

# Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

June, 2003 - Vol. 13 Issue 5

**Commodore Jim Thompson**

Welcome to Summer! Hopefully, by the time this article is published it will have stopped raining, at least temporarily. The rains have forced a postponement of pool painting, but we hope that the pool is open and everyone is having a good time.

Speaking of good times, everybody seems to have had a ball at the Commodore's Ball. Vice Commodore Geiger put on quite a show and deserves all our thanks.

That rascally rogue of a singer, Pat Dailey, will be appearing at the Club on June 28th, "A Great American Saturday Night." He's coming to us direct from Key West and Put n Bay, and always is wonderfully entertaining. Tickets are limited (not too limited) so get them now from any Board Member, Trustee, Martin, or Fritz. It should be a ball.

Also don't miss the Commodore's Steak Fry on June 10. It's the greatest bargain at the Club and always is fun,

Get your kids and grand kids signed up for sailing instructions as soon as you can.

Our new awning should be poolside soon, and our new electric on the docks is complete. We hope that the fence around the pool is in place and properly installed soon. There are a few problems, but we'll get them worked out.

See you at the pool!

Have Fun,

## Bar & Kitchen

We have been talking (and writing) all winter and spring about "the season." Well, it is now June, time to stop talking and get to your Club, frequently! Parties, special events, casual dining and relaxing, the pool and pool bar, and sailboat racing will all make for a wonderful BLYC summer. Even when it's raining, one of my favorite times at the Club is sitting on the porch, beverage in hand, watching Mother Nature replenish the great Buckeye (Lake) for our continued boating pleasure.

We will have frequent pool bar entertainment this summer with our

**Vice Commodore  
John Geiger**

favorites Beck and Dittoe. Refer to Governor Lee's article and display insert for dates.

Those of you who appreciate a good time with your fellow Club members and friends will be in for a special double treat on June 14th, the Commodores' Steak Fry. In addition to great food and an opportunity to see your Past Commodores at work, we will feature the "Classmen". This band played during the fifties, and reunited in 1999 to bring back the classic sounds of big band and dance music. Their selections will include a variety of music from Miller and Basie, to early rock and Latin music. New members, don't miss this evening, it is a Club tradition.

Another Club tradition is our BLYC Fourth of July Fly-Over Flag Raising Ceremony and Porch Picnic on Friday, July 4th; Pool Beach Party with the Paul Clark Band on Saturday, July 5th; and Beck and Dittoe Sunday afternoon at the pool bar on July 6th.

From a bar and kitchen perspective, we have been preparing since February when our new Chef arrived. Menu selections still represent work-in-progress. We will be making continuous adjustments to determine what our members and their guests most prefer. As noted last month, customer satisfaction/suggestion cards will be made available by your servers by the end of May/first of June. We will use these cards in conjunction with sales analysis data to determine the on-going focus of our bar and kitchen operation.

During the summer, don't forget your friends, neighbors, relatives, work associates, etc., who might appreciate a visit to your Buckeye Lake Yacht Club. Sunday afternoons at the pool/pool bar, parties like the Commodores' Steak Fry, or just a casual visit to our porch, dining room, or bar affords you an opportunity to share a private club experience.

Guests are welcomed, three visits per year. You can bring up to 20 guests without the need for booking a private party. Please, if you do bring a number of guests, call ahead for reservations or talk with Fritz.

We do book private parties and meetings at the Club. Weddings, business meetings, reunions, etc. can be booked but must be sponsored by a member, and then approved by the Board of Governors. Where else in Central Ohio can you combine great food and service, a historic facility, and a direct main lake view?

See You at the Club!

## Entertainment

Summer will officially be here soon, but it's not too early to begin the summer fun. We have much to look forward to in the way of entertainment in the upcoming months. Your Commodores are gearing up for the June 14 Commodores' Steak Fry where the entertainment, The Classmen, is guaranteed to be as spectacular as the steaks. Many enjoyed their multi-talented style and ability to bring together a mixture of jazz, big band and current pop tunes. You have shared how much you are enjoying Karaoke, so June 20th will feature Phyllis Flynn's daughter, Cathy, as Top Cat Karaoke to the club.

Governor  
Wayne T. Lee

Now that the pool is open, Beck and Dittoe will be providing poolside entertainment every other Sunday afternoon. By now you have noticed the flyers at the club announcing the special event scheduled for June 28 with Pat Dailey. This event is open to the public, tickets are \$20.00 per person. There will also be a Pool Party on June 29th with a group called The Toy Boat out of Florida and you can expect to be jammin'.

