## From the Bridge

**Commodore Mark Russell**

To all my fellow BLYC members and their families, I would like to thank you for all your support over the past five years on the Board. As Commodore for our Centennial year at BLYC, I could not be more proud. We are on our way to a 100-year celebration. We will have many additional activities to make it a special memory. We had a great candidate's night before the elections. Thanks again to Gerry Besanceney, serving as master of ceremonies. He was great entertainment along with dinner and speeches. Now that elections have come and gone, we gained a fantastic Board of Governors. They are as follows:

Vice Commodore Ray Kent,  
Bar and Kitchen  
Rear Commodore Joe Campbell,  
House and Grounds

Governor Chuck Bendig,  
Junior Sailing  
Governor Phil Harden,  
Entertainment  
Governor Dave Stewart,  
Publications  
Governor Don Harris,  
Membership  
Governor Don Day,  
Race and Regatta  
Governor Frank Laskowski,  
Docks and Rentals

Working together as a Board and serving our Club and members is the goal of all your elected governors. I am very pleased to be working with all of them. We are committed to keep improving BLYC.

Our Trustees are also committed to help the Board. The Trustees this year are as follows: Senior Trustee, Nick De Santis, Commodore Jim Shriner, Commodore Jim Thompson, Commodore John Geiger, and Commodore Steve Harris. I am looking forward to working with all of them as well.

As you all know, there have been many Commodores that have helped me, advised me, and trusted me to become the Commodore for our Centennial Celebration Year. Also all of the members that have put their faith in me, and I thank all of you. I will continue to achieve for our Club. A BIG thank you for Commodore Steve Harris and Senior Trustee Howard Clark for all they have done for me and the Club this last year. Also, thanks to our manager Fritz, Chef Troy, and all the staff that make our Club function on a daily basis.

October, 2005 - Vol. 15 Issue 9

This Centennial Year is a milestone for BLYC, many clubs and organizations never make 100 years. This Club has a very bright future and I ask all members to enjoy and use your Club to its fullest. I am always available for members to let me know how and what they feel that will make BLYC the best place to come and enjoy yourselves. I am looking forward to the coming year and see you around the Club.

Joe Campbell, Membership Governor

## Membership

It's hard to believe that a year has gone by since I was assigned the duties of membership governor.

This month we welcome Richard Godfrey, Ronald Hupman, Thomas Simkins and George Bosarge as new members.

Richard is an engineer with Owens Corning; he is an avid sailor and belongs to the Sandusky Yacht Club. Richard and his wife Janet were members of the BLYC in 1986 and decided to re-join.

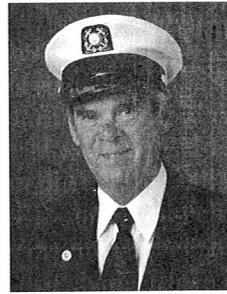

Ronald and his wife Barbara own a Larson cruiser and are docked at Eastport. Ron works for Ohio Insurance Liquidators as an accountant. They were sponsored by Jim Cole.

Thomas and Barbara Simkins are power boaters. They were sponsored by Nick DeSantis. Tom is retired, so we expect to see him at the Club often.

George and Sharon Bosarge were also sponsored by Jim Cole. George is vice president of Premier Graphics Solution, Inc. George wants to purchase a sailboat and Sharon would rather purchase a pontoon boat. I predict a pontoon boat is in their future.

By the time you read this article the picture-taking sessions for the BLYC Directory will almost be over. See the remaining dates elsewhere in this log. Our response has been so good that we will have a make-up session for those members that cannot make it this month. We could not obtain any dates for November so the make-up dates will probably be in March.

This has been an enjoyable year and I think the Board worked hard to accomplish many of our goals. This is an all volunteer Board and we still manage to run the business of the Yacht Club and have fun at the same time. Commodore Steve Harris did a fine job of

**Rear Commodore  
Joe Campbell**

leading the Board during the last 12 months. I look forward to working with Commodore Russell for the next year.

*Joe Campbell*

## Good Neighbor Committee Christmas Party

We will be sponsoring a Buckeye Lake children's party again this year. The date will be December 4th. The time will be immediately following the Christmas party for member's children. Many of you were very generous last year and donated either money or gifts for the less fortunate children of the area. I'd like to get started early this year so that every member can have an opportunity to participate in this heartwarming event. The bulletin board in the bar area will soon have a sign-up sheet for those of you wish to be contacted concerning donating to this annual event.

