FROM THE BRIDGE ☆☆☆

July, 2003 - Vol. 13 Issue 5

**Commodore Jim Thompson**

This article is being prepared on the first sunny day after 40 days of rain. I remember something about that from the Bible, and the decorative animals in my saturated garden have drifted away. I certainly hope that by the time you read this, we will all be sunburned or at least pleasingly tanned.

The best place to feel the meaning of the Fourth of July is our fly-over ceremony on the morning of the 4th at 10:00 a.m. Patriotism is never out of style and our armed forces around the world need to be remembered on this special day. There's no better place to watch boat parades, go swimming or watch the fireworks than our Club, so come join us.

At Put-in-Bay in the last week of July our junior sailors will be hoisting the BLYC burgee over Lake Erie as they compete in Bay Week. Come see them

and join an ever-growing group who accompany them for a great time.

A couple of notes... please don't bring your small children to the dances and affairs held in the evening at the Club and don't let them sit at the bar. There are plenty of times for children's fun but those times should be reserved for adults. P.S. We don't mean don't bring them to dinner at the Clubhouse, just not to adult functions.

The Luau is coming soon and I hope all of you can attend. It's always a great party!

Have fun,

*Jim Thompson*

weather problem. Jerry and his team of "weather commandos" are looking at various tactical options that we might consider if the rain does not stop.

An array of sophisticated artillery devices are being analyzed that could carry drying agents, launched from the porch, into the clouds at the first sign of rain. Jerry's Commandoes are also considering arming each and every member with large M12-A1 umbrellas as they approach Watkins Island rain or shine. The concept is that if we are prepared, the aggressor will hesitate to attack and might call for a cease-fire (or cease-rain) long enough for us to enjoy at least one or two sunny pool/pool bar weekends. Oh, we do want wind, sunshine and wind — the perfect combination.

Whether or not Jerry is successful, don't let the rain stop you from using your BLYC.

Our porch is a great haven from the weather if you are boating and need shelter. Our kitchen and bar are ready to serve regardless of the weather. Don't just sit at home and watch the rain. Come to the Club, be with your friends, take advantage of our bar and kitchen, and "watch the rain" from the Club. Don't forget your umbrella, I don't think we can afford Jerry's M12-A1 umbrella strategy.

Now, back to bar and kitchen business. Our new suggestion box is in place. A special thanks to Bruce Pfahl for constructing the box. Forms are available from any server, bartender, staff, or Governor. A supply will be

“Long as I remember,  
The rain's been coming down,  
Clouds of myself falling,  
Confusion on the ground,  
Good men through the ages,

Trying to find the sun,  
And I wonder, Still I wonder,  
Who'll stop the rain,”  
Artist: Stereophonics - Song: “Who'll Stop The Rain”

After a very rainy June, your Board has gone into a rapid response mode. Who will stop the rain? Gerry Besanceney has been appointed to command a special task force to look into our rainy

available near the box.

Why did I start this article with the lyrics of a song? I want to get you acquainted with the suggestion/comment box through a contest. Using the back of the suggestion/comment form, list as many songs that you can think of that have the word rain in the title or lyrics. Multiple entries will be accepted. We will award the member who has the most songs listed with two complimentary "specials menu" dinners of their choice. The drawing will take place the third week of August. You do not have to include the artist, but in the event of a tie, the member with the most artists listed will be declared the winner. Song titles do not have to be exact, but should be close. This contest is somewhat of a test. Will anyone read this far into a Log article to find out about the contest? We will not promote the contest in any other way other than this article. Members are asked not to tell other members about the contest. Let them read the Log and find out for themselves. Jerry Besanceney suggested that we even use code words for the contest to preserve the integrity of the test. The code words will be "rain drop." Don't forget to "drop" your "rain" song list into the suggestion/comment box. If the winner mentions the code words upon being notified of winning, they will also receive two junior sailing tee shirts compliments of Mimi and myself.

Oh, by the way we still are in the process of continuous improvement and need your suggestions/comments, and continued support of your bar and kitchen service.

See you at the Club,

## Entertainment

**H**opefully you've all dried out from all the rain. Besides green grass, there is plenty of water in the lake. July and August are

always special times at the Club. I hope you plan to take advantage of all the fun and activities up and coming. Members filled the Club both inside and on the porch for the Commodores Steak Fry. The Classmen provided the dancing music and the steaks were absolutely out of this world. Kudos to our Commodores Association for a job well done. You will want to mark your calendar and plan to attend all the activities for July and August, 2003.

