

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

May, 2003 - Vol. 13 Issue 4

Commodore Jim Thompson

May is a busy month at the Club. Mothers' Day is always our biggest day so make your reservations immediately! The Commodores' Ball is always a great party. Vice Commodore Geiger has some great plans for this event, so plan on attending.

Please make plans to attend the Semi-Annual Meeting on Sunday, May 4. This is your Club, so please stop by and watch it operate and give us your thoughts.

Our Chef's new menus, both luncheon and dinner, are very interesting and have a variety of choices. Please stop out, try the new menu, and give us feedback. Please note that the Lunch Menu will be available at all times.

At our March meeting of the Board of Governors, we regretfully accepted the resignation of Governor Don Lemmon. Many thanks to Don for his long years of service to the Club. At the April meet-

ing, the Board elected Ray Kent to the Board of Governors. He'll be heading up the duties of Off-Island Maintenance and fill the remainder of Governor Lemmon's unexpired term. Please help us welcome Governor Kent to the Club!

Get in your boat! Come to the Club! And... HAVE FUN!

Jim Thompson

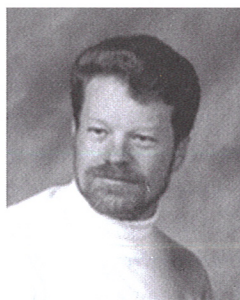

Off-Island Maintenance

As your newest Governor

I would like to take this time to introduce myself to those of you who might not know me and say "Hi" to those of you who do. My wife, Ruth Ann, and I have been members for several years. I made a bid for the Board of Governors in 2001 but was not successful. However, we will enjoy being on the porch again in the fall.

Having just gotten into harness this past week, I really don't have anything to report yet. However, I look forward to getting to work. Please feel free to make any suggestions or requests. I look forward to my term and will do everything I can to make sure things are ship-shape.

See you at the club. *Ray*

Governor Ray Kent

Bar & Kitchen

Welcome to the "Season." Hopefully, those of you who have not had the opportunity to

visit the Club lately will take advantage of our great May weather to see what changes have been made in both Bar and Kitchen.

If you have been keeping up with winter Logs we have talked about our new bar and kitchen staff, including Chef Troy, and our work in progress (new menu(s) and commitment to customer service and efficiency). Our new menus (breakfast/ lunch / dinner) will not be finalized until we have had the opportunity to receive feedback from the general membership. Our servers will provide customer satisfaction and comment cards during the months of May and June to allow us to better evaluate food quality, price-value, and selection. You will also have an opportunity to comment on service. Our goal is to provide value with respect to both food quality and service. Some of our traditional menu items are still available even though they may not appear on our new menus. Ask your server. If an item is not available, we will pass information along to Chef Troy for potential menu consideration. Look for our Friday night prime rib special that has always been a Club quality and value favorite.

Entertainment

The fun is really getting started as the spring breeze blows across the lake. Plan your calendar now for all the upcoming events scheduled. You have enjoyed the new exciting line up of entertainment that has serenaded us through the winter. Many have especially enjoyed the members singing on our Karaoke Nights, and some of you really carry a "mean" tune, speaking of me of course. There's only one singer in my family. Others have been staying close to home. Well, it's time to get back out and enjoy family, fun, and friends at the Club.

HB7 was new to the BLYC this year as they provided the entertainment at the Beach Party on April 26, 2003. This band electrified us and a merry atmosphere filled the air as we partied into the night.

The May line-up gets even better, the Paul Clark Band will be here for our 50's Sock Hop, May 3, 2003. The Majestics, featuring our own John Sproat will provide the music for the Commodore's Ball, May 17, 2003 and the pool will open for the season with the ever popular Beck & Dittoe on Sunday, May 25, 2003.

Stay tuned, up and coming another Member Tender Night, with your fellow members pouring the drinks, and John Sproat and I spinning some oldies but goodies.

As always, it's a good idea to make reservations, by calling the club at 740-929-9941.

Governor
Wayne T. Lee

House & Grounds

By the time this edition of the Log reaches you, we will undoubtedly have completed another successful Spring Work Day. I would like to thank all of the volunteers who participated in the annual effort to maintain our Club facilities and prepare them for the summer season. Projects slated for the remainder of the year will include the purchase of flowers by the Club from the Junior Sailing Program. We are forming a committee of Junior and adults to plant the flowers and tend to the landscaping of the island. Thanks to Governor Mark Russell for the excellent suggestion that the Club purchase our flowers through the Juniors this year. Not only is the Club getting an excellent deal on flowers, but we are able to help support the Juniors' fundraising efforts as well.

We are also reviewing the installation of a gate fence to better secure the pool area and upgrading the electrical service on the docks on the island. These improvements are necessitated due to a review of our insurance policies by the insurance committee. We are also pursuing the acquisition of shading for the pool bar area to replace the natural shade previously provided by the tree that had to be removed this past winter.

Other items related to House and Grounds include the replacement of the tent awning for the barbeque area on the east side of the Club, a review of seawalls, docks, and walkways for repair, concrete repair in the barbeque tent area, and repainting the pool.

Thanks again to all of the members who have so generously devoted their time and energy to the upkeep of our Club.

