

# Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

June, 2005 - Vol. 15 Issue 5

**Commodore Steve Harris**

The boats are in the water, the pool's open, Junior Sailing camps have begun, and the season is in full swing at the Buckeye Lake Yacht Club. May was a very good month for the Club. We started the season with our annual Spring Thistle Regatta and it was a wonderful event. We have twelve participating boats from all over the midwest. I would like to thank all of the volunteers from our Club that helped to make this event so successful. Their names are listed on the Club website at [www.buckeyelakeyc.com](http://www.buckeyelakeyc.com). It was truly a banner event for our Club. Anyone involved with putting on an event such as this knows that it takes a dedicated crew to make it successful. On behalf of the entire Club, THANK YOU! For those who missed the festivities, you missed a good one. Alex Bevan, of Put-in-Bay fame, was our

entertainment for the evening. If you missed Alex this time, don't worry — he'll be back for the Snowball Regatta in October.

Mid-month, the BLYC Auxiliary held its live and silent auction to raise money to buy new wood and glass doors between the Bar and Fireplace Room at the Club. The event was well attended and generated enough money to cover the cost of the new doors — they'll make a great addition to our facility. The Auxiliary is a perennial supporter of our Club and we should all appreciate and support their efforts to help improve our Club. In addition to the doors, this year the Auxiliary has also purchased new rocking chairs for the front porch and helped greatly with the rehabilitation of the Ladies Room. The Auxiliary is a growing, dynamic organization supporting the Club and I strongly encourage all members and families to consider joining.

At our Semi-Annual Meeting on May 15, the Board and committees reported on the status of the Club and answered member concerns and questions. Overall, the Club is doing well. However, the biggest challenge facing us currently is a lack of volume in the restaurant and bar operation. The Management and Board have worked hard to control variable costs, but fixed costs are taking their toll. If we as members wish to continue having a full service operation, we need to support it by using the Club. Nowhere else in the lake area offers the atmosphere, service, and quality that the Club does! This

phenomenon of declining volume is affecting all private clubs and many restaurants — we are not alone in this regard. Many clubs have instituted monthly "minimums" or cut services to offset this. I would hope that the BLYC can avoid the need to take these steps in the future. *Our strength has always been the support and participation of our members!*

Also at the meeting, our Guest Speaker was Andy Hollenbach, Buckeye Lake's new Watercraft Officer. He discussed his role at the lake and his desire to work with us at BLYC in promoting safe and responsible boating activity. We, as the Yacht Club, should set the example for all boaters in the area of safety and seamanship. The Club also presented a commendation to Commodore Frank Foster IV for his heroic rescue efforts on Buckeye Lake, May 1<sup>st</sup>. As most are already aware, that day a fishing boat carrying two men capsized on our lake and one unfortunately lost his life. Thanks to Frank's quick response, however, the other boater's life was saved. We, as boaters and yachtsmen, can learn from his selfless example and should be willing to render assistance to our fellow boaters whenever possible.

The Annual Commodores' Ball on May 21 was once again a very successful and enjoyable event. Vice Commodore Mark Russell did a wonderful job putting the event together this year to recognize all of our Commodores. On behalf of all BLYC Commodores, Thank You, Mark! That same day,

*continued next page*

BLYC hosted the I-LYA Inland Ice-breaker Junior Regatta. Rob Harklau did a fabulous job coordinating all of the many details of this event. Thanks, Rob! This event was the kick-off for the 2005 Junior Sailing season in the Lake Erie region. The regatta included both on- and off-the-water clinics and coaching as well as racing. We were very fortunate to have Park McRitchie, I-LYA's Junior Training and Education Chair and 2003 U.S. Sailing Coach of the Year, as the lead coach/instructor making this event a positive learning experience for many Junior Sailors in the region.

By the time you receive this issue of the *Log*, Memorial Day weekend will have come and gone along with the Fleet Review and Blessing, Supper Club Night, and the Pool Opening with Beck and Dittoe. I look forward to seeing you at the Club in the coming month for the Annual Commodores' Steak Fry, at which the Commodores cook for you, the Crystal Ballroom Dance with the Pastels Big Band, and, of course, for all the July 4 weekend festivities. We've got a great Club and, *together*, we can continue to make it *the* place to be on Buckeye Lake!

