Centennial Celebration In Full Swing!

From the Bridge

To all my fellow BLYC members, we are in full swing for our Centennial Year. June will have many activities for all our members to enjoy at the Club. I hope you can attend one or both of the Centennial events. On Flag Day, June 14, we will hold the Bang-'N Go-Back Race as part of a great evening the Centennial Committee has planned. Next is the June 23 Cocktail Party at the Buckeye Lake Historical Museum for the new display cases that are being dedicated to BLYC. See Pages 7-10 of this issue of the Log, as well as the special insert from the Centennial Committee, for all the details on both days and much more.

For all the Members that were here for our Kickoff that was held on May 6, it was a very nice Dedication Ceremony on Orchard Island. Everyone that attended got a feel for the roots of BLYC and the event was well attended by members and Commodores. The whole afternoon and evening on Watkins Island was enjoyed by young and old. Days like that take a lot of volunteers to make it happen. We had Members filling the balloons to release, Members there with pontoons to take us to and from Orchard Island. We had members with the games for the children, members for the card games, members for the Sailing Race. It always takes good volunteers to make an event succeed. I can't name all, but some of the main volunteers are Bill and Diane Koman, Barbra Hopman, Lisa and Dave Stewart, Fred Bair, Will Price,

Commodore Mark Russell

Frank Laskowski, Don Day, Marie and Howard, Jim Thompson, Frank Foster III, Dan Knaul, Carale Donnelly and Jane Shriner. I know there were other members that jumped in also and the Centennial Committee was very active all day long. It was a great day and I thank all that helped!

I hope members had time to attend some of the other May events: the Mother's Day Buffet, the Junior Sailing Clinic for Traveler Series, the classic Commodores Ball, the Memorial Day weekend Supper Club Night, the pool entertainment and the Memorial Day Porch Picnic were some of the activities we just completed at BLYC.

With Sailing in full swing as we get into June, I hope that the Junior Sailing Team and our weekend Sailboat Skippers have noticed the new launch

dock at our Eastport yard. We had the three main posts put in and all the rest was provided by Frank and Rachel Laskowski. When you see them around the Club it would be nice to acknowledge them.

Speaking of noticing something new, you can not but notice a little change in the Clubs grounds. This project had the support of the Auxiliary, the removal of the old from House and Grounds. The design and layout came about by many long hours from Paula Price. All the great members on Spring Work Day got the project off to a super start and that was followed by a lot of extra effort from Club volunteers. I also heard Ruth Ann Kent and Paula Price were back time and time again. What a beautiful improvement to the Club House. Thank you to all that made this happen.

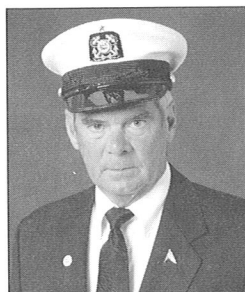

Before I get too long winded, take a look at what is in your June Log. Governor Phil Harden has great entertainment planned. The Commodore Association has the yearly Commodores' Steak Fry (can you believe they asked me to help cook?). Pool side music on a couple of Sundays. Governor Will Price gets the Sailing Camps under way with three this month and again we have two Centennial Celebrations. Make sure to mark you calendar and as always we ask that you call for your RESERVATIONS to keep the Chef and Staff prepared to make all your times at BLYC great. I am really looking forward to June and seeing everyone around the Club!

Club Is In Ship Shape, Come Out And Enjoy It! House & Grounds

Spring is here and the house and grounds are in fine shape. Thanks to all the volunteers at Spring Workday, we were able to accomplish all of the usual spring tasks. We even managed a new coat of paint on the rental garages. There are some concrete repairs that need to be completed around the pool and the back stairs. By the time you read this article they should be finished.

The new landscaping is nearly complete and everyone agrees that it has improved the looks of the Clubhouse. Thanks to the Auxiliary for funding this project. Special thanks go out to Ruth Ann Kent and Paula Price for their efforts in organizing all of the work.

Now that our season has arrived let's all start to enjoy our Club on a

a dip in the pool, or enjoy a fine meal. That is what the Club is all about. Hope to see you soon.

Junior Sailing Ready To Embark On Season

Junior Sailing

Our sailing season has officially begun! Ben France our Junior Sailing Coach has returned from college for the summer and I had the opportunity to meet with him and discuss our program. I am happy to report that he has some very good ideas and is anxious and excited to begin. I want to thank Commodore Steve Schilling for providing housing for Ben this summer.

