FROM THE BRIDGE ☆☆☆

From the Bridge

Commodore Steve Harris

Well, it's hard to believe, but another summer season at the BLYC is quickly drawing to a close and along with it, the 2005 Club year. The kids (and your Commodore) are back in school, thoughts are turning from boating to football, and in just a couple of weeks, we'll be electing those members who will lead our Club for the coming year of 2006.

As I reflect back on the year, I must say that I'm happy with all that our Club has accomplished. Some highlights of this year include: Replacement of the Clubhouse roof; repair and replacement of the steps at the rear and east side of the Club; significant repair and improvement to the Club's rental house properties; By-laws changes that encourage children of members to join the BLYC and make it easier for members

who have left to return to full membership; outstanding sailing by our Junior sailors including a third place finish in the Commodores Series for our Junior Sailors at I-LYA Junior Bay Week — the first sailing trophy our Juniors have brought home from Bay Week in over a decade!; high finishes for BLYC Thistle sailors in National-level events — including a first place in the President's Fleet for Walter Grubb, Brett Pfahl, and Rachel Laskowski at Thistle Nationals; enjoyable Club events, great entertainment, and significant improvements in our Restaurant and Bar operations; and much more. I must commend the entire Board of Governors, Fritz, Troy, Cathy, and the entire BLYC staff, and most importantly our membership on a great year. Together, we were able to work for the betterment of our Club and at least in some part made it a better place. Without the continued effort of *everyone*, working together, our Club would not and could not be the great place that it is.

Although my tenure may be coming to an end, activity at the Club never stops. This coming month offers more fun on and by the lake along with some of the year's most anticipated events. Please take time to join us at the Club for the Labor Day Weekend activity — including the annual Junior Sailing Spaghetti Dinner on the 4th, Candidates Night on the 16th, and of course Club Elections, the Annual Meeting, and the Commodore's Reception on the 18th. Our Club's porch picnic and elections are quite unique. If you've never participated, come out and sample the offerings of those running for the Board,

don't forget to vote, and please join us for the Annual Meeting. It's a wonderful way to meet other members and become more involved in the Club.

In concluding this, my last *Log* article, I wish to thank all of those members who, have supported me over the years and assisted me in my various Club responsibilities on the Board. The list is too long to mention everyone here, but there are a few people I must mention; P/C Jim McBride, my sponsor for the Board; P/C Tim Maite for talking me into running; P/C Nick De Santis for his leadership and inspiration in our Club sailing programs; Mike Evans, Stone Parker, and Tracey Davis for their assistance and guidance in my early years with Junior Sailing; Jim and Jane Baughman; P/C Howard and Rosa Clark for all of their support and guidance; P/C Gus Schell for his advice, example, and encouragement; Don and Sue Harris — the greatest parents that anyone could ever hope for; General Manager Fritz Reiterman; the 2005 BLYC Board of Governors — without whom this year never could have been so productive; Rear Commodore Dan Knaul; and, finally, Vice Commodore Mark Russell for his continued efforts, his leadership with the Board, his gentle reminders keeping me on track, for putting up with me, and most importantly for his friendship. I know that Mark will be a great Commodore and I am looking forward with great anticipation to a wonderful centennial year for the Club.

As we end this year, we look forward to celebrating our centennial and moving into the Club's next 100 years.

The future of the Buckeye Lake Yacht Club is bright! Thank you all once again for the opportunity to serve the Club in this honored position.

See you on the water,

Entertainment

To all my fellow BLYC members, we are in our last month of late summer with fall right around the corner. The last month was hot weather wise, and some of the cooler air is well appreciated for this month.

**Vice Commodore
Mark Russell**

With September here we start off the month with Labor Day Weekend. Saturday, the 3rd will have Junior Sail-offs of the Club's Team for the next sailing season. As we get into the evening, plan for a great night club act. Saturday will be SUPPER CLUB with "MICHAEL SUTHERLAND". We are starting off with cocktails at 6:00 p.m. and dinner will be served at 7:00 p.m. The show will start at 8:00 p.m. and Michael really puts on one of the best Las Vegas acts in our area.

