BLYC Offers Star-Spangled Celebration Of Summer

From the Bridge

To all my fellow BLYC members, I hope the you were able to attend some of the Centennial events we have had so far. June had two incredible events for the Centennial Celebration that marks our 100 years of BLYC.

The Club has had three of the Centennial events so far and your fourth opportunity is the Centennial Formal Dress Ball. This should really be fun with the "Dress in your favorite decade theme." Check out the great menu and entertainment for the evening on Saturday, July 12, on Page 7.

Our July Fourth weekend will have a super line up for this year with something all four days to enjoy. Saturday we have the Pool Beach Party with Paul Clark. Sunday and Monday we have pool side entertainment. Remember Monday, the 3rd, is the FIREWORKS featuring this year's celebration of 100 years of BLYC.

On Monday, the 4th, we have the fly over between 12:45 and 1 p.m. with a B-52. This is 90 minutes later than the yearly calendar says. Come early on the Fourth to enjoy the annual Junior Sailing Pancake Breakfast as well as music and song. Also we will have a Color Guard before the Flyover.

The month of July is the time of year your Club's Junior Sailing Team competes at Bay Week. As an I-LYA Club for 98 years, we have made this week (July 16-21) special for all Mem-

Commodore Mark Russell

bers who come up to Put-In-Bay. Besides fun on the island and sailing that week, our Club's picnic is on Wednesday evening (all Members are invited to enjoy a great meal and a fun evening) and the I-LYA Junior Bay Awards Banquet is on Thursday night. Do not wait until the last minute to get yourself a room for a fun week or just a couple of days on the island.

This month is also busy for the BLYC Auxiliary. They will host the Co-Ed Pool Party and the Style Show this month. Both of these are great events put on by the Auxiliary for all members to enjoy. The two events are really a lot of fun for couples and singles to come and have a good time.

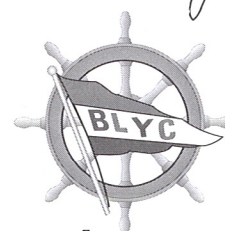

I am sure the month of July will fly

by, it always does. Keep in mind all the time it takes to put events together, and I would like to thank all the members that put in time to make things happen here at the best place in Central Ohio.

Mark your calendar and come out to your Club and have some fun with family and friends before the Summer slips away from you!

See you around the Club

Mark

Did you know that BLYC has a website?

In order to serve you better, BLYC has its very own home on the internet. The BLYC website can be reached at www.buckeyelakeyc.com. Here you will find current information about happenings at the Club, links to contact the Club Manager and Board of Governors, and more.

Need to request a dock at the Club? The dock request form can be filled out online. Have a friend who is interested in joining? We now have an "e-Application for Membership" available online.

Stop by and take a look.

There's still time to enroll in Junior Sailing Camp. See Page 9

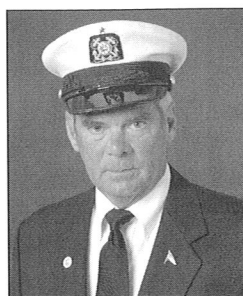

Take A Moment To Admire Our Beautiful Club House & Grounds

The landscaping is complete and I must say it looks great. The two-story rental home now has new windows. Stop over and take a peek. They are a much needed improvement to that property. Some of the new members may not be aware that we own the two houses at the entrance to the Club. Over the last two seasons we have made many improvements to both homes. We generate rental income from both properties and at the same time we are controlling what will be in front of our Club.

A new handrail was installed on the east steps. This should help members

up and down the stairway. Also within the last month we repaired all of the lights on all of the docks. The years have not been kind to the metal conduit used in the front of the Club, so the repair was long overdue.

As many of you are aware we have two low spots in our overflow parking area. When the rains come the low spots collect large quantities of water. I intend to fill these areas with topsoil

**Rear Commodore
Joe Campbell**

and will plant new grass; however this cannot be accomplished until September. It would be a waste of time to attempt to grow grass during the summer months.

