### Congratulations to Fritz Schilling and Evan Miller in the 420 Silver Fleet, Who Took Third Place!

#### Jr. Sailing

The 2005 ILYA Junior Bay Week Regatta at Put in Bay is history. All who attended, either as participants, workers or spectators, will have many wonderful memories to cherish for years to come. For our juniors the memories should be ones to treasure.

The weather for Monday's racing was terrible. Winds were blowing between 15 to 20 knots with stronger

Governor Ray Kent

Schilling and Evan Miller were in the 420 Silver Fleet and Austin Miller and Joe Schilling settled into the CFJ Silver Fleet. Wednesday dawned and our teams headed for the courses once again. As the day progressed, I watched them battle for position after position. They pulled the sails in tight and rounded the marks as closely as they were able. With Wednesday in the books the teams found their positions bettered.

We took a well deserved break Wednesday for our traditional picnic. GM Fritz and Chef Troy barbecued ribs and chicken which they served along

with potato salad, baked beans and cookies to over 85 Club members, ILYA guests and other teams. The food was fantastic and the company wonderful. I'd be quite surprised if anyone did not enjoy the evening.

Back to sailing on Thursday morning bright and early, with a couple of good races and then the wind settled. The race committee decided that was enough and the boats were pulled from the water and trailered. As tired as the sailors were, you could feel the anticipation in the air as they waited for the final results to be posted.

When the postings went in the windows our 420 team in the Silver Fleet of Fritz and Evan found themselves in third place with only one point out of second. Brian and Gwen posted a fifth place finish in the CFJ Gold Fleet and Austin and Joe finished in sixth place in the CFJ Silver Fleet. A great showing by our Buckeye Lake Juniors! This is the best our Club has done in many years. This is a young team and I'm sure they will be better next year. All are eligible to return with the exception of Brian. Unfortunately he will be graduating and over the age limit next year. He is an excellent sailor and a fine young man and will be missed by all. As you see these fine young people around the Club please take the time to congratulate them.

I would like to thank my lovely wife, Ruth Ann, for her support and efforts with the picnic. Thanks also go out to Nick and Michele DeSantis, Phil and Carolyn Hardin, Bill and Diane Koman for their help in setting up for the picnic. Thanks to Ed Levinson for supplying shirts for the team. Stone

Parker and Matt Davis worked tirelessly getting the boats in and out of the water each day. Brett Pfahl for pitching in when needed with the Safety Boat. Of course we can't forget Commodore Steve Harris whose undying love for Junior Sailing had him Co-chairing the event this year and who, next year, will be wielding the whip as chairman of Bay Week. Many thanks to Nate Owen for stepping in at very short notice to pick up the coaching duties. He did a wonderful job. Thanks also to all of our wonderful Club members who came up to Put-in-Bay and showed such great support for the team. Next year I would like to see more of you. Last, but certainly not least, thanks to all the parents for your help and support. You made my job much easier.

It was a wonderful week and one the Buckeye Lake Yacht Club can be proud of!

See YOU AT THE CLUB.

## Race & Regatta

We are looking for an engine for the pontoon boat. It is a vital part of our Junior sailing, sail camp, and race and regatta program. Governor Chuck Bender We have been nursing along the Force 2-cycle for the last three or four years. The consensus is that it is not a reliable engine, and needs to be replaced rather than repaired. When an engine goes down during the season, it is usually weeks before anyone can look at it. A reliable safety boat is critical to our program. I don't have the funds in my budget, and Ray does not have funds in Junior sailing. If any member has any suggestions or knows of a reliable used engine, about 35 to 50 hp, please contact us, as we attempt to resolve this problem.

## From the Bridge

### Commodore Steve Harris

July was a very good month for the Club! The weather was cooperative and it was great to see so many members coming out to enjoy the lake and all that our Club has to offer. The month started out with the annual July 4<sup>th</sup> weekend festivities. The pool party with the Paul Clark Band and the fireworks were very well attended.

The week of July 17<sup>th</sup>, our BLYC Junior Sailing Team made the trip to Put-in-Bay for the annual I-LYA Junior Bay Week Regatta. This year we were very well represented by a team of six qualified sailors: Fritz Schilling, Evan Miller, Brian Foley, Gwen Mulvey, Austin Miller, and Joe Schilling. Not only did they sail well but, more importantly, they represented our Club very well. They were polite, good sportsmen and women, and behaved in a manner that reflected very well on our Club and our members. Thanks guys! I would also like to commend Governor Ray Kent and his wife, Ruth Ann, for all of their hard work with the Junior program this year. I know from experience just how stressful and how much behind the scenes effort it takes to coordinate the Junior Team and Bay Week. Ray and Ruth Ann were rock solid and handled the myriad of details and challenges very well. This year at Bay Week, I was

unable to spend much time assisting the BLYC program as I was serving as the Co-Chairman for the event. It was great to know as Commodore that everything was handled well without my direct involvement. The junior racing program and, in particular, Bay Week, would not be possible without the support and work of the junior sailing parents. Thank you parents for your work at Bay Week so that the sailors could have this experience. I would also like to thank Brett Pfahl and Nate Owen for jumping in to help with safety and coaching when we needed you, and Club GM Fritz Reiterman and Chef Troy English for putting together not only the best Club picnic we've had at Bay Week, but also the best of any Club. I received a number of very good compliments from other Clubs and I-LYA officers about the great job you guys did — Thanks!

