

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

September, 2004 - Vol. 14 Issue 8

Commodore John Geiger

As the end of my term as Commodore approaches, having first served on the Board in 1996, I would like to offer some thoughts as to why members make the decision to run for the Board, and what guides them as they make decisions that affect the Club during the year and often for years to come.

Our Annual Elections are scheduled for Sunday, September 19th. Candidates committed as of this publication date appear in this Log along with Governors who will be serving their second year of a two-year term in 2005. Please vote and plan to attend the Annual Meeting at 2:00 p.m. following the elections. An agenda for the Annual Meeting also appears in this Log.

Initially a Governor runs for a variety of reasons such as: I have the time or I think I can make the time; I really enjoy the Club, the people and the activities; I want to contribute to the Club; I would like to see the Club do

something different; or I think it would be fun to be a Governor. These are all valid reasons, but what guides operations and the decision process?

Soon after becoming a member of the Board, you begin to recognize that operational decisions and the Club's future are dependent upon a set of common compass settings. Respect for the BLYC's history and traditions, the value of every member as part of our BLYC family, the goal of financial stability, and the need to look to the future in the spirit of our founders in 1906 when the Club was established.

As we anticipate celebrating our 100th Anniversary in 2006, I will be able to look back from a personal perspective and say that I attempted to honor history and tradition, and did my best for the "Good of the Club" respecting our members and making decisions which were in the best long term interests of the Club.

I want to thank many people for their help and contribution during this past year.

Commodore Tim Maite, as a friend and Head Trustee, has been a tremendous resource. I was very fortunate to have someone as driven as Tim and who shares the "Good of the Club" attitude serving as Head Trustee. I said to Mimi, after one of many telephone conversations with Tim, that saying "thanks" really didn't seem good enough. Anyway, "Thank You, Tim!" I also want to thank Lady Martha for supporting Tim, one hell of a Commodore and a great guy, as he has served the BLYC over the years. Tim, how about another great Antique and Classic Boat Show next year?

I also need to express my sincere thanks to all of this year's Trustees, Commodores Clark, DeSantis, Shriner, and Thompson for their guidance and advice.

Another person who contributed from the perspective of extra effort to improve our operation efficiency was our Secretary-Treasurer Keith Dotson, Thanks, Keith.

Our General Manager Fritz Reiterman, and Chef Troy English also worked diligently with our Bar and Kitchen Committees to make many of the continuous improvements deemed necessary that have made the Club more operationally solvent. Thanks, Fritz and Troy.

My Board of Governors needs to be recognized for their genuine concern for the Club and their diligent effort. Our 2004 Board of Governors all share the belief that what ever a Board does needs to be in the best interests of the Club and that history and tradition are critical to the Club's continued success. Thanks to Flag Officers Steve Harris and Mark Russell; and Governors Chuck Bendig, Dan Knaul, Ed Kincaid, Ray Kent, and Terri Gattton.

Finally and most importantly, I want to thank My Lady Mimi for putting up with me and being understanding of the time that it takes serving on the Board and as Commodore. Without her support for the BLYC, and myself serving would have been much more challenging to say the least. Love you, Mimi!

See You at the Club,

Jr. Sailing

It's fall and the kids (and your Junior Sailing Governor) are back in school. We had a great summer for Junior

Sailing at the Club this year. Once again, we had record attendance at our four weeks of Learn-to-Sail Camp. Tracey Davis did an outstanding job with our camps along with her staff of Nathan Owen, Cameron Evans, Brian Foley, and the Junior Race Team Members. It's worked out great having our former Juniors Cameron and Nate working with our program this year.

The race team had a successful season as well. We took six sailors to the I-LYA Bay Week Regatta at Put-in-Bay and they represented us well. We also had two of our younger Optimist Sailors, Austin Miller and Halle Harklau, participate in the I-LYA Opti Championships on Friday of that week. Overall, our juniors represented our Club at over seven regattas in the Lake Erie Region this year. That's quite a bit of sailing! Once again, I would like to thank and commend our Coach, Cameron Evans, for an outstanding job this year. His rapport with the junior sailors, maturity, and responsibility made things run smoothly and helped to give our junior sailors a very positive experience this summer.

