Winter Activities Heat Up At BLYC

From the Bridge

To all my fellow BLYC members, here we are facing February and knowing it's not too much longer until the weather starts to break. This is a good month to get yourself ready for our 2006 boating season at BLYC. If you are like me you have to get some of that maintenance and repairs taken care of, or like others, you may need to take in a boat show or two to pass the winter.

There have been several Sailing Clinics from Governor Chuck Bendig for our Junior Sailing Program. As the late December meeting was finishing up, Howard and Rosa Clark gave a short update to the team, parents and a couple of members present on the scholarship fund started a couple of years ago by them for college-bound Junior Sailors. After the updates Howard and Rosa presented another generous donation toward the Commodore Howard F. Clark Scholarship Fund. The program is a real benefit for our Junior Sailors, THANK YOU Howard and Rosa. For any questions on this tax-deductible fund, please feel free to ask your Board of Governors or myself.

On December 22, we lost a very esteemed member in Commodore Chris

Commodore Mark Russell

J. Lambrecht. Chris was a long-time sailor here at BLYC and a respected member. His funeral service on December 27 was attended by 17 fellow Commodores and also Governors along with family and friends. A celebration of life luncheon at the Club was held afterward, hosted by Margene. Chris also had asked in his remembrance that any donations be made to Junior Sailing, which he loved along with this Club.

In this month of February we have great fun planned on the lake. Enjoy your Club for some or all of the enter-

tainment lined up by Governor Phil Harden. I am looking forward to dancing with my wife Chris at this year's Sweetheart Dance, and also seeing what Chef Troy has up his sleeve for Watkins Island Seafood Night this time. See Phil's article for all the details of the month.

From one of our recent events, I want to thank all the members that came out for Fondue Night to help with recruitment of volunteers to help in Centennial events this coming May 6 through September 30. For all Centennial Sponsors that are scheduled to receive items like Pins, the Picture Calendar or the new Burgee, they are available to pick up in the office at the Club. We also have all of these items for sale in the Auxiliary Case. Thanks again for all the support the Club is receiving for our big 100th-year celebration!

With my Commodore year in full swing, I have had members meet with me with helpful ideas on the daily and long-term needs that keep this Club growing. It is always good to have input to improve upon from the membership.

It is your Club, come out and enjoy! See you around the Club.

Work Continues To Improve Your Club

House & Grounds

Now that the Holidays are over, it is a good time to take a look at what we would like to accomplish before warm weather sets in. The garages at the entrance to the main parking lot are in need of 10 new doors. The existing doors are wooden and as a result of age they are warped. If you own a garage door business or have an associate that would like to bid on this job, please contact me on the www.buckeyelakeyc.com web page or call directly at 740-687-0634. I have three bids so far and they are all too expensive.

Speaking of the garages, I would also like to replace the plywood above the doors with vinyl siding. The deal is the same as the doors. If you are interested in bidding, please contact me ASAP.

The proposed boat rack and storage facility in the Eastport boat yard is one step closer to being completed. I

**Rear Commodore
Joe Campbell**

was able to arrange for the same company that is tearing down the old white building in front of Eastport to use their grading equipment and level the boat yard in front of the concrete wall. By next season, the one design boats should have a home up on the concrete boardwalk.

Please use the winter months to enjoy your Club. We have plenty of firewood and comfortable chairs to help you pass away the winter nights. See you at the Club.

New Main Dining Menu Offered

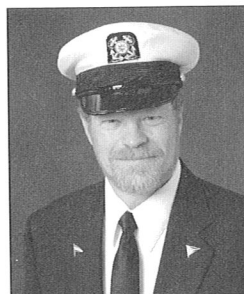

Bar and Kitchen

With the holidays behind us and the month of January over it is time to start thinking about the remainder of 2006. This being the Centennial year for the BLYC there are many special functions planned for our enjoyment. With those functions will be special menus. Please plan to take advantage of all YOUR CLUB has to offer this year!

A new main dining menu is in place, along with a bar menu and spe-

cial dinners for Wednesday and Thursday evenings. These are not set in stone and are subject to change as we continue to monitor what moves and what does not. All comments and suggestions are welcome.

We tried a new approach to the

Ray Kent**

bowl game season with a wide screen TV and a special menu. Attendance was not what I expected, however. The Super Bowl is yet to come and all are welcome to come and enjoy the game and refreshments.

