

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

July, 2005 - Vol. 15 Issue 6

Commodore Steve Harris

Happy Independence Day! It's an exciting time to be at the Buckeye Lake Yacht Club. The sailing season is in full swing, the pool bar's open, you can dine on the front porch — this is the time of year that the Club is at its best. The participation of members over the past month has been great and I encourage all members to come out and enjoy the Club. Summers in Ohio are short and, unfortunately, this one will soon pass as well.

June was a very good month at the Club. The Annual Commodores' Steak Fry on June 11th was one of the largest in recent years and I think that everyone in attendance had a very good meal and enjoyable time. I would like to thank Commodores Mike Jacobs and Frank Foster III for all of their efforts in planning and coordinating this great Club event. The Crystal Ballroom Party on

June 25th was also a very enjoyable time. Everyone enjoyed listening and dancing to the Pastels Big Band Jazz.

June also saw the start of Junior Sailing Camps and the first week of camp was very successful. Our Junior Sailing Camp was featured on the front page of the Columbus Dispatch on June 16th! Sailing is a great sport for kids of all ages. It helps to build confidence and self-reliance as well as discipline. In my opinion, however, the best thing about sailing as an activity for kids is that anybody can sail irregardless of size, strength, or athletic ability and it's something that one can do for the rest of his/her life. Whether racing or just leisure sailing, this is an enjoyable activity that can benefit children throughout their lives. If you haven't done so already, please consider signing up your children and grandchildren for the other sessions of Junior Sailing Camp later this year.

The BLYC Junior Sailing Team also began racing in June, attending regattas at North Cape Y.C. (Mich.), Hoover Sailing Club (Columbus), and Sandusky Sailing Club. Our Juniors are sailing hard and improving each week. If you've been out to the lake, you've probably seen them practicing. I have been very impressed with the leadership of our coach, Walter Grubb, and 2005 Team Captain, Fritz Schilling, as well as the support of the sailing parents and the members for this year's team. Working together, we can provide our BLYC kids with this great opportunity. If you haven't seen them race and would

like to, please contact Governor Ray Kent for details. Everyone is, of course, invited to come watch our Juniors at the Annual I-LYA Put-in-Bay Junior Regatta (Bay Week) July 17-22 at Put-in-Bay. This is the highlight event of the Junior Sailing year in our area! Please see Governor Kent's article for details on the events of the week.

As we move into July, there's plenty of great activity at the Club. I hope to see you at the Pool Party, the fireworks display, our annual 4th of July activities, the Auxiliary Co-ed Pool Party, the Golf Outing, or just hanging out at the Club or around the pool in the coming month. There's a lot going on at your Club - come on out and enjoy it.

See you on the water,

Entertainment

To all my fellow BLYC members, take some time and enjoy summer. July is here and we have a great month planned at the Club. We have a terrific FOURTH OF JULY weekend planned for our members and their family and friends.

The FOURTH weekend starts off Saturday with our annual POOL BEACH PARTY. Our entertainment will be THE PAUL CLARK BAND and he promises the best from the entire band with a great outdoor show. Paul

**Vice Commodore
Mark Russell**

will start things off at 8:30 p.m. and Chef Troy will have a wonderful feature menu that evening for all to enjoy. On Sunday afternoon, we have poolside entertainment with DEAN NEAL from 2:00 - 5:00 p.m. Our sailboat races will start at 2:00 p.m. for the cruisers and one design. On Sunday, the 3rd stay for dinner and choose your seat for our third year that the FIRE WORKS will be set off directly across the lake from the Club. On Monday, the FOURTH OF JULY, we start off the day with the annual JUNIOR SAILING PANCAKE BREAKFAST. The Sailing Team and the parents that put this together for us every year do a good job. This is one of the fund-raisers that keep the team growing. Our traditional RAISING OF THE COLORS will take place at 11:15 a.m. followed by a FLY-OVER. In the afternoon, Chef Troy and the staff will provide a classic Porch Picnic to round out the weekend and US.