I have a request for all members. Please do not toss cigarette butts or other debris into the new flower beds. When we cultivated the soil in front of the porch it looked like a testing facility for Phillip Morris. It only takes a second to use the ashtrays and trash receptacles and it will be greatly appreciated. Thanks, and have a great time at the Club this season.

Summer Fun Is Waiting For You At The Club Bar and Kitchen

Hello, Summer is in full swing and we are all enjoying it, right? If not, you are not coming to the Club. With all of the entertainment scheduled by Governor Phil and the Centennial Committee everyone should be having a ball (Centennial). The May and June events were absolutely fantastic! Many thanks to all who helped make them so. Troy and his staff prepared a wonderful array of food throughout the events and regular din-

ning as well. Be sure to attend all of the remaining events.

By now, if you have been to the Club, you have seen the summer insert menu and have tried something from it. Please give myself, Fritz or Troy some feed back. Remember, we are here

**Vice Commodore
Ray Kent**

to serve you and we can only do that with your input.

We will be having several private parties this summer. Some of these will be on nights the Club is open. These parties are a great help to our bottom line. Please bear with us and respect them.

Don't forget breakfast on Sunday mornings. It is very good and reasonable. Support YOUR Club.

See you at the Club.

A Star-Spangled Month Of Fun Set At BLYC

Entertainment

Summer has arrived and with it, lots of activities at the BLYC! Mark your calendars and get ready for fun.

We'll start the month with our annual POOL BEACH PARTY AND THE PAUL CLARK BAND ON JULY 1. Music starts at 8:30 p.m.

JULY 2 brings DEAN NEAL POOLSIDE from 2-5 p.m.

JULY 3 BOLEY & FINK will be here from 2 to 5 p.m. for your musical enjoyment. This marks their first appearance here at the Club, but many of you will know them from various places around the lake. Stay for dinner and enjoy the FIREWORKS from the vantage viewing at the Club.

July 4 the JUNIOR SAILING PANCAKE BREAKFAST will be held from 8:30-11 a.m. Come out and support our Juniors in this endeavor. Vice Commodore Ray Kent has arranged for the Marine Color Guard from Newark to be at the Club for our flag raising ceremony at 11:45 a.m. Following the traditional flag raising, Diane and Tom Maxwell will provide a vocal music program featuring patriotic music. They will have "hand outs" so everyone can sing along. Many of you may remember Diane and Tom from their appearance at the flag raising a few years ago. Between 12:45 and 1:00 p.m. we will have a flyover by the Air

National Guard featuring a B-52 bomber. Lt. Hills has said this is a spectacular event with this aircraft flying at just 200 feet over the lake. We invite you and

your families to attend this Cen-

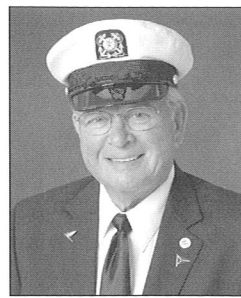

tennial year July 4th celebration. After the flyover enjoy our PORCH PICNIC FRIDAY, JULY 7, brings TOP CAT KARAOKE back from 7-11 p.m. Everyone enjoys karaoke night with Cathy.

SUNDAY, JULY 9, will be the HOG ROAST & CAKE WALK from 3-7 p.m. This special event will feature a cake auction and music by Club favorites UNSUNG HEROES. This is a first for this type of event and should be a great time with great food!

JULY 15 is our CENTENNIAL FORMAL DRESS BALL. Dress in your favorite decade and come out for this very special occasion. Cocktails at 6 p.m., dinner at 7 p.m. and dancing from 8-11 p.m. with DWIGHT LENOX & THE LENOX AVENUE EXPRESS. RESERVATIONS ARE NECESSARY FOR THIS EVENT!!

BECK & DITTO will be here SUNDAY, JULY 16, for your poolside entertainment from 2-5 p.m.