Remember, it is YOUR CLUB, come out and enjoy it!

See YOU at the CLUB.

Hot Winter Nights On Tap

Entertainment

Winter has settled in at the Lake. The days may be a little dreary but it's time to get out of the house and get rid of those winter blahs! Come out to the Club and enjoy the fireplace and camaraderie – both are warm. Here's what we have on tap for you this month:

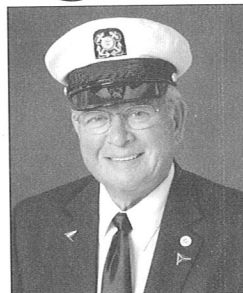

February 4 will be a celebration of the '80's. Dan Knaul has been working hard to make this a fun evening. Cathy Cassidy of Top Cat Karaoke fame will be there to assist Dan with the music.

February 11 is the annual Sweetheart Dance. Cocktails at 6 p.m. with dining from 7- 8:30 p.m. Chef Troy will have a feature menu with something for everyone. Dancing and

entertainment with the 4 Mints begins at 8 p.m. Bring your sweetheart and join your friends for this always enjoyable event.

February 17 will be a Top Cat Karaoke evening. If you haven't been to a karaoke night, you've missed a lot of fun. You too could be a star for a night!

February 25 will feature Watkins Island Seafood Night. Chef Troy puts together a great menu with delicious delights from the sea. Dining is from

**Governor
Phil Harden**

5-9 p.m. As with all the events, reservations are appreciated (and are required a week in advance if you would like to have a lobster — see Page 6). Dr. Dan will be here from 7-10 p.m for your listening and dancing pleasure. Dr. Dan has played all over the world and we're glad to have him back with us.

In closing, I'd like to thank Fritz and the staff and Commodore Thompson for their help with the New Year's Eve decorations.

Don't forget trap shooting on Sunday afternoons.

See you at the Club!

Revised PHRF Ratings Posted

Race and Regatta

I mentioned in the January Log that we would be reviewing the Performance Handicap Racing Fleet (PHRF) ratings for the upcoming sailing season. I first had a meeting with Ed Riley and Stone Parker to review all of last season's records and results. We also went over the previous season's PHRF's; and we arrived at some preliminary ratings.

Governor Don Day

I then had a meeting with Steve Harris and Stone Parker to review these ratings and make any changes that may have been needed. After these two meetings, I eliminated all decimal point ratings and went with whole numbers, only. With that in mind, what follows are the "official" BLYC PHRF ratings for cruisers for the 2006 Lambrecht Cup races. (I've also listed the ratings and multipliers for the 2005 and 2004 seasons as well.) See *Chart to the right*.

How about those Buckeyes?! Sally and I were among many who watched the game at the Club. It was really a great atmosphere to watch the game; and, it was almost as good as being there (almost). I know we all are not Buckeye fans; so, I hope your team did not disappoint you during the bowl season.

Don't forget to check your calendar for upcoming events at the Club. See you there.

Junior Sailing Welcomes A New Coach/Instructor

Junior Sailing

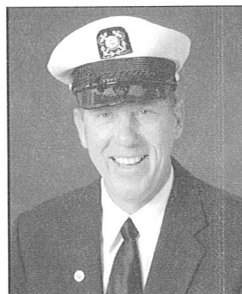

Ben France

Ben France has agreed to work this summer as both our sailing coach, and as our sailing instructor. Ben is a freshman at Christopher Newport University in Newport News, Va. He races collegiate in the 420's and FJ's. He ran the sailing program at Leather Lips Yacht Club for several years. His father, Bob France, is a nationally-recognized Thistle skipper and Ben grew up crewing in a sailboat.

Ben will bring a new and exciting dimension to our entire sailing program. His skill will not only benefit our junior sailors, but will enhance our entire one design program on the lake.

More good news. We are the hosts for the July 1, 2006 Traveler Series junior races. This is a prestigious race with teams arriving from all over the Mid-

Governor
Chuck Bendig

west. We will have three race courses, with a full day of racing all one design junior classes. This will be an exciting day of competitive one design racing here at Buckeye Lake.

We need to raise enough money to pay the tab for our upgrades. Don't forget about our flower sale this spring (details will be published in a future edition of the Log). I am looking forward to a great season of racing and training. These new opportunities will enhance the fun we are going to have this season.