On Friday, the 8th, we will have Top Cat Karaoke for the evening. Cathy will be looking forward to the outdoor show this time of year. July 14th is the AUXILIARY COED POOL PARTY. The Auxiliary has a special evening planned this year along with poolside entertainment by Beck and Ditto starting at 6:30 p.m.

As we get into July, some of our great acts are back for some good outdoor entertainment. On Saturday, the 16th we have out on the deck MADALENE and VICKI with the BAND. They will perform from 8:00 - 11:00 p.m. for all here at the Club to enjoy. On Sunday, the 17th we have entertainment at poolside from 2:00 - 5:00 p.m. with Beck and Ditto again. If you notice the week of the 17th being a little thin member wise, they are up at I-LYA Junior Bay Week. Yearly, the Club goes to Put-In-Bay to support our sailors, attend the Club picnic, and enjoy the Awards Banquet.

As soon as we get back from Bay Week, the Club has a member sponsored evening. I am talking about the S & S BEACH PARTY. On Saturday, the 23rd this Club rocks. Back are the

UNSUNG HEROES to offer us a super outdoor evening for dancing and pool entertainment. The show will be 8:00 - 11:00 p.m. Be there to enjoy the fun.

The 9th Annual BLYC Golf Outing will be on Saturday, the 24th. Tee time is 8:00 a.m. and afterwards the food and awards will be back at BLYC. This is a great scramble at Harbor Hills Country Club.

Our last weekend in July is going to be as good as the others. On Saturday, the 30th we have SEAFOOD NIGHT on Watkins Island. Chef Troy will feature a menu of your favorites from 6:00 - 9:00 p.m. a feature menu. Keep in mind we have THE CLASSMEN TRIO for the evening from 8:00 - 11:00 p.m. Finishing out the weekend we have poolside entertainment on Sunday from 2:00 to 5:00 p.m. by DEAN NEAL.

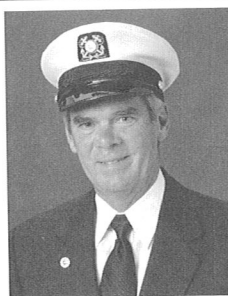

July will be a busy month here at the Club, and it takes a good staff to make it work. All the staff have appreciated the compliments from our members, about their food and service. Looking forward to a fun July at the Club. See you here.

Mark

Membership

We approved the membership of Paul Fallon at our last Board meeting. Paul is a public opinion researcher, and political pollster for levy committees, interest groups, and political candidates. He has offices in Washington D.C. and Columbus, Ohio. Welcome aboard.

This month we have four applications for membership. Jeff Ferris, an auditor for the Department of Insurance, was sponsored by John Doneff. Jeff owns a power boat. Greg Tobias, a former member, was sponsored by John

Governor
Joe Campbell

Watson and Nick Mast. Greg is a contractor in Lancaster and owns both a sailboat and a powerboat. Robert Fairchild owns a power boat and was sponsored by Wayne T. Lee and Stu Brooks. Robert owns Diversco Building Services in Columbus. Brian Van Winkle, another former member, was sponsored by Phil Harden and Tom Heisey. Brian is a financial planner and owns The Van Winkle Wealth Management Group in Newark.

Thanks to all the members who took the time to sponsor applicants for membership. Membership is beginning to pick up. Let's all keep up the good work and make our new members feel welcome.

In the near future, each member will receive a letter with the member's current information based on our billing data base. We will be publishing a new directory and would like each of you to review the information that we have on hand. If you want an item changed or deleted let us know. You can use the web page www.buckeylakeyc.com to send an e-mail to the general manager or you can mail any changes to the Club to the attention of the membership Governor. Once the letter is received, you will have 30 days to make corrections and then we will go to press. If you know that your current information - spouse's name, phone number, business name, or any other vital information is in need of updating - feel free to contact us at once. There is no need to wait for your letter if you already have changes that we don't know about.

Feel free to contact me at home via E-mail. I can be reached at jcampb11@columbus.rr.com. I'll make sure that changes are made to our records.

See you at the Club.

