

# Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

August, 2004 - Vol. 14 Issue 7

**Commodore John Geiger**

**T**raditions Continue! I-LYA Junior Race Week at Put-In-Bay, and the "Best (Don Best) Scramble" golf outing at the Harbor Hills County Club are July traditions at the BLYC. Those of us who have been on the Board or have been active members know these two traditions well, but all of our members and particularly those of you who are new to the BLYC may not.

The I-LYA's (Inter-Lake Yachting Association's) Annual Junior Race Week Regatta takes place at Put-In-Bay ("The Bay") each year (2004, July 18-23). The I-LYA established in 1885 consists of 139 yachting, sailing, and boating clubs in the Lake Erie and Great Lakes region, including inland clubs such as the Hoover Sailing Club and our BLYC in Central Ohio. The I-LYA 2004 "111th Annual Regatta" year book is available at the Club if you want more

information. Each year the BLYC sponsors Juniors from our Club who compete with other I-LYA teams. To celebrate our Junior program, kids and their families, the Board of Governors, and our Trustees hold our monthly July meeting at the Bay on Wednesday afternoon. That evening we attend a picnic at the Put-In-Bay Yacht Club shelter house to honor our Juniors for their efforts at Bay Week and throughout the year. A significant number of BLYC members and Past Commodores join in the fun and show their support for our Junior program. On Thursday evening, along with parents and family members, we attend the I-LYA Junior Race Week banquet to honor all I-LYA Junior Regatta participants. Two of the trophies awarded annually are named for our own Past Commodore Gus Schell, who is one of two BLYC Commodores who have served as Commodore of the I-LYA. Commodore Schell and his Lady Martha are always wonderful and gracious hosts. Oh yes, in addition to watching the regatta, attending the picnic and banquet, we do a few other things for fun. You can find Commodore Jim Shriner fishing each morning off of the Boardwalk Pier, and there is always a familiar BLYC face or two at all of the Bay's tourist spots and restaurants. All members are invited to Put-In-Bay during Junior Race Week to help support our juniors and vacation with your BLYC family in 2005.

Our current Junior Sailing Governor, Vice Commodore Steve Harris, and all past sailing governors have made a great effort over the years and should

take pride in the fact that our Junior program has grown in scope and quality, giving more of our BLYC young people the opportunity to participate. Our Juniors learn sailing skills, gain self-confidence, learn respect for themselves and their competition, and develop personal skills related to physical endurance and critical thinking required in competitive sailing and in life. Please refer to Vice Commodore Harris' Log article for more Junior Race Week (Bay Week) information, and consider getting your children or grandchildren involved in our junior sailing camps and racing program next summer.

Now to golf. Your Board of Governors has officially named our Annual Golf Outing for the member who initiated this tradition and who has single handily made it an annual success. Don Best is the "Best" and the golf outing is now officially called the, "BLYC Best Scramble." Don is retiring and this year's Best Scramble committee consists of Commodore Frank Foster IV, Matt Davis, and Rob Sanders who have continued the tradition of members and guests golfing at the Harbor Hills County Club, and then going to the BLYC for steaks, prizes and awards. Our committee did a great job, thank you. This tradition, now officially named in honor of Don Best, will be on our Club calendar annually. Mark yours now for July 2005.

The new porch step rails are now complete. Bruce Pfahl was our contractor on this project. His skills and resolve to provide us with something that we

*continued on page 3*

## Jr. Sailing

WOW! What a month for Junior Sailing: sail camps, regattas, Bay Week, the Annual Fourth of July Pancake Breakfast – It seems like just about every day has been filled with great junior sailing activity.

Vice Commodore  
Steve Harris

This year's Bay Week was probably the smoothest running and most enjoyable for me of the past six years I have been involved. We took a team of six sailors to Bay Week and they represented our Club fabulously. They sailed hard, improved each day, and most importantly had fun. It was nice to receive so many compliments from the officers of I-LYA and members of other Clubs about how mature and respectful our sailors are. I commented early in the week about how smooth things were going and was reminded, "Steve, it's easy when you've got six great kids." They and their families deserve a great deal of our respect for the way that they conduct themselves on and off the water. Thanks, Guys.