Speaking of the Race Team, **Junior Sail-Offs** for the 2005 Race Team will take place at the Club on Saturday, September 4. All Junior Sailors who will be at least 13 years old during the 2005 calendar year, but not turning 19, are encouraged to compete for a spot on next year's team. Interested sailors and their parents should contact me at sg_harris@adelphia.net at their earliest convenience. The rules governing sailoffs are available on the BLYC website at <http://www.buckeyelakeyc.com>

Mark your calendars now for the 4th **Annual Junior Sailing Spaghetti Din-**

Vice Commodore
Steve Harris

ner and Silent Auction on Sunday, September 5th. This annual fundraiser is a great event and helps to provide the necessary equipment to keep our program active and safe. See the ad elsewhere in this issue of the *Log* for more detail. If you cannot attend (or simply wish to make an additional donation), you can also make tax-deductible donations to the program through our 501(c)3. Make such checks payable to *Buckeye Lake Junior Sailing, Inc.* and send them to or drop them off at the Club to my attention.

On Saturday, August 7, we held the 4th Annual BLYC – Commodore Gus Schell Junior Regatta at our Club. This year we had over 50 sailors representing seven Clubs in attendance. This was definitely our largest Junior Regatta at Buckeye Lake to date. We had a fabulous day in spite of less-than-adequate wind conditions. Thank you to everyone who helped out with this event – in particular, Becky Miller, Patty Harklau, Bobbie Schilling, Tracey Davis, Will and Paula Price, Governor Ray and Ruth Ann Kent, Frank and Rachel Laskowski, Cameron Evans, Bruce Pfahl, Governor Chuck Bendig, Joan Hein, and Stone Parker. Without the great support of our members we could not host such a wonderful event.

It is time once again to ask for volunteers for next year's Junior Sailing Committee. The purpose of this committee is to provide support and guidance to the Governor for Junior Sailing in operations of the program, fundraising, etc. In the past the committee has included not only Junior Sailing parents, but active racing sailors and other interested parties. Anyone interested in serving on next year's committee (including present members) should contact me at his/her earliest convenience.

On a final note, this most certainly closes my final year as the Junior Sailing Governor for BLYC. As I look forward to becoming your Commodore in a few short weeks, I look back over a very satisfying time helping to rebuild the Junior Sailing program at our Club.

Although I may have been reluctant to take on the position of Junior Sailing again this year, I must say that it has been extremely satisfying to watch our junior sailors of years past take on the responsibility of being the instructors, coaches, and leaders of our junior sailors of today. I'm confident that today's junior sailors will continue to grow and continue this tradition. Having traveled to many Clubs around Lake Erie and Ohio, I can honestly say that we are extremely fortunate as a Club to have a program such as ours to perpetuate our membership into the future. We can all be proud of the opportunities that we provide to the young people of our Club and the manner in which these young men and women represent us. I am confident that next year's Governor for Junior Training will continue to build the program and uphold our traditions of excellence and good sportsmanship. Thanks again for all of your support through my four seasons as your Governor for Junior Training. I ask, and know, that you will continue this support in the future.

On behalf of all of the young people at our Club who benefit from BLYC's generosity in providing a quality junior sailing program, **THANK YOU!**

Entertainment

As summer quietly begins its slide into September, we begin to notice subtle lake changes with cool crisp mornings, hearing the evening chirps of

crickets as they wind down their summer song, and seeing V- formations of geese begin the long trek to warmer weather. There are not as many boats on our lake and foggy mornings conjure up images of bonfires, football and heading back to school. September also means Club elections. Each year elections to the Board of Governors are held the third Sunday in September. The process begins this year on Friday, September 10th. This is Poster Night. Each candidate for the Board mounts a campaign and part of that campaign is the hanging of posters. The following Friday night is Candidates Night. Each of the candidates running for the Board must be sponsored by a Commodore and on Friday Night, (17th), the Club holds a dinner and each sponsoring Commodore introduces his candidate. The candidate then speaks about why they would like to be on the Board of Governors. Cocktails begin at 6:30, Dinner is at 7:00 and speeches begin at 8:30 p.m. Reservations for dinner are necessary. The Election is held on Sunday, September 19th. The day begins with the opening of the polls at 9:00 a.m. and each candidate will be offering free food on the porch at the Club. Polls are open and food is available until 1:00 p.m. Remember, that the polls close promptly at 1 p.m.!