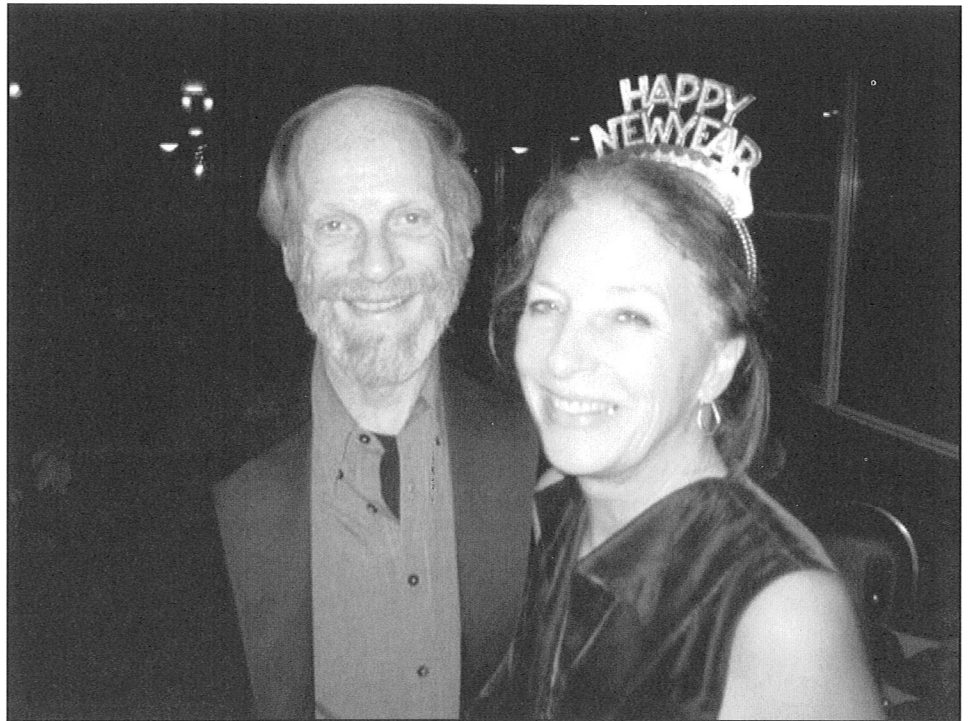

Chuck Bendig

A Great Start To Our Centennial Year!

Happy New Year

BLYC welcomed in 2006 with a joyous New Year's Eve celebration. Revelers enjoyed great food, fun music and wonderful fellowship to start the new year off with a bang - as these photos clearly show.

Ronald and Barbara Huppman enjoy the sounds of the Paul Clark Band.

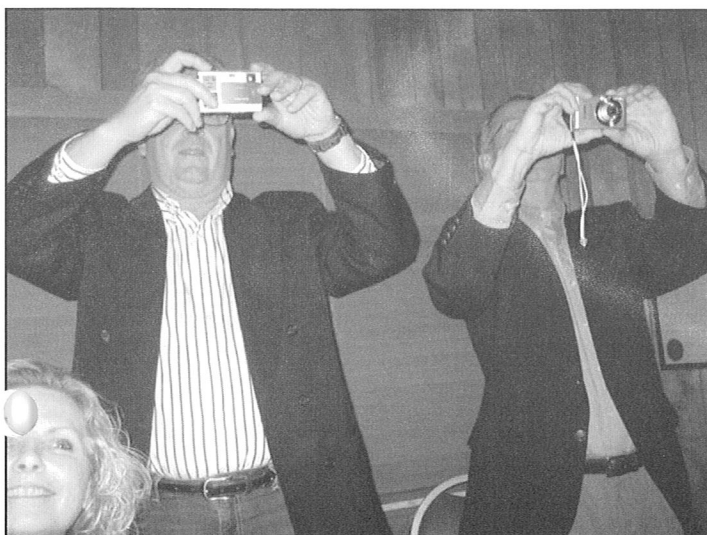

Will and Paula Price have a late-night bite.

Terri Beck has the beat.

Mimi and Commodore John Geiger are all smiles.