If you notice a few of the members

Governor
Phil Harden

missing around the Club during that week, they will be at the I-LYA Junior Bay Week. This is the week the Club heads for Put-in-Bay to support the Junior Sailors, attend the Club picnic and the Awards Banquet. We wish our Junior Sailors much success at the event.

JULY 29 is the AUXILIARY STYLE SHOW. Dinner at 7 p.m. followed by the style show. Clothing this year will be furnished by Christopher & Banks at the Indian Mound Mall. Following the style show music for dancing will be provided by the KAY CARTER BAND.

SUNDAY, JULY 30, DEAN NEAL returns for your poolside entertainment from 2-5 p.m.

July will prove to be a very busy month and without a great staff none of this would be possible.

PLEASE REMEMBER TO MAKE RESERVATIONS FOR THESE SPECIAL EVENTS. RESERVATIONS ARE AN IMPORTANT PART OF EVENT PLANNING.

Come out and enjoy all your Club has to offer at these outdoor events and I'll see you at the Club!!

NOTE: A complete list of July special events is on Page 5.

Blessing Of The Fleet

Here is the Blessing of The Fleet offered by Father Mike Gribble on Memorial Day Weekend:

Today we gather to bless these boats and those who will use them. The Lord claimed the Sea of Galilee and brought his disciples to safety. We commend those who sail in these crafts into His care.

God of boundless love,
At the beginning of creation
Your spirit hovered over the water.
You called forth every creature,

And the waters teemed with life.
Through your Son, Jesus Christ,
You have give us the rich harvest of salvation.

Bless these board, their equipment and all
who use them.
Protect them from the dangers of wind and
rain
And all other perils of boating.

May Christ, who calmed the storm

And filled the nets of his disciples,
Bring us all to the harbor of light and peace.

May the saving power of our Loard guide and
protect you, now
And, forever.

Amen.

And may almighty God bless you all,
The Father, and the Son, and the Holy Spirit.
Amen.

It's A Great Month To Watch (Or Take Part) In Sailing Race and Regatta

We sailed our first two (2) races for the 2006 Lambrecht Cup on Sunday, May 21. The day started out rather shaky; but, about 1 p.m. it cleared up and we had a beautiful day of sailing. The wind was out of the northwest; so, we set a triangle course and sailed two (2) laps for each race. The first race was won by Ryan Russell and the second race was won by Don Harris. We had three (3) PHRF cruisers and one (1) Flying Scot (sailed by John VanGilder). Since the Flying Scot was the only one-design in the fleet he sailed as a guest boat (with a PHRF rating). John finished first in both races (scratch time and handicap). Congratulations to all three. We also were glad to see Will Price breaking in the Cal 22, which is a new competitor in the PHRF fleet this year.

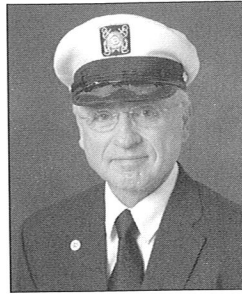

Sunday, May 28, was a beautiful day for everything BUT sailing. While we did not have enough boats for a "fleet," we did have enough to at least attempt to have a race. We did have a start at 2; however, we abandoned about ten (10) minutes later because the boats were making very little progress. There

aren't too many things worse than sitting on a sailboat in the hot sun with no wind.

Monday, May 29, was a beautiful day for everything BUT sailing (again). We postponed the start twice before finally abandoning at 1 p.m.

Sunday, June 4, was another unpredictable day for sailing. We had five (5) cruisers and two (2) one-designs. We had a start at 2 p.m.; however, at the leeward mark on the second lap we had a one-design capsized. Thanks to Russ and Pam Green for giving assistance; because, we had no safety boat available. For future Sundays, we may consider requiring one boat a weekend not to sail and be available to assist the race committee with running the races and manning a safety boat.