Keep in mind that Sunday, the 4th is packed with fun for all. Our Sunday Sailboat Racing at 2:00 p.m. along with Poolside entertainment with Beck and Ditto from 2:00 p.m. to 5:00 p.m. We top off the day with the JUNIOR SAILING SPAGHETTI DINNER. This yearly dinner put on by the Race Team and sailing parents is a wonderful event that really helps our team grow, so try to be there and support the team. On Labor Day, we will have one of our classic Long Distance Sailboat Races starting at 11:00 p.m. So come out and enjoy the Labor Day weekend.

Friday, the 9th is Poster Night, and the current Board that has to run and

the members that will be running in this year's election will put all their posters up around the Club.

As we get to Saturday, the 10th, I am happy to have a great band back to BLYC for an outstanding evening. With our weather being good in September, we will have another outdoor show with the UNSUNG HEROES. Chad's band will really put on a show for all to enjoy.

Friday, the 16th, is an evening members should attend. CANDIDATE'S NIGHT will be a night to get to know the members that are running for your Board of Governors for BLYC. The night starts off with cocktails at 6:30 p.m. and dinner at 7:00 p.m. All candidates will have a short speech with their sponsor introducing them starting at 8:30 p.m. Make it a point to come out and hear the members who are running for your Board.

Saturday evening, the 17th will be regular dining with Dave Bott on the piano from 7:00 p.m. to 10:00 p.m.

Mark Sunday the 18th down on your calendar. Its ELECTION DAY. We start in the morning from 9:00 a.m. to 1:00 p.m. with the Porch Picnic and Elections. The BLYC Annual Meeting and Auxiliary Meeting start at 2:00 p.m. After the meetings, the COMMODORE'S RECEPTION is scheduled from 4:00 p.m. to 6:00 p.m.

On Friday, the 23rd, the Club is having Top Cat Karaoke back for a fun night with Cathy Cassidy, starting at 8:00 p.m. We will have regular dining for the evening.

Make sure you are here for BLYC JAM on Sunday, the 25th from 3:00 p.m. to 7:00 p.m. This event is put on with the help of Marie Doneff and Howard Everett. Come and enjoy area musicians from the Club and the area for a fun Sunday.

The end of the month will finish up with PAUL RADER for a night of music on Friday, the 30th from 7:00 p.m. to 11:00 p.m. with open dining.

With all the good fun and events

this month, make time to come to your Club and relax and enjoy. So long for now and see you here at BLYC.

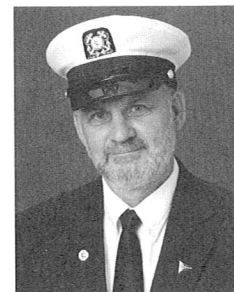

Rentals and Docks

Sorry I missed the last two Logs. I had a family situation the first month and a computer situation last month.

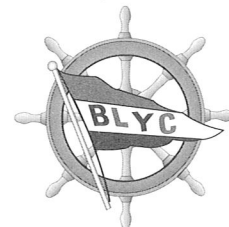

Every thing is back up to speed now. Thank you to everyone who expressed concerns or regrets. It is comforting to know some of you read the LOG. There is finally progress at Area 8. After many months of delay, Phase One; the last 100 ft. that was the portion most severely damaged in last winter's ice storm, is 90% complete. The twisted, patched old structure has been completely removed and a NEW dock is in its place. Amen! Once the boating season is over I hope we can finish replacing the rest of Area 8. Lord knows it needs it. Several members pitched in to help secure existing posts and replace rub boards on the Guest docks that perimeters the island. The guest docks are much stronger now but the entire retaining wall NEEDS TO BE REBUILT in the NEAR future.

How can one person eat an elephant? One bite at a time. We can do this.

Race & Regatta

Who would give up a week's vacation in the middle of summer, drive over 500 miles, pulling a boat thru freeway traffic, and fight heat, weeds, and 40 other boats to compete, at their own expense, for a National Championship? Our 2005 Thistle National Championship team, that's who!!

