

# Buckeye Lake Yacht Club

## FROM THE BRIDGE ★★★

**Commodore Ray Kent**

Hello, with August behind us we should slowly be getting in the mood for cooler weather and fall activities. School has started and Buckeye football is right around the corner. OHIO, YEA! Don't forget to join your friends and neighbors at the Club for the tailgate parties and to watch the games on the big screen. We will be having food and drink specials for all the tailgate parties.

The Auxiliary Style Show which was held the last weekend in July was a wonderful event. The ladies and children were attired in clothing from The James Store in Granville. The Lake House, from Buckeye Lake, provided furniture and accessories for our viewing delight (and purchase). The silent auction was very successful and Joni Campbell was the lucky winner of the

diamond necklace.

The August events were great successes. The Luau was attended by at least 200 people, one of the best in recent years. We had several new members at the cocktail party beforehand. This is something that had been dropped for a few years, however it is a great way for people to meet and get to know a little something about each other. New members need to know they are welcome. A handshake and a "welcome aboard" will make people feel as if they are a part of our wonderful Club and may make you a new best friend. The more welcome you make people the more they will want to come to the Club and the more fun we all will have.

The Wooden Boat Show was a fun weekend. Governor Sproat provided the music for the Friday night 50's and 60's party, along with music trivia. Several ladies dressed for the times with Poodle Skirts, etc. and the dance floor was packed. Several people came to me and said they would like to see an annual 50's and 60's Soc Hop. I think this would be a wonderful event for future years.

The Bob Dye Poker Run always brings out a good number of people and we have a fun time cruising the Lake and sampling the wares of the various establishments along the way. Steve and Jennie Romine do a bang up job with this event and as they say "a good time was had by all."

As of the writing of this article the 2007 Buckeye Lake Yacht Club Cruise-In and Car Show had not yet occurred. However, from all the positive input I have had from many segments of the

September, 2007 - Vol. 17 Issue 9

area, it should be a great event.

Don't forget the election festivities coming up in September. On Friday the 14th we have Candidates Night. This is a chance for all to meet the candidates and learn a little about them. Sunday the 16th is the breakfast provided by the current board and the new candidates. The election runs from 9:00 a.m. to 1:00 p.m. Be sure to come out and exercise your right to vote. The Annual Meeting will follow the elections and all members who are interested in the affairs of the Club (which should be everyone), should plan to attend. After the meeting the new Board will be installed and the party will begin.

It has been a great year for Ruth Ann and I. We would like to thank all of you who made it so. See YOU at the Club.

## Bar and Kitchen

It is hard to believe that a year has gone by. Time flies when you are having fun!

The Antique Boat Show was well attended and everyone had fun. For me the highlight of the weekend was the 50's and 60's music on Friday evening. Governor Sproat did a fantastic job. We plan to make this an annual event.

One thing I did learn this year is

*continued next page*

**Vice Commodore Joe Campbell**

that you cannot please everyone all the time. God knows we try but there is always room for improvement. For those who were surprised at the cost of the food at the afternoon boat show... you are not alone. Our prices need to be addressed in order to provide a reasonable evening for all members. One thing that I think we all forget from time to time is the cost of our entertainment. When you consider that the Club provided free entertainment to go with the menu items the prices may seem more reasonable. However, rest assured that the Board will be discussing our pricing structure at our next meeting.

If you have ever entertained the thought of serving on the Board of Governors, now is the time to step up. We will have four vacancies this year and we need volunteers to help run the Club. Please contact any Board member or Trustee if you are interested.

Next year we are going to encourage members to participate in the planning and execution of our many events. We will be looking for sponsors for the Luau, St. Patrick's Day, Halloween, The Pool Party, The Crystal Ballroom Party, and all the rest of our annual parties. If you have read the 100-year history of the Club, you are aware that the BLYC was founded by and prospered by the participation of the members. Members who volunteer to sponsor an event will be able to plan the menu, decorate according to their tastes, and form their own committees.

See you on the porch in September.

## Rentals & Docks

It's hard to believe that another BLYC season is nearly over. The rentals area has had good fortune, with full occupancy and responsible tenants in both of the rental houses.

Likewise, the docks area has done well, with higher than usual occupancy, especially out in front of the Club. The new slips in the front basin have helped considerably, with hopefully more to come in the future.

Thanks to all dock renters who were able to accommodate the Wooden Boat Show committee by making their slips available for the show.

I'll have a full report, including financials, at the annual meeting. Hope to see you there.

**Governor  
Don Harris**

## Membership

Another wonderful summer season is almost complete at our Club and on Buckeye Lake. Hope you were able to get out and enjoy it as much as possible. Like most of you, I wish I could have been on the water a little more but life keeps getting in the way. Maybe next year.

September is always a month of mixed emotions for me. While I am sorry to see the more carefree days of summer pass, I am excited about the return of OSU football and our beautiful Ohio autumn weather. And honestly, some of my best memories on the lake and at BLYC have come in September and October. Still plenty of boating weather left, and the Club has a full slate of fun activities ahead!