I had the pleasure of racing in the Centennial Kick-off Event. Fritz Schilling and Austin Miller joined me and I found that I could benefit from some future lessons from them. I enjoyed their company and was glad to see their interest in cruisers.

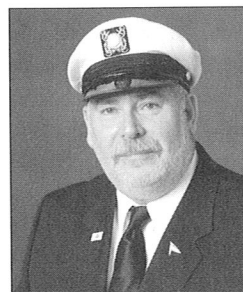

I would like to thank everyone for supporting the flower sale and a special

thank you to Becky Miller for all of her hard work.

The first week of Sailing Camp is June 12. As you read this there is still time to sign up to attend this kick-off week. The entire camp schedule is on the website. If you have any questions please feel free to call me or send an e-mail.

Our next major fund-raiser for the Junior Sailing Program is the July 4th Pancake Breakfast. Get an early start for the holiday festivities and come out to support our Junior Sailors.

I would like to take this time to

Governor Will Price

introduce our BLYC Race Team for this season. We have a combination of seasoned and new members and are looking forward to a successful racing season.

New Lighter Menu Available This Summer

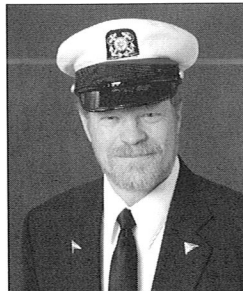

Bar and Kitchen

Hope everyone is enjoying the great weather we are having! This is what summer at the BLYC is all about.

The first Centennial event was a wonderful celebration. A morning trip to Orchard Island was slightly cool, however I heard no complaints. Chef Troy did a fantastic job on the barbecue picnic and the evening entertainment brought in a nice crowd. If you missed

this one you may make up for it by coming to the remaining events. I'm sure they will all be wonderful.

The applications of five new members were approved by the Board of Governors at the May meeting. We are very pleased to welcome:

- Becky Miller
- Larry Thorp

To all of you: Welcome to your BLYC!

Newark city councilman.

As we move into the summer boating season, activity is picking up at the Club, and in the membership department. Bring your friends to dinner or any of the many fun activities throughout the summer. As I've said before, BLYC is the best kept secret in central Ohio, and recruitment of quality new members is everyone's job.

See you on the lake!

Early Events Highlight Start Of Sailing Season

Race and Regatta

Many thanks to Commodore Steve Harris, Gov. Frank Laskowski and Dave Levacy and his staff at Buckeye Lake Marina for helping me get the Club pontoon boat back on the water for the upcoming boating season. Thank you, thank you, thank you.

Our first sailing event of the season was the Thistle Regatta on April 29 and 30. While the weather was not exactly what we'd hoped for and we were forced to set a northwest to southeast course we did get in seven good races. We had 14 boats Saturday and 12 Sunday. We had skippers from Aurora, Baltimore, Columbus, Dublin, Granville, Pickerington, Westerville and Worthington, Ohio; Carmel and Indianapolis, Ind.; and LaSalle, Mich. In addition to these locations we had crew members from Delaware, Dover, Millersport and Powell, Ohio; Bloomington, Ind. and Monroe, Mich. Clubs represented were Berlin YC, Buckeye Lake YC, Hoover SC, Indianapolis SC, Jolly Roger SC, Leatherlips YC, and North Channel YC.

First Place: Kyle Finefrock (Berlin YC) with 14 points;

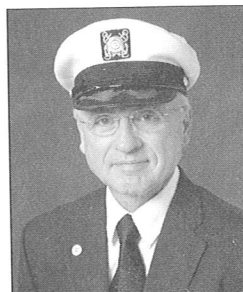

Second Place: Steve Lavender (Hoover SC) with 24 points;

Third Place: Walter Grubb (BLYC) with 30 points.

For an event as early as this I think we had a good turnout and expect even better in October. Congratulations to Thistle Fleet Captain Rachel Laskowski and Primary Race Officer Steve Harris for a job well done. Volunteers did a terrific job and host families as well.

As part of the opening Centennial Celebration event we had our first Club sailing competition Saturday, May 6. Due to the early date, not all of our sailors were able to compete; however, we did have four boats participate. The winner of the cruiser class was **Don Harris** and the winner of the one design class was **John VanGilder**. Thanks to Matt and Tracey Davis, Michael Davis, Steve Harris and Frank Laskowski for their help.

