

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

May, 2005 - Vol. 15 Issue 4

Commodore Steve Harris

The season is upon us – and not a moment too soon! By the time you receive this issue of the *Log*, the boating season will be in full swing, our first regatta of the year will be upon us, and what seemed like an endless winter will hopefully be a distant memory. Spring Work Day was a huge success and the Club is looking great for the summer season. Congratulations to Rear Commodore Knaul and his crew on a job well done.

The Semi-Annual Meeting of the Club will be held on Sunday, May 15 at 2:00 in the Clubhouse. At this time, the Board of Governors and Committees will report to the membership on the current state of the Club and progress so far this year. If you've never attended a Semi-Annual or Annual Meeting, please consider joining us. This is a wonderful opportunity to learn more about all of

the great things that our Club has to offer our membership. The agenda is included in this issue of the *Log*.

At our April meeting, the Board of Governors approved the By-Laws amendment published in the last issue of the *Log*. This amendment offers an incentive to former members of the BLYC who wish to rejoin the Club. If you are aware of a former member who may be interested in rejoining the Club, please share this change with them. Spring is one of the best times to recruit members and it serves all of us to work to recruit people to the Club. Please contact Governor Campbell if you need more information on membership. This and the other amendments approved this year can be found on the Club website: www.buckeyelakeyc.com. I would like to personally thank Commodore Frank Foster III for his diligent efforts in keeping our Constitution and By-Laws updated through these recent changes. The most current copy of the Constitution and By-Laws is always available on the Club website as well.

To kick-off our summer season, we will hold a traditional Yacht Club Fleet Review and Blessing on Saturday, May 28. Boats will parade past the Club for a review by the Flag Officers and blessing from our Fleet Chaplain, Fr. Mike Gribble. Following the Fleet Review and Blessing, join us in the Clubhouse for the "Commodores Brunch." More information will be made available on the website and at the Club as details are finalized. Boats wishing to participate should assemble at the Eastport

docks between 9:00 and 9:30 a.m. The Fleet Captains will line you up according to protocol and lead the Fleets past the Clubhouse for Review and Blessing at 10:00 a.m. Spectators are encouraged to join on the porch to watch this event. The Commodores Brunch will begin at approximately 11:00 a.m. This should be a fun way to kick off the summer boating season and the holiday weekend.

As summer approaches, I look forward to fun times at the pool, on the front porch, racing with BLYC's newest sailing fleet, Flying Scots, and seeing everyone at the Club. The weather's great, the Club's ready – come out and enjoy *your* Club.

See you on the water,

Entertainment

To all my fellow BLYC members, with May finally here the outdoor activities are, too. Finishing workday the other week really gets you in the mood for summer. We have a lot of events this month.

On Sunday, May 1st, we are finishing up the two-day Thistle Regatta to open our sailing season. This is our first year hosting this as a two day event.

As we get closer to Mothers Day weekend, we have on Friday, the 6th

**Vice Commodore
Mark Russell**

continued next page

continued from previous page

from 8:00 to 11:00 p.m., TOP CAT KARA0KE. Cathy does a good job with the crowd for a fun evening. Don't forget about pick up for the Junior Sailing Flower Sale on Saturday, the 7th.

For Mothers Day on Sunday, the 8th, Chef Troy will have his classic MOTHER'S DAY BUFFET from 11:30 a.m. - 6:00 p.m. Staff will have an Omelet and Waffle station open till 2:30 p.m. The price includes tax and tip.

This month the Auxiliary has two events, the Auxiliary Meeting on the 12th. Cocktails at 6:30 p.m. and Dinner at 7:00 p.m. On Saturday, the 14th there will be the AUXILIARY AUCTION. Chef Troy has a feature item for dinner that evening with salad, main course and dessert for \$18.00, tax and tip included.

This year our COMMODORES BALL will be on Saturday, the 21st. I promise it will be a special evening. This is the big one; we host all of our Commodores that have served this Club so well. Chef Troy again has a great menu for the evening with appetizers, salad, entrée choices and dessert. The evening entertainment this year will be the JACK GORHAM BAND for great music and dancing. The evening starts off at 6:00 p.m. with cocktails and dinner at 7:00 p.m. Hosting of the Commodores will be followed with music and dancing.

The end of the month will be a treat. To start off the Memorial Day weekend, we will have SUPPER CLUB NIGHT. This is one of two times this year our Club will have MICHAEL SUTHERLAND back. If you missed his shows last year, you missed a great night club act. The night will really be fantastic with one great feature menu, from appetizer to dessert... along with a show you can't beat.

