

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

January, 2005 - Vol. 15 Issue 1

Commodore Steve Harris

I hope that everyone had a safe and enjoyable holiday season. Thank you to everyone who attended the holiday parties at the Club. We had a great time with good food, drink, and fellowship — exactly what the Club should be. If you haven't made it out to the Club lately, please come join us for dinner, an event, or just for a drink and some socializing. Even though the weather isn't what one would call "boating friendly" right now, there's plenty going on at the Club! Please, however, call ahead and make reservations when planning on dining at the Club. Particularly during the slower "off-season" months, reservations are important to help the staff provide quality service while at the same time allow for cost control during the slow times. Please do your part to help and make reservations whenever possible.

The 2005 Club year is off to a great start and I cannot emphasize enough how pleased I am with the hard work and efforts of the Board, our staff, and members who have jumped in to help better our Club. The volunteerism from the membership for the good of the Club has been outstanding. I will continue to try to thank all of those members who volunteer. Remember, this is *your* Club, come out, participate, and take an active role in shaping its future.

This past month, we had great decorating crews who helped make the Club very festive and beautiful for the holidays — Thank you Paula Price, Ruth Ann Kent, Rachel Laskowski, Carolyn Harden, Donna Parker, Sue Harris, Krissy Russell, Ann Oliver, and Joni Campbell for all your hard work; the Club looked great! Commodore Frank Foster IV was our "man on-site" to troubleshoot the roof repair and evaluate repair needs not visible until the old shingles were removed — Thanks, Frank, for all your expert advice and assistance with our facility each year. The BLYC Auxiliary continues to be one of our greatest sources of support for the Club. This year, among other projects, the Auxiliary will be replacing the rocking chairs on the front porch, and installing new doors between the bar area and the fireplace room. The Auxiliary's continued support is greatly appreciated. Please consider joining the Auxiliary (yes — even the Commodore paid his Auxiliary dues this year) and participate in their fundraising events.

I would like to make special mention of the efforts of Governor Joe Campbell, Commodore Jim Thompson, the "Good Neighbor" Committee, Jim Jennie, Rosa Clark, and all those members whose support helped the Club to provide Christmas for needy Buckeye Lake children. The outpouring of support from the membership was amazing. Anyone who attended the party for these kids will certainly agree that this was a worthy and meaningful cause for the Club. It was very touching to see the generosity of our members and the genuine appreciation of the children. We can all be proud of how our Club is reaching out to help those in need.

This time of year, our attention turns towards preparing for the coming summer season. Among other things, now's not too early to focus on membership. Governor Campbell has some great ideas together for membership recruitment this year and is doing an excellent job with insuring good service and communication with all of our members, new and existing. We all know people who would enjoy the Club and be good members. Please bring these potential members to the Club as your guests and encourage them to consider membership in the BLYC.

Finally, I would like to express my personal thanks to all those who have taken time recently to express to me how much they are enjoying the Club. It's great to see everyone out and having a good time. However I alone cannot take the credit. I am blessed with a great, hard working Board of Governors

continued next page

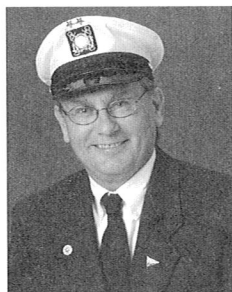

who are doing an outstanding job as well as a General Manager and Club staff whose prime focus is providing an enjoyable atmosphere and experience for all. Please take the time to express your appreciation and support to them as well — they really do all the hard work. Together, everyone makes BLYC the place to be!

See you on the water,

Entertainment

To all my fellow BLYC members, I hope your Holiday Season was fantastic. Our Adult Christmas and New Year's Eve parties went very well and had good attendance this year. As we start into January some of the faces we are used to seeing will be heading south for a couple of months. The hardy members that come out all year to the Club know the activities and the peace on the lake. With the Club house warmed by the fireplace and the staff ready to serve, come out and enjoy.