On April 27, I met with Tim Waln at the Buckeye Lake State Park to go

Governor Don Day

over our plans for the upcoming boating season and Centennial Celebration activities. We both are looking forward to a safe and successful season and a continuation of the good relationship we've had in the past.

June 14 is the date for Event 2 of the Centennial Celebration. We will be attempting to recreate a "Bang And Go Back Race" from our Club history.

Final details are being worked out and we expect to "race" at 6:30 p.m..

Junior Sailing Camp also begins this month. I will be working with Governor Will Price during these camps and hope I can pick up some sailing knowledge during the process.

Lambrecht Cup competition began May 21. I will keep you informed as the season progresses.

Thanks to Thistle Fleet Captain Rachael Laskowski for organizing the Thistles and the Flying Scots to sail on alternate weekends so each can have a "fleet" (three boats racing) qualify for the Lambrecht Cup.

100 Years Ago Today On This Same Island...

On Saturday, May 6, a group of approximately 65 BLYC members, family and friends made the journey by boat to Orchard Island to commemorate the first meeting of our Club, held there 100 years ago on May 6, 1906. While the morning was a bit overcast and slightly cool, everyone enjoyed the brief ceremony and the first of five "Historical Vignettes" detailing the history of our Club.

Commodore Frank Foster III delivered a delightful, informative, and entertaining detail of the founding of the Club and the first 20 years of our history (1906-1926).

Following the ceremony, everyone returned to Watkins Island for an enjoyable lunch, camaraderie, and a chance to peruse the historical display created by Commodore Frank Foster III and his daughter, Janice.

Right on schedule, at 3 p.m., the Centennial Kick-Off Sail Race began. Although it is very early in the season, there were three competing boats in the Cruising class and one one-design boat that came out for some cool, early season racing. At the time of the warning signal, it appeared as though the wind may die out and the race would need to be postponed. However, right with the preparatory signal, as though our forefather BLYC yachtsmen were present and helping, the wind freshened and a very competitive and exciting race followed.

Don Harris with crew Dan Knaul and Stone Parker brought home the Cruising Class Trophy and John Van Gilder and his crew won the one-design fleet.

Throughout the afternoon, there was much fun and fellowship at the Club and games for the children.

"It was a great day and a great start to our Centennial," said Commodore Mark Russell.

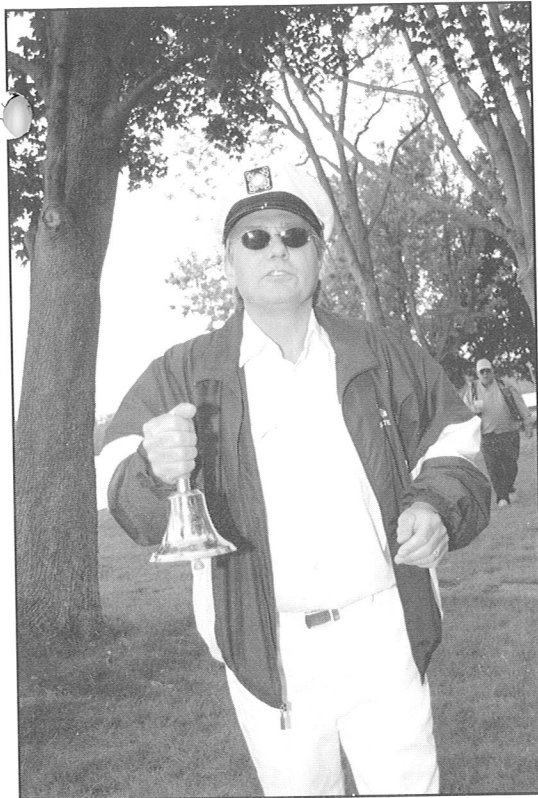

Governor Will Price puts the throttle down en route to the dedication ceremony.

ABOVE: Commodore Jim Thompson pilots a pontoon toward the dock on Orchard Island.

LEFT: Commodore Steve Schilling keeps a steady grip on two bundles of balloons that were released at the conclusion of the ceremony.