Outside activities take off on Memorial Day Weekend. The pools open along with outdoor pool bar and grill. Sunday, the 29th we will have BECK and DITTO poolside from 2:00 - 5:00 p.m.

On Memorial Day, the Club will continue with the PORCH PICNIC

from 11:00 p.m. - 6:00 p.m. with delicious picnic food. The Commodore Edward C. Metzger Long Distance Race starts at 11:00 a.m. and will draw all kinds of sailboats for one of our yearly events here at BLYC.

As we get busy with the season, check your calendars for all the events and when they're scheduled. See the changes for summer hours. Please make reservations so staff and kitchen make your evenings and events the most enjoyable. Let's have some summer fun and I will see you around the Club.

Mark

House & Grounds

I would like to give special thanks to all the folks who showed up and helped make our spring workday a success. Many projects were completed.

Due to a few setbacks, we will be starting construction of the new steps to the front porch this month. Please excuse our mess during construction.

See ya' at the Club,

[Signature]

Rear Commodore
Dan Knaul

Jr. Sailing

Hello, hasn't this been just about the most beautiful April you have ever seen? The lake is up to full pool, the temperature is great and we are all trying to get boats ready for the water. Even if you don't have a boat, you can still enjoy the beauty of the lake and the company of your friends from

Governor Ray Kent

the front porch.

Junior sailing is on track for the season. Walter Grubb, Jr. will be our race coach this year and Tracy Davis will be overseeing the camps for beginners and intermediate sailors. Please contact Tracy or myself if you have a youngster interested in either camp. This is a great way to get a child interested in a sport they can enjoy all their lives.

Don't forget to pick up your flower order in the parking lot on Mothers Day. Make plans now for the Pancake Breakfast and the Spagetti Supper/Auction. It is never too early to mark your calendar. As you enjoy the benefits of YOUR Club, pick up a chocolate bar for dessert or just to satisfy your sweet tooth. They are made by Goumas Candy and proceeds go to Junior Sailing.

I'll see YOU at the Club.

Ray

Photographer & Editor

In order to generate some extra funding for the Club, the Board of Governors is considering putting advertising in the Log. This would be advertising by local business owners and Club members who have a business that they would like to advertise.

We would like to hear from the Club members regarding this issue.

Please contact the Publications Governor, Phil Harden, at the BLYC website with your thoughts. Let us hear from you.

See you at the Club!

Phil Harden

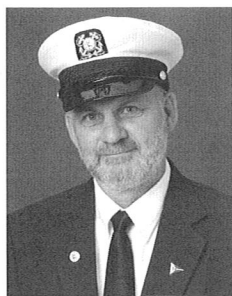

Governor Phil Harden

Rentals and Docks

The sun has shown and all goes well in Mudville. There has been an exodus from the two rental houses this winter. The Pfahl family moved into their own home and Betty has relocated to a more manageable place closer to work. We wish them all the best. The two-story house suffered damage during the ice storm. We took the opportunity while it was vacant to do some much-needed repair and renovations. I am happy to report the house will soon become a home again. The ranch house, in view of its excellent condition, will nonetheless get a fresh coat of paint inside and is available for immediate rent. Tell a friend who may need a great place to rent.

On Saturday, April 9th, a small but ambitious herd gathered at the BOATYARD to make ready for the up and coming boating season and the BLYC-sponsored THISTLE REGATTA, April 30. My lovely wife Rachel, whose goal was to work us all till we dropped, spearheaded the group. I would like to thank those browbeaten that day. In no special order the victims were Frank Foster, the two (2) Walters, Grubb that is, Brett Pfahl, Chuck Bendig, his (could be bought for cash) son, Daniel and myself. We all left that day with a sense of accomplishment and sunburn. We have a week to heal up for spring workday, April 17.

As a part of the BLYC family you should be made aware of the fact that there is a contingency of members who give a large amount of their time for the betterment of our Club. They do repairs and maintenance, grounds beautification, decoration, fundraisers, plan events, arrange entertainment, express concerns for your children and so on. The list is quite long. These people are members, just like you. They pay dues, dock fees, and rental fees. They don't get a discount on food or drink. They just want to help make our Club better.