Vice Commodore
Mark Russell

We have some activities and entertainment planned for your enjoyment in January. The BLYC Gun Club has a full calendar for every Sunday; Trap Shooting starts at 1:00 p.m. every Sunday in January. On Friday the 7th we have **Dave Bott on piano** with open mike for members to help with their favorite songs. On the second Thursday this month there will be a Board Meeting, but **no Auxiliary Meeting** this month.

The second Saturday, the 15th of January we will have our **Club Comedy Night**. This year, we are having a little different twist. Our very own **Jerry Besanceney** will be our MC for the

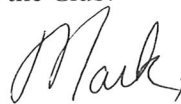

evening. We are going to pass out cards at the door and have some open mike time for each member when the card is called. The night will start out with cocktails at 6:30 followed by a Special Feature Menu from 7:00 p.m. to 8:30 p.m. Comedy with open mike will start at 8:00 p.m. This should really be a fun evening for a cold winter night.

Top Cat Karaoke will be here at the Club on Friday, the 21st of January. Cathy has had a good crowd following with many members really doing a great job on songs they know and don't know.

On Saturday, January 29th, we will warm the Club up with our annual **Candle Light Steak and Wine Night**. Chef Troy will have a limited special menu for the evening that will have some great selections for all to choose from. We are going to have dining hours from 5:00 to 8:30 p.m. that evening. The Club will feature a new band for us; namely, **Madalene and Vicki**, a great female vocal and guitar duo. Entertainment will begin at 7:00 p.m. and continue to at least 10:00 p.m. and if the Club stays busy they'll stay and play. So make it another fun-filled evening at BLYC.

So mark your calendars and come out to the Club and enjoy yourselves.

See you here at the Club.

Photographer & Editor

Season's Greetings! Just a note to wish each and every member and their families a safe, happy holiday season and the best of everything in the coming year. Hoping to see you at the Club this winter enjoying the warm fireplace and friendships.

Governor Phil Harden

Bar & Kitchen

As we enter into the beginning of the "reason" months (January, February and March are the reason everyone from Ohio travels south!) the Club settles in for snowy days, cold nights and long evenings by the fire.

Fritz and I, with Troy's help, are busy taking a look at how you, the member, can experience more efficient and consistent service. We know we need to make some changes to achieve this goal and are going to work hard over the winter to improve in this area.

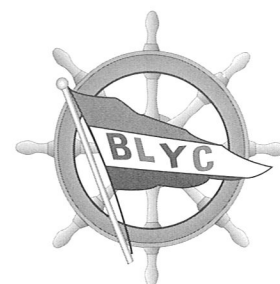

Chef Troy is going to be trying out new entrees and specials to be ready for the already longed-for summer season. There will also be a few menu changes as we continue to take a look at maintaining quality and controlling costs. Happy Hour and Early Bird Specials have been well received and will continue. I appreciate any feedback, as does Troy.

If you have suggestions, please make us aware of them as we do try very hard to listen to any member concerns. Why not come out to the Club and enjoy the winter views and try out our specials? Don't forget our Thursday Night Buffet and if anyone is interested, I am sure we could scare up enough people for a game of Euchre or Canasta. Anyone interested? Just let me know.

See you at the Club!

Governor Terri Gatton

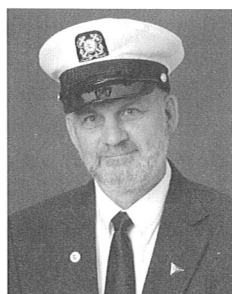

Rentals and Docks

There seems to have been a variation in the weather patterns for our Autumnal Equinox. Immediately following the falling of the leaves came the seemingly endless patterns of rain. Despite the unseasonably warm temperatures, there has not been much accomplished with the various boat yard projects. I have managed a little more organization of the boats and trailers at the yard before the rains rendered the basin too soft to support the weight of my truck. I didn't want to chance tearing up the sod or getting stuck in the mud. The sight is now close to being ready for grading, once we get a break in the weather and the ground dries out a bit. As of this writing I haven't been able to finish clearing the fence line and around the little building either. Until the weather settles down, my efforts will turn to the renumbering of the docks.