Now for the finishes: Brian Foley, son of Tom and Bridget Charles and this year's Team Captain, finished 18<sup>th</sup> place in the Commodores Series in Lasers; Fritz Schilling, son of Steve and Connie Schilling, along with crew Evan Miller, son of Greg and Karen Miller, finished 9<sup>th</sup> place in the Silver Fleet of the Commodores Series in Flying Juniors; Jeff Schmittauer, grandson of Jerry and Nancy Schmittauer, along with crew Joe Schilling, son of Mike and Bobbie Schilling, finished 14<sup>th</sup> in the Silver Fleet in Flying Juniors; and, Shane Shriner, grandson of Jim and Jane Shriner, finished 12<sup>th</sup> in the Laser Radial fleet. Fine job guys!

The I-LYA Optimist Championships on Friday were a great finish to a great week for our Club. Once again this year, BLYC was represented by Austin Miller, son of Dick and Becky

Miller, and Halle Harklau, daughter of Rob and Patty Harklau. It was great that they were able to come up during the week and be with the Bay Week Team for the picnic and Awards Ceremony. They are destined to be members of that team in the next few years when they are old enough and, judging by their progress in the Opti fleet so far, they'll be good sailors as well. In the Opti Championships, Austin sailed in the top (Gold) fleet. This fleet consists of sailors who have won other Opti regattas this year. (Austin, you will recall, won at Sandusky in June). In the Championships at the Bay, Austin finished 4<sup>th</sup>! Outstanding performance, Austin! In the silver fleet, Halle sailed hard and brought home a 7<sup>th</sup> place finish. The winds for the Opti races were some of the strongest we saw all week at the Bay.

I would like to thank all of those members, families, and friends who helped support our team at Bay Week and the Opti Championships this year. Without this strong support, we wouldn't be able to provide this great experience for the young people of our Club. I'll try to list them all, but apologize in advance for any omissions; Parents/Chaperones – P/C Steve and Connie Schilling, P/C Greg and Karen Miller, Mike and Bobbie Schilling, Trisha McClain, Wes Shriner, Tom and Bridget Charles, Dick and Becky Miller, and Rob and Patty Harklau. P/C Bob and Carol Boehm who brought their boat up and took our parents out on the course to watch the racing; "Mr. Boat Repair" Stone Parker and his wife Donna; Mike Evans, Matt and Tracey Davis, P/C Gus and Martha Schell, Commodore John and Mimi Geiger, P/C Howard and Rosa Clark, P/C Nick and Michelle Desantis, Marie Desantis, Nick Desantis Jr., P/C Jim and Jane Shriner, P/C Tim and Martha Maite, P/C Jim and Becky Thompson, Rear Commodore Mark and Krissy Russell, Gov. Ray and Ruth Ann Kent, Gov. Dan Knaul, Gov. Terri Gatton, Gov.

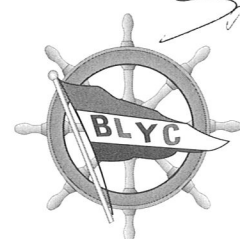

Ed and Rita Kincaid, Don and Sue Harris, P/C Gale and Norma Roshon, Phil and Carolyn Harden, Dave and Lisa Stewart, Bruce Pfahl, Polly Mingyar, Jimmy Borden, Brett McCloskey, Nathan Owen, Jim and Suzy Owen, Brett and Krissy Pfahl, and Frank Laskowski.

Finally, I would like to make a special thank you to our Bay Week Coach, Cameron Evans. One of the most significant reasons that things ran smoothly for our team this year were Cameron's efforts both on and off the water. It is rare to find an 18-year-old as responsible and dependable as Cameron. He works great with our sailors and always keeps things positive. It was a pleasure to watch him lead our team this year.

Junior Sailing still goes on through the end of summer so don't forget to make plans for the following: August 2-6 – Beginner Sailing Camp. Saturday, August 9 – Commodore Gus Schell BLYC Junior Regatta. This year's regatta is a "counter" on the I-LYA Travelers Series so we expect a strong turnout. If you would like to help, PLEASE let me know ASAP. Saturday, September 4 – BLYC Junior Sail-Offs. All Juniors who will be of age eligible to race Bay Week next year are encouraged to attend and race for a position on the 2005 Team. Sunday, September 5 – 4<sup>th</sup> Annual BLYC Junior Sailing Spaghetti Dinner.

There's a lot going on – get involved. Junior Sailing helps to build our Club for the future and right now, the future looks bright! Thanks to everyone at the Club for your continued support!