Governor
Frank Laskowski

Currently the BLYC, though sound as the proverbial rock, is in need of things that take money to fix. So, at this point you may be saying to yourself, here comes the pitch. There is no pitch. Since you the members elected me to the Board of Governors I have a job to do. I must evaluate the needs and prioritize them. Work within my budget, after all, it is our money being spent. While in the process of updating current dock and member status, I was completely shocked and in a state of disbelief to discover the numbers in regards to unpaid rentals and dues for 2005 as of 4-10-05. This is part of the funds needed to support current operation of our Club and plan its future. Sometimes it is easy to instill an entity with characteristics that seem to give it an existence of its own; for example, "the Club can afford that." So far "the Club" has found ways to afford things needed and expected, thanks to great efforts and management of current and past Board of Governors. We can all do our part to keep the BLYC financially sound for the next 100 years by bringing our "current balance due" to —0— as quickly as possible.

Still Frank,

The Auxiliary

Secretary Ruth Ann Kent

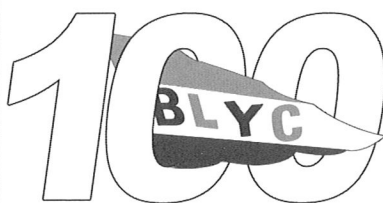

Hello Everyone, the BLYC Auxiliary's next meeting will be May 12th at 6:30 p.m. Our speakers for the evening will be Rick and Connie Rueckel. The topic will be the "Antique Road Show." They will be talking on various kinds of antiques and collectibles. If you have anything you would like for them to look at or tell you about, bring the item with you. This will be a very interesting evening, so don't forget to make your reservations.

On May 14th, the BLYC Auxiliary will be holding a live and silent auction. By this time you should have received a call from one of the members asking for donations. The items can be brought to the Club anytime before May 7th. If the item is too large for you to handle, contact Tracey Davis at 614-889-9717 and arrangements will be made for the item to be picked up. The money raised from the auction will go towards purchasing folding doors between the fire place room and the bar. The cost of dinner will be \$18.00 including tax and tip, so come out and support your Club by making your reservations today.

Happy Mothers Day to everyone.

Ruth Ann Kent, Secretary

The Official Centennial Logo and Designer...

1906 - 2006

Thanks, Dave!

The Centennial Committee

Dave Stewart has been a member of Buckeye Lake Yacht Club since 2002. He is a member of the Communications Dept. at The Longaberger Company with responsibility for email and web content. His family includes wife Lisa and children Nick (11) and Katie (7). The Stewarts reside in Newark.

When not at the Big Basket, Stewart enjoys spending time with his family on the lake (1991 Rinker Captiva 195) and at BLYC, playing golf and cheering on the Buckeyes.

2005 Mothers Day Buffet

Sunday, May 8 • 11:30 to 6:00

Omelet and Waffle Stations until 2:30

Tossed Salad, Pasta Salad, Fruit Salad

Carved Baked Pit Ham, Mahi Mahi with Banana Chutney,

and Seared Chicken with Marsala Sauce

Vegetable Medley, Rice Pilaf, Mashed Potatoes

Assorted Dessert Display

\$20.00, tax and tip included

Children \$10.00, tax and tip included

Auxiliary Auction sponsored by Your Auxiliary

Saturday, May 14

Cocktails 6:00 p.m. • Silent Auction starts at 6:00 p.m.

Dinner 7:00 p.m.

Salad with choice of dressings, Chicken Cordon Bleu, Mashed potatoes,

Seasonal vegetables, and Chocolate cream pie

CHECK YOUR CALENDAR FOR ALL THE SUNDAY RACES

Race & Regatta

Ollie has arrived!!

We are into the race season. By now everyone has had a chance to see our new starter machine, an orange box affectionately named "Ollie". It gives the same Rule 26, 5, 4, 1, start sequence we have always used. The one minute warning is a longer blast.

Please read the Sailing Instruction for our race. It has important information. Signals by flags from the committee boat/race shack always control a race. It is not appropriate to rely on sound signals. Hailing a boat "over early" is a courtesy assist, it is not required by the rules, so watch or have your crew watch for the individual recall flag. (white flag with blue cross). Please also watch for the mandatory life jacket flag (yellow and red diagonal stripe). Your boat will be disqualified if PFD's are required, and you or your crew are not in compliance.