Not all our sailors have their boats on the water, yet. I'm sure that we'll see more boats and hopefully more wind, soon. Thanks to Russ and Pam Green

Governor Don Day

and Dan Knaul for their assistance and advice the past two (2) weekends. As always (and more importantly) thanks!!! to Sally for all of her help, also. Love you.

Tuesday, July 4, we will sail the Commodore Earl Williams Long Distance Race. Tentative start is 11 a.m. (skippers' meeting at 10:15 a.m.); however, the flag raising is at 11:15 a.m., so there may be a small delay. We will be awarding a trophy and medals to the winner. We will also award medals to the 2nd and 3rd place finishers. The best way to spend the day would be to start with the Junior Sailing Pancake Breakfast, be there for the flag raising and military fly-over, watch the sailboat race, partake of the porch picnic and enjoy the pool and bar.

One more thing. Would the person who borrowed the Club's "wind meter" from the Race & Regatta equipment bag (stored in the pool table room), please return it.

This is the best time of the year to enjoy the Club. See you there.

BIG Activity On The Docket For Junior Sailors

Junior Sailing

The BLYC Race Team attended their first Regatta at Hoover Sailing Cub.

There was plenty of competition with 60 sailors from Yacht Clubs around the state. They sailed in difficult conditions with very light air. I am proud to announce that Austin Miller and Halle Harklau took third place in the CFJ Class. Congratulations!

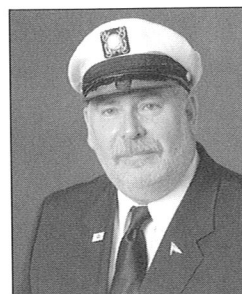

Sail Camp started on June 12 with a nice turnout for Beginning Sailors. Ben has enlisted the assistance of the race team to make this a fun and instructional activity.

Our Sailing Coach, Ben France finished fifth in the Thistle District

Regatta. There were 40 boats and the competition was fierce. Well done Ben!

Raffle tickets are available for our current Junior Sailing fundraiser. We have a very nice Centennial photo by Greg Miller and it is on display as you enter the Club. Please support our program and buy a few tickets. They are \$1 each or 6 for \$5.

Be sure to check the website for future Sailing Camp dates and enroll our young people. Sailing is an activity you can do the rest of your life!

Governor Will Price

Bay Week Update: Bay Week is July 16-20. There will be 180 kids from Clubs in the I-LYA. This is the premier event of the season and is nationally recognized. Many BLYC members attend. I hope to see you there!

Second Centennial Event Raises Flag On Fun

It was the perfect setting for a summer Centennial celebration. The sun was shining, the lake was calm and members, guests and the general public all enjoyed a wonderful evening at our Club.

The evening began with Commodore Howard Clark providing a historical vignette for the years 1926-1946. This was an era of both great prosperity and decline for our Club as events of the day — the Depression and World War II — had a decided impact on membership and activity.

Then the release of 1,000 helium balloons by our Junior Sailors. As in Event No. 1, one balloon had a sheet attached that provided details about our Centennial celebration. Whoever locates this sheet and returns it to the Club will receive a free Centennial rocks glass. (Note: At press time, we still had not received the sheet back that was released at Event No. 1)

Next on the docket was the Bang 'n' Go Back Race — a throwback to the heyday of when wooden boats ruled the waves. Governor Don Day had a total of six vintage boats participate, and it was quite a spectacle to see them glide across the lake and back.

Following a wonderful porch dinner from Chef Troy, the evening concluded with an eye-catching, toe-tapping display of the abilities of our Members during the Talent Show. A special thanks to all who participated and shared their talents.

Watch for a report on the June 23rd event in our August issue of the Log.

Reserve A Piece Of BLYC History

Club Member Tony Lisska, with the help of many fellow Members, has been working diligently on a book that will celebrate our Club's Centennial year - "An Illustrated History of Buckeye Lake Yacht Club." The book will be a leatherette-bound hardback with a complete overview of 100 years at BLYC. It will include many photos, both historical and current. It will be fabulous keepsake and a wonderful addition to your coffee table.

