

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

October, 2007 - Vol. 17 Issue 10

Commodore Joe Campbell

I still remember the day that Commodore Jim Shriner agreed to be my sponsor for membership in the Buckeye Lake Yacht Club. I never dreamed that one day I would be Commodore myself. I am both flattered and humbled to be in charge of this Bridge for the next year. Joni and I are looking forward to what promises to be a very good year for the Club

The new governors this year are Rick Henderson, Robert Zeiher, and Scott Evans. Governor Don Harris was re-elected to a two-year term and will serve as Rear Commodore. Rear Commodore Will Price will be our Vice Commodore.

My vision for the Club during the coming months is to make the BLYC an enjoyable experience for all of our members. We have an outstanding Club with something for everyone. Our junior sailing program is one of the best in the ILYA. How many Clubs do

you know that bring the entire Board of Governors to Put-In-Bay to support their junior sailors? My guess is not many. We also have the gun club, the Auxiliary, the Commodore's Association, the racing and regatta program, an outdoor pool, an ample supply of docks, a Bar and Kitchen, a storage facility for boats and trailers (complete with a hoist for member use), ten rental garages, and two rental homes. Is it any wonder that it takes a lot of effort to manage an enterprise of this size?

I am asking each of you to help your Club this year. Volunteer to help with an event. You will make new friends and enjoy your time at the Club even more. The Board of Governors cannot do all of the work on their own. They really do need your help.

Commodore Kent did a wonderful job of managing our finances last year. We improved our bottom line by over \$40,000. He did this and still was able to improve the docks in the front basin. I will attempt to match his efforts in the coming year.

In closing, I would like to thank my wife for all of her efforts last year. She managed to surprise me on Election Day by making sure that all of the members of her family and mine attended the reception. My mother, my two sisters, my two brothers, her mother and stepfather, her two sisters, and her brother were all there. Thank you Joni.

Entertainment

It's time for OSU FOOTBALL and ROCKTOBER

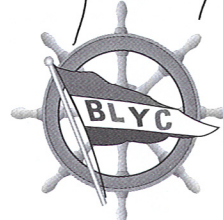

. We open the month with the Snowball Regatta on Oct 6 and 7. Saturday night, Oct 6, a new band, "Southern Fried Rock", is playing from 8:00 to 11:00 p.m. They play an exciting mix of southern rock and blues. You'll be dancing to music by Lynard Skynard, Stevie Ray Vaughan, ZZ Top, Jimmy Buffet, Eric Clapton, Bob Seegar and many others.

On Oct. 20 and 21st, we have the Thistle Regatta. The music on Saturday night starting at 8:00 p.m. is provided by "Boley and Fink." They are a fun duo so bring your friends and come out to BLYC.

Oct. 27, we welcome back the "Unsung Heroes" performing from 8:00-11:00pm. for our annual Halloween Spooktacular. Be sure to wear your best costume. You may win a prize. Also remember to watch all the OSU games that are televised right here at the Club.

See you at BLYC,

John Sproat

Governor John Sproat

Membership

It's hard to believe I am writing my last Log article. By the time you read this, the Club will have a new Membership Governor, and I want to wish him/her all the best in continuing to bring new members (and former members) to BLYC. They truly are the lifeblood of the Club we all love.

**Governor
Dave Stewart**

It is important to note though, that Membership is not just the job of the Governor in charge. During the past year, we welcomed 18 new members and 16 former members into the Club, and that obviously was not all my doing. It's a tribute to our Members who saw fit to mention joining the Club to their friends, family and neighbors. We always say we are the best kept secret in Central Ohio... but don't be afraid to share it! If every current Member would ask one friend, relative or colleague to consider joining – of if even half would – our Club would be assured of having a strong and vibrant membership for years to come.

Enough of the sermon, but please do consider sharing our Club with prospective members. They will thank you for it.

At our September Board meeting, we were very active on the Membership front. We had second readings for two applicants and welcomed them into our Club, first readings for two more potential Members and we welcomed back four former Members under our amnesty program.

First the newest Members, as approved by the Board with the second readings of their applications. They are Randy and Bonnie Ganz of Pickerington, and Charles and Bobbe McClenaghan of Dublin. Congratulations and welcome to the Club!

First readings were held for: Sherry Powell and her husband Andy of Buckeye Lake. Sherry is a principal in the Columbus Public School District, and both she and her husband have their Masters Degrees from Ohio State. They also own a Crownline boat.

David Boothby and his partner Jerry Merritt of German Village. David is the president of Gay Street Realty and is active in the German Village Society. He is contemplating the purchase of a pontoon boat.

You can read more about our new applicants on the Membership Board in the corner of the dining room. You may also pick up applications to share with potential new Members there.