For many years we have had gaps in the current numbering system. Some of the docks have been eliminated over time but the files still have the numbers listed with the "DOES NOT EXIST" subheading. So we are eliminating those numbers and simply numbering docks in their REAL CURRENT sequence. When you receive your January DOCK billing you will find that your dock location has NOT changed but you may notice that your dock number COULD BE DIFFERENT. I assure you this ploy is a subversive plot to help simplify and better organize the bookkeeping. I realize some head shaking, hand clenching or wringing, even mumbles deep in one's throat may be experienced. If these symptoms persist, don't hesitate to call Dr. Don Harris or Dr. Richard Walters, the Fleet Surgeons. They will know exactly what to do.

I wish every BLYC member and his or her family all the best life has to offer in the NEW YEAR.

Governor
Frank Laskowski

Jr. Sailing

Happy New Year! Remember a few years ago when we were all waiting and wondering what the new millennium would bring? Well, midnight came and went with no problems and here we are wondering where another year went. For most of us it was a good year. We should reflect upon that and make a resolution to assist those who are less fortunate. Those of us who participated in the Christmas Party for the Buckeye Lake children saw up close and personal what a little bit of charity can do. We had tears in our eyes seeing the joy and gratitude pouring from those children. May this be the beginning of a Yacht Club Tradition that never dies.

Past Commodore Geiger, Commodore Harris, Vice Commodore Russell, Stone Parker, Jim Owen, Mimi, Ruth Ann and I attended the I-LYA Fall Meeting and Commodore's Ball. We all had a great time! We met many new people and gleaned new ideas that we will try to adapt to our wonderful Club. Anyone who has never traveled to an I-LYA event should consider going in the future. We learned that due to a glitch in communication on the web that our August Regatta date went to another club. However, we have been given a date in May for an Inland Icebreaker. This date is May 21. As more information becomes available, I will get it out to you.

May the new year bring peace and joy for all!

See YOU at the Club!

Governor Ray Kent

Race & Regatta

Keep watching for safe ice and good wind for ice boating. Last season the best launch site on Buckeye Lake was from Fairfield Beach.

The State Park boat launch had open water off shore for some reason. I will try to post ice information, and pictures on the BLYC sailing yahoo group site.

Alum Creek had safe ice last year before Buckeye Lake. There are quite a few DN ice boats out at Alum Creek on a good weekend. They usually launch from the new Sailing Club Marina. If anyone needs directions, call and I will help. There is a Yahoo Group "alumcreeksailing" that gives ice reports and also information on who is going out. Anyone can join the group. I always prefer to have other people sailing, just in case the boat goes in, or breaks down on the ice.

I am always looking for company on good ice days. If you have a boat, call and I will coordinate with you for dates and times to sail.

Chuck Bendig

Governor
Chuck Bendig

Member Reminder

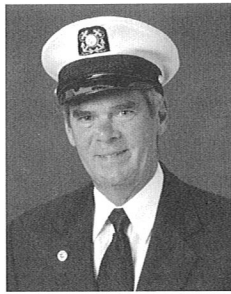

To ensure monthly log delivery, please send change of address, etc., information to the Club by the second week of each month (use form on back cover of log, or mail other written notice). Bulk log mailings will not be forwarded by the post office via Change of Address notice to the post office.

Ray

Frank Laskowski

Membership

Thank you to all the members that helped to make the Buckeye Lake Children's Christmas Party a huge success. We brought a lot of love and Christmas joy into the lives of several local children. It was a special evening that I will never forget.

Governor
Joe Campbell

Due to a computer problem, the survey of former members did not get in the mail as soon as originally planned. They were sent last week and the responses are arriving now.

We have several applications in the mail but do not currently have any applications that have been received for review. If you are discussing membership with a potential member, you might want to consider that this is the best time of year for a new member to join. The dues are collected in March, so if a member joins now it will be at least 15 months before they will be billed for dues. The initial fees paid at this time of year will carry a member through March of 2006.

