May Kicks Off An Exciting Summer Season

From the Bridge

To all my fellow BLYC Members,
As we slip nicely from April to May, the real feeling of summer coming can be felt. The Clubhouse and Watkins Island are looking so good for our 100th year celebrations in store for all of us to enjoy.

Having finished April with some great activities such as our Annual Easter Dinner and Easter Egg Hunt for the children, putting the Club together with Spring Work Day and hosting a two-day annual Thistle Regatta really gets you in the mood.

May will be the start of all the events added in our calendar to celebrate the BLYC Centennial. I hope that the weather will be kind for our May 6, Kick Off. The day starts off with the Dedication Ceremony and Historical Vignette on Orchard Island. BLYC had the very first meeting at this very place in its formation year, and we will be back. Plus, after the noon ceremony, back on Watkins Island there is a fantastic day planned, starting with a BBQ picnic at 1 p.m. Check out the day from the posters around the Club, the layout in this Log or check out all of the Events on our club web site – www.buckeyelakeyc.com – hosted by Commodore Steve Harris.

The Kick Off on May 6 is the first of six Centennial Events for all our Members to enjoy this season. Please plan on attending and celebrate this milestone with us.

The Semi-Annual Meeting of the Club will be held on Sunday, May 7, at

Commodore Mark Russell

2 p.m., in the Clubhouse for all BLYC Members to attend. Your Board of Governors and Committees give their reports to Membership. The agenda for your Semi-Annual Meeting is featured on Page 13 of this edition of the Log.

As we get to the middle of the month, Chef Troy will have a classic Mother's Day Buffet for everyone to enjoy. So bring the family out, enjoy a good time and great food and leave the clean-up to us.

The third Saturday of May is the 20th, when BLYC hosts its annual Commodores' Ball. The evening is put together by Vice Commodore Ray Kent to honor all of the Club's Commodores, as well as all Members that would like to attend. Please call to make your reservations and join us for an evening of fine dining and great music.

With the last weekend of May always being the Memorial Day weekend, the Club has a full slate of activities to enjoy. Saturday, May 27, we will host the "Blessing of the Fleet." Father Michael Gribble will perform the ceremony at 2 p.m. for all of the Member's boats again this year to start our boating season off. Let's plan on meeting on the porch beforehand. We will have the "Blessing of the Fleet" off Watkins Island for all that wish to attend.

The whole Memorial Day weekend has great adult and family fun planned. Members can enjoy the Supper Club with Michael Sutherland, poolside entertainment, sailboat racing with one-design and cruiser yachts, our annual Porch Picnic and more. Take time to read Governor Harden's column on Page 4 and all the updates in this issue of the Log. As we get into the season, please remember it is very important that RESERVATIONS be made to help our staff ensure your dining experience here at BLYC remains great.

In closing this May column, I would really like to thank my Board for working so well the last month when I was not around too much. When you have to do things in life as they come up, it's a good feeling to be working with good people like this Club has on its Board.

I look forward to seeing all our Members around the Club, and celebrating our 100th year of good fellowship!

House And Grounds In Ship Shape To Start Season

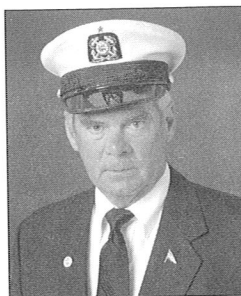

House & Grounds

Things are beginning to come together around the Club as the season approaches. The stone pillars in front of the entrance to our parking lot have been rebuilt. The original design used wood to support the top of the pillars and over time the weather destroyed the wood and the concrete began to fail. The flower beds are ready to be planted and all of the old landscaping has been removed. Our garage units are sporting 10 new steel doors.

The biggest project on our agenda for this year is the replacement of the steel seawall that surrounds the docks and walkways on the island. The existing seawall has rusted to the point that it will fail. No one knows when, but it will fail.

Three different contractors have looked at the project and they are preparing bids for the Board to examine. I can't mention costs in this article because the project is still in the bidding process. But it is safe to say that it will be expensive. When you consider that we haven't spent any money on the seawall for over 30 years, it's easy to see why the time has come to completely replace it.