See you at the Club,

Ed Kincaid

Governor Ed Kincaid

General Manager

Fritz Reiterman

It has been a long and cold winter. It was Ice Station Zebra here at the Buckeye Lake Yacht Club. The only things missing were the submarine and Rock Hudson! A special welcome home goes out to all of our returning SnowBirds!

For those who have been away from the Club, I am pleased to announce that our kitchen has been redesigned for greater efficiency and we have a new crew as well. Chef Troy English has joined the Buckeye Lake Yacht Club Team. Our new chef and crew are doing a marvelous job.

New lunch and dinner menus went into effect mid-April. We are planning on making seasonal changes to the menu at least twice each season. If you have any suggestions on improving the menu, Please let Vice Commodore Geiger or me know.

Please note that we will make the switch to summer hours effective on Saturday, May 24, 2003. Lunch will be served daily, Wednesday through Sunday, from 12:00 noon until 5:00 p.m. Dinner will be served Wednesday through Saturday, from 5:00 p.m. until 10:00 p.m., and Sundays from 2:00 p.m. until 8:00 p.m. Breakfast hours are every weekend, Saturday and Sunday, from 9:00 a.m. until noon.

We anticipate a dramatic increase in business this season, so please make reservations. Disregard the times on the calendar and make your reservations for the time that you wish to be seated for lunch or dinner. To provide for proper lunch staffing, is especially important that you make lunch reservations in advance.

This season, the Club is pleased to announce that, we will be offering off-Island catering for private parties in your home. Please keep us in mind for special events at your home this summer.

As you can see, we have made a lot of improvements at your Club. Please come out and join us.

Fritz

Bar and Kitchen cont.

information related to summer breakfast, lunch, and dinner service hours effective May 24. Fritz is committed to making each of your visits to the Club better than the last. Someone said recently that now the BLYC was the best restaurant in Licking County. We may not be there yet, but we do want to be your restaurant of choice when looking for a casual and friendly atmosphere, where our servers and other members know you; and, where food, service, presentation and selection represent private club quality and value.

You will be receiving a personal invitation to our annual Commodore's Ball on Saturday, May 17th. Please RSVP as quickly as possible so we can prepare accordingly.

Call the Club with your reservation (740) 929-9941. Cocktails will be served from 6:00-7:00 p.m., dinner at 7:00 p.m., and dancing will start with Commodore John Sproat and the Majestics at 9:00 p.m. This year's theme will be musical and fun, that's all I can say.

See you at the Club,

Rentals & Docks

Boating weather is finally here! Water traffic is picking up so it is time to get your boat in the lake! Dig out the beach towels and sunscreen and get ready for summer!

As you launch your boats, please inspect your dock for any needed repairs. I did try to address the obvious ice damage, etc. at Spring Work Day, but some repairs could have been overlooked or may only be detected from the water.

Also, please help keep the boatyard looking as nice as possible. If you have accumulated "winter debris" around your space, please put it in the proper trash receptacle. Mowing around trailers is difficult and we have a great deal of traffic in the yard throughout the season using the lift, etc.

May is a busy month so plan on attending the Thistle Regatta on the 3rd, the Semi-Annual Meeting on the 4th and leave some space on your dance card for the Commodore's Ball on the 17th.

Our Sunday Racing Series begins on the 11th. Why not bring Mom out for dinner on her Day and stay and watch the sailboat races from the porch? It's a great way to spend a Sunday!

Dittoe and Beck provide the music to open our pool on the 25th and the porch picnic on Memorial Day is fun for the whole family.

There are still docks available and I have a few spaces left in the boatyard. Please call me if you have questions about Docks and Rentals. Home is 740-929-2446 and work is 740-455-4032.

See you at the Club!

Governor Terri Gatton

The Auxiliary

Secretary Gayle Scarrett

The first meeting of the BLYC Auxiliary was held April 10, 2003. The following new and returning members were announced: Carolyn Harden, Shelly Higgins, Michelle Green, Paula Price, Pat Dorman and Sharon Besanceney. We look forward to having all of you at future meetings.

A big thank you to Michelle DeSantis for being our April hostess. Michelle provided lovely spring centerpieces for all of our tables. They looked great Michelle, thank you again! Anyone interested in being a hostess for one of our upcoming meetings, please contact Faye Lemmon.

The next Auxiliary meeting will be held at **Herb-n-Ewe** on **May 8, 2003** beginning at **6:30 p.m.** We will not be meeting at the Club for the May meeting. Please make your reservations by contacting Herb-n-Ewe at 740-323-2264 by May 6th. The menu for the evening is your choice of fish or chicken, vegetable, potato, salad with basil dressing and dessert. The program for the evening will feature the herb, Basil and you will have the opportunity to purchase it as well. Please bring a pot with you so that you can plant your basil during the program.

Upcoming Auxiliary meetings include the following programs:

June – Co-ed pool party

Thank you to all current and new members for attending the April Auxiliary meeting. The white elephant auction raised \$200.00.

If you haven't done so already, please see Roe Miller to pay your dues and to request a name badge if you do not currently have one.

See you all in May at Herb-n-Ewe!!!!