**Governor
Chuck Bendig**

Walter Grubb Jr., Rachel Laskowski, and Brett Pfahl have put our Club on the 2005 National map with a stunning victory over 40 other boats in the President's Cup National Thistle Championship. The races were at Lavallette Yacht Club, New Jersey, on Bamegat Bay, from July 30 thru August 5.

In four races they finished 3rd, 4th, 2nd, and 6th, for a point score of 15. The second place finish was not even close, with a point score of 24. The National Trophy is on display at the Club.

The quality of competition in the Thistle fleet is always intense, and at the National level, bringing in such a clear win will leave a lasting impression for this team and our Club. This is the second National event this year with an impressive finish for our team.

This victory, combined with the results for our Junior sailing, gives our Club a great 2005 sailing year, the best in recent history. Please congratulate and thank all of our competition sailors, and their families, for their sacrifice and effort.

I have enjoyed my two seasons as Race and Regatta Governor. I want to sincerely thank all the volunteers that made my job so easy and fun, especially Sally and Don Day, Ed Riley, Pam and Russ Green, and Sue and John Watson. Don and Sally are here every Sunday, setting and pulling the marks, running the races, and allowing me to race my boat. Ed does all the stats, and takes

high end video and photos of the Regattas. Pam and Russ are also here every Sunday; Russ has lent me his motor boat since the pontoon took an unscheduled vacation. Sue and John Watson are the organizers for the Snowball regatta. I never could have done this job without all the volunteer effort. I am sure the new Race and Regatta Governor will have an equally pleasant experience, thanks to these and the many other volunteers we have at our Club.

Chuck Bendig

Centennial Committee Report

Dear Fellow Members,
We have had many questions regarding our use of the monies being collected by our Committee. In response, we have proposed several events through the summer. The first event, in late January, would be a registration night for volunteers who will handle several tournaments, accompanied by a complimentary fondue and happy hour bar prices.

There will be six special events as follows:

May 7, 2006 — Picnic on Orchard Island, beginning the season long tournaments of croquet, euchre, bridge and other fun things (like volleyball) all subject to the degree of interest.

June 14, 2006 — Wednesday evening Flag Day Ceremony with a Bang and Go Back exhibition race, featuring beautiful old wooden boats. A buffet dinner will be offered with a member talent show as entertainment.

June 23, 2006 — Cocktail party at the Greater Buckeye Lake Historical Society Museum, dedicating the new showcases donated by BLYC featuring memorabilia from our 100 year history (we are asking for donations of items to be permanently loaned for display)

July 29, 2006 — The Centennial Dress Ball. Come dressed in attire appropriate to the ten decades of our Club's existence. Prizes will be awarded,

an elegant menu will be served with dancing to the music of Eddie Pollina.

August 26, 2006 — Family Day at the Club with old fashioned fun and games, picnic dinner buffet followed by a free ice cream social provided by the Auxiliary. It will be geared for families with face painting, sack races, bean bag toss, etc., with prizes awarded.

September 23, 2006 — The Grand Finale. Gala lunch, Memorial Service and Latex Balloon Release. Tournament Awards Ceremony, cocktails, dinner followed by Meet The Candidates Night.

Through all of these events, historical vignettes will be presented commemorating our 100 year history.

We also need suggestions for a lasting memorial on the Club grounds. Please contact Dwight Joseph with your ideas. This is probably the most important task for our committee. Please help us!!

We have also edited the 1st 50-year history of the BLYC and are currently compiling the second 50 years to unite into one complete 100-year coffee table edition for your home.

We have also developed a new 100-year burgee and a special logo pin, which will be unveiled at a later date and a special events calendar.

Thanks for all your support,
The Centennial Committee

P.S. Please send us your memorabilia and keep those checks coming!!

BLYC Jam Sunday, September 25th 3:00 p.m. - 7:00 p.m.

Sponsored by Marie Doneff and Howard Everitt, come enjoy area musicians from the Club and area musicians from bands like Paul Clark, Eddie Pollina and Joe Laungers "Tone Times". This get together is open to all members. We will have a midday Special Light Fare Menu and our regular menu for evening dining. Come enjoy a lot of talent from around the lake.