September also brings a golden opportunity for sharing BLYC with your friends, relatives and acquaintances. When they join now, new members will get three bonus months of membership. If they sign up now, they will not receive a membership billing again until 2009! As always, membership applications are available around the corner from the popcorn machine and online at [www.buckeyelakeyc.com](http://www.buckeyelakeyc.com).

Of course our porch picnic and annual elections are coming up this month too. I will be completing my second year on your Board of Governors and I will not be running for re-election this fall. As I mentioned earlier, life keeps getting in the way of allowing me to spend more time at the Club (two jobs, two kids, etc.). However, I do want to encourage you to come out and vote for your favorite candidates and support your Board of Governors. There's a lot of hard work that goes into keeping our Club shipshape, and the Governors do it all on a volunteer basis.

See you around the Club this fall. Probably wearing an OSU sweatshirt. Go Bucks!

**Governor  
Dave Stewart**

## Race and Regatta

We're getting into it, now! We had races on July 15th and three protests. The wind averaged about 6 mph during both events with a 14+ mph burst at 3:04 p.m. First race results were: 1st – Chuck Bendig, 2nd – Bill Reynolds and 3rd – Russ Green.

Second race was: 1st – Bill Reynolds, 2nd – Russ Green and 3rd – Don Harris.

Thanks to Russ and Pam Green, Jim Owen, Bob Snow and (of course) Sally for their help before, during and after the races.

We were unable to address the "protests" because most of our "race committee" people were in route to Put-In-Bay for the I-LYA Junior Sailing Regatta. Sally and I went up on Tuesday and returned on Thursday. We had a great time. It'd been at least twenty years since we'd been to Put-In-Bay. It's strange; but, I could not see that much change. It was kind of like stepping back in time.

Prior to racing on July 22nd we convened a "protest committee" to hear the three protests from July 15th. Thank you Stone Parker, Tracey Davis, Gerry Besanceney and Bob Snow for helping resolve them.

We sailed three races on the 22nd. Results for Race #1 were: 1st – Chuck Bendig, 2nd – Don Harris and 3rd – Russ Green.

Race #2: 1st Chuck Bendig, 2nd – Russ Green and 3rd – Don Harris.

Race #3: 1st Chuck Bendig, 2nd – Russ Green and 3rd – Mark Russell.

Wind readings ranged from 4.4 mph at 2:03 p.m. to 9+ mph at 3:36 p.m. Thanks to Joe Miller, Sally, Tom Green and Rob Harklau for their assistance.

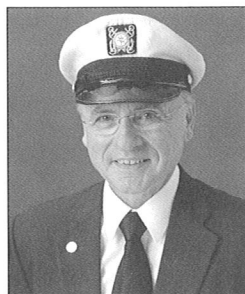

July 29th was another good day for sailing. Prior to the start of the 1st race I measured 7.4 mph wind at 1:45 p.m.: 5.2 mph at 2:02 p.m.: 7.2 mph at 2:49 p.m. and 7.7 mph at 3:29 p.m.

Race #1 results were: 1st – Bob Snow, 2nd – Don Harris and 3rd Chuck Bendig.

Race #2 results were: 1st – Rick Snow, 2nd – Bill Reynolds and 3rd – Chuck Bendig.

Race #3 results were: 1st – Bob Snow, 2nd – Don Harris and 3rd – Bill Reynolds. Thank you Sally, Russ Green and Tom Green for helping out.

Sunday, Aug 5th was not a good day for sailing (or any outside activity). The weather forecast was not good and proved to be fairly accurate. There was not much wind and there were showers from the east and showers from the west. There was also lightening and thunder periodically. At 1:30 p.m. we postponed the first race and at 2:00 p.m. we abandoned all races for the day. If we had started on time we probably would have had three boats (for a fleet); however, we

**Governor Don Day**

heard thunder while attempting to set a course and decided we did not need to be on the water.

Sept. 9th will be the last Sunday for Lambrecht Cup competition.

Sept. 16th we have the Porch Picnic, Election and Annual Meeting (at 2 p.m.). Everyone should plan on attending.

This will be my last log article as Race and Regatta Governor. When I ran for governor two years ago I told incoming Commodore Mark Russell that I would "help" for a couple years (one term). The time has flown by and I have fulfilled my pledge. Thanks to everyone for their help, support and encouragement. I feel that my time on the board was well spent (and eye opening). I would encourage everyone to become an "active" participant in "our" Club. You may be surprised what you discover and accomplish. Sept. 30th is Howard and Marie's BLYC "Jam." This is one event you do not want to miss.

Last; but, not least is the Snowball Regatta on Saturday and Sunday, Oct. 6th and 7th.

Thanks for the ride. I'll never forget it; and, thank you, Sally.

## Auxiliary

The next Auxiliary meeting will be the Annual Meeting and Election of Officers Sunday, Sept. 16.

Membership Raffle tickets were sent to members prior to Aug. 14, and Joni Campbell reminds members to get them in before Election Day when the drawing will be held.