The contractors have suggested waiting until our boating season is finished prior to starting the seawall

**Rear Commodore
Joe Campbell**

replacement. The biggest factor in the timing of the project is the need to remove all of the docks that are currently attached to the old seawall. Once the new seawall is in place we will begin constructing new docks. The new docks will be of the same general design as Eastport. There will be a walkway between slips that will be shared by boats on either side of the walkway.

There are many details to work out over the next months but we are committed to the completion of this major project.

Come out and enjoy your Club.

Buckeye Lake Has Plenty Of Water For Sailing

Race and Regatta

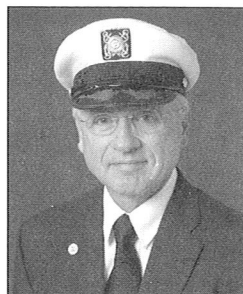

I don't know if you read the "Emergency Repairs Needed" article in the *Buckeye Lake Beacon*; but, I was really concerned until I realized it had to be their annual "April Fools" edition. I have to admit that they "got" me again this year. Can you imagine not being at "full pool" until Labor Day? It would have been a quiet summer on the lake. I even feared that we probably would not be able to have our Sunday sailing races. That's when I began to think more clearly.

We've had our "Spring Work Day" and the Club is ready for summer. The pool and patio furniture is in place. The "band" tent is up and the pool umbrella is uncovered and ready for use. The pool should also be in the process

of being made ready for use. The bubblers are out of the water and the junior sailing equipment out of storage. The Club pontoon has been launched and should be ready for the upcoming season.

We were scheduled to host a Thistle Regatta on April 29 and 30. I will have a full report for the next Log.

Our first "Centennial Celebration" event is scheduled for Saturday, May 6. We will have sail boat races at 3 p.m. We will be awarding two trophies (one for cruisers and one for one-design class). Check your BLYC calendar for

Governor Don Day

more information.

We will begin our annual Lam-brecht Cup races on Sunday, May 21, at approximately 2 p.m. (I say approximately 2 p.m. because of first-day paperwork requirements).

Memorial Day, May 29, we will run the Commodore Edward C. Metzger Long Distance Race. Start time will be at 11 a.m.

That's all the information I have for now. I will begin showing race results in the next Log article. So, until then, get your boats on the water and get ready to enjoy the boating season.

Junior Sailing Hits Full Speed In May

Junior Sailing

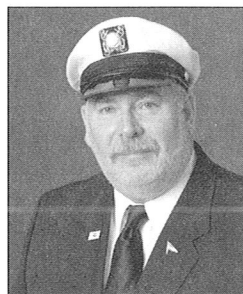

We are off to a terrific start to our Junior Sailing Season.

Bay Week Junior Chairman, Steve Harris and I recently attended the Spring I-LYA Meeting in Sandusky. The meeting was informative and allowed me to meet many Junior Sailing enthusiasts from around the region. Steve presented his plan and registration packet for Junior Bay Week, July 16-20.

The Traveler Series will kick-off the season with an Icebreaker, May 20 that will include a sailing clinic here at the BLYC. It offers an excellent opportunity to meet our new coach, Ben France and the BLYC Sailing Team. This is an "on the water" clinic for all clubs participating in the series.

We have purchased a Boston Whaler to be used for the Junior Sailing program and it will be available for Regattas at the BLYC. The race team put it to the test when they moved the boats from storage at the Club to the Junior Sailing area at Eastport. Great Midwest Yacht Company has completed repairs to Thistle #3716. Please contact Thistle Fleet Captain, Rachel Laskowski or me if you have an interest in sailing this fine boat.

For those of you who ordered flowers, they will be available for pick-up

Governor Will Price

the morning of Saturday, May 13, at the Club. Thank you for your support. If you missed the flower sale, we will be more than happy to accept your donation to the program. Check your Log Calendar for other fund raising events!

Thank you to George Fisher for the well attended Sailing Seminar last month. We look forward to hearing from George again.

We have five weeks of Sailing Camp this summer. Don't forget to sign up your kids and grandkids for a fun-filled instructional camp. Applications are available on the website at www.buckeyelakeyc.com or at the Club.

Pleasant Evenings Beckon At BLYC

Bar and Kitchen

The lake is almost to full pool and the weather is quite nice. It is time to start enjoying the lake.