Racing is great fun, and the more wind the better it gets. I have nicks and dents all over my boat and body from sailing in high wind. Safety is every competitor's responsibility. Please inspect your equipment now at the start of the season and replace and improve it if needed. Don't wait for it to break when you need it most. Always watch for other boats. When in doubt, always opt for safety. The ILYA has recommended all racing venues have skippers and crew acknowledge personal responsibility for safety. We will require all competitors to sign an agreement. I would like to use this as an opportunity to emphasize the importance of racing safety. No one wants an injury or major damage incident to spoil a great racing season. Please take a moment to assess your safety and your boat's safety. Try to think about improvements that

Governor
Chuck Bendig

could be made now to assure a safe season.

Let's race!!

Chuck Bendig

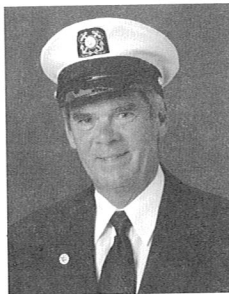

Membership

Hello Spring! The boats are being launched and we have already enjoyed our first Beach Party of the year. After what seemed like an eternity of snow and ice the Club is ready to shift into high gear for the 2005 season.

This month, we welcome two new members. Ryan Russell and Richard Waggoner, were accepted by the Board and are now fulltime members. Welcome aboard. In addition to the two new members, we have applications pending for three additional members.

We recently adopted a change to our by-laws that I offered in an attempt to encourage former members to reactivate their memberships. If a member dropped out of the Club and now wants to return, the Club will give the returning member credit for their previous initiation fees. If, for example, a member joined back when the initiation fee was \$1000 and wanted to join today we would subtract the \$1000 from the current fee of \$2500 and the returning member could join for \$1500 in initiation fees. All such returning members are still subject to Board approval prior to becoming a fulltime member.

At the last meeting of the Board of Governors we voted to honor one of our long-time members. George Beck has been a faithful member for over 40 years and he also encouraged three of his sons to join. George was awarded a lifetime honorary membership. Congratulations George! All of us are looking forward to seeing you on the front porch.

Governor
Joe Campbell

All in all, membership has been picking up lately. I get at least one inquiry a week from prospective new members. Most are interested in dock space and that is one of our biggest drawing cards.

Please encourage your friends and neighbors to consider membership. The Buckeye Lake Yacht Club is a bargain. We do not impose monthly minimums. The dues have not increased for two years, and it's always sunny and 80 degrees at the Club.

Joe Campbell

From the Desk of the General Manager

Fritz Reiterman

What a long winter, and finally it seems to be over. How great it is to see our members coming home from the sunny south.

We are so looking forward to the pool opening and the season to get underway in full swing.

Starting April the 24th, we will be serving a full breakfast buffet with the following items; Omelette and Waffle Station, Eggs Benedict, Biscuits and Gravy, Scrambled Eggs, Breakfast Potatoes, Bacon, Sausage, Fruit Salad, Assorted Danish, Juice and Coffee

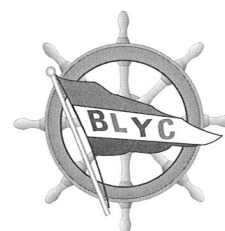

\$9.95 Adults and \$4.95 Children

Here are the correct hours on Sunday for Breakfast and the Brunch. 9:30 a.m. to 1:30.p.m.

The regular breakfast menu will also be available.

We would like to remind the members of the Thursday Night Buffet that alternates every week from Mexican to Italian.

See you at the Club.

[Signature]

The Way We Were

By Comm. Frank H. Foster III
BLYC Historian

The approach of our celebration in 2006 of the 100th anniversary of the founding of BLYC seemed like a good time to do what I have wanted to do and procrastinated for 25 years: reprint Kyle Armstrong's history of the first 50 years of BLYC. Computer technology made that task easier so the BLYC history department got it together. Commodore Harris has put it on his fantastic BLYC web site for all to download. Take a look! If you don't have a computer, this site is a reason to get one. Go to: <http://www.buckeyelakeyc.com/>

By coincidence, while looking through my collection of old logs for something else, I ran into an article published in the May 1980 Log about Comm. Armstrong and written by Comm. Howard "Whitey" Limes. Comm. Limes wrote many history articles for the Log before I began doing so. I thought it would be interesting to republish Whitey's article contemporaneously with the new availability of Comm. Armstrong's book.

I never met Comm. Armstrong, but I feel as though I know him, especially after reading Whitey's article. Here it is:

"The End of an Era..."