The last two Auxiliary social events of this year were the Style Show and the Luncheon Card Party. The weather was perfect for dinner on the porch the evening of Saturday, July 28. The James Store of Granville and the Lake House of Buckeye Lake presented the "Night of House and Fashion". Thanks to co-chairs Joyce Thorp and Ruth Ann Kent, our member models and their escorts. Also thanks to Brenda Gore for loaning so many of the good looking hats worn our models. Silent auction and raffle ended at 9 p.m. and music was provided by the Kay Carter Band 9 to 11.

Fifty members and guests enjoyed luncheon and an afternoon of cards on August 9. 50-50 drawing was won by Lee Eubanks. Co-hostesses were Ann Oliver and Plyllis Flynn.

Thanks to Sally Day for the "Porch Sale" she held one Sunday afternoon, selling some of our older Showcase merchandise and taking in \$265 for the Auxiliary. Joni Campbell reports the Showcase Sale at the Wooden Boat Show was very successful, so thanks go to Joni, Sally Day and Donna Parker for their work that weekend.

## Junior Sailing

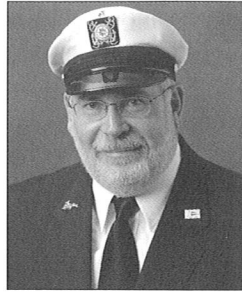

Now that our sailing season is over, I would like to thank the Sail Team for two great years as Jr. Sailing Chairman. This has been a very good experience for me and hopefully for you. Your willingness to succeed made this a very easy job for me, Thank you. I would also like to thank the parents for support and advice during my tenure. I look forward to continuing our friendship and working with you in the upcoming years.

As you know your donations to our Jr. Sailing program is tax deductible. Tom and Barbara Simkins, thank you for your support, your contributions are very important to the program. Gus Schell your support over the years is greatly appreciated, thank you.

A few weekends ago I had the privilege of meeting Mimi Geiger's family, and giving them a short tour of our lake. I think they enjoyed the tour. I know I enjoyed showing off a little slice of our life on the lake. They also made a donation to our Jr. Sailing program in memory of their father William Horton. Thank you John and Mimi.

Our Summer Sailing Camp program has concluded for the year and we served 40 campers. This is a program that develops confidence and independence in our campers and they leave with a knowledge of sailing and experiences that will last a lifetime.

I appreciate the member support of our Club and its activities. Thanks,

**Rear Commodore  
Will Price**

## House & Grounds

Hello Members, I hope this finds you calm, COOL and collected. As I write the humidity stands at 90%!

This has been a great summer at the Club, great parties and entertainment, clear-blue pool and the beautiful view up and down the lake. In addition, we have many new folks who have applied for membership, so please take the time to read the applications which are posted to the left of the member board in the main room of the Club. We appreciate your input. Now is the time to approach friends that would enhance our Club by inviting them to join. They will get 16 months of membership and experience the Fall season at the lake for the price of one year's membership. What a deal!!!

I have had no complaints regarding "House and Grounds" so I will take that to mean that all is well. If you see anything that needs attention or you have ideas to make our Club better, please do not hesitate to email me or pick up the phone. I can be reached on my cell at 614-452-0295.

Hope to see all of you soon. But for sure, on election day with breakfast on the porch.

*Sue Ann*

**Governor  
Jeryne Peterson**

## Publications

I can't believe the year is almost over. Time really does pass us by. It has been a pleasure serving you this year as Publications Governor. The future of our Club is in all our hands and we need to strive to make it better by using the Club often. We need volunteers. Many of the events and activities that you have come to enjoy don't just happen. Our Club members help to orchestrate these and volunteers are always needed. I would like to personally thank all those who volunteered their time, energy and funding in helping make 2007 a successful year.

We will soon have a new Commodore and I am not sure what duties I will be assigned for the coming year, but whatever the Commodore assigns me I will give it my all. Remember to keep smiling and I will see you at the Club.

Thank you,

*Jeryne Peterson*

## Entertainment

Thanks to everyone involved in making this year's Luau and Boat Show so successful. September is an interesting month in that it ends one year and begins the next. It is still my job to begin booking the key entertainment events through New Year's Eve even though I am not officially the Entertainment Governor for 2008. That is to insure continuity in the schedule. With that goal, I have booked a new group for a special dinner night on September 21. Please welcome, appearing as a vocal and instrumental trio, our very own Tiffany and Ashley together with Caity from "The Island House." You will be flat amazed, as I was, at how well they sing together. Tiffany and Caity have placed very well in several recent, area talent shows and Ashley holds the singing together with her great voice. So be sure to come out and enjoy a group that actually sings harmony.

On September 30 we welcome back what has become, thanks to Howard Everett, a BLYC tradition, "The Rock and Roll Jam." Howard has invited our members and his many musician friends to come to the Club and entertain us. So please accept his invitation to a very special event.

I have asked Sue Harris and Donna Parker, and they have graciously accepted, to serve on a committee to find Club members and spouses to act as hosts at our significant social events. If you have a special event that you would like to host

**Governor  
John Sproat**

( Halloween Party, Beat Michigan, Christmas Party, New Year's Eve etc.) please contact Sue or Donna.

See you at the Club.