A number of BLYC members also helped support the regatta itself. On behalf of all the participating I-LYA Clubs and the Regatta Committee, I would like to thank Matt Davis, Stone Parker, Mike Schilling, Bruce Pfahl, Will Price, and Soc Goumas for their help with launching and retrieval. Each day, Matt and his crew would launch 92 boats — usually in under 45 minutes. Thanks are also extended to Tracey Davis for conducting Sunday boat inspections and for her work on the Course B Race Committee; Matt Davis for "Shipshape" boat inspections; and, Commodore George Fisher for his work on the Protest Committee.

If you've been to the Club lately, you've certainly noticed quite a bit of work going on. Both the rear steps to the Clubhouse and the east steps to the front porch are being replaced. Governor Joe Campbell has done an outstanding job in taking charge of this project and moving it forward. The steps should be completed by the Luau. We've also begun a significant dock repair/replacement project at Area 8. As most know, this area suffered significant ice damage this winter. We are replac-

ing the outermost 100+ feet of the pier with new construction to be completed time for the Antique & Classic Boat Show in August.

As we approach the fall, it's once again time to turn our thoughts to Club elections and selecting those who will lead our Club in the coming years. Without the dedicated volunteerism of the Board of Governors, our Club could not continue to function. I can honestly say after nearly seven years that serving on the Board is a very rewarding experience, even with the challenges it presents from time to time. I strongly encourage all members who care about the Club and want to get more involved to consider running for the Board. Please contact a member of the nominations committee: Vice Commodore Mark Russell, P/C Nick De Santis, or P/C Jim McBride; or myself if you would like to discuss running for office.

Although we're now into August and it seems like summer is coming to a close, there's still plenty of activity left in the 2005 season. I hope to see many of you at the Luau, the Antique & Classic Boat Regatta, the Commodore Bob Dye Memorial Poker Run, and the 2<sup>nd</sup> Annual Blue Heron Ball. Come out and enjoy your Club!

See you on the water,

## Entertainment

To all my fellow BLYC members, it's been a sizzling summer so far at the Club. We finished July with Bay Week at Put-in-Bay and I am so proud of our Junior Sailors and all of the volunteers from this Club. It was a fantastic week up there and I am looking forward to next year.

Vice Commodore  
Mark Russell

Our August will be as hot as the weather. The week of the 1st will be our last Junior Sailing Camp for Beginners Class. On Saturday, the 6th, our annual Gustav Schell Junior Regatta is taking place.

The evening of the 6th will be the yearly LUAU and New Member Recognition. Saturday's LUAU will start with cocktails at 6:30 and Chef Troy will have his LUAU buffet starting at 7:00. Our entertainment for the evening will be The MAJESTICS starting off at 8:00 p.m. Make it a point to be there for one of the best outdoor events of the summer. To finish up that weekend, on Sunday, the 7th we have Beck and Ditto for some good afternoon music poolside.

The second weekend in August the 12th, 13th, and 14th is our annual ANTIQUE and CLASSIC BOAT SHOW. You cannot believe the turnout of people and the great display of boats. This year we have two different styles of boats from Saturday to what will be here on Sunday. Check out the details in the log or what is posted around the Club. We will have entertainment with the show on Friday night, Saturday afternoon, Saturday evening and on Sunday afternoon. So come out and enjoy!

As we get into the third week of August, we will have the AUXILIARY STYLE SHOW on Friday evening the 19th. This has turned out to be a great couple's night at the Club. We start out with dinner at 7:00 p.m. and the Style Show at 8:00 p.m. The Auxiliary will have JOHN COLSON for entertainment.

On Saturday, the 20th will be the yearly COMMODORE BOB DYE POKER RUN. Again this year, Steve Romine is putting together a fun afternoon on the lake. See the signup sheets that will be posted at the Club. This year after the poker run, stay around for dinner and enjoy the second night of our booking with JOHN COLSON. Any of the members that have seen John know how funny he is and the great act he puts together with songs and good

dance music.

Sunday, the 21st will be a good day to relax at the pool for poolside music that afternoon with DEAN NEAL again for the members.

