies for 2002:

Commodore George Fisher Sportsmanship Trophy – Steve Harris

Commodore Chris J. Lambrecht Cup (Best of Season) – Bob Snow, Jr.

Michael R. Hein II Perpetual Trophy (Club Junior Champion) – Cameron Evans

Overall, the weekend went very well. This is due to the help and dedication of our members. I would like to thank the following:

- Past Race, Regatta, and Junior Sailing Governor - Dan Knaul
- Snowball Committee - Bill McIntyre and Steve Harris
- Registration and Scoring – Governor Terri Gatton, Tracey Davis, & Stone Parker
- Race Committee – Governor Ed Oncaid, Emil Klein, Tracey, and Steve
- Course and Mark Setting – Commodore George Fisher

• Awards Ceremony – Commodore Jim Thompson

As everyone knows, you need a lot of volunteers to be able to host a great yearly event. Once again, I would like to thank **everyone** who helped out.

On a closing note, two of the past Sailing Governors, Commodore Nick De Santis and Dan Knaul, along with Terri Gatton, Chris Russell, Michelle De Santis, Ryan Russell, Rhiannon Priest, and I attended the Annapolis In-Water Sailboat show this year and had a great time. I hope that more members can join us next year.

Thanks and see you around the Club,

Mark

From the Log of Stanley Deutsch, Sept. 12, 2002 – Sept. 15, 2002

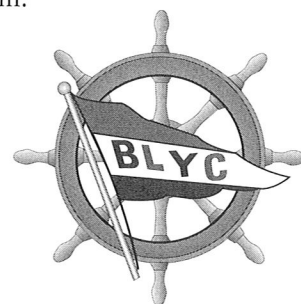

I participated in the "Parade of Sail," a Sail for America event in New York Harbor on Saturday, September 14, 2002. The gathering of about 1600 sailboats was organized to honor the memory of those lost on September 11th, 2001, to symbolize the vitality of New York City, and the spirit of America. Buckeye Lake Yacht Club was one of the sponsoring yacht clubs of this event, and we hoisted the BLYC burgee on our ship.

On Thursday, September 12, my friend, Jerome Pendleton, and I met my brother-in-law, Bruce Topolosky, and boarded his sailboat, *The Majesty*, a Tartan 372, in the historic port of Milford, Connecticut. We sailed west to Port Washington, New York, Manhasset Bay. We spent Friday ashore in Port Washington and visited the Knickerbaker Yacht Club. We were met by my niece, Sara Topolosky, and her fiancée Steve on Friday night. Sara works for New York Empire Blue Cross and Blue Shield and was in Tower 1 of the World Trade Center when the first plane hit. She remembers being helped out of the building by firemen who later perished.

Saturday morning, we left Port Washington on the north shore of Long Island and sailed southwest to the Throgsneck Bridge, the north end of the East River. Our group of about 600 sailing ships motored close together and all monitored the lead ship on channel 68. After passing Hellsgate, the confluence of the East and Harlem Rivers known for strong current, eddies, and tides, we passed Roosevelt Island where the river narrows. Coast Guard and Police boats guarded the area around the United Nations. After passing the Williamsburg, Manhattan, and Brooklyn Bridges, we entered upper Manhattan Bay. We could see the Statue of Liberty and we joined two other groups of sailboats. At noon, the group leader had all ships turn into the wind and about 1600 sailboats in all raised their sails. This was, truly, an awesome sight.

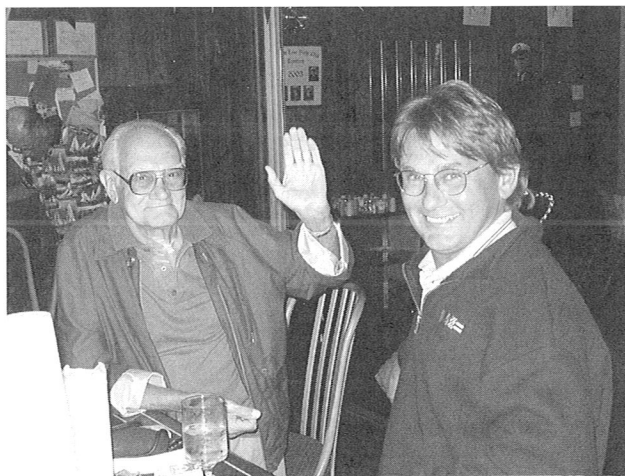

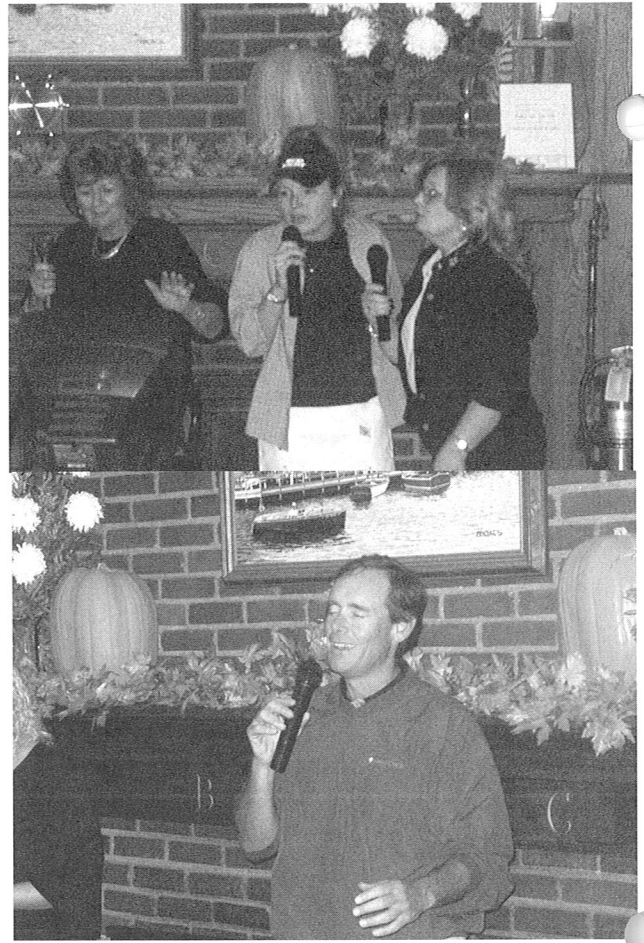

The John J. Harvey Fireboat came down the Hudson River from "Ground Zero" to the Statue of Liberty. This signaled the start of our parade up the Hudson River to "Ground Zero." Many ships carried memorial name flags for each of the 2700 who died on September 11th. "Ground Zero" was marked by a huge American Flag draped on the front of a building facing the Hudson River. As each ship sailed past, someone over the ship-to-shore radio read the names of the dead from their memorial flags and ended with "God Bless America." We turned around at the George Washington Bridge and returned to New York Harbor.

My niece, a survivor of September 11th sat on the starboard settee with her fiancée. We had been a part of a dignified remembrance and a glorification of freedom.
