FROM THE BRIDGE ☆☆☆

November, 2006 - Vol. 16 Issue 11

From the Bridge

Hello, Fall is upon us and we are all busy putting away lawn furniture, winterizing boats (some of us are still trying to get in one more ride) and so forth. During this time don't forget to think back on the previous year and give thanks for all that has happened in your lives.

I understand that we had many out of state visitors for the Snowball Regatta. What a great tribute to George Fisher! A great person such as him only comes along once every few years and we are quite fortunate to have George as member of our Club. Unfortunately Ruth Ann and I were out of town and missed the festivities.

The Club has many great activities scheduled for your entertainment. Please check the *Log* and Club website for more information. Also, don't forget the weekly football games on the big screen. We are in the process of obtaining a cart to make it more mobile. Our game day celebrations include great food and drink specials. (The chili is fantastic!)

The I-LYA Convention is scheduled for the first weekend in December. Ruth Ann and I have met many great people there. Also I-LYA members are coming down to our Club for a inland cruise weekend in April of 2007. This would be a wonderful opportunity to get acquainted with members of other clubs before the spring cruise. P/C Steve Harris is running for the I-LYA Board of Trustees and would appreciate your support.

Some of you may already know that we released our General Manager. This was not an easy task as many considered him a friend as well as a

Commodore Ray Kent

manager. It was strictly a business decision and in no way reflects on Fritz as a person. We now have the task of seeing that the Club moves forward with the least amount of turmoil. Please join me in keeping a positive attitude and not dwell on the past. Let us all work together to make the Buckeye Lake Yacht Club a wonderful place to bring our family and friends. Troy English has agreed to pick up the duties of GM on an interim basis. He will need all of us to work with him to make this a smooth transition. If any of you know of any private parties that may have been scheduled, please contact Troy. Remember, our Club is what you make it.

See YOU at the Club. Happy Thanksgiving!

Bar and Kitchen

Thanks to all of you that supported my election to the Board. I will try to live up to your expectations. As Bar and Kitchen Governor, I have my work cut out for me this year.

The Annual meeting was lively and much discussion centered on the profit and loss situation in the Bar and Kitchen. That aspect of the operation will be my top priority this year.

The Bar and Kitchen helps underwrite the cost of several member events throughout the year. We charge \$180 for a keg of beer for private parties. However, for member events such as the Snowball, Golf Outing, and various other time-honored events we charge the members \$100 for the same keg. We do not want to make money on the backs of the event chairpersons, but we do not want to be in the position of driving up the cost of goods either. Our cost for a keg of beer averages \$65. If we sell it for \$100, our cost of goods is 65%. We have a goal of keeping our cost of goods at or near 41%. Once the Bar incurs a cost of goods of 65% it takes weeks to recover. So effective immediately the cost for kegs for a member-sponsored event will be \$120. I think this is fair to everyone. The event chairpersons will have to increase the cost of their entry fees by a few bucks and the Bar and Kitchen will no longer

have to incur unreasonable cost of goods figures.

Another recent change involves fixed hours of operation for the winter season. The new hours are posted on the doors to the Club. There is also a separate banner ad in this edition of the LOG.

As we enter what has traditionally been a slow season please consider using the Club for your nights out on the town. If your Company is planning a Christmas event, check out our banquet menu. Our prices are competitive and the Fireplace room is a great setting for your events.

Auxiliary

At the October meeting, President Barb McFall presented a different format for the evening. Cocktail period was followed by the meeting called to order at 6:45. Among the business items handled, upon motion by Zenna Sayre, seconded by Joni Campbell it was agreed to accept Michelle De Santis recommendation and purchase 10 new chafing dishes at a cost of \$265.00 each, for a total of \$2,650. Following adjournment we enjoyed an excellent dinner planned by VP Shelly Higgins and Chef Troy. Mark your calendars for Nov. 9 Thanksgiving Dinner and Dec. 14 Holiday Auction and more outstanding dinners. Following dinner Michelle De Santis did a workshop with pumpkins and fall decorations, with everyone making a table decoration to take home.

Work Day will be Sunday, October 22. Ruth Ann Kent and Paula Price will be heading an Auxiliary group working on the landscaping. They hope to have the work completed by noon, as that is also a regatta day. Please bring gloves and any "bulb planting tools." As usual, lunch will be provided.