On the last Friday of August the 26th, come enjoy the BLUE HERON BALL with the EDDIE POLINA DANCE BAND. See the display ad in this log for all the details on what was a blast last year. If you were not here to see some of the outfits members had on that night, it was great. Of course, Chef Troy has a good menu for all to enjoy. The evening starts at 6:30 p.m. with some appetizers and cocktails. Dinner will be at 7:00 p.m. and Eddie will start his show at 8:00 p.m.

I have to say there is something for everyone in the month of August here at the Club. So come out and let the staff make your time here at BLYC a good one.

See you around the Club,

## Membership

This month the news is all good. The Board approved the membership of Jeff Ferris, Greg Tobias, Robert Fairchild, and Brian Van Winkle. We also have five new applicants who will be approved during our August meeting:

Governor  
Joe Campbell

Linda Hiltbrunner was sponsored by Robert and Marc Yerke. Linda is an IT manager for AEP and she lives in the Bateson Beach area on the Lake.

William Wright and his wife, Jean, were sponsored by Bill Wilson and Tinney McComb. Bill is retired; however, he keeps himself busy with memberships in the Chamber of Commerce for Licking County, Pataskala, and Johnstown.

Daniel Bolger and his wife, Linda, sponsored by Dave and Karen Billman and Steve Romine, live in Lancaster. Dan owns the Bolger Group. He has a pontoon boat and enjoys being on the Lake.

Peter Petratsas and his wife, Amy, were sponsored by Clay and James Graham. Pete is the president of the American Ceramic and Clay Company in Roseville. Peter is a member of the Zanesville Country Club. He will be pleased to discover that the B.L.Y.C. does not have a monthly minimum.

I know that is only four. The fifth application arrived too late for publication this month (and the dog ate my homework).

The next bit of good news involves the long awaited BLYC directory. Our office manager, Cathy, has created a new Club Directory in database form. This will include the name, address, and phone number of every member. This is a printed directory and will be available in August (provided that Cathy's fingers don't fall off from excessive keyboard use).

I've saved the best news for last. We

have arranged to have a leather bound picture directory produced for every member that is willing to have their picture taken. The cost of producing a picture directory is expensive so we have established a simple set of guidelines:

- Every member that has their picture taken will receive the picture directory for free.
- Once the picture is taken you will also receive a free 8x10 portrait.
- If you do not have your picture taken and want a directory the cost will be \$10 per copy.

The \$10 cost might seem excessive but that is what the publisher will charge the Club for every directory above the number of members that took the time to sit for a portrait. Here's how it works. The Club will get one directory and several pages of Club activity pictures for no charge for each member that has a picture taken. For every 25 members that show up for a portrait the Club will receive additional color pages for free. So if 100 members show up for pictures we would receive 100 free directories and 4 free pages of Club photos. If we were to attempt to provide all 500 members with a directory, the cost of the additional 400 directories would be \$4000. Like it or not, one of my duties as membership Governor is to control expenses and the Club cannot afford \$4000 for directories. So please do your part and sit for a portrait. The schedule for pictures follows:

<b>Thursday, Sept. 15</b>	<b>4:00 - 9:00 p.m.</b>
<b>Friday, Sept. 16</b>	<b>4:00 - 9:00 p.m.</b>
<b>Saturday, Sept. 17</b>	<b>10:00 a.m. - 5:00 p.m.</b>
<b>Wednesday, Oct. 12</b>	<b>4:00 - 9:00 p.m.</b>
<b>Thursday, Oct. 13</b>	<b>4:00 - 9:00 p.m.</b>
<b>Friday, Oct. 14</b>	<b>4:00 - 9:00 p.m.</b>
<b>Saturday, Oct. 15</b>	<b>10:00 a.m. - 5:00 p.m.</b>

Sittings every 15 minutes!

*Joe Campbell*

## The Auxiliary

Secretary Ruth Ann Kent

Hello Everyone, Old Mother Nature decided not to cooperate with our July Pool Party, but we didn't let that stop us from moving the party indoors and having a great evening. We would like to thank the young men from our Junior Sailing Team for a great job serving the appetizers and also thank Ditto & Beck for very nice dinner music. Connie Schilling was the hostess for the evening. Thank you, Connie, for the lovely table decorations.

Our August meeting will be our Annual Style Show held on August 19th. with Dinner at 6:00 p.m. and the Style show starting at 7:00 p.m. with entertainment at 8:00 p.m. Jeryne Peterson is the Chairman of the Style show and she has been working hard getting her models all lined up. We will also have our Silent Auction. If you would like to donate any items, bring them to the Club that evening. This is always an enjoyable evening, so bring your spouse or a friend and please don't forget to make your reservations at 929-9941.

Enjoy your summer at the lake.