The month of July is always a great time for the BLYC, starting with the 4th of July festivities. These activities will be going on all day at the Club beginning with the annual Fly Over and Porch Picnic. Many have asked me to have Wanetta and the family to sing the Star Spangled Banner for the Fly Over scheduled for 10 a.m. If you see her around the club, give her a nudge. Following the Fly Over, the Porch Picnic will take place. Later will be the live broadcast with WQIO Radio and that night the annual Fireworks display, also simulcast live at the BLYC. The Paul Clark Band will rock the house for the Pool Beach Party on July 5th (the attire will be beach wear). Our new chef is planning a spectacular menu for our Seafood Night on Watkins Island, July 26th. Jack Gorham and his Jazz Band will provide our entertainment. Well I don't need to tell you that if you miss any of these events... you will really miss a treat. Make your reservations early and come out and enjoy the F\_N, and remember the only thing missing is U (You)!

## House & Grounds

Greetings Members and Mates. We have concluded a very successful work-

day with excellent participation and accomplishments. We were able to address a number of much needed repairs and maintenance to the Club, including painting the Commodore's gate along with the white fence behind the Club and overall "crisping" of the Club and grounds. Our pool is being fenced this month prior to the opening date, as necessitated by an insurance audit. We also began the concrete repair by the tent and the upgrade of the electrical on the docks. Lastly, we are soliciting pricing bids for the carpet on the porch.

Mother's day weekend was also a workday of sorts, as the Junior sailors along with adult volunteers planted flowers purchased by the Club from Junior Sailing. Please see Governor Russell's report for a list of the volunteers. The flowers, as well as the Club in general, look fantastic. We plan to keep the momentum going throughout the summer season.

Finally, our pool season begins soon. I would like to re-enforce some rules and guidelines for our members. First, please do not take cigarettes or cigars into the pool. Use the tables or bar if you are smoking. Second, to the parents of small children (of which I am also one) please use common sense and courtesy when allowing your children into the baby pool and adult pool. In general, a child in diapers should not be in the adult pool. A "hazardous waste" leakage could lead to a complete pool shut down. Please utilize one of the Club's baby changing stations prior to letting the little ones into the baby pool. As with most situations, common sense generally prevails.

See you at the Club.

## Rentals & Docks

**B**uckeye Lake made history at the Full Pool Breakfast this year. Tim Moore from ODNR told me it

Governor Terri Gatton

is the first time in 18 years that the lake has not been at full pool by May 1<sup>st</sup>! There is definitely an increase in activity around the docks and boatyard as everyone is excited about getting boats into the lake. But first, I think our sailors and boaters are more anxiously awaiting rising water! Let's hope for a soggy start to May.

As you are working or boating around the docks, please notice that new swim ladders have been installed. There are five ladders in the Front Basins and one each at the Covered Docks, Area 8 and Eastport Docks. This provides an extra measure of safety in case anyone tumbles into the water.

There are currently 14 docks available, two in the back basin for small boats or wave-runners, six sailboat docks and six powerboat docks. There are 13 spaces available in the boatyard. There are four people on the Open Dock Waiting List that have not yet chosen a dock. Garages are full, but I have started a Waiting List. Please notify me if you would like to be put on the list. There is also a Waiting List for the Front Basins as well as the Covered Docks. These are posted at the back of the dock list at the Club.

Your Board of Governors and Trustees are very committed to safety, so as we enter into the summer season, please remember the Club rule requiring life jackets on your children, grandchildren or visiting children age 12 or below whenever they are on the island or on the docks.

Please call me if you have questions regarding Docks and Rentals. Home is 740-929-2446. Work is 740-455-4032.

See you at the club!

## The Auxiliary

Secretary Gayle Scarrett

**T**he May Auxiliary meeting was held at Herb-n- Ewe. The evening was very nice and everyone enjoyed their dinner as well as the program regarding the herb basil. Thank you Vicki for coordinating this exciting event.

I would like to extend a huge thank you to Joan Ford (BLYC Easter Bunny), Phyllis Flynn and Terri Gatton for assisting me with the Children's Easter Egg Hunt this year. I believe all of the kids had a good time. We had over 300 eggs for the kids and the actual hunt only lasted a mere two minutes. It goes without saying that was the fastest Easter Egg hunt on record. Thanks again ladies for your help.

The next Auxiliary meeting will be held at the Buckeye Lake Yacht Club on June 12, 2003 beginning at 6:30 p.m. The June meeting is our Co-ed Pool Party. Please remember to bring your spouse, significant other, or a friend for a nice evening by the pool. As always, please contact the Club to make your reservation for this event.