RULES IN BRIEF RIGHT-OF-WAY RULES

PORT-STAR-

BOARD. Port-tack boats must keep clear of starboard-tack boats. (Rule

10) Note: You are "keeping clear" of another boat when she doesn't have to avoid you. **WINDWARD-LEEWARD.** When boats are overlapped on the same tack, the windward boat must keep clear. (Rule 11) **ON SAME TACK, ASTERN-AHEAD.** When boats are on the same tack and not overlapped, the boat clear astern must keep clear. (Rule 12) Note: One boat is "clear astern" if she's entirely behind a line through the other boat's aft-most point, perpendicular to the other boat. The other boat is "clear ahead." Two boats are "overlapped" if neither is clear ahead of the other. **TACKING TOO CLOSE.** Before you tack, make sure your tack will keep you clear of all other boats. (Rule 13) **LIMITATIONS ON RIGHT OF WAY.**

If the other boat must keep clear, you have "right of way." Even if you have right of way, there are limitations on what you can do: **AVOID CONTACT.** You must avoid contact with other boats, but a right-of-way boat will not be penalized under this rule unless the contact causes damage. (Rule 14) **ACQUIRING RIGHT OF WAY.** When you do something to become the right-of-way boat, you must give the other boat a chance to get away from you. (Rule 15) **CHANGING COURSE.** When you change course, you must give the other boat a chance to keep clear. (Rule 16) **ON THE SAME TACK; PROPER COURSE.** If you are overlapped to leeward of a boat on the same tack, and if just before the overlap began you were clear astern of her, you cannot sail above your proper course (i.e., the course that will take you to the next mark the fastest) while you remain

Governor
Chuck Bendig

overlapped. (Rule 17.1) **PASSING MARKS AND OBSTRUCTIONS.** There is a set of special rules for boats that are about to pass a mark or obstruction. However, these special rules don't apply between boats on opposite tacks on a beat to windward. (Rule 18.1) Except at a starting mark, you must give boats overlapped inside you room to pass a mark or obstruction, and boats clear astern must keep clear of you. There's a two-length zone around marks and obstructions, and a boat's rights and obligations with respect to another boat are "frozen" when the first of them enters that zone. If you are clear astern of another boat when she enters the zone, you must keep clear of her until both boats are past the mark or obstruction, even if you later become overlapped inside her. (Rule 18.2) **TACKLING NEAR A MARK.** Don't tack within the two-length zone at a windward mark if you will cause a boat that is fetching the mark to sail above close-hauled to avoid you, or if you will prevent her from passing the mark. (Rule 18.3) **ROOM TO TACK AT AN OBSTRUCTION.** When boats are on the same tack on a beat and come to an obstruction, the leeward boat gets to decide which way they are going to pass it. If the leeward boat hails for room to tack, the other boat must give it to her; but the leeward boat must give the other boat time to respond before she tacks. (Rule 19)

OTHER RULES.

Before your Preparatory Signal, and after you finish, don't interfere with boats that are about to start or are racing. (Rule 22.1) If you break a rule while racing, get away from other boats and do two 360-degree turns; if you hit a mark, do one turn. (Rules 20 and 44) Note: Sometimes the Sailing Instructions require you to fly a flag acknowledging that you broke a rule, instead of doing turns. (Rule 44) If you start too soon, keep clear of others until you get behind the line again. (Rules 20 and 29)

Jr. Sailing

Hello. The sailing program is off and running with the first week of Beginner Camp over. A total of 15 potential Junior Sailors attended.

The wind was a little heavy but they still got a good bit of sailing in.

The Juniors are getting better with every regatta. At Sandusky on the 18th, Austin Miller and Joe Schilling placed third in the CFJ class and Austin was awarded the Sportsmanship Award. At Edgewater on the 22nd, Brian Foley and Gwen Fisher placed second and Austin Miller and Joe Schilling placed fourth in CFJ's and Hallie Harklau was second in the Opti's. Way to go sailors! Walt Grubb, Jr. is instructing and coaching the team and is doing a fine job.

Bay Week is coming up the third full week in July (18th thru 22nd) and all are invited to come to Put-in-Bay and enjoy the festivities. Wednesday evening will be a picnic with the team, parents and others who would like to attend. Location will be Commodore Harris's backyard (ask for directions). The food will be prepared by parents and others and is guaranteed to please.