Photos for the book will be taken during events of this year and many will also be included. Therefore, it will be offered after the September 30 event. Although we do not have a final price yet, we are asking you to reserve your copy by filling out the form to the right.

Commodore's Steak Fry Was Smokin'!

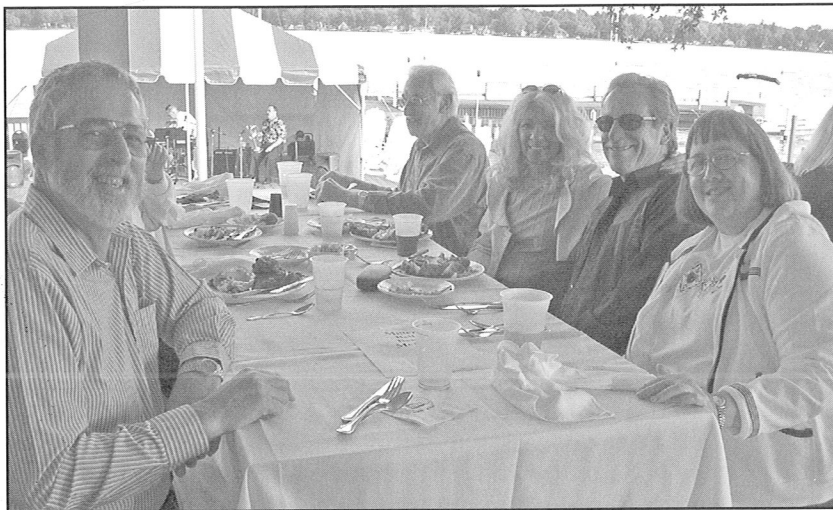

Never mind that, for early June, the temperature was about 20 degrees cooler than expected. The Commodores had the grill smokin' during their annual Steak Fry and Members filled the porch to enjoy their tasty work.

It was too cold to swim, except for this fella who made himself at home on the pool deck.

Commodores Steve Schilling, John Sproat, Nick DeSantis and John Geiger tend the grill.

Front to back, Jim and Barb McFall, Steve and Terri Beck and Joe and Rosalyn Miller (not shown) enjoy tunes from the Jack Gorham Band.

Back to front, Marie Doneff, Howard Everitt, Pamela and Russ Green and Don and Sally Day are all smiles after a delicious steak dinner.

A full porch of happy Members made this year's Steak Fry another great success.

Buckeye Lake Trivia

Test your trivia knowledge and see if you know the answer to these two Buckeye Lake questions:

- In a classic World War II movie, a chaplain asks a group of soldiers, "Anyone here from Ohio?" The first reply is "Buckeye Lake." Can you name the movie?

- On the Tonight Show with Johnny Carson many years ago, a celebrity mentioned that he spent his summers during college as a lifeguard at Fairfield Beach because "it was the best paying lifeguard job I could find." Who was the celebrity?

Answers are at the end of Member Notes.

Missing Jacket

Mark Yerke is looking for a jacket that may have been "borrowed" in mid-May. He describes it as a blue waist jacket with the inscription "The Core" on the outside where the breast pocket would be.

Please contact the Club or Mark if you know its whereabouts.

Not Too Tight On Eastport Locks

A request has been received from several Members who dock their boats at Eastport – please don't pull the chains too tight on the gate along the towpath or the entrance gate on the driveway.

If the chain is pulled too tight when the lock is set, Members are unable to pull the lock on the opposite side so they can unlock it.

Sunday Morning Breakfast: Let The Club Do The Cooking

There's no better way to enjoy a quiet Sunday morning on the lake than breakfast on the porch or in the dining room at BLYC.

Breakfast is available every Sunday from 10 a.m. - 1 p.m. Select your favorites from the breakfast menu. Enjoy a leisurely start to your summer Sundays with breakfast at the Club!