At 1815 hours on October 26, 1974 an Era came to an end at Buckeye Lake. Commodore Kyle Armstrong and his Lyman sailboat left Buckeye Lake and Buckeye Lake Yacht Club.

The reader will say, "What is so strange about a man and his boat leaving the Yacht Club?" This was not just another man and his boat, it was Commodore Kyle Armstrong and his sailboat, "Josy".

Kyle Armstrong joined Buckeye Lake Yacht Club in 1920. In 1941, he was elected to the Board of Governors. He became Rear Commodore in 1945. During his tour of duty as Vice Commodore in 1946, Comm. Armstrong in his own words, "had never seen a copy of the Constitution and By-Laws of Buckeye Lake Yacht Club." The last published edition was in 1933; since then, both had been amended several times. As a result,

few of the members and the Officers were familiar with the Club's operating laws. This, to say the least, created problems in solving any difficult situation that might arise, which needed Constitutional and By-Laws rulings.

With this in mind, Comm. Armstrong took it upon himself to research and assemble the articles of the two documents which would be up to date. The result was published in the Constitution and By-Laws of B.L.Y.C. as amended to March 8, 1946.

Since then, several amendments have been made in both the "By-Laws" and the "Constitution". The latest being in 1969 in the Constitution and in 1971 in the By-Laws. *[Ed note: many more since. See web site for current copy]*

Kyle Armstrong was elected Commodore of B.L.Y.C. in 1947. Commodore Armstrong was awarded the Heber Award in 1954. In 1939 while Kyle Armstrong was just an active member of the Club, a new fleet of five small sailboats was added to the sailing fleet of B.L.Y.C. This small sailboat was known as the Lyman Cat. The specifications were, 15 ft. long X 6 ft. beam, displaced about 450 pounds and carried 143 sq. ft. of sail. A far cry from the big K Cats which displaced 2000 pounds and carried 270 sq. ft. of sail.

Kyle Armstrong purchased one of the small sailboats, christened it "Josy" and launched her in July 1939. "Josy" and her skipper became the sixth member of the fleet, which grew to seven members and competed amongst themselves until 1945 when the Lyman class fleet for one reason or another finally disbanded. "Josy" and her skipper stayed at Buckeye Lake.

Now let me tell you about "Josy".

For many years, those years that the writer has known of, a common expression around B.L.Y.C. was, "The sailing season is open. Kyle Armstrong is refinishing 'Josy'".

In a short while, one would see "Josy" in her slip in the back basin, along side the bridge, swaying to and fro in her mooring. Like an anxious child wanting to play.

Her Cat boat rig was a familiar sight on Buckeye Lake.

Under the steady hand and skillful sailing of Comm. Armstrong, "Josy" probably sailed into more "bays", "inlets" and "channels" than any other one boat. In all probability it was from the cockpit of "Josy" that Comm. Armstrong made his notes, soundings and measurements of the lake from which he made the chart of the lake, a copy of which hangs on the wall of the "Gobs Mess" at B.L.Y.C.

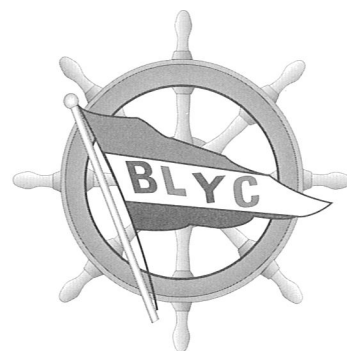

Time has a positive way of overtaking things, boats and humans alike. The sailing season of 1972 was the last year that "Josy" and her familiar skipper plied the waters of Buckeye Lake. During the next two seasons "Josy" did not sail.

In a short talk with Comm. Armstrong on 26 October, 1974, he intimated, with tears in his eyes, to the writer, that his hearing had worsened, his eyesight had failed to the extent that he could no longer read newsprint and that his memory was not what it should be.

What has become of "Josy" is not known. She was to be refinished during the winter months of 1974-75. If she is still afloat, let us hope she is still the proud little Lyman Cat she was at Buckeye Lake. No parent ever fondled a child with more loving hands than Comm. Kyle Armstrong with "Josy".

Comm. Kyle Armstrong passed away on 7 March, 1976.

The above are just a few thoughts that occurred to a sentimental old fool, who, when he saw Comm. Armstrong and "Josy" leave Buckeye Lake, likes to believe that old sailors never die, they just sail over the horizon into the sunset."