The Way We Were

By Comm. Frank H. Foster III
BLYC Historian

What was a "Tar Social"?

- A history mystery solved.

If you read Kyle Armstrong's history of the first 50 years of BLYC (available on the BLYC web site), you will see numerous mentions of a "Tar Social". I have wondered for two decades what a tar social was. Everyone I asked had no idea. I have never attended, or even heard of, an event called a Tar Social, except as they are mentioned in BLYC history. What went on there? What did I miss?

I know what a "Social" is. Personally, I think of cake, ice cream and tea as well as good manners and best behavior. Don't churches and high society hold "socials"? But what were the characteristics that made it "Tar," I doubted the attendees covered anyone with the black, viscous liquid distilled from organic matter that we all know as tar. I once asked Comm. Chris Lambrecht what a Tar Social was. He was able to describe a social event but not even he knew what the "Tar" aspect of it meant. As we approach the celebration of the Centennial of the founding of BLYC, I thought we might want to do again whatever it was they did at a Tar Social.

I searched the internet for the term "Tar Social". The only use of that term in this context that turned up was on the BLYC web site! So I looked at a few dictionaries. I think I have pieced together the answer.

A "palling" is a canvas cover used for covering a hatch or other object on a ship. Tar was used to seal ship hulls and waterproof sails. When tar was applied to a palling, presumably

to make it waterproof, it became a "tar palling". That two-word term got compounded in time to "tarpaulin". Because tarpaulins were associated with ships, the word "tarpaulin" became an informal or slang name for "sailor". That usage got shortened to "tar". So, a tar is a sailor. It's in the dictionary. If you have been around tar, you know how it rubs off to blacken your clothing and your skin. With all that tar on the sails and covers, I suspect sailors had a lot of black tar rubbed off on them. The appearance of a sailor must have made calling him a tar very appropriate.

Now it fits together. A "Tar Social" was a Sailor Social. It seems only natural that a yacht club would hold a Tar Social. More importantly, once I figured out that a Tar Social was a Sailor Social, it wasn't very difficult to figure out what went on there. I've been a sailor and attended many a Sailor Social. I sure hope to attend many more. Sailors know how to hold a Social. No doubt we already have Tar Socials planned for the Centennial celebration. We just haven't called them that yet.

Cut this out and put on your refrigerator!

Joe Campbell, Membership Governor

The Auxiliary

Secretary Ruth Ann Kent

First of all we would like to express a "BIG APOLOGY" to everyone who attended our annual Auxiliary Style Show on Friday evening, August 19th. We are terribly sorry for the delay in dinners being received. How to remedy this situation will be discussed at our next meeting. The weather did cooperate and we were able to hold the style show outdoors. The Chairman this year, Jeryne Peterson did a wonderful job obtaining Macy's at Easton. The clothes varied from casual to evening attire and were modeled by Phyllis Flynn, Ann Oliver, Carolyn Caulder, Judy Thomas, Diane Koman, Carolyn Harden, Jeryne Peterson, Fred Bair, Herb Caulder, Bill Koman, Phil Harden and Ray Kent. The ladies all looked lovely and the men quite handsome. Thank you, models, you did a great job. We would also like to thank everyone who donated items and purchased items for the Silent Auction. With the money we raised, we have been asked to purchase some new lounge chairs for the pool area and also to replace the sofa and chair in the Commodore's Lounge. At our September meeting, we will discuss how to allocate the money raised.

The September meeting is our annual election of Officers. This year the nominations are: Ruth Ann Kent, Vice President, Terry Beck, Secretary, Ro Miller Treasurer. Nominations for President are still open. The nominations are still open and if you have anyone who you would like to nominate, please call Judy Bair at 740-467-2409. Once again this year we will be raffling off your own "Private Parking Space for a Year" tickets for \$5.00 each or 3 for \$10.00, we will also raffle a "Booze Basket" for \$5.00 each or 3 for \$10.00. Take a look at the basket, it's on display in the Fireplace Dining Room. The winners will be announced at the September meeting. If you would like to purchase tickets, ask Fritz the GM or any Auxiliary Officer. We are hoping the doors

between the bar and fireplace room will be installed by our next meeting. They have tried several wood stains to match with our current wood, which caused the delay.