One of the nicest ways to do that is to come to the Club and get together with friends and family on the porch. A lovely evening having dinner and drinks watching the water is a great way to spend an evening.

Please remember that this is our Centennial year and the Club has a myriad of functions for your pleasure and entertainment this summer.

**Vice Commodore
Ray Kent**

We are also looking for volunteers for a number of the events. Please see one of the Centennial Committee if you are interested in helping.

See YOU at the Club.

Reserve A Piece Of BLYC History

Club Member Tony Lisska, with the help of many fellow Members, has been working diligently on a book that will celebrate our Club's Centennial year - "An Illustrated History of Buckeye Lake Yacht Club." The book will be a leatherette-bound hardback with a complete overview of 100 years at BLYC. It will include many photos, both historical and current. It will be fabulous keepsake and a wonderful addition to your coffee table.

Photos for the book will be taken during events of this year and many will also be included. Therefore, it will be offered after the September 30 event. Although we do not have a final price yet, we are asking you to reserve your copy by filling out the form to the right.

New Members Welcomed Into BLYC Family Membership

The membership applications of Chris Reynolds and of Chuck Haire were voted and approved at the April meeting of the Board of Governors. Congratulations to both, and welcome to BLYC!

The following applications were received and read for the first time and posted on the Club bulletin board:

- Becky Miller is manager of Cherry Valley Lodge, and is well known to many at the club for her work with junior sailing and the junior sailing flower sale. Her children Austin and Avery are active in the junior sailing program.

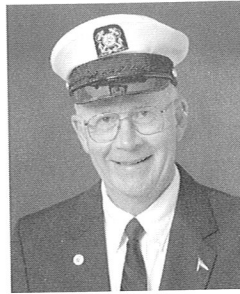

- Patty Diamond, also known to many members, has been a guest shooter at the gun club on Sundays. She has been quite competitive, with her scores improving throughout the season. She lives at Lieb's Island, and is active in

several community organizations.

- Joe Hepsworth is an internationally known competitive shooter, and is the owner of the J. Cunard & Co. gun store in Newark. He and his wife Janet are both eager to become active members of BLYC.

- Larry Thorp lives in Newark, and works in guided missile technology at Boeing. He and his wife Joyce are former students of Commodore Shriner at Lakewood, and Larry and Commodore Geiger were teammates on the Lakewood football team.

- Randy Coconis is the president of

**Governor
Don Harris**

Coconis Furniture Company in Zanesville. He is an active boater, and is also involved in several community oriented activities, including the Red Cross and the Muskingum County Community Foundation.

In other news, the proposed by-law change was approved, expanding the opportunities for BLYC membership. A few changes were made as a result of discussion among the Board of Governors, but the essence of the proposal as published in last month's Log was adopted. Exact wording is published below, and is also available on the BLYC website.

Lastly, the long awaited new club directory has been completed, and is currently at the printers. Hopefully, it will be available to the membership by time of the Centennial kick-off.

Share Your BLYC Experiences In The Log Publications

At the request of the Centennial Committee, it has been my pleasure to be part of the editing loop for the 100th year anniversary book - "An Illustrated History Of The Buckeye Lake Yacht Club" by Tony Lisska. The book will be available this fall after our Centennial activities have concluded so they can be part of the contents. But after having an advance peek, I can tell you it is something you will want to have as a keepsake from our Club and its Centennial celebration.

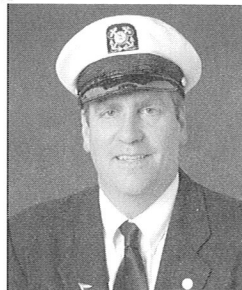

As I have read through the book, what strikes me is how the history of our Club is a compilation of experiences from the past 10 decades. Commodores come and go, Governors come and go, Members come and go, but all of them contribute to the history of our Club and its rich heritage through their participation. Whether it is the founding group of forward-thinking sailors who held their first meeting on Orchard Island in 1906, or the Club Trustees in 1978 who decided it was time to install a pool on the west side of the island, or the new members Governor Don Harris

is introducing in this issue of the Log, all of our lives are enriched by the experiences we have at our Club.