If you have not paid your \$20 dues, please send them to Ro Miller at the Yacht Club, Box 867, Buckeye Lake, 43008.

Lisa Stewart is handling meeting notices, and if you would like to receive yours via e-mail, please send your address to Lisa at deanweezyaol.com.

Junior Sailing

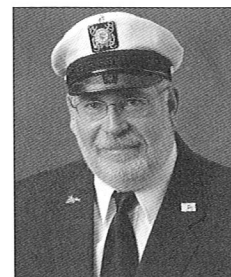

With the election behind us, I would like to thank the members who came out to support my candidacy with their vote. A special thank you to the BLYC Race Team for their assistance on Election Day and to all the members who stopped by the table with a word of encouragement and support. Thank you all!

The official sailing season is over and we have had a great year of junior sailing and a successful year of competition. I am very proud to be a part of the program. It takes many dedicated people to make a sailing program successful and I would like to thank George Fisher and his wife Marty for their participation and assistance throughout the year. Steve Harris and Tracey Davis offered their support and advice. Without the race team parents providing encouragement and dedication this season wouldn't have been such a success.

Many of you have heard that I will be in charge of Junior Sailing next year and I feel that it is a privilege to lead the way. Our coach, Ben France, will return and we are fortunate that our racing team is young and all will be returning next year. We will be adding a few competitors to the team from our sail camp program so we are looking forward to another great season.

The Snowball Regatta was a great event again this year. Thank you to John and Susan Watson for a job very well done. The Race Team tried out the Thistles that they will be sailing next year and took 1st and 2nd place in the class. I won't mention how many Thistles were in the race! Three big events this year were the Junior Regatta, Antique and Classic Boat Show and the Snowball Regatta. These events had huge turnouts and make the BLYC a true Yacht Club. Thanks to everyone for supporting the Club.

While I still have your attention, November 5th is the start of the Gun Club season. With Lee Glenn winning another year as High Average Shooter (two in a row), he sets the bar pretty high for the rest of us. Clean up that shotgun and come out to bust a few targets and enjoy the cozy fireplace room. Shooting starts at 1:00 on Sundays.

Race and Regatta

Picking up where I left off in the October "Log," Sunday, Sept. 10th we once again attempted to sail a Lambrecht Cup event; however, the light winds once again prevailed. The cruisers chose not to race and we had three Flying Scots exceed the one hour time limit to finish. This day was to be the sail-off event for the PHRF cruisers. We had a three way tie between Russ Green, Don Harris and Bill Reynolds. All three agreed that the first event of the Snowball Regatta would be the tie-breaker for the Lambrecht Cup.

Finally, the Snowball Regatta. We were anticipating a large turn-out for this event; because, we were celebrating the Club's 100th anniversary, the 61st Snowball and George Fisher's 80th birthday. George has been a member of the Club since 1947. He was Commodore in 1958. He has won many National events in several different classes. He is also recognized internationally for his sailing skills; and, he is still competing.

Saturday night was the George Fisher "roast." Many people paid tribute to George with anecdotes and testimonials. It was really wonderful to see so many people turn out to celebrate the man – GEORGE FISHER. Congratulations to George and his wife Marty. We had 140 (plus) for dinner and the Pymatuning Trailer Trash Band exceeded our expectations for entertainment.

We had participants from Ohio, Michigan, Pennsylvania, North Carolina, Colorado, New York and Maryland.

Saturday, we were able to run three races for five different classes. We had 25 Lightnings, six Interlakes, five Cruisers, three Flying Scots and three Thistles. I'm certain it has been many years since Buckeye Lake has seen a regatta with this many boats. The sight of these boats sailing downwind towards the west bank with their spinnakers filled against the silver water of the afternoon sun was breathtaking. I am not a "sailor"; but, this was one of the most beautiful sights one can imagine. If you have not witnessed a sailing event at the Club you owe it to yourself to come out and watch our members sail throughout the summer on Sundays.