Upcoming Auxiliary meetings include the following programs:

June – Co-ed pool party

July – Aroma therapy

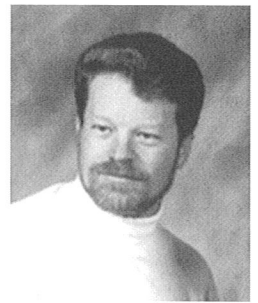

August – Style Show

See you all in June at the Pool party. Let's welcome summer poolside!

*Gayle Scarrett*

## Off-Island Maintenance

**A**hoy, and many thanks to all who turned out and turned to for the spring workday. Much was accomplished

Governor Ray Kent

and all had fun. One new member told me she thought it was a great way to get acquainted. She thought attendance should be mandatory for all new members.

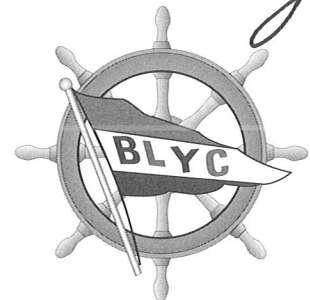

That may be something to think about.

At the current time I am getting bids for the sealing and striping of the parking lot. It has not been surfaced since it was installed and should be before winter to protect our investment.

Please feel free to contact me at any time with comments or concerns.

See you at the Club.

Commodore Jim Shriner

Join Commodore Jim Shriner and Lady Jane for a weekend trip and cruise to Sandusky Bay on September 5, 6, and 7, 2003!

This year marks the third annual Commodores' Cruise and all Club members are invited to participate. We will travel to Sandusky, Ohio, where there are many interesting sites and activities to join in on — Ride the big yellow Island Rocket to the Lake Erie islands — Ferry to Kelley's Island to visit unique historical sites and geological wonders such as Inscription Rock and the Glacial Grooves — Visit the Perry International Peace Monument at Put-in-Bay and tour the wineries — Cruise the Sandusky Bay in your own boat or with friends — So much to do and much, much more.

We have reserved a block of rooms at the Radisson Inn at the Cedar Point Causeway. Rooms are at the rate of \$85.00 per night and you must make your own reservations. Reservations may be made by calling the Radisson reservation line at 1-800-333-3333. Be sure to let them know if you will be docking a boat. We will all join for dinner at the Sandusky Yacht Club on Saturday evening at 8:00 p.m. Make dinner reservations by calling the SYC at (419) 625-6567 and let them know that you are with the BLYC group. Reservations must be made in advance. We will be able to choose from a 15-entrée menu (including dessert) and there will be separate checks.

We look forward to seeing you on the "Big Lake" and hope that you will join in the camaraderie and fellowship of your fellow BLYC members in this event.

If you haven't seen Pat Dailey before, you are in for a real treat.

Just ask anyone who has been to Put-in-Bay or Key West!

**Associated Press** *It's Saturday night on Lake Erie's South Bass Island, and Pat Dailey is leading the revelry, singing another bawdy tale while the crowd howls with laughter. The venerable island singer has kept them coming back for more than 20 years.*

**Cleveland Magazine** *A bit of Buffett, a lot of Lightfoot, troubadour Pat Dailey has been singing homilies to the Great Lakes region for 25 years. On being nicknamed "The Jimmy Buffett of the North Coast": I've played Key West for the past 19 years. I knew when I first started there that people would ask to hear Jimmy Buffett songs. I also knew I wasn't going to do them. When he starts playing my songs, I'll play his.*

**Variety** *He purrs with deep baritone and has a warmth that infuses all of his efforts including the tongue and cheek gag.*

**Chicago Tribune** *A real crowd pleaser that boy, puts on a lively show that's attracting people in record numbers.*

**Scene** *Pat Dailey is a one-man portable party... add ice and people and he'll create the stir.*

**Key West** *There hasn't been anyone this talented in Sloppy Joe's Bar since Hemingway.*

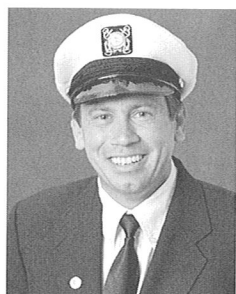

**Rock Beat** *Dailey's most obvious assets are his skill, poise and enthusiasm as an entertainer.*

**Toledo Blade** *Pat Dailey outrages and out writhes his jam-packed audience at the huge Beer Barrel Saloon on Put-In-Bay and they love him to pieces for it.*

## Hans Update...

BLYC's long-time chef and dear friend Hans Kamphowe would like everyone to know that he is recovering nicely and at home. He is still undergoing treatment, but is responding well. He greatly appreciates the support and prayers of the members and hopes that he will be out and about soon and get to see everyone. Please feel free to call or stop by and visit.