- July 4, – Fly-Over with patriotic music by Wanetta and Family followed by the Porch Picnic
- July 5, – Beach Party, with The Paul Clark Band at 8:30 p.m. (the attire will be beach wear). Don't forget the pool bar is open for your convenience to serve your favorite food and beverage.
- July 13, – Beck and Dittoe, will provide poolside entertainment, as you enjoy the afternoon Sailboat Racing.
- July 18, – Top Cat Karaoke, will be with us, starting at 8:00 p.m.
- July 26, – Seafood Night, with The Jack Gorham Jazz Band. After dinner, dance the night away.
- July 27, – Poolside Entertainment will be provided by a group out of Florida called Toy Boat.
- August 2, – Annual Luau with entertainment by the Majestics.
- August 15-17 – The Annual Antique Boat Show.

As always, be sure to make your reservations early and come out and enjoy the F\_N, and remember the only thing missing is U (You)!

Governor  
Wayne T. Lee

## House & Grounds

**G**reetings members and

mates, we seem to have relocated our Yacht Club to Seattle, based upon the pleasant weather conditions we've experienced over the past few months. The persistent rain prevented us from painting the pool in time for the summer opening, so we've moved that project back to the fall for hopefully more favorable weather conditions. We had an issue with opening the baby pool due to a mysterious clog in the recirculation system which has now been remedied. The rain also has prevented us from completing repairs to the cement area on the east side of the Club and finalizing our new carpeting on the porch. The concrete work should be completed by the time this article is received, weather permitting. We should also be done with finalizing the carpet on the porch. The Club has also hired a new maintenance man to help with the upkeep of the house, grounds and pool. He has a very busy agenda. I hope to see all of you at the pool and bar in the coming months.

Governor Ed. Kincaid

## Hans Kamphowe to receive Honorary Membership to BLYC

The Board of Governors is pleased to announce our long-time chef and friend, Hans Kamphowe as our newest Honorary Member of the Buckeye Lake Yacht Club. Hans was the Head Chef at the BLYC for over a decade and one of the most dedicated and devoted staff that we've ever had. Anyone who knows Hans and his wife, Betty, knows just how much they love the BLYC and its members.

Welcome Aboard Hans and Betty! You are, always have been, and always will be a great part of our BLYC family!

## Rentals & Docks

By now, I hope everyone is well into enjoying hot sunny weather!

Don't forget Governor Terri Gatton all the July 4<sup>th</sup> activities at the Club. There is something for everyone over the holiday! You and your family can make a day of it! Start with the annual pancake breakfast sponsored by Jr. Sailing at 8 a.m. Stay for the Fly Over at 10 a.m. The porch picnic begins at 11 a.m. and runs until 4 p.m. The Commodore Earl Williams long distance race begins at 11 a.m. and fireworks close out the evening. Please plan to attend!

Also in July, you should mark your calendars now to head up north to "The Big Lake" and show your support for our Jr. Sailing Team at Bay Week. (July 20 - 25) It is absolutely great fun and the annual picnic for our sailors will again be held on Wednesday night. Please let Governor Russell know if you are planning to attend so food can be ordered.

There are still docks available at Area 8 and Eastport. There has been a dock Waiting List started for the front and west basins. (This is a separate list from the Covered Dock List.) Please let me know if you would like to be added to these lists.

I would like to remind everyone with boats in the front of the Club that I will be asking you to move your boat for the weekend of the Antique Boat Show in August. We will have spots for you to move your boat into for the weekend. Commodore Maite assures me this year's show will be bigger than ever, so I am asking for your help in making docks available.

Lastly, I am asking for your help in keeping the boatyard neat and clean. There have been two trash receptacles placed at Eastport. One is on the docks

and the other is inside the boatyard on the pad by the boatlift. A trash receptacle has also been placed at Area 8 docks. Please use these containers if you have trash to dispose of. **Please remember to close and lock the boatyard gates.** This will help in keeping the boatyard secure and your boats, etc. safe.

Thank you very much for your cooperation in helping to keep our docks and boatyard clean and secure. Please call me if you have questions regarding docks and rentals. 740-929-2446.

See you at the Club!

*Terri Gatton*

## Off-Island Maintenance

Summer? Finally! Well, now that the weather is warm and the lake is full we can get out and enjoy sailing and boat-

Governor Ray Kent

ing. Whoops! What's that? A floating island? As if we didn't have enough to worry about, we now have a moving navigational hazard. Well, maybe ODNR can just put running lights on the piece that broke off Cranberry Bog and we can get on with enjoying the lake.