I think all of us agree that the BLYC is a bargain when compared to other private clubs. We do not have a monthly minimum as most private clubs do, and our initial cost to join is very competitive. Please take the time to talk to your friends and neighbors about the advantages of membership. My home phone number is 740-687-0634. I can also be reached via email at jcampb11@columbus.rr.com.

If you haven't visited the BLYC web page you don't know what you are missing. The address is www.buckeyelakeyc.com. Try out the web cam. If we can work out the security issues, we will have an online directory in the near future. You will be able to logon, enter your password, and then edit your personal information. This should help keep the addresses and

phone numbers more current. The password will be required in order to keep our mailing list private.

Joni and I are looking forward to seeing all of you at the New Year's Eve party.

Joe Campbell

House & Grounds

Hello everyone, hope you all enjoyed the holiday season as much as I did.

Speaking of the holiday season, I want to give special thanks to the following people for all their help decorating the Club inside and out. Paula Price, Ruth Ann Kent, Rachel Laskowski, Carolyn Harden, Donna Parker, Sue Harris, Ann Oliver, Governor Joe Campbell and Joni, Vice Commodore Mark Russell and Commodore Steve Harris. Thanks for making the Club look so nice for all the members!!!!

We have completed the clubhouse roof replacement project, so when you get a chance, stop and take a look at it. G and G Roofing did a great job. If you need some roofing work or replacement done on your home, Ryan Russell can be contacted at (614) 866-8670.

We have a few new projects in the works. We are getting ready to start the renovation work in the ladies restroom facilities and to start construction of the eastside steps leading to the porch. I think both of these projects will help our clubhouse appearance and better serve our members.

See you at the Club,

Joe Campbell

Rear Commodore
Dan Knaul

From the Desk of the General Manager

Fritz Reiterman

We are in full swing with our winter months. Take time to enjoy our Thursday Buffet, which rotates from Mexican to Italian every other week. We also feature some great drink specials. Commodore Harris can be accredited for the Commodores Grog that took off in sales like a Thistle in a good wind.

Santa's helpers did an outstanding job decorating the Club this year. Also what a great team effort from the parking lot to the roof to Eastport. Plus noticeable improvements in the Log and Membership. Sailing, of course, is solid as a rock but will do well under Governor Kent's leadership. Check your calendar for some exciting Entertainment events.

Governor Gatton, Chef Troy and myself will be working diligently to make each experience at the Club a special one. We will be trying some new menu ideas on our members over the course of winter. Again, we welcome any suggestions with open arms.

Last year we had six private parties at Christmas and only two for 2004. In speaking to a lot of my associates in this industry the economy is still a factor in segments of this business. I did talk to our cancellations and was informed that they love coming to the Buckeye Lake Yacht Club but are just not spending the money. One great example is the surging cost of health insurance.

Come and enjoy the Club, not only with our events we have planned, but just to have a drink by the fire with friends. You may also enjoy shooting with all of our friends in the Gun Club every Sunday. A great crowd gathers around 1 p.m. every Sunday for competitive shooting and great socializing.

See you at the Club.

Fritz Reiterman

Good Neighbor Committee

Thanks to the generosity of our members, our Christmas party for the Buckeye Lake children was a tremendous success.

We recently hosted a Christmas party for over thirty children from the Buckeye Lake area. Members were asked to adopt a child and then shop for the gifts that were on the kid's wish list. The response was overwhelming. We received so many offers to help that we were able to provide gifts, pizza, soft drinks, cookies; a visit from Santa and Mrs. Santa, winter gloves, and each child took home a Santa doll and a Nutcracker soldier. We even provided each family with a 12-14 pound turkey so they could take something home to their family.

If you were present for the party you know that the reaction of the children was heartwarming. More than one adult had to leave the room because of tears in their eyes. One little boy opened his gifts and discovered a fishing rod and reel. At that point he announced that he was giving the fishing outfit to his father for a Christmas present. He also didn't want to open any other gifts so he would have something to open on Christmas day. At that point several members had lumps in their throats.