We would also like to welcome back the following Members who rejoined the Club in September: Kerry Keiner, Clark Buck, Charles R. (Carl) McCloud and Jeffrey Robb.

In closing, I would like to thank everyone once again for their support and suggestions during the two years I served on your Board of Governors. I would also like to recognize the new Board of Governors, the former Board and all of the past Governors and Commodores. They are an exceptional

group of people who have the best interests of your Club at heart. Overall, it has been a wonderful experience and helped us get to know so many of our Members.

Most of all, however, I would like to thank my wife Lisa for the hours she dedicated in trying to keep me organized and on track. Unfortunately for her, that responsibility doesn't end with the conclusion of my term on the Board, we just direct it to different areas.

Best wishes to all in the months ahead. See you around the Club. And... Go Bucks!

Auxiliary

Auxiliary members met for their annual meeting 2 p.m., Sept. 16. Election of officers was held and President McFall turned over the gavel to newly elected President Shelly Higgins who introduced her board: Vice President Terri Beck, Treasurer Rosalyn (Ro) Miller and Secretary Jane Kenney.

Joni Campbell reported a successful year for her committees... showcase and raffle. Drawing was held for the membership raffle... winner was David Wills.

Three things of importance as we start this year are: Dues, new members and e-mail addresses:

DUES: Please send your \$20 dues to Ro Miller at the Club address.

NEW MEMBERS: Bring a guest to meetings, invite new Club members and remember spouses are also welcome as members.

E-MAIL ADDRESSES: Our postage expenses have been high and furnishing your e-mail address for meeting notices will be a great help. Please send your e-mail address to: higginsmmm@hotmail.com

Terri Beck is working on plans for the next meeting, Thursday, October 11, so watch for notices, make your reservations and bring a friend.

Race and Regatta

My bad! I thought you were finished with me; but, I miscalculated my remaining time. Due to the necessity of writing our "articles" the weekend before our monthly meeting you must put up with my "ramblings" one more time. The next Log article you read will NOT be written by me. Promise!

Governor Don Day

Sunday, Aug. 5th, we were greeted by rain and thunder. We postponed at 1:30 p.m. and abandoned at 2:00 p.m. There was no change in the Lambrecht Cup standings. We have four (4) skippers qualified thus far. They are Chuck Bendig, Russ Green, Don Harris and Mark Russell.

Sunday, Aug. 12th, was the Wooden Boat Show. We did not plan to sail on this day. There was no change in the Lambrecht Cup standings.

Sunday, Aug. 19th, we did manage to sail two (2) races. The wind measured at 10 plus mph at 1:10 p.m., 4 plus mph at 2:19 p.m. and 8 plus at 3:04 p.m. Finally, some decent wind. The results of the first race were: 1st – Russ Green, 2nd – Bob Snow and 3rd – Mark Russell.

Results for the 2nd race were: 1st – Bob Snow, 2nd – Russ Green and 3rd – Mark Russell. Thanks to Russ Green, Stone Parker and Sally for their help before, during and after the races.

Sunday, Aug. 26th, no wind, again! We postponed at 1:30 p.m. and abandoned at 2:50 p.m. Thanks to Tom Green, Russ Green, Don Harris, Stone Parker and Sally for helping.

Sunday, Sept. 2nd, no wind, again! We postponed at 1:30 p.m. and abandoned at 2:30 p.m. Thanks Tom Green, Stone Parker and Sally.

Monday, Sept. 3rd, we regretfully sailed the Labor Day Long Distance "marathon." We once again had questionable wind; however, we had five skippers who wanted to sail and I had three trophies and medals I wanted to award. After a two hour delay we started the race at 1:01 p.m. with winds measuring 4 to 5 mph and not constant. To make a LONG story short it took the first place boat (Bob Snow) 2 hours and 48 seconds to finish. The second place boat (Don Harris) took 2 hours, 32 minutes and 40 seconds to finish. The third place boat (Bill Reynolds) took 2 hours, 56 minutes and 28 seconds to finish. Two boats (Stone Parker and Scott Evans) dropped out. Thank you Stone and Scott! Thanks to Russ Green, Tom Green, Don Harris and Sally for helping.

Sunday, Sept. 9th, was another day to forget. Sally and I arrived at the Club at 11:00 and walked in rain to the island. The forecast was not good; however, a few hardy skippers showed up. We postponed at 1:35 p.m. and abandoned at 2:10 p.m.