See you on the water,

## Entertainment

To all my fellow BLYC members, it is really great to have boating season back. The Club has been busy with activity as members come back from the winter. By now, almost everyone seems to have their boats in. The pool area is open and we can finally dine outside on the porch again.

June has many good events this

Vice Commodore  
Mark Russell

month, with Top Cat Karaoke on the 3rd. Maybe we can have an outside evening for a change. On the 9th our monthly Auxiliary Meeting will be held, which also falls with the monthly Board Meeting.

As we get to the 11th, don't forget the annual Commodores Steak Fry. This is always a lot of fun and you get to have the Commodores grill for you. The Jack Gorham Band will provide the entertainment and will be a great night.

Keep in mind that we do start having some pool entertainment on Sundays. So far, on the 12th poolside will be Neal Dean. On the 26th we have Beck and Dittoe.

Friday the 17th, the Club has Jimmy Harris, and I hope that we can enjoy the evening with an outside act. As we get to the end of the month, put our Crystal Ballroom Party on your calendar. This is a great annual event with The Pastels to provide dance music. With a great dinner from chef Troy and the great tunes from the Pastels, you don't want to miss this one.

As we are into boating season, check your calendars for weekend sail boat racing. Keep in mind to come out for Wednesday's one-design racing. You can always try crewing to get an idea of what it's like.

Well its June, we better start taking some time to enjoy ourselves and take advantage of the nice days. See you around the Club.

## Race & Regatta

THANK YOU TO EVERYONE FOR HELP with the Thistle regatta, and with getting the racing season underway.

Racing is a great tradition here at Buckeye Lake. Please bring your boat out to race, even if it is just for the fun of being on the water. If you don't have enough one designs for a legal class, sail with the cruisers for elapsed time. If anyone needs crew, I have encouraged anyone I see to show up on Sunday for a ride. Many times I will arrive on Sunday with no crew, and pick up crew. Sometimes I end up going out to crew for another boat that is short on hands. I have never missed a ride, one way or the other. Junior sailors have a great chance to crew on larger boats, and get start experience by crewing for the larger boats. I learn something or relearn every time I go out. Lets all have fun this season and enjoy a great sailing venue.

Governor  
Chuck Bendig

## Thank You Note:

A big thank you to Club member, Dave Levacy, owner of Buckeye Lake Marina, for donating the repair and service work on the pontoon boat. Thanks again, Dave.

## In Memoriam Edna "Missy" Crosetti

Wife of Peter Crosetti,  
passed away April 16, 2005, at Riverside Hospital

## Rentals and Docks

The waters of Buckeye Lake are calling as the 2005 boating season begins. I thank everyone for their supportive comments regarding the progressive changes to our philistines. It is always nice to have efforts recognized. Thank you to every member who has freely offered many hours of their time to bring about these improvements, but we still need to continue.

Anyone who has a TRAILER at EASTPORT BOAT YARD, regardless if it has a boat on it or not, must be in its proper slot (check dock map on the club porch) and have the members NAME ON THE TRAILER for proper identification. I have received complaints from members whose assigned rented slots are taken by unidentified trailers. This aggression will not be tolerated. A survey of the yard is being made. Trailers that are not identified or in the proper slot will be relocated to the proper slot or removed from the boatyard as appropriate. It is only fair to all members, particularly those who have paid for a slot. Your help and understanding is greatly appreciated.

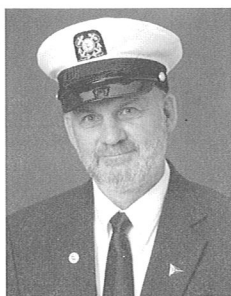

EFFECTIVE JUNE 15, 2005

Still Frank

## Yacht Club Members,

100 years of BLYC is about to happen. We are going to publish a book on the history of our Club. Please send us any stories, memoirs or pictures of the BLYC that you may have stored away. The book will take some time and effort to assemble. Please forward to: B.L.Y.C., P.O. Box 867, Buckeye Lake, Ohio 43008