*Joe Campbell*

## Photographer & Editor

I want to thank Commodore Harris and the entire board for all their support this past year. I enjoyed being the Publications Editor and look forward to my new duties as the Entertainment Governor. I am also looking forward to working with Commodore Mark Russell and the new board of Governors.

See you at the Club!

## The Way We Were

By Comm. Frank H. Foster III  
BLYC Historian

### Why "Gob's Mess"?

- Another history mystery solved.

Commodore Steve Harris suggested that I look into the origin and meaning of "gob's mess". Why would a yacht club name a bar room "gob's mess"? He said "gob" was a term for a sailor.

The sources I saw tell me that the word "gob" originates from the Irish word "gob" which means "beak" or "bill". In British slang it came to mean "mouth". In middle English "gobbe" meant a large morsel of food or a large mouthful. One modern meaning is a large mouthful of food. Another is a large mouthful of something that is chewed and not swallowed, such as tobacco. Now it begins to sound like there some connection to sailors, doesn't it.

The word "mess" means a quantity of food or a group of people who eat together, especially military or naval service people. That sounds familiar. The dictionary says that one meaning of "gob" is a sailor, usually an enlisted man in the U.S. Navy, but the origin of that meaning is unknown. Large mouthfuls of food or tobacco sure sounds to me like a sailor. Anyway, the Commodore is right. But why name a bar "gob's mess" when the food is mainly served in other rooms. Why not "Gob's Bar" or something more imaginative.

Comm. Kyle Armstrong's history provides the answer. The existing clubhouse was built in 1912 and 1913. In speaking of its opening, Comm. Armstrong said "Upon opening of the Club's ninth season, in 1914, its facilities overall were vastly augmented, improved and magnetically attractive to women as well as to men. The new clubhouse was ready for limited use, its utilities finally having been put into some kind of working order. Its large veranda and "ladies' room" scarcely could be denied the women-folk at any time — when on the island with their men-folk. Also, on such occasions, their use of the

big lounge and "gobs' mess" could not well be refused when needed." Today that may sound a little sexist but remember, BLYC was a men's club then. In reference to 1916 Comm. Armstrong said "Meals were served in the "Gob's Mess" upon reservations, and a-la-carte service was available on order." So, it's called "Gob's Mess" because it was the room where members and sometimes female guests ate, all fantasizing themselves as sailors of course.

Comm. Armstrong goes on to say "By the time Comm. Gettrost took the helm, the Gob's mess had been far outgrown as the Club's only mess room. Frequently, there had been overflows into the lounge. So, under apparently favorable conditions and with the enthusiastic leadership of the commodore, the Governors assumed responsibility for adding the present, glazed-in, dining room. Its construction proceeded during the season of '25, evidently without the Buckeye Lake Building Company having been bothered about it." This added dining room is, of course, the room on the West side of the clubhouse now overlooking the pool. The "lounge" is the current fireplace room.

Moving to 1947, Comm. Armstrong reports "During winter, the house committee had asphalt, tile flooring laid in the Ladies' Room and Gobs' Mess, moving the old bar from in front of the kitchen door and rebuilding it in its present location along the north wall." I will have to ask Comm. Gus Schell to tell me about that. He was here then. At that time the North wall was the back of the present bar.

When I joined BLYC in 1976, the bar was in the present location but shorter than the current, extraordinarily beautiful bar that replaced it. Was that the bar from 1947? Tell me Gus! In 1976, the era of the bottle club was just ending. We had obtained a club liquor license. No longer was it necessary to bring your own bottle, mark it and store it in a locker upstairs. I suspect that was an important function of those upstairs lockers. I recall that, when we had to open some of those steel lockers because the members who had them had gone or we didn't know who they belonged to, we found bottles in some of

them. They were put to the good use for which they were intended.

So, it becomes clear. "Gob's Mess" was the place where the sailors ate. They might have had a little to drink, too. May this BLYC tradition continue ad infinitum.

### Jr. Sailing

Hello. This being my last article as Junior Training Governor, I would like express my appreciation to all who assisted me in any way during the past year. You have made the experience much easier and much more enjoyable. As I pass the lines on to Chuck Bendig I would ask that you give him all the support he needs to carry on the traditions of the BLYC Junior Sailing.