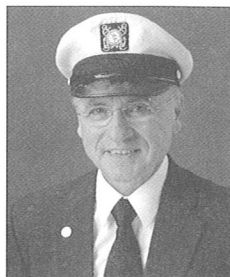

Sunday, the wind went away again (as it has all summer) and we were forced to abandon all races for the day. We had our awards ceremony at approximately 12:30 p.m. The awards were as follows:

- 1st Place – Fritz Schilling, Buckeye Lake Yacht Club

The winner of the George Fisher Sportsmanship award this year was Will Price. Will is a newly elected Governor of BYLC. He was appointed to finish out the term of Chuck Bendig who was the junior sailing governor. Will also oversees the trap shooters in the winter and is a sailor and a powerboater. Congratulations, Will! Thanks to Nick and Michelle De Santis for the crystal decanter award.

At the Snowball recognition ceremony we unveiled three "perpetual" wall plaques for the three long distance "Commodore" races that we have each year. We are missing some winner names; however, if we can retrieve the list of past winners they will be included on the plaques.

"Thanks" to John and Susan Watson for organizing the Snowball again this year: to Trustee Steve Harris who served as our Primary Race Officer: to Donna Parker who helped design and produce our Burgee (with help from Will Price): to everyone who furnished hors d'oeuvres and/or donated money: to those who helped launch and trailer boats at Eastport: to everyone who helped on the Race Committee boats at the "start" and "finish" lines and the safety boats. "Thanks" to the gals who sold BLYC items on the porch and to the BLYC staff and manager (they also had a wedding in the early afternoon). See the Club web sight for more information at www.buckeyelakeyc.com.

This concludes my first year as "Race and Regatta Governor." I must "Thank" my wife Sally (and the rest of my family as well) for allowing me to put the BLYC first on my priority list of things to do. All of our family activities were always scheduled around my sailing responsibilities and Sally was with me every Sunday throughout the season.

Folks, I hope you know how much work and effort your Governors put forth for the "good" of this Club. I encourage you to communicate with your governors to help them make it the Club we all want it to be.

Happy Thanksgiving to all and "Go Bucks"!

Membership

This is usually the month where we start spending a lot more time indoors while trying to avoid chilly temperatures, cold rain and the occasional snowflake. The boats are winterized and the lake level is dropping daily. Nonetheless, we are fortunate to have the perfect place to still spend time at the lake — your Yacht Club.

**Governor
Dave Stewart**

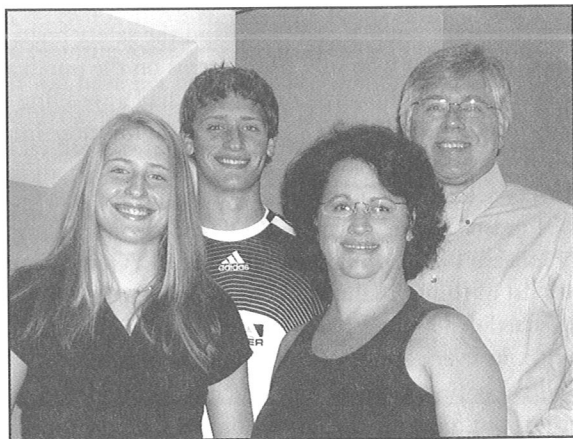

BLYC is ideal for enjoying a relaxing November afternoon or evening. There's usually a game on the TV — including a huge one on November 23 — and a fire in the fireplace. Plus you'll probably find a BLYC friend or two enjoying dinner or having a beverage at the bar. Come out and enjoy it.

Or better yet, come out and enjoy it and bring a friend along too. And talk to that friend about becoming a member of our Club. There's plenty of reason to do so now. No. 1, you will be introducing all the amenities of our Club to your friend. No. 2, when your friend joins, you will have another friendly face at the Club to enjoy our fun and special occasions with. No. 3, when your friend joins now, he or she is essentially receiving 14 months of membership for the price of 12. They won't be billed again until January, 2008.

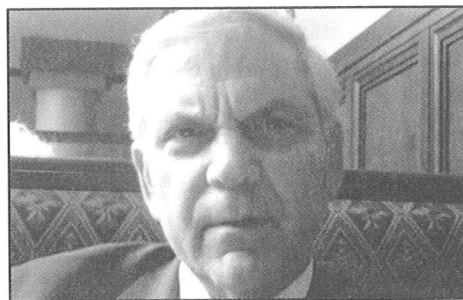

We have a number of smart new members who are taking advantage of this great opportunity.