Don't forget the pancake breakfast on the 4th of July. Come out and support the team and have a great breakfast!

See YOU on the porch!

Ray

REMINDER

Per the BLYC by-laws:

All children under the age of twelve are required to wear lifejackets while outside at the Club.

Bar & Kitchen

The cornfields around the lake are knee high and we are all enjoying the soft sighs of sunny days and peaceful evenings of slow motoring around our lake.

Governor Terri Gatton

July is such a fun time at our Club. I don't know about you, but for me, nothing is as wonderful as watching the fireworks across the water. How lucky we all are to be able to witness this year after year! Why not come out to the Club this month and sit a spell on the porch, renew old friendships, make some new ones, have a boat drink, perch poolside, watch the sailing races, dance a little, sing a little and just have a day at the lake? Consider it a mini vacation or present to yourself!

Fritz, Troy, Travis and the staff are happy and ready to see to your needs.

As a bit of a continuation of my article last month, I am trying to identify some things that we as a Club can do to keep our Club viable and our members happy. You will see some B & K changes in July and August and I encourage and welcome your feedback as we integrate these changes into current Bar & Kitchen operations.

Gary Jobson, who writes the "Jobson Report" for Sailing World magazine had some interesting points in his June 2005 column about making yacht clubs essential. He had some very salient statements about the need to attract and keep younger members as well as making strategic decisions for the long term good of the club. I have tried to take a step back and not simply look at what the B & K needs are presently, but where we, as a Club, want to go into the future. I do not believe any of us want BLYC to be, to quote Gary, "a restaurant with dusty trophies and a water view." Our Club is certainly much more than that. By taking a larger look at where we are and where we need to go

we can focus on all our members' needs. As we approach and celebrate our 100th anniversary, it is vital to look and think outside the box so our Club can grow and thrive with other generations being excited about BLYC.

Spend some time at BLYC, after all, that's where ALL the fun people are!

Terri Gatton

The Antique and Classic Boat Show

Dear fellow BLYC members,

It will be here before you know it, so I wanted to give you all a heads up to some exciting things happening this year with our summer showcase event - The Antique and Classic Boat Show.

Commodore Harris must have been desperate to name me as chairman, but I am very lucky to have some great committee members to work with - Jim Shriner, Tim Maite, Howard Clark Rich Wieber and Keith Eshbaugh. We have worked to make the event truly last three days and this year we have teamed with the Scioto Riverfest to host a Sunday Antique Boat Exhibition Race. Boats like Miss Chrysler Imperial will be here with their drivers on Sunday, actually out on the lake and then on display at the Club. Come for brunch and see the boats!! Of course, prior to that we are having our usual superb display of entries with many already registered to appear. So mark your calendars and plan to be at the Club on Aug 11, 12 and 13 for some truly enjoyable times for the entire family. I'll have further details in the next log and hope to see you there.

House & Grounds

Happy July, Everyone!

Hope you all can come out and join us for the Fourth of July Festivities.

The weather is just right for a day at the pool or boating on the lake.

In the house and grounds department you will notice a new coat of paint on the fencing out back and additional fencing installed on the east side of the Clubhouse. Fritz and Chuck have been working hard to keep the club grounds and pool in tip top shape. Thanks to you both.

Look forward to seeing you,

D. Knaul

The Auxillary

Secretary Ruth Ann Kent

Hello, Everyone. The Auxillary meetings each month just keep getting better. Our June 9th meeting was well attended and everyone had a great time. We had six beautifully decorated tables. Each table's theme was incorporated into the dessert centerpiece. First Place was a tie given to Michele Higgins and the team of Phyllis Flynn and Ann Oliver. Second Place went to the table of Ro Miller. Everyone attending were adorned in lovely hats and the best hat for the evening was also a tie going to Phyllis Flynn and Shirley Kay Sanders. For those of you that were not able to attend you missed a great evening. I believe this will definitely be a meeting that will be on the roster for next year.

Our next meeting will be July 14th around the BLYC pool and it sounds like Gail has a real lively evening planned. Hope you can attend and don't forget to make your reservations. It's nice to see the come back of the Auxillary — let's keep it up.