One of my goals as Publications Governor is to capture those experiences as they happen and share them with you in these pages. Every time you visit the Club, you leave with a story to tell. Or you hear a story about the history of our Club that would probably be of interest to fellow Members. A good example is the letter you will find from Keith Compton - a member of our Club since 1947 - on Page 13. Thanks Keith!

I'll bet many of you have some items of interest to share too, so send me a letter, drop me an email or give me a call and let's put it in the Log. It's history in the making!

Switching gears, I again would like to point out that you now have another opportunity for sharing information

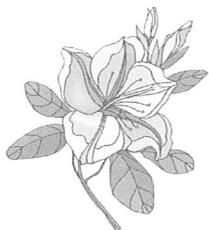

**Governor
Dave Stewart**

with fellow Members in the Log — an advertisement for your business. On Page 11 or go to the BLYC website — www.buckeyelakeyc.com you will see this month's Member ads. I would like to thank those Members who are utilizing the Log to promote their businesses, and supporting our publications budget at the same time. Getting your ad in print is now even easier, just see the form on Page 11.

A few notes regarding Log ads: 1. We can scan your business card, or you need to send a PDF copy of the ad via email; 2. Payment for advertising is required before you ad is published. I will be happy to go over the technical details with you.

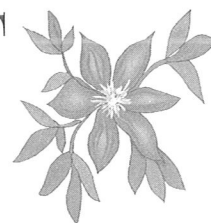

As the warm weather brings us all out to the Club more often, I look forward to seeing you and hearing your suggestions for improving the Log. This summer we will be enjoying experiences that they will write about in the 200th anniversary book, so come on out, have a great time and make some history.

Centennial Event #2 Provides Opportunity To Strut Your Stuff!

Rally round the flag and join your fellow Members for a rousing good time on Flag Day, **Wednesday, June 14**, as BLYC hosts Centennial Event #2.

The evening begins with cocktails on the porch with a great view of antique and classic boats in an old fashioned Bang N' Go Back Race from our early years. You've seen pictures in old boating magazines and on our Club walls, and now's your chance to see one in person! Afterwards, enjoy a great buffet with carved top round, baked chicken, redskin potatoes and veggies, finished with a bang up red-white-and-blueberry dessert! All for only \$15.00, tax and tip included!!

After a brief historical vignette from the years 1926-1946, you have the opportunity to join in our own Club Family Talent Show. Whether it's a karaoke singalong or your own aria from your high school play, join your fellow members like Denise Brooks singing her heart out.

Or try to beat Steve Harris or John Sproat in the battle of the drums!

Or croon with Linda Wing and Jack Holmes in your own serenade to your Club!

The possibilities are as endless as the talents of the Members of this Club. Call Dwight Joseph to get your stage time at 929-2701. It's a golden opportunity to enjoy your moment in the spotlight, and have a whole lot of fun too.

And away we'll go! How sweet it is!

Auxiliary Springs Into Action!

Auxiliary

President Ruth Ann Kent called the meeting to order. The minutes of the December meeting were distributed, read and approved by Darlene Peters and seconded by Carol Donnelly. Ro Miller read the treasurer's report and it was approved as read. Ruth Ann called on Carolyn Harden to update us on Committee Reports. Carolyn noted that the "Booze Basket" will again be raffled off. There will be 500 tickets available at \$2 per ticket, and the winner's name will be drawn at the Commodore's Steak Fry on June 10.

A discussion was held regarding upcoming Centennial events. Centennial items are available in the showcase. Michelle DeSantis reported that Saturday, May 6, is the "kick off" day with a BBQ at Orchard Island. July 15 is the Centennial Ball, and Michelle reminded everyone who wants to attend to make reservations as soon as possible. July 9 the auxiliary will donate "home-made" desserts at the Commodore's Pig Roast, to be auctioned off at the end of

the dinner. August 26 is the Family Fun Day and any one willing to volunteer for special events to be held should get in touch with any member of the Centennial Committee.

Judy Thomas will be chairing the style show on July 29. This year fall fashions will be featured from Christopher & Banks at the Indian Mound Mall. Judy passed out flyers for members to sign up for modeling – Ruth Ann also noted that "Vintage Clothing" will also be featured.

Another reminder – the June 8 meeting will be the second annual "Top Table Night."