See you on the water,

## Entertainment

The chilly, soggy season we called summer this year is beginning to draw to a close. Labor Day will be here in the blink of an eye.

Governor Terri Gattton

Let's hope we have a long Indian summer to enjoy the lake and our Club! But wait, summer isn't over yet. There are still many activities planned for your enjoyment!

We begin the month with our **Annual Luau and New Member Recognition on Saturday, August 7<sup>th</sup>**. This year, we will be roasting a whole pig and Chef Troy has a great luau menu ready. Cost for the meal will be \$21.00 plus tax and tip. The Majestics will be providing the music and we will recognize all new 2004 members. Please plan to attend! Also on tap for the 7<sup>th</sup> is the **Gus Schell Junior Regatta**. Come out and see our junior sailors shine. **Dittoe and Beck** are poolside on the 8<sup>th</sup>.

The **Annual Auxiliary Style Show** is **Thursday evening August 12<sup>th</sup>**. This promises to be very entertaining as our own Club members will be the models! Dinner, a silent auction and music by The Four Mints will follow the show. See new fashions and enjoy the show!

The **25<sup>th</sup> Annual Antique Wooden Boat Show** is at the Club from **Friday August 13 through Sunday, August 15<sup>th</sup>**. Commodore Maite and his committee have been hard at work to make this year's show the best ever. Plan to come out and see these great boats!

**Top Cat Karaoke** returns on **Friday, the 20<sup>th</sup>**. Why not drop by the Club and enjoy the BLYC version of American Idol... You will probably be asked to join in and sing a song! The **Annual Bob Dye Poker Run** and also the **Thistle Nationals** take place on **August 21<sup>st</sup>** and **Dittoe and Beck** are poolside on the 22<sup>nd</sup>.

The First Annual "End of the Season" **Blue Heron Ball** takes place on **Friday, August 27<sup>th</sup>**. This promises to be great fun! The Eddie Polina Band will be providing the music and Chef Troy has come up with a tasty menu. The cost will be \$22.50 plus tax and tip. The King and Queen "Heron" will be crowned during the evening and the coveted "Blue Heron Plumage Award" will also be presented. There will be other surprises so you don't want to miss this event! Please make reservations and bring a guest to join in the fun! Remember to wear something blue, something silly or funky, and something formal! Put on those creative thinking caps and plan to cap the 2004 season with Blue Heron Style!

**Labor Day Weekend** begins with an evening with **Michael Sutherland** on **Friday September 3<sup>rd</sup>**, so make your reservations early! Everyone who has seen his show raves about it. Just ask Miss Zenna! **Dittoe and Beck** close out the 2004 summer season at the pool on the 5<sup>th</sup>. Please check the flyer in this log or the back of the daily specials menu at the Club for the monthly scheduled events as well as the menus for events and as always, please make reservations. Once again, I am sending out a big "Thank You!" to all our members for your continued support of entertainment at our Club!

One final note; our Junior Sailing Team did the Club proud this year at Bay Week. When you see them, please tell them, their parents and the coaches what a great job they did sailing and representing BLYC!

See you at the Blue Heron Ball!

*Terri Gattton*

*Commodore John Geiger's article continued from page one.*

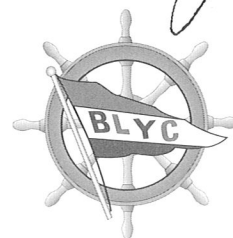

can be proud of for years to come should be commended. Thanks Bruce, great job! Also, Joe Campbell's and John Watson's donation of time to get the porch facing trim, railing, and step rails painted deserves a big thank you.

Another thanks goes out to Governor Ray Kent who volunteered to cut and assemble the porch cornices. We have had many compliments. Ray also refinished the old table earlier this year that you find under the roster board in the Fireplace room. You see, sometimes it does only take one Governor to get something done around the Club, and we didn't even need a committee. Good job, Governor Kent.

As my year as Commodore draws to an end, Lady Mimi and I are looking forward to seeing you in August and September. Our calendar of activities includes: the Luau on August 7, Auxiliary Style Show and Card Party on August 12, Antique and Classic Boat Show August 13-14-15, the Commodore Bob Dye Poker run on August 21, the new Blue Heron Ball on August 27, Junior Sailing Spaghetti Dinner and Fund Raiser on September 5, Candidates' Night on September 17, and Elections/ Porch Breakfast and Annual Meeting, and new Commodore's Reception on September 19.

See you at the Club!