Many thanks to all members who have made me aware of several deficiencies on and around the Club properties. They are being addressed and will make our grounds more presentable and also protect our investment.

Don't forget the special events planned for the summer, especially the Fourth of July festivities. It's your Club! Come out and enjoy!

*Ray*

## The Auxiliary

Secretary Gayle Scarrett

The June Auxiliary meeting was held on June 12, 2003 at the Buckeye Lake Yacht Club.

This was the annual Auxiliary Pool Party with entertainment provided by Beck & Dittoe. Unfortunately, the weather did not cooperate and we had to hold our festivities inside. We still enjoyed our evening. Thank you, Vicki, for another nice program.

Our next meeting will be held July 10, 2003 at BLYC at 6:30 p.m. You'll not want to miss this evening. The July program will feature the topic of Aroma Therapy. For reservations please contact BLYC.

The August meeting will be the style show. Auxiliary member, Connie Warren, will be coordinating the event. This promises to be an evening of glamour and style. Don't miss it!!

Auxiliary Meeting Dates:

July 10, 2003 – Aroma Therapy Program

August 14, 2003 – Style Show

I look forward to seeing all of you at the next Auxiliary function. Until then, enjoy your summer activities, weather permitting.

## Race, Regatta, & Jr. Sailing

To all my fellow BLYC

members, Summer has finally arrived and if we can just keep the

Governor Mark Russell

rain at bay, we'll be all set. Our Junior Sailing Camps are underway and we've had good turnouts for our June 16-20 Race Camp and June 23-27 Beginner Camp. Please keep in mind that our dates for Intermediate/Intermediate-Advanced Camp are July 7-11, and we will hold an additional Beginner Camp from August 4-8.

There are still openings in each of these camp sessions. Camp applications are in this Log, can be picked up at the Club, on the website at [www.buckeyelakeyc.com](http://www.buckeyelakeyc.com), or call me at 614-239-0143 and I'll get you a copy.

Our Junior Race Team's trip to I-LYA Junior Bay Week is just around the corner on July 20 through 25. We've got a great team of Juniors from our Club attending. Our annual Bay Week picnic will be held at 6:30 p.m. on Wednesday, July 23<sup>rd</sup> at the Put-in-Bay Yacht Club shelter. Thursday the 24<sup>th</sup> will be the I-LYA Junior Regatta Awards Dinner. Please let me know, in advance if you're planning on attending and the number in your party, so that we can accurately plan for the number of dinners needed at the Wednesday evening picnic.

Put on your 4<sup>th</sup> of July "must do" list our annual Junior Sailing Pancake Breakfast from 8:00 – 9:30 a.m. This will be followed by the annual fly-over and flag raising and, of course, the Porch Picnic all afternoon. Don't forget the annual Commodore Earl Williams Long Distance Race. We will hold the skippers' meeting at 11:00 am with the race to start shortly thereafter. Don't forget the fireworks and festivities that evening as well.

There are a couple of other sailing-related notes that may be of interest to our members. From July 9<sup>th</sup> through the 13<sup>th</sup>, the Tall Ships will be in Cleveland, located at Dock 32, behind Brown's Stadium. At this event, you can see 17-20 ships ranging in size from 72 to 244 feet in length.

Our Junior Sailors have some great T-shirts for sale. The cost is \$15.00 for all sizes except extra-large. You can see one on display at the Club at the end of the bar. This is a "must-have" T-shirt so get yours soon! The Juniors are also sailing BLYC burgees this year. The burgees are on display in the BLYC Auxiliary showcase and are of the nicer sewn style.

I would like to express our thanks to the Buckeye Lake Marina for their continued support of the Club's Junior Sailing Program. Dave and Norm have again gone above and beyond in their servicing of the Club pontoon this spring. Also, a big thank you to Stone Parker for the donation of materials for and arranging the construction of two new launch dollies for our Race Team boats by the welding students at the Mid-East Ohio Vocational School.

Please sign up on the porch for Sunday racing in the Lambrecht Cup Series. We now have a "Crew Needed/Crew Available" sign-up board. Skipper's Meetings are at 1:30 p.m. and races begin at 2:00 p.m. every Sunday through the end of September.

I'm looking forward to seeing many of you at Bay Week and around the Club!