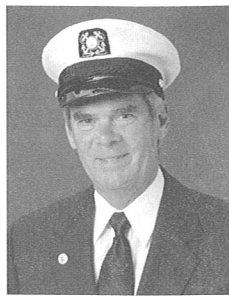

Governor  
Frank Laskowski

## Membership

I am pleased to announce that we accepted three new members at the last Board meeting. Henry Bennett and his wife, Jackie, just purchased a Lyman and will be docking their boat at the Club. Henry is a former member of the Board of Governors at the Naples Sailing and Yacht Club. They reside in Granville during the summer months. Robert Armstrong and his wife, Carla, reside in Millersport. Robert is the son of member James Armstrong. Robert is the IT manager for Dedicated Technologies in Columbus. James Crannell is a former member who has decided to re-join the Club. James and his wife Deborah reside in Nashport. James has a Pearson 23 and will be sailing with our fleet during the upcoming season. Let's make all of them feel welcome to our Club.

For the last several months I have encouraged the members to attempt to attract new members to the Club. So far we have successfully recruited 12 new members. All of us need to double our efforts to reach our goal of 25 new members this year. While on the subject of membership let me remind you that the Club needs your participation in order to meet our financial responsibilities. All of us go out to dinner somewhere. Why not make it the Buckeye Lake Yacht Club? Where else can you be as formal or casual as you please, and enjoy the friendship of the members? By supporting the Club you are making good use of your annual dues. The pool is ready to go. The boat slips are full. The season is upon us. Come on out and enjoy your Buckeye Lake Yacht Club.

Governor  
Joe Campbell

## The Auxiliary

Secretary Ruth Ann Kent

Hello Everyone: May has been a busy month for the BLYC Auxiliary. Our meeting on the 12th was very well attended and I would like to thank Rick and Connie Rueckel for bringing the "Antique Road Show" to the BLYC. The response has been great and it looks like we need to have them back in the near future. The BLYC Auxiliary would like to give a big THANK YOU to everyone who donated, attended and purchased items at the Auction held on May 14th. The doors are ordered and should be installed by late summer. We greatly appreciate the support from our members enabling the Auxiliary to help with the upkeep of our Club. The rockers have been delivered for the porch, but if you have been to the Club you may have noticed the rockers were not finished properly. This problem will be taken care of by resanding and repainting. Our next meeting will be June 9th. The speaker we had previously engaged had to cancel. We are trying something different by having each table sponsored by one or two people who will provide table service along with decorations and dessert. The tables will be judged and all desserts from each table will be sampled by everyone who attends. Also, everyone is to wear a ladies hat. So don't forget to make your reservations, I think this will be a lot of fun.

See you at the Club,

*Ruth Ann Kent, Secretary*

## REMINDER

### Per the BLYC by-laws:

All children under the age of twelve are required to wear lifejackets while outside at the Club.

Questions: See any Board member or Trustee

## Bar & Kitchen

As Mother Nature shows off her color palette in the form of beautiful "May flowers" and we begin to enjoy the anticipation of long lazy summer days, our lake is once again the place to be! The BLYC porch is a wonderful vantage point to watch the world go by, grab a bite to eat with friends or simply gaze at our lake and think about how lucky we are to be able to enjoy it!

This year a conscious effort has been made to encourage the Club Manager and Chef to function independently regarding day-to-day operations of the Bar and Kitchen.

Initially, I spent time with both the Club Manager and Chef to familiarize myself with the current processes to get an understanding of what they thought their job descriptions included. Together we went through processes and identified areas that needed to be assessed, and developed a plan to implement changes.

Some of those include having a specialty night such as Mexican and Italian, bringing back Happy Hour drink specials and implementing Early Bird Dinner Specials. These were chosen because members had asked for these changes but more importantly, because these changes demonstrated we (the Board and Management) were listening to our members concerns and valuing their input.

The numbers indicate the Club is experiencing decreased membership that is due to many factors; age of the majority of current members, drops, demits, demographics (statistics show younger folks are much less likely to join a private club) as well as economic issues that impact the membership numbers. Since I have had the opportunity to be out of the state this year, I took this

Governor Terri Gatto

opportunity to contact several private clubs and yacht clubs to see if they were experiencing the same phenomenon as BLYC. The majority of the seven clubs I spoke with had similar concerns and they told me that they:

- Have a disproportionate number of "older" members.
- Are experiencing a marked decrease in membership.
- Have stopped looking at their kitchen operation as a revenue producer — in fact most were using it as a "value added" marketing tool, choosing instead to concentrate on the bar as a profit center.
- Look for alternative methods of funding club operations such as endowments, grants, etc., versus using membership as the driver for operations.