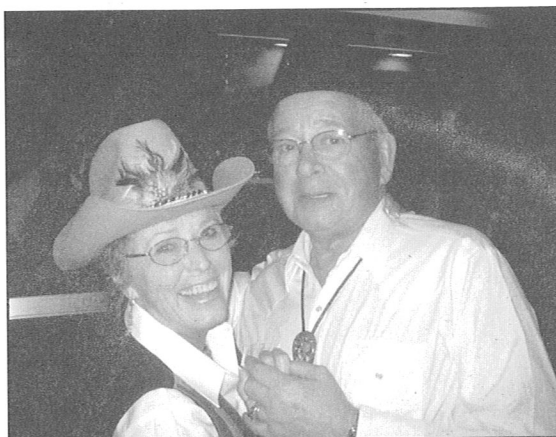

Stu Brooks and Rick Graff have their cameras aimed ...

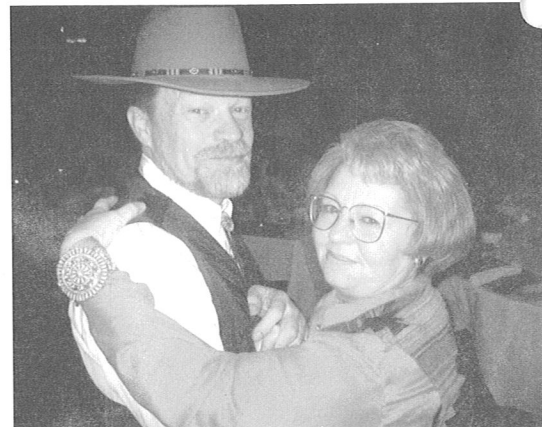

as this festive group welcomes the arrival of 2006!

BLYC Cowpokes Enjoy Western Night

BLYC members came a-ridin' into town in mid-January for a rootin' tootin' good time during Western Night. These urban cowboys and cowgirls did the Buckeye Lake two-step to tunes provided by Unsung Heroes. Yee-haw!

Caroline and Governor Phil Harden rounded up the posse to make Western Night possible.

Governor Ray Kent and Ruth Ann take a spin around the dance hall.

Bill and Diane Koman enjoyed the authentic western viddles from the kitchen.

Commodore Mark Russell and Zenna Sayre show their boot-scootin' expertise.

Commodore Lambrecht Left Strong Legacy

We were saddened at the passing of Commodore Chris Lambrecht in December. Chris was a dear friend to many members, and he was instrumental in helping make our Club the wonderful place it is today.

He was Commodore in 1939, before heading overseas to serve his country in Africa, Sicily and Europe during World War II. He started the local Power Squadron and Coast Guard Auxiliary. He was also a big supporter of the BLYC Junior Sailing Program.

Chris shared some memories of his early years at BLYC with our Cen-

tennial Committee. Here are a few of his comments: "I joined BLYC in 1922 as a Junior Member. I became a Senior Member in 1924. In our time, you had to be a member for 10 years, before you

could be a Governor. So you had to prove yourself, by being on a committee, or as a chairman. In 1939, as Commodore, our administration performed many duties."

Thank you Commodore, for a lifetime of dedication to our Club. You will certainly be missed. And the Club would like to extend our deepest sympathies to Chris' wife, Margene. The Lambrecht family has asked that if you would like to make a donation in Chris' memory, please make it to the Junior Sailing program at BLYC, as this was a passion of his.

Member Notes

Centennial Volunteers Still Needed

Thanks to all members who attended our Fondue Night in late January and volunteered to serve on various committees for our upcoming Centennial celebration. We have some fun activities coming up this season and your assistance is vital to making this the celebration of the century!

Volunteers are still being accepted. Please contact Commodore Mark Russell or any member of the Centennial Committee for more information.

Also, as we mentioned last month, please note that all our Centennial activities are open to ALL members. Many members have supported our Centennial celebration by being among the sponsors listed on Page 5 — thank you very much! — but the actual events that take place from this spring through September will be available to all members. Watch for more updates in the Log.

A Thank You From Krissy Pfahl

Please extend my sincere thanks to those member who have helped our family at this most difficult time in our lives. Knowing that we have such loving, caring and generous friends has helped us get through each day.

Thank you for all that has been done.

Krissy Pfahl

Special Thanks To BLYC Gun Club

The Centennial Committee would like to thank members of the BLYC Gun Club for the generous donation of \$500 in support of our 100th-Year Anniversary festivities. Will Price presented the check to the committee in January.

Thanks For A Wonderful Dinner

We wanted to take a moment to thank you very much for a wonderful dinner on December 14. Your staff was incredibly courteous and very attentive. Everyone enjoyed the food and the dessert was great!

Thank you again for making our party an enjoyable one.

Scott McClintock