Sue Harris has restocked the Auxiliary Showcase with several new items for the upcoming winter months — it's never too early to think about Christmas gifts.

The annual dues of \$20.00 will be due in September. If you are not a current Auxiliary member, this is a great way to get involved with your Club and meet other Club members. This year has been an enjoyable one. A few of our special meetings were "Antique Road Show," "Theme Tea Party" and "Pool Party." Talk to anyone who attended and you will be sorry you were not involved.

Have a great Labor Day and see you at the Club?

Ruth Ann Kent,
Secretary

Jr. Sailing

Hello, as the summer nears an end, many of us are contemplating our fall transition to warmer climates for the winter months. WAIT! Stop right there. Summer is NOT over and there are many more wonderful days and weeks left to spend at the Club! Please check the entertainment schedule and have a fantastic fall at Buckeye Lake.

With Junior Sailing all but over with, I must congratulate Hallie Harklau on her First Place finish at Mentor Harbor Yacht Club on the 6th of August. Hallie is a fine young lady and a great sailor with a promising future with our Junior program. Great job, Hallie!

Make plans now for the Spaghetti

Governor Ray Kent

Supper and silent auction on the 4th of September. Dinner will be served from 5:00 to 8:00 p.m. If you have a donation for the silent auction please contact me or any junior sailor or parent. You may also bring them to the Club and give them to any of the staff. This is a great fund raiser for our sailing program and we are thankful for all the help we receive.

I would like to express our appreciation to the Auxiliary for their generous donations in the past and for their purchase of a cover for our new 420 earlier this year.

As I finish my year as Junior Training Governor, I would like to thank all who have helped along the way. I started the year with very little knowledge of how the sailing program worked. As the year progressed there were many little squalls and a couple of storms; however, we weathered them all and sailed out of Put-in-Bay with good wind and bright sunshine. Watching the young men and women of the team struggle to master their boats, sail their way into the top echelons of their sport has made all the trials and tribulations well worth while. I wish all the young sailors much success the future.

See YOU at the Club.

Ray

Important Election Dates: Friday, September 16 Candidates' Night

Come out and meet the candidates for the Board of Governors and join us for a night of dinner and fellowship.

Commodores Reception

4:30 p.m. to 6:30 p.m.

The Antique and Classic Boat show

Dear Fellow Members, The Antique and Classic Boat show was another success in a long line of successes, despite soaring heat one day and too much wind the next.

The committee and I thank all who attended and all those who helped. Please patronize our sponsors: Complete Marine Construction, Millersport General Store, Millersport Marina, Sayre Bros. Marina, John Doneff's Island House, Pizza Cottage, The Greater Cincinnati Antique Boat Society, The Cincinnati Boat Connection and De Santis Florists. 41 boats were entered, as well as two stand-alone engines and, of course, Dave Thomas's Bonding Island was also exhibited due to the generosity of Dave Levacy.

We appreciate all who moved their boats from their docks to enable us to show these beautiful boats and thank you for not minding the inconvenience. I must acknowledge all who served on the committee and/or helped: P/c Tim and Martha Maite, P/c Jim and Jane Shriner, P/c Howard and Rosa Clark, Gov. Ray and Ruthann Kent, Gov. Dan Knaul and Terri Gatton, Will and Paula Price, Gov. Phil and Carolyn Harden, Gov. Frank and Rachael Laszkowski, Keith and Debbie Eshbaugh, Dwight Joseph, Rich and Darla Wieber, Zenna Sayre and Bob, Ed Levison, Dave Levacy, Fritz, Troy, and all the staff and of course, my wife, Michelle.

I apologize for the Sunday festivities cancellation due to wind. The committee and I decided to err on the side of safety. When I was Sailing Governor, many a race was cancelled due to lack of wind — first time too much wind cancelled a race for me. Maybe I was the source of the hot air? We also thank the members of the Extreme Boat Club for trying to make it up by running their boats instead.

See you at the Club,

Mike