In spite of these statistics, our Club is holding its own. This not only speaks to the loyalty of our membership and their consistent attendance, but also to the fact that the Club Manager and Chef have stepped up to the plate and have been doing a good job with daily operations and monitoring expenses.

There is still work to be done as we enter into the summer season. I am in regular contact with the Club Manager and Chef to ensure we continue to control cost and keep putting processes in place that will ensure we come as close to the operating budget as possible. We also realize there are still operational issues to address, including getting our wait staff service to a consistent and efficient level and implementing further inventorying processes. We will strive to make sure we do everything we can to keep controls in place while making our members experiences as pleasant as possible!

Come on out and enjoy the spring-time at the Club!

*Terri Gatto*

## Jr. Sailing

Greetings from BLYC!

As you have all heard it said, "If you don't like the weather, just wait and it will change" and it certainly has! From warm and

Governor Ray Kent

sunny to cool and raining. But summer really hasn't arrived yet so I suppose the weather will improve. The Junior Sailing Flower Sale went well. All accounts paid and flowers delivered. Commodore Harris and I discussed some ideas on ways to improve the sale as it seems to be getting a little stale. We will work on these for next year and see what happens. For those of you who may not be aware, we have a new fund raiser for the Junior Program in the form of chocolate bars made by Goumas Candy. They are available at the bar at a cost of \$2 each. They are sure to satisfy your sweet tooth!. Many thanks to Soc Goumas. As we get into the season we will be asking for assistance from members who would like to be a part of the sailing camps. If you would care to help, call Tracy Davis or me and we will coordinate times with you. Many thanks to those who donated items and came to the auction for the Auxillary and bought items. It was a great success and everyone had a wonderful time. It is well attended functions such as this that make the Club successful. Come out and enjoy YOUR Club.

*Ray*

## Obituary:

Dan Thomas of the Sandusky Yacht Club passed away May 17, 2005. Dan was well known for his work with the Junior Sailing programs and will be missed by those involved with those programs.

## Auxiliary Live and Silent Auction

### Thank you,

Thank you to all our members for their wonderful donations and support for the Auxiliary Live and Silent Auction on May 14. We raised about \$8,000. I would also like to thank my

team for all their hard work and time: Ruth Ann and Ray Kent, Joni Campbell, Donna Parker, Chrissy Russell, Barb McFall, Carolyn Harden, Becky Thompson, Jane Shriner, Ann Oliver, Vicki Shur, Michelle Desantis, Gayle

Scarrett, and my husband Matt. Also a big Thank You to Vanessa, Travis, Bethany, Troy and Fritz.

See you at the Club,  
Tracey Davis, Auction Chairman 2005

April 29<sup>th</sup>, 2005

Dear I-LYA Affiliate,

### West Marine Annual I-LYA Bay Week Regattas at Put-in-Bay

I am pleased to announce that we have a title sponsor for our annual regattas. This is the first time that our regattas will be sponsored by a major corporation, West Marine. This was accomplished by our Sponsorship Committee and through great efforts by Cal Agor, the Sandusky West Marine Man-

ager. As part of West Marine's sponsorship, I am enclosing the following coupon. This coupon may be downloaded and printed out to be used at any West Marine store. The coupon is encoded with a bar code so that they can be tracked by the corporate office to see how many coupons I-LYA affiliate club members have used. West Marine is supporting our regattas, so please support them as well. With that in mind, please do not abuse the usage of the coupon, as we would like to get an accurate tracking.

In years past, there was an event held during the power and sailboat regattas known as the Men's Smoker. This year, I am reviving that tradition during both regattas. Please refer to the regatta schedule for specific times. I look forward to seeing all the men at the Men's Smoker.

See you at the Bay!

Sincerely,

Heidi B. Riddle  
2005 Commodore