A meeting is scheduled for 2:00 p.m. on the fall work day in October. We would ask that all Juniors and parents attend.

Thanks to all who attended the Election Day festivities and voted. I will continue to serve the Club to the best of my abilities, especially during this year of the Centennial. A special thanks to Marque and Phyllis Debenport, Bill and Diane Koman, Phyllis Flynn, Jack Holmes and of course my wonderful wife, Ruth Ann for all their support. Many thanks to Past Commodore Howard Clark for his sponsorship.

Having been given the duties of overseeing the Bar and Kitchen this coming year, I will be listening to members' concerns and suggestions to mold the service into something we all may enjoy. Remember, this is your Club and without your support it will not prosper. Come out and enjoy it!

See YOU at the Club.

Vice Commodore  
Ray Kent

## The Auxiliary

President Ruth Ann Kent

If you have been to the Club recently you have noticed the addition of our new dining room doors. They look wonderful. We would like to thank everyone for their support in making this project possible. We would also like to thank the following people who contributed their time installing, painting and clean-up: Mark Russell, Steve Beck, Bruce Pfahl, Ray Kent, Don Day, Phil Harden, Dan Knaul, Carolyn Harden, Sally Day. At the September meeting it was voted upon to replace the two smaller dining room doors.

The Auxiliary Officers for 2006 are: President Ruth Ann Kent, Vice President Barbara McFall, Secretary Terry Beck, Treasurer Ro Miller.

The winners of our three raffles were:

Membership: Mark Russell

Parking Lot Space for (1) year:  
Victoria Wolfe

Liquor Basket: Terry Beck

Through everyone's help and support this year, the Auxiliary has been able to purchase new rockers for the porch, replace the Ladies bathroom floor, the two dining room doors and purchase a cover for the "420" sail boat for the Junior Sailors. Without the assistance from our members we would not be able to accomplish all these tasks. THANK YOU.

Have a nice Fall everyone and hopefully see you at the Club.

**Please note : At this time, dining  
reservations cannot be accepted

## The Auxiliary

Secretary Terri Beck

Michelle De Santis opened the meeting with thanks for all members' help during her year as president. A big round of applause went out to her for all of her efforts. Michelle proposed that the Auxiliary buy two new sets of doors for the dining room — to match the new doors that were installed in the bar — motioned carried. Ruth Ann took over the meeting and sent volunteer boards around the room for members to sign up for upcoming events. The drawings were held. The results are in Ruth Ann's article. At the close of the meeting, the officers for '06 were introduced to the board and their picture was taken for the log. We look forward to another successful year.

Respectfully submitted,

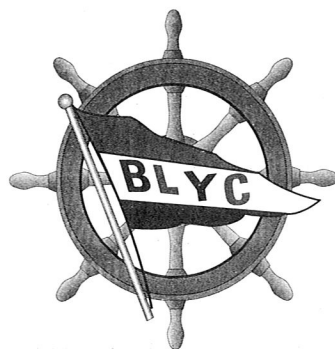

*Terri Beck, Secretary*

## A Note from Michelle De Santis

Dear Auxiliary members and friends, Thanks to all of you who worked on and supported our functions this year. Through all of our efforts we were able to purchase a sailboat cover for the junior sailors, new floors in the ladies restroom, 20 new rockers for the porch, the folding doors in the fireplace room as well new sofas on order for the Commodore's Lounge. Without your support none of this would have been possible.

Please continue to support Ruth Ann and her wonderful board.

With my deep appreciation,  
Michelle De Santis

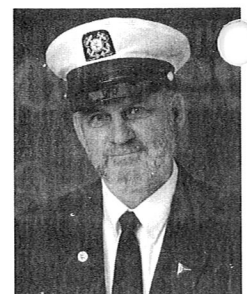

## Rentals and Docks

Thank you to everyone who came out and participated in the elections. The new candidates and the ongoing board filled the porch with good things to eat while dedicated members came to cast their votes. CONGRATULATIONS to the newly elected Board members. The up coming year will be quite exciting to serve as a member of the Board of Governors in this the Buckeye Lake Yacht Club's Centennial year. There are many historic and entertaining events planed through-out the year. I hope that every member will make it a point to be a part of as many of these events as possible.