*John Geiger*

*In Memoriam  
James R. Powers*

## Bar & Kitchen

To all my fellow BLYC members, August is here and we continue to have a good summer at the Club. Some call the dog days and others the last month before school starts.

The Club staff has been doing a great job, from the bar to kitchen and everyone between. There is good team work and it shows.

Our kitchen's new 60" Valcan oven/cook surface arrived at the end of July and will really help to get even better quality in the kitchen. (It's really hard with worn out equipment). While the installation was going on we had new gas lines with quick disconnects put on the other three gas units to allow for easy removal for cleaning and for an update on safety.

Please take note on summer hours for our food service. Something like breakfast on the weekends will go from 10:00 a.m. to 1:30 p.m. Our lunch hours are from 11:00 a.m. to 3:30 p.m. on open days. This should help meet member's needs for extended dining.

The Club's private parties have been very positive from the members that have sponsored activity here at BLYC. Fritz and Troy have been working very hard to make sure that all the events have gone well. If any member would like information, just call 1-740-929-9941.

I would like to thank Paula Price and all that assisted for the wonderful summer display of flowers around the Club.

Remember your reservations are always appreciated to help staffing make your evening enjoyable at BLYC.

Take August and have a good time and relax a little. See you around the Club.

Rear Commodore  
Mark Russell

## Rentals and Docks/Off Island

Greetings, Members and Mates, we have just concluded another successful Junior Sailing Bay Week. Congratulations to all the BLYC Junior Sailors on their outstanding efforts. It was great seeing all Club Members supporting the Juniors' efforts.

This article will be geared to the Club Members who dock their boats in the areas immediately surrounding the Club. The Antique and Classic Boat Regatta will again take place at BLYC during the period of August 12 through August 15.

We will need to have all Members move their boats from the slips in the front, east, west, back and covered dock basins by Tuesday night, August 10. We will notify you by mail with a reminder. We would prefer that the affected Members make arrangements on their own to temporarily relocate their boats. We will have some slips available at Area 8 and Eastport.

Governor Dan Knaul and I will be coordinating temporary spaces for those Members that cannot store their boats away from the Club. We have very limited availability of slips for storage so we are asking all Members that can store their boats off-site to please do so. As always, we appreciate the Members' cooperation during this very important and exciting Club event.

We look forward to seeing you at the Club.

Governor Ed Kincaid

## 25th Annual Classic Boat Show

Dear fellow BLYC members, this August our Club will again host what has become the premier event of our summer season, the Annual Classic Boat Show. This is the 25th Anniversary Show and promises to be a great one. We will have many different boats as well as some old favorites returning. Each year we don't think it can get better and each year we end up surprising even those of us on the committee. If you want to see all the boats, come out on Saturday, as that is the day they are judged. On Friday, a few of the boats start arriving but they aren't always in the water due to weather or the decisions of the owners of these thoroughbreds.

We try to keep them in the lake until Sunday, but some owners need to leave early so that isn't always the best day either. We do have entertainment and special dinners on Friday and Saturday, so there is always a lot to do. The awards ceremony is, of course, the highlight on Saturday night but my own personal favorite is seeing all the boats in the water.

We are having a silent auction of the original painting that has inspired this year's poster and a talk by Dr. Lyman which is truly a special honor for our Club. Please come out, enjoy the boats and be proud to say you're a member of the BLYC at our premier event.

See you at the Club,

Commodore Tim Maite 1999  
and the Committee:

Commodore Howard Clarke 2000  
Commodore Nick De Santis 2001  
Commodore Jim Schreiner 2002  
Commodore John Geiger 2003  
Governors Knaul, Gattton and Kincaid

*In Memoriam*  
*Helna McComb*

## Race & Regatta

June and July wind has been unusually good, we had a great July 4th long distance race. Races are

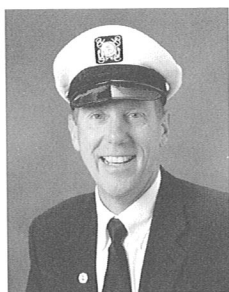

going forward, with only an occasional hitch caused by a temperamental shotgun, which I have replaced with my trusty double barrel 12 gauge, and the weekly "roll of the dice" whether the pontoon boat wants to start. Fortunately Steve Harris lends us the "beast" when needed. Don Day has been doing most of the driving of the boats, which is good, since I still don't quite have the hang of docking a power boat in high wind.