Following the election, the Annual Meeting is held at 2 p.m. and the new Board is introduced to the members. If you have not attended an Annual meeting or it has been a while since you have attended, please plan to attend. The Annual Auxiliary Meeting is held at the same time as the Annual Meeting and this is the time the new Auxiliary officers are elected. Please support the Auxiliary by attending.

Governor Terri Gatton

After the meetings, the Commodore's Reception is held at 4:00 p.m.- 6:00 p.m. to welcome the new Commodore and Board. This is a very important event for our Club as your Board of Governors is charged with the responsibility of Club operations, making sure the by-laws and constitution are adhered to and that the Club runs smoothly. Please make every effort to come out and vote!

Even though the season is winding down there are plenty of activities at the Club in September! We kick off Labor Day Weekend with "An Evening with Michael Sutherland" on Friday the 3rd! He is back by popular demand and you should definitely make your dinner reservations promptly as seats will be at a premium! Menu specials and the regular menu will be available for dining. His show begins at 8:00 p.m. On Saturday, the 4th, the Junior Sailing Team will be holding sail-offs to determine the make-up of next year's sailing team, so come on out to the Club and watch our kids! Also, Saturday marks the start of the 2004 Buckeye Football season. The opener against Cincinnati starts at 12 noon. If you are not lucky enough to get tickets, plan on coming to the Club to watch the game and cheer on the team. Game Day specials will be available!

Beck and Dittoe close out our Sunday music on the 5th, from 1 – 5 p.m. and the Junior Sailing Annual Spaghetti Dinner will be held from 5:00 p.m. – 8:00 p.m. A silent auction will also be held during the above times. You will be able to meet our sailors, as they will be your servers for the evening! Please stay for dinner and support our Junior Sailors! The Long Distance Race on Labor Day, (Monday the 6th) starts off the holiday with food service as well as the pool bar available from 11:00 – 5:00 p.m. The Club will close promptly at 6:00 p.m.

Dave Bott returns on the piano on Friday the 10th (Candidates Poster Night) and OSU plays Marshall at home on Saturday, the 11th at 3:30 p.m. Game Day specials will be available. Don't forget Candidates Night and the Election on the 17th and 19th! OSU

plays NC State on the 18th at 3:30 p.m. Top Cat Karaoke returns on Friday the 24th from 7 – 11 p.m. Rounding out the month will be a BLYC Jam Session sponsored for members by Marie Doneff and Howard Everitt. This will be held Sunday the 26th from 3 to 7 p.m. and features various artists.

The Annual Snowball Regatta takes place the first weekend in October (1st and 2nd). This is the last regatta of the season and is always a good time. Plan on attending! The 4 Mints will be providing the music on Saturday Night for the Snowball Ball. Make your reservations early!

Many thanks to Paula Price and Ruth Ann Kent for being the "garden- ing elves". All the beds and the new ferns on the porch look great! I would like to thank Ruth Ann, Ray Kent and Dan Knaul for all the help with the luau decorations and the Blue Heron Ball! I would also like to thank Nick and Michele DeSantis for helping me with the Blue Heron Ball. In addition, I want to recognize our staff for all their hard work during August with all the events at the Club. What a great group! Fritz, Troy, Travis, and Chuckie as well as the bartenders, wait staff, and the kitchen staff have done a wonderful job this season to make sure all the events at the Club were done well. Even in the face of uncooperative weather and other "natural disasters," they all worked hard to make the events enjoyable and they have made my job ever so much easier. Thank You! Lastly, kudos to Commodore Tim Maite and the Wooden Boat Show Committee for such a wonderful show this year. The boats were awesome, the food was amazing and all who attended had a great time!

Please plan to come to the club and have fun some with us in September and don't forget to come out to vote!

See you at the Club!

Terri Gatton

Bar & Kitchen

To all my fellow BLYC members, I can't believe we flew through August. We are now into our best month of the summer, September. It's the month for some of our best boating, sailing and power, due to better wind and better weather.

Rear Commodore
Mark Russell

Last month was a very busy month here at the Club with events like the Gustav Schell Junior regatta, Auxiliary Style show, Antique and Classic Boat Show, Commodore Bob Dye Poker Run and the Blue Heron Ball. Our staff had a workout and I for one, am happy with the performance of this hard-working staff.