As your continuing DOCKS and RENTALS Governor, my job goes on. I thank Commodore Mark Russell for his vote of confidence. With the general reorganization, the two rental properties are now in much better shape and the garage roof repaired. I hope to spend most of the time on as much DOCK and BOATYARD repair and renovations as funds will allow. I look forward to the upcoming year with new plans while we fondly reflect on some old BLYC memories. One hundred years worth.

Still Frank

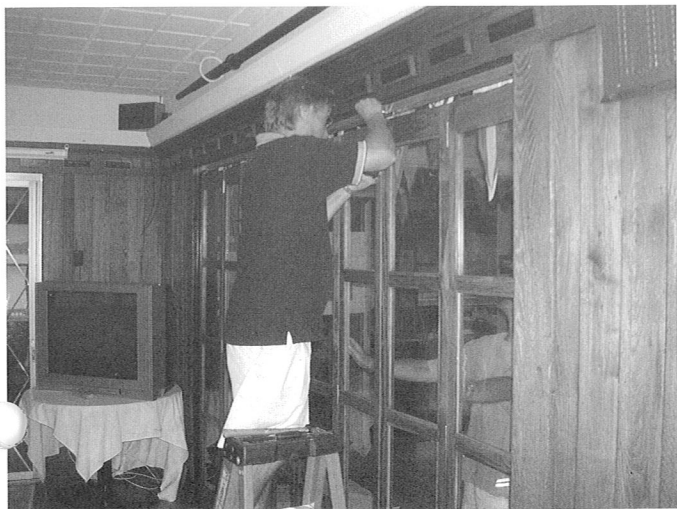

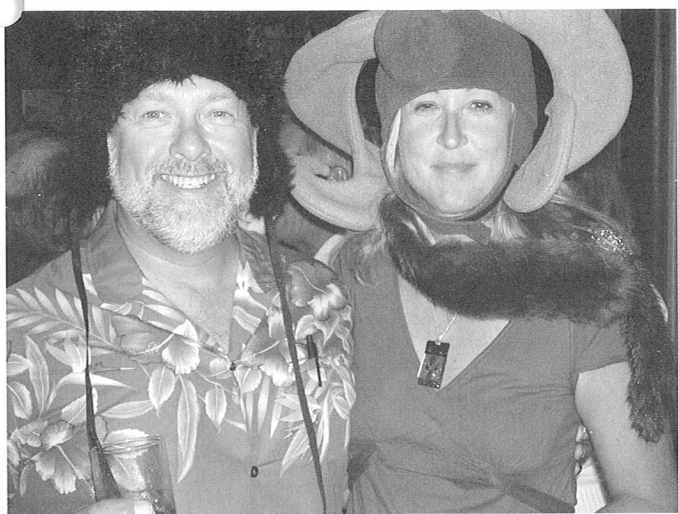

**Governor  
Frank Laskowski**

## Yacht Club Members,

One hundred years of BLYC is about to happen. We are going to publish a book on the history of our Club. Please send us any stories, memoirs or pictures of the BLYC that you may have stored away. The book will take some time and effort to assemble. Please forward to: B.L.Y.C., P.O. Box 867, Buckeye Lake, Ohio 43008

## Race & Regatta

Initially, thanks to all the members for your support in the election. With Mark Russell's excellent leadership, I am confident our Board will have a great year. I look forward to a year as Junior Sailing Governor.

**Governor  
Chuck Bendig**

with a marathon of races, giving Walter Grubb Jr. the Thistle trophy. Bob Snow is our Cruiser fleet champion, after racing in every Sunday Race this season. Rachel Laskowski also raced in every Thistle fleet.

The sail off went forward Sunday September 25, in Flying Scots lent to the champions by our Flying Scot fleet. Congratulations to Walter and his crew. He is truly a national level competitor. I am confident he will continue to gain recognition as a one design sailor.

The Snowball Regatta is set for October 8-9, and don't forget about our final event of the season, a Thistle regatta the weekend of October 22-23.

Sailing in October is either great or icy cold. Hopefully, our Thistle sailors will have a Indian Summer weekend for the end of season race.

Many thanks to Sue and John Watson for their untiring efforts. Ed Riley does a great job on the scoring. He also is making a valiant effort to get our computer up to speed, so we can get the webcam running again. Jim Owen and Will Grace have both been kind enough to offer us the use of their pontoon boats for end-of-season activities. Hopefully, we will have a reliable Club pontoon boat by next season.