The kids were so polite that they refused to take more than one slice of pizza at a time. They couldn't wait to run back up to Santa and show him their gifts. Just seeing their smiles made the entire evening a success. James Jennie (JJ) and Rosa Clark played their parts like the stars they are.

A special thanks to the following corporate sponsors for their generosity:

Kevin Gorham The Pizza Cottage
David and Ann Levacy The Buckeye Lake Marina
Stewart Brooks Rocky Boots

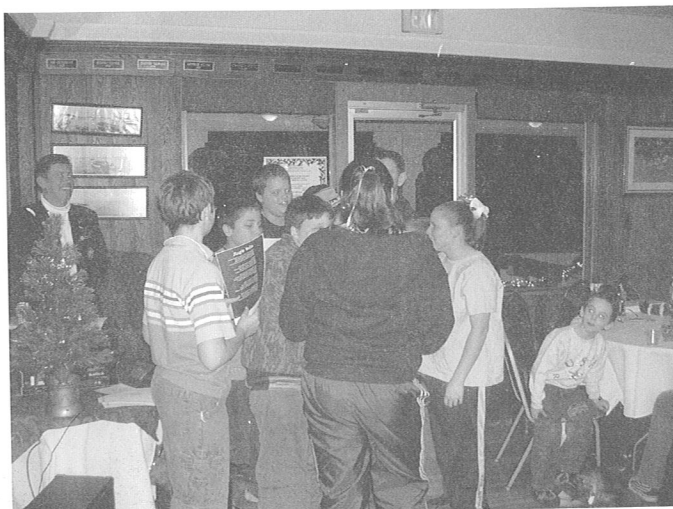

Lynn Bostelman Gordon Food Services
Connie Warren Southeastern Salon Suppliers

The Board of Governors and the Trustees contributed as a group, and several individual Governors and Trustees adopted children on their own. The following list is an attempt to thank each member that adopted one or more children: Steve McLane, Ron Byers, Jeryne Peterson, Commodore John and Mimi Geiger, Will and Paula Price, Commodore James and Becky Thompson, Governor Frank and Rachel Laskowski, Marie Donneff, Faye Lemmon and daughter Cindy Griesse, Commodore Howard and Rosa Clark, Phyllis Flynn, Travis Trent, Commodore Ed and Sondra Ballenger, Governor Mark and Chris Russell, Rick and Connie Rueckel, Rachael Rueckel, Dick and Becky Miller, Jim and Barb McFall, Bill and Sharon Klare, Denise Griffen, Governor Phil and Carolyn Harden, Bob and Vicky Suhr, Governor Ray and Ruth Ann Kent, Connie Warren, Mike Lang, Peggy Miller, Gary Harris, Fritz Reiterman, Don and Sue Harris, Commodore Nick and Michelle DeSantis, Governor Joe and Joni Campbell.

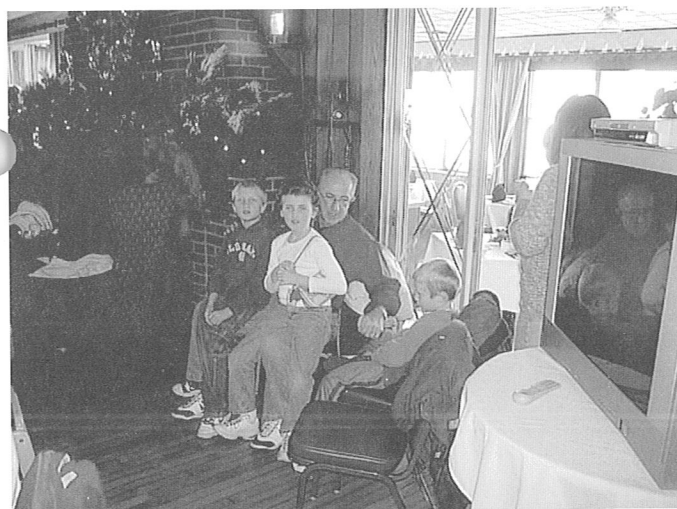

Commodore Jim Thompson welcomes the kids from the neighborhood!