One of our long time kitchen staff who worked well and was a good employee, Evan Sheets, has moved on. Evan is a new father and also starting a career in the Armed Services.

In September we will have a few changes in our hours of service. After Labor Day, we will keep our dining room open until 10:00 p.m. on our main evenings. On Sundays we will serve dinner until 7:00 p.m. and breakfast hours will be 10:00 a.m. to 1:30 p.m. In the past, we have gone to winter hours right after Labor Day and have cut off members too early for such a great month like September. We will keep an eye on member needs and if the demand is there, the winter hours may not take effect until the change of daylight savings time. This seems to be the time our members are ready for the winter hours. We'll see.

Take advantage of the fun Labor Day weekend this year. There will be great sailboat racing and our annual Junior Spaghetti dinner with the silent auction. Mid month we will have Candidates Night, Election Day, Annual Meeting and the Commodores Reception. These are some of the things all members need to attend.

Last but not least, remember to call in your dinner reservations to help the staff make sure your dining experiences are enjoyable at BLYC.

See you around the Club for a fantastic September,

Mark

Rentals and Docks/Off Island

Greetings, Members and Mates!

The Antique and Classic Boat

Regatta was another overwhelming success. A special thanks is in order for all of the members who were gracious enough to provide dock access to the participants. We had a tremendous turnout, based on the number of cars Governors Kent, Knaul, Rear Commodore Russell and I parked over the weekend.

I would like to personally thank Governor Knaul for his efforts to move boats to temporary spaces leading up to the Boat Show. Governor Knaul provides a number of "behind the scenes" services to the Club that do not always get the proper notice.

It is hard to believe, but we will soon be winding up another boating season at the lake. This year has seen a tremendous upsurge in the requests for dock spaces and we've done our best to accommodate all new and existing members that have needed docks. I would like to remind the members of our boating community to continue their vigilance related to securing Club premises, gates and docks. The Board

Governor Ed Kincaid

greatly appreciates the efforts of all members to help police the facilities. I would personally like to thank Joe and Joni Campbell for their constant vigilance at the Eastport docks.

It's hard to believe that two years have passed since I joined the Board. Due to existing professional and personal obligations I will not be able to participate as a candidate for this year's election. I wish to thank the Board of Governors, Board of Trustees and Members for their support and encouragement. I would also like to thank my wife Rita for her patience and support of my involvement with the Board. I have enjoyed my duties as a Board member.

We look forward to seeing you at the Club

Ed Kincaid

Centennial Committee

Dear fellow members,

Your Centennial Committee is already hard at work with ideas for the 100th anniversary of our Club in 2006. If you have any ideas on how we should celebrate, please share them with one of the following members of the committee: Fred Wright, Steve Schilling, Dwight Joseph, Al Wing or Michelle De Santis. Some current suggestions include water polo games, a croquet tournament, and water ballet demonstrations.

Please brainstorm and let us know if you would be interested in participating. Don't forget your logo or slogan ideas!

House & Grounds

Hi, hope all of you have had a wonderful summer. Ruth Ann and I certainly have. The weather was not perfect but was good enough for everyone to get out and enjoy the lake and the Club.

Governor Ray Kent

The Antique Boat Show is history for another year. What a great show it was! Another beautiful group of boats were brought to us by people who have every right to be proud of them. Our staff worked as hard as I have ever seen them, late nights and early mornings seeming to merge into one long weekend. Troy created culinary delights for us to enjoy. Travis, Andrew and Vicki poured endless drinks, and Vanessa and her crew made sure everyone was served to their satisfaction. Fritz was everywhere making it all run smoothly. Thank You one and all!

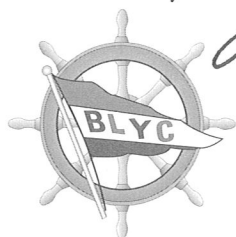

A special thanks to Paula Price for obtaining the ferns for the porch. They really give it class! Also thanks to Paula and Ruth Ann for braving the insects and cleaning the beds along the drive.

We are still on track for the roof replacement and East step project. If anyone has any questions or concerns in regards to the Clubhouse or grounds, please feel free to bring them to my attention.

Don't forget the Blue Heron Ball, the Junior Sailing dinner, auction, and the election.

See YOU at the Club.