Sign up sheets were distributed – and each table will have a theme built around their center piece dessert, which will all be shared at the end of the dinner. Don't miss it!

Under new business, Paula Price gave a presentation to members regarding the landscaping concept that she and Wilson's Landscaping from Newark had devised. The vision is quite extensive and will feature new trees, shrubs, planted pots and over 600 annuals.

Members will be asked to help install the new plantings.

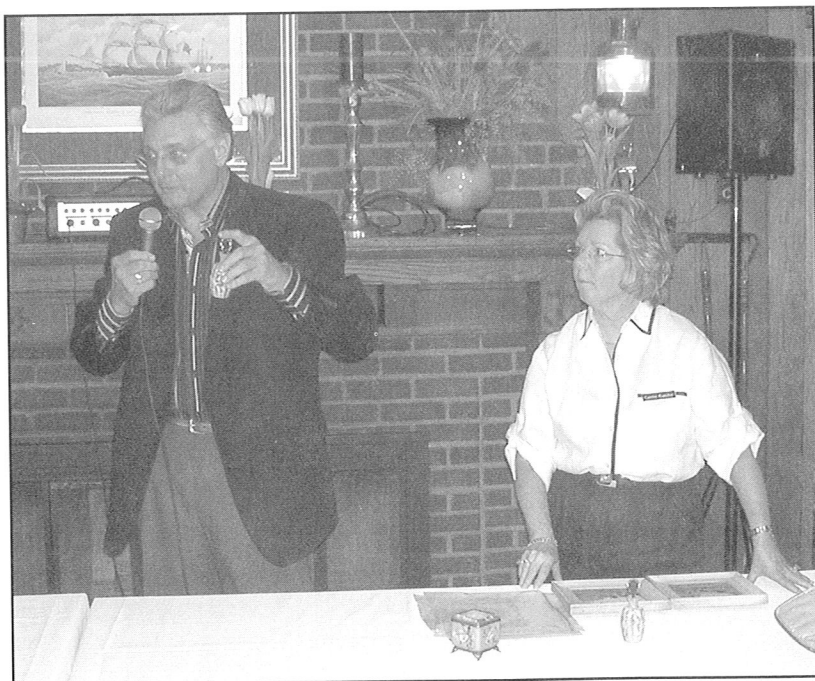

Michelle DeSantis motioned that the auxiliary donate \$5,000 to the project and it was seconded by Diane Koman. A discussion was held regarding the treasury and showcase accounts be placed in one account. It was decided that to avoid confusion, these accounts will be supervised by Ro Miller.

After a wonderful dinner and dessert, Rick and Connie Rueckles lent us their expertise by assessing values of "treasures" that members brought to share. Rick and Connie are well known antique collectors, and an interesting and enlightening discussion was held for all to enjoy. Thank you, Rick and Connie.

Our next meeting will be held on May 6 beginning at 3 p.m. – please come and help plant and decorate our Club for this special centennial year. Our meeting and a picnic will follow. See you there!

Respectfully submitted,

Terri Beck

Rick and Connie Rueckles discuss the value of some fine china pieces during the Auxiliary's Antique Road Show.

Terri Beck and Ro Miller are all smiles after having the Rueckles evaluate their items.

Life's A Beach... Party!

You don't have to be surfside to get into the swim of welcoming Spring ... attendees of the annual BLYC Beach Party in early April certainly proved that!