At our October meeting, we approved the applications of two new members — Don Forrest of Dublin, Ohio, and Greg Ream of Granville, Ohio. Please join me in welcoming them into our Club.

We also had first readings for three potential new members.

• Mark and Anna Pyle — The Pyles are residents of Upper Arlington and recently purchased a home on North Bank, as well as a pontoon boat. They have two teenagers, Nathan (17) and Maria (15). Mark is the Vice President of Tax at American Electric Power.

• Donald Mains — Don is a longtime Columbus resident and an accomplished lawyer. He also is a loyal Buckeye with both undergraduate and law degrees from Ohio State.

• Tony Ikimis — Tony owns a cottage at Picnic Point that he is in the process of restoring. He owns Apollo Management in Columbus, an investment and real estate firm. Tony owns a SkiNautique ski boat.

These three potential new members will have their second reading at the November board meeting. I would love to offer the application of your friends and/or relatives for a first reading at that meeting too, so please call or email me if you need an application or have any questions.

See you around the fireplace at BLYC. And GO BUCKS!

Reserve A Piece Of BLYC History

Club Member Tony Lisska, with the help of many fellow Members, has been working diligently on a book that will celebrate our Club's Centennial year - "An Illustrated History of Buckeye Lake Yacht Club." The book will be a leatherette-bound hardback with a complete overview of 100 years at BLYC. It will include many photos, both historical and current. It will be fabulous keepsake and a wonderful addition to your coffee table.

Photos for the book will be taken during events of this year and many will also be included. Therefore, it will be offered after the September 30 event. Although we do not have a final price yet, we are asking you to reserve your copy by filling out the form to the right.

Rentals & Docks

With the election of the 2007 Board of Governors, this governor has a new assignment, that being Docks and Rentals. Governor Laskowski left things in good shape, and provided excellent records and maps of our rental facilities. Plans for the new seawall project are close to being finalized thanks to many hours of effort by Vice Commodore Campbell and his committee. Plans are to get the bubblers in place on workday for when cold weather strikes. The rental ranch house will have a change of tenants as of November 1st, with a few minor repairs between, and no lapse in the income stream. Please contact me with any questions or concerns about your dock or space in the boatyard at Eastport. There are still some spaces available for next year.

Now that you have had a good chuckle at Jeryne's and my expense for our lovely headgear, you should know that we will both be vying for the Demi Moore role in the remake of the movie "A Few Good Men."

To get a bit more serious, I would like to thank everyone who voted for me. I enjoyed meeting so many of you on voting day. I am sure that I will not remember all your names, so please do not hesitate to reintroduce yourself the next time we meet. This getting old is truly annoying.

I have so much to learn but I promise to dedicate myself to the task. Don't worry that I have absolutely no natural talents in "home improvement." I grew up in and have lived in really old homes my whole life. The home I live in is ready to turn 100, so I am well aware of the needs of a graceful old structure. You can count on me to learn my job and responsibilities and then follow through with great effort and enthusiasm.

Fall workday was a great success. Thanks to everyone who showed up and got dirty. If you have never participated you should know that it is a great way to meet members and make friends. I will never forget my first club pals, Commodore Ray and Ruth Ann, who I met at Spring workday 2002. I'll be back to remind you when the snow is gone in the spring.

I will close with my favorite phrase of the season, "GO BUCKS"... "BEAT MICHIGAN."

Publications

Thank you to all who supported me on Election Day. I look forward to serving on the Board and I am anxious to work with all of you. As you can see my responsibilities will be the log and any other publications that we may have throughout the year. I would like to continue the advertising page and hope to continue to deliver the finished product in your home by the first of each month or before. If something is not the way you want it let me know. This is your Club and I am working for all of you. Don't forget the website is up and running and for those of you who are tech savvy this will be a way to get the information first.

We hope to put more pictures of members and friends in the Log. So try to attend more often to get your picture taken. Just remember a smile is much more pleasant than a frown. Have a wonderful Thanksgiving.

All My Best,