## Race, Regatta, & Jr. Sailing

To all my fellow BLYC members, the activity around the Club sure lets

you know spring Governor Mark Russell has set in and the boating season is here. There has been a lot of preparation for our sailing season this year.

The Junior Sailing program had their First spring flower sale this year to help raise money for the equipment they need. I would like to thank Becky Miller and Tracey Davis for organizing this project. The Club also purchased all the flowers for the island from the sale and the Junior sailing program had offered to plant the grounds this year as way to show the Club and the members how much all the fund raising support is appreciated.

May 10 and 11th were the pick up dates this year. Saturday morning early was drop off, fully organized delivery and set up. By the early afternoon all the flowers were picked up with a couple for Sunday pick up placed on the porch. The island's beds and planters are completely planted for the season and its only 1:30 in the afternoon. I tell you what, we have to give a special thanks to all of the following people. Becky Miller, Chris Russell, Tracey Davis, Jim Borden, Patty Harklau, Cameron Evans, Fritz Schilling, Evan Miller, along with Commodores Steve Schilling and Greg Miller.

In the early spring, BLYC was in force for the spring Inter-Lake Yachting Association's annual meeting in Cleveland, Ohio. Up for the meetings from our Club this year were Vice Commodore John Geiger, Rear Commodore Steve Harris, Coach Stone Parker, Commodore Gustav Schell and myself.

The Gustav Schell Junior Regatta will be held August 9th the year. We had to move the date from August 2nd due to conflict with the Cleveland Yacht Club's Regatta, to allow for better turn-

out for the regatta. This year's final Regatta schedule for the Junior sailing will be given to us at the end of May and we will be able to post it as soon as we get the final from I.L.Y.-A. We will also post them on the Club web site.

The Junior racing Opti sailors attended a clinic at Sandusky Sailing Club on May 10th. This year's team is Aston Miller and Hallie Harklau. Driving the team up were Dick Miller and Brett Pfahl and arranging a pick up. This was a pick up of TWO new Opti Intermediate racers from the McLaughlin Boat Works that was made possible by Junior fund-raising events. This rounds us out to have a fleet of five for this season for racing and for camps.

The forms for the Beginner and advance camps are being printed in the Log and you can always call me 614-239-0143 or Tracey Davis 614-899-9717 and we will get a copy of the sign-up form to you. Our week camps will be \$175.00 for members and \$220.00 for non members. Beginner camps will be June 23rd to 27th and August 4th to 8th. The advanced camps will be June 16th to 20th and July 7th to 11th.

Also posted around the Club and in your Log coming up are dates for evening adult sailing classes. There will be six Tuesday evening from 6:30 to 9:30 p.m. Starting in June on the 3rd, 10th, and 17th. July will have the 29th along with August 5th and 12th this year.

This year we will have Wednesday evening races again from June 11th to August 10th. Races will be for both Lasers and Thistles this year also. So try and leave your Wednesdays open mid week when the lake is not crowded.

Sunday sailboat racing started on May 11th and runs thru September 28th — and this is for all members. Skipper's meeting is at 1:30 and races at 2:00 p.m. start and we are flexible with the wind.

BLYC hosted our annual Thistle Racing Regatta Saturday, May 3rd. Our Club now has enough thistles to be a fleet again. The regatta was chaired by Brett Pfahl and Stone Parker. Our Club

had a great turnout for help to run this regatta. I would like to thank the following members Patty Haukla, Terry Gatton, Becky Miller, Bill Reynolds, Ed Riley, Bob Snow, Ilkka Aro, Emil Klien, Bruce Pfahl, Dan Knaul and Steve Harris, plus a hand for our Staff that makes it happen. We had a good turnout of 15 thistles for the race with three of the boats being from the Club. It turned out to be a great day and the racing was excellent. On the final results, we had 1st place Tom Hubbell, 2nd place Kurt Finnie, and 3rd place Wes Harnish.

If you have not noticed, we have great sailing tee-shirts for sale this year benefiting the Junior sailing program. Samples are on display in the bar area above the linen shelves. All sizes except XXL are only \$15.00.

I will keep you in touch and see you around the Club.