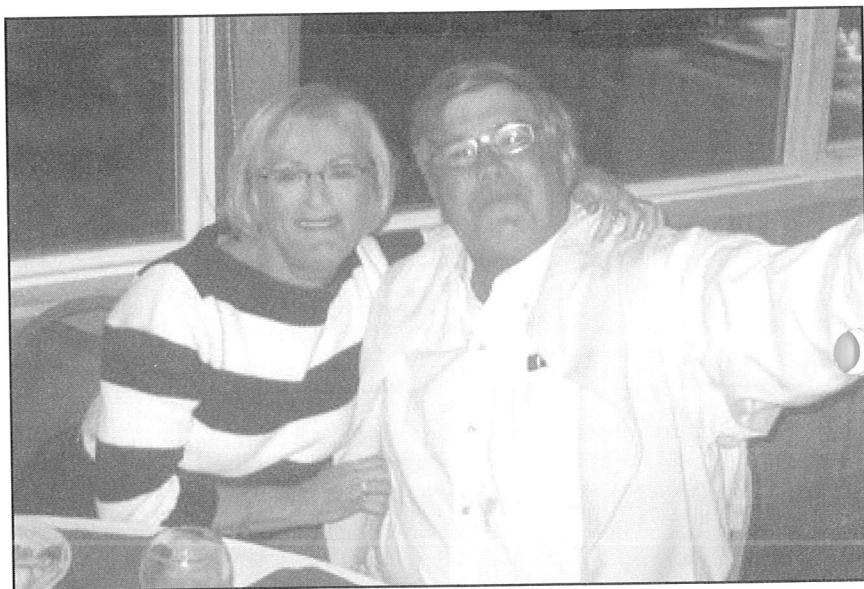

Zenna Sayre broke out her most fashionable beach headware to enjoy the festive atmosphere.

Marie Doneff, Diane Koman and Carolyn Caulder enjoy tunes from the Paul Clark Band.

You might call this the table of the Big Kahunas! From left, Commodore Nick and Michelle DeSantis, Governor Phil and Carolyn Harden, Marie DeSantis (a recent new member) and Jane and Commodore Jim Shriner.

Granger and Kristen McKinney are all smiles as they welcome the warm atmosphere and the return of Spring to BLYC.

One-Design Sailing This Summer!

The Thistle Fleet sailors along with the Flying-Scots are picking up the pace with some exciting plans for this summer. We would like to openly welcome anyone with a desire to sail to participate in one, or all, of the following ...

First, for those that have only experienced sailing from a distance, we will be offering Summer Rides with experienced skippers on specific dates. Of course, all dates are subject to weather, but these are the dates planned this summer:

- Wednesday, June 14, before and after the Bang-N-Go Back race
- Sunday, July 9, during the Hog Roast and Cake Walk
- Saturday, August 26, in conjunction

with the Family Fun Day

- Saturday, September 30, with the 100th Year Celebration Culminating Event

For those with some sailing experience, that might like to see what its like to sail a Laser, a Flying-Scot, and/or a Thistle, we are planning to make some club boats (and a couple gracious boat owner's boats) available for that very purpose. The Thistles and Scots are alternating Sundays for the club races. Both are always looking for people to crew. Even if you don't have experience, it doesn't take long to bring you up to speed and you'll be having fun the second the boat pushes off from the dock. The schedule is:

- May 21 - Flying-Scots
- May 28 - Thistles
- June 4 - Thistles
- June 11 - Flying-Scots

- June 18 - Flying-Scots
- June 25 - Thistles
- July 2 - Thistles
- July 9 - All for Rides
- July 16 - Flying-Scots
- July 23 - Thistles
- July 30 - Flying-Scots
- August 6 - Flying-Scots
- August 13 - Thistles
- August 20 - Flying-Scots
- August 27 - Thistles
- September 3 - Flying-Scots
- September 10 - Thistles

And if you're saying to yourself - "You know, this does sound like fun!" - then plan on coming out this spring and we'll see to it that you do. Contact Rachel Laskowski, 740-862-8781, rachel_laskowski@yahoo.com

Reservations Required For Centennial Dinners

Our Centennial dinner functions will truly be something special, so we ask for your assistance in making reservations if you plan to attend. This will help ensure we have an accurate count on the number of attendees and Chef Troy can prepare accordingly. The first dinner event is Saturday, May 6. Please make your reservations now.

New Junior Sailing Coach Has BLYC Roots

It is probably not known, or at least not published, that the new sailing instructor has considerable BLYC heritage.

Ben France's grandfather was a prominent Lightning sailor and a member of BLYC for several years. Ben's great-great grandfather was George C. Urlin, a very early Member of BLYC and former owner of Round Island.

Keith Compton (BLYC Member since 1947)

Looking For Large Headed Ex-Governor

Governor Dave Stewart is looking for a hat to top off his uniform, and there's none to be found! Zenna Sayre can't get one from her supplier, and they are not available on the internet. If any former governor has a hat he would like to sell, size 7 3/4, please call Dave at 670-2710.