I continue to post the results for the weekend races not only on the board in front of the Club, but also with Ed Riley's help, on our group site at <http://groups.yahoo.com/group/blycsailing/>. I also post pictures when I have a chance. Steve Harris has put links for both the BLYC web cam and the BLYC sailing yahoo group on the BLYC home page. The link for the sailing group is in the Race and Regatta window.

Thanks as always to Sally Day, Pam Green and Don Day for race shack duty.

Please continue to bring your boats out for the Sunday races, and holiday special races. Everyone likes to have five or more boats on the line. It makes the race more interesting. One designs without a three-boat fleet, please race with the cruisers. We are attempting to develop a one-design handicap for next year, head to head with the cruisers. I was surprised to see Bob Snow's "Salad Girl" has a handicap fairly close to our one designs, I always thought they were much faster. Don't forget the Snowball Regatta has been reset for the first weekend in October, October 2nd and 3rd, so mark your calendars early.

*Chuck*

Governor  
Chuck Bendig

## House & Grounds

Hello, here we go again! Bay Week is over and the election is just around the corner. Where has summer gone?

With the porch completed and the new main step railing almost complete we are moving on to other projects. Thanks to the effort of Rear Commodore Russell we have a new type of flooring in the pool restrooms. Mark was able to acquire the flooring at a discount. It should make cleaning and sanitation an easier task. It was getting difficult to keep paint on the floor. We are still obtaining bids for the replacement of the Clubhouse roof and the roof on the garages in front. I will keep all of you updated as to when repairs will be started so that those of you who have items stored in the garages can see to their protection if necessary.

Don't forget the Antique Boat Show coming up in August. Those of you who have boats in the main basin and covered docks will need to move them by Wednesday the 11<sup>th</sup>. Please see Governor Dan Knaul or me if you need assistance

If anyone has any questions or concerns, please do not hesitate to contact me.

See you at the Club,

*Ray*

Governor Ray Kent

## The Auxiliary

Secretary Gayle Scarrett

The last Auxiliary meeting held on Thursday, July 8<sup>th</sup>, was our annual Pool Party. It was a lovely evening with entertainment provided by Jimmy Harris. Kudos to Chef Troy for the wonderful pork tenderloin. I hear it was fantastic.

The next Auxiliary meeting will be held on August 12, 2004, beginning at 6:00 p.m. at the Buckeye Lake Yacht Club. This event will feature the Style Show and a silent auction. Tickets can be purchased from any Auxiliary Board member for \$20.00 each including dinner. Men and women's fashions will be presented and there will be an opportunity to purchase items after the fashion show. More details to come regarding the Style Show in August.

The Auxiliary is holding a raffle for a chance to win your very own parking spot in the BLYC parking area. The second-place prize is a picnic basket filled with two martini glasses, the shaker, and a bottle of Grey Goose vodka. Tickets can be purchased for \$2.00 per ticket or 3 tickets for \$5.00. Please see an Auxiliary Board Member to purchase your chances to win. The drawing will be held September 19<sup>th</sup> during the Annual Meeting on Election Day at BLYC.

As always, new members are always welcomed and encouraged to join the Auxiliary. If you are interested in joining the Auxiliary, please contact one of the Board Members listed below or simply attend the next Auxiliary meeting and sign up. Auxiliary meetings are held monthly on the second Thursday of the month. The BLYC Auxiliary is an organization whose purpose is to support the Buckeye Lake Yacht Club and its' activities.

President Vicki Suhr  
Vice President Michelle DeSantis  
Treasurer Roe Miller  
Secretary Gayle Scarrett

I look forward to seeing all new and current members at the next Auxiliary meeting.

Respectfully submitted,

*Gayle Scarrett*

## Our 100th Year! Centennial Logo!!

The BLYC will be celebrating its' 100th Anniversary in 2006. We would like to have a Logo and Slogan that will set the theme for that year. We need your help. If you have any ideas, please mail them to

Keys

P.O. Box 1592

Buckeye Lake, OH 43008

If your idea is chosen, you will have the satisfaction of seeing it all around the Club for that year and for posterity. They don't need to be camera ready but we would like them in color and as close to the finished product as possible. It would be great for our Club to know that one of our own members or auxiliary had designed it. Please get to your drawing boards and wow us!!

*The Centennial Committee*

### Annual Jr Sailing Spaghetti Dinner and Silent Auction