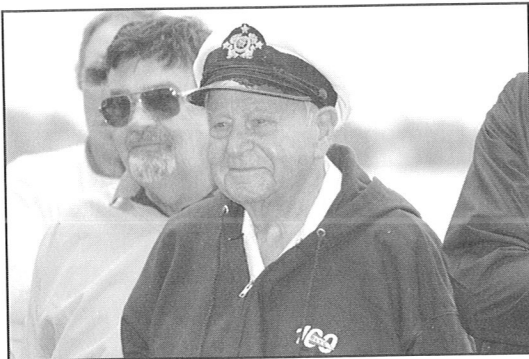

Commodore Mark Russell calls the ceremony to order with a special Centennial Bell that will be used at each event and then mounted and displayed in the BLYC trophy case.

Participants gather near as Commodore Russell begins the festivities at Orchard Island. Some 65 people made the short journey to the island to be part of the event.

According to Club Historian Frank Foster III (left), among the directives that came from the initial Orchard Island meeting was to create a Club logo and burgee. From that came the framed version Commodore Russell is holding.

Commodore Gus Schell was the senior officer in attendance. He served as Commodore in 1951.

Centennial Committee Member Dwight Joseph releases the final balloon bundle. Whoever finds and returns the sheet attached receives a Centennial rocks glass.

A true Centennial moment – all 14 Commodores in attendance.

Sailors Offering Free Rides At Centennial Events And More

The Thistle Fleet sailors along with the Flying-Scots are picking up the pace with some exciting plans for this summer. We would like to openly welcome anyone with a desire to sail to participate in one, or all, of the following ...

First, for those that have only experienced sailing from a distance, we will be offering Summer Rides with experienced skippers on specific dates. Of course, all dates are subject to weather, but these are the dates planned this summer:

- Wednesday, June 14, before and after the Bang-N-Go Back race.
- Sunday, July 9, during the Hog Roast and Cake Walk.
- Saturday, August 26, in conjunction with the Family Fun Day.
- Saturday, September 30, with the 100th Year Celebration Culminating Event.

For those with some sailing experience, that might like to see what its like to sail a Laser, a Flying-Scot, and/or a Thistle, we are planning to make some Club boats (and a couple gracious boat owner's boats) available for that very purpose. The Thistles and Scots are alternating Sundays for the Club races. Both are always looking for people to crew. Even if you don't have experience, it doesn't take long to bring you up to speed and you'll be having fun the second the boat pushes off from the dock. The schedule is:

- June 4 - Thistles
- June 11 - Flying-Scots
- June 18 - Flying-Scots
- June 25 - Thistles
- July 2 - Thistles
- July 9 - All for Rides
- July 16 - Flying-Scots
- July 23 - Thistles
- July 30 - Flying-Scots
- August 6 - Flying-Scots
- August 13 - Thistles
- August 20 - Flying-Scots
- August 27 - Thistles
- September 3 - Flying-Scots
- September 10 - Thistles

And if you're saying to yourself — "You know, this does sound like fun!" — then plan on coming out this spring and we'll see to it that you do.

Auxiliary "Blooming" With Great Ideas/Efforts

BLYC Auxiliary Meeting

May 11, 2006

The Auxiliary was busy working beginning at 3 p.m., planting flower containers for the front of the Club and around the pool. The weather was windy and chilly, but despite that, a great deal of work was accomplished. We would like to thank the following volunteers for their efforts that produced beautiful results:

Ann Oliver, Melinda Brown, Judi Thomas, Carolyn Harden, Becky Thompson, Chris Russell, Joni Campbell, Barb McFall, Terri Beck, Paula Price and Ruth Ann Kent.

The "Booze Basket" Raffle drawing will be held on June 10. If you haven't purchased your ticket, see Carolyn Harden or Joni Campbell.

The next meeting will be held on June 8th. Carol Donnelly will be giving a "Hat Demonstration" on making hats for the Centennial Ball. The "Theme Table Top" has been moved to our meeting on July 13.

See you in June!
Terri Beck

NOTE FROM THE PRESIDENT:

Just to bring you up to date on the landscape project. All the shrubs and trees (except one) have been planted. We have most of the perennials planted and some of the annuals. We are hoping to have everything planted and mulched by Memorial Day.

We are also working with House and Grounds Governor Joe Campbell

on installing some irrigation systems. The next time you are at the Club take time to walk around and enjoy our project.

A big THANK YOU to thank all the Ladies who braved the inclement weather on May 11. Paul Price and myself appreciated all your hard work. Ruth Ann Kent, President