Thus ends the Lambrecht Cup competition for the 2007 BLYC sailing season. We managed to sail a total of twenty

races in all, with Russ Green competing in all twenty. You had to sail a minimum of fifteen races to qualify with your best ten finishes contributing to your final score. First place went to Chuck Bendig. Chuck started 16 races (finished 15) and his final score was 13. Second place went to Russ Green. Russ started (and finished) all 20 races and his final score was 17. Third place went to Don Harris. Don started 15 races (finished 14) and his final score was 23. The last skipper to qualify was Mark Russell. Two previous winners (Bill Reynolds and Bob Snow) failed to sail the required number of races to qualify. Awards will be presented Oct. 7th at the conclusion of the Snowball Regatta.

We had a total of sixteen Sundays set aside for the Lambrecht Cup competition. The first three Sundays were cancelled; but, the balance of June and July were very good to us with eight straight Sundays of racing. August and September we only sailed one of five scheduled Sundays.

Please, plan on attending the Snowball Regatta on Oct. 6th and 7th. This year will be our sixty-first event and we usually draw boats from all over central Ohio and neighboring states. This is not a "sailors only" event – none of our events are. So, I urge you to come out and enjoy some good sailing and make a lot of new friends.

Well, now that I've brought you up to date (sailing wise) I'll sign off AGAIN. I wish nothing but success to the new Commodore, Vice-Commodore, Rear-Commodore and all six Governors. I know how hard we all worked in 2006 and 2007. I know the new board will continue to work for the success of the Club and I urge ALL of you to consider running for office. We all know how easy it is to be a part of the problem – I challenge all of you to be a part of the solution.

Junior Sailing

This is my last article as Junior Sailing Governor. By the time you read my article, new officers and Board members will be in place. I will be working with the new Junior Sailing Governor to provide a smooth transition of leadership for our sailing program.

Our Junior Sailing Spaghetti Dinner fundraiser was a great success. Thank you to everyone who came out, contributed, and purchased items in the silent auction. This is an important event for our junior sailors. They enjoyed serving you and promoting our program and I enjoyed showing them off. They are a great group of young people and I am very proud of their sailing achievements and the way they present themselves. The parents are the foundation of our program and they worked very hard at putting together the dinner and silent auction. Our entertainment for the evening Jr. Sailor Andrew Kellogg on piano, THANKS ANDREW. Last but not least, the slide show on the big screen compliments of P/C Greg Miller, thank you Greg.

I would like to thank everyone involved in Junior Sailing for his or her assistance and support during my two years as Junior Sailing Governor. It has been a very rewarding experience for me, and I am sure it will be a great adventure for my replacement.

I would be remiss if I did not once again request donations to our Junior Sailing program. As the end of the year approaches, remember that donations to our junior program are tax deductible. Thanks for your continued support.

As the leaves start to turn and we head into fall we will begin another year of the BLYC Gun Club. Lee Glenn has graciously agreed to run the program. Activities will begin in early November. We welcome new shooters and it is an excellent way to enjoy the Club and the lake. More information will be coming in future issues.

The Buckeye Lake Yacht Club Jr. Sailing Team's Spaghetti Dinner and Silent Auction was a great success! The team would like to thank the Yacht Club Members, their families and friends for attending the dinner, donating gifts, and purchasing gifts. We'd also like to thank Cherry Valley Lodge for donating salad dressing and pasta, Max and Erma's Restaurant on the Boulevard for donating breadsticks and salad, Pizza Cottage Restaurant for donating spaghetti sauce and meatballs, and the BLYC staff for their help and the use of the kitchen and Club facilities.

The team appreciates your help, generosity, and support. THANK YOU!

House & Grounds

Hello Club Members. It is so hard to believe that summer is over. It went way too fast and the terrible heat wave in August was exhausting. But here we are ready for fall. I can't wait for those Indian summer days on the lake and the leaves turning those great autumn colors. Be sure to make a trip out to the Club to enjoy a spectacular sight!

I enjoyed my year as House and Grounds Governor. Chuckie accomplished many things, among them: painting the porch, re-painting the handicap spots so that the signage is visible, providing a sparkling clean pool, and general day to day upkeep that is invisible to the eye. Brian Casto and a small army of Ladies' Auxiliary members kept the grounds looking beautiful. I want to thank all of you for making my job the easiest on the Board.

But now I am headed into uncharted waters. My new assignment is Junior Sailing Governor. Yes, I took sailing in college. You got to wear a bathing suit, be in a small boat with guys and get credit for it. I even made sure my kids took sailing lessons right here when they were kids. But over time my minimal knowledge and skills have slipped away. Now getting into a bathing suit is not fun in any way!

I was excited yet intimidated about this new challenge. While the administrative junior sailing position does not require sailing, I wondered how I would have any credibility with the kids on the team and the parents. So while I was in Niagara On The Lake last weekend I grabbed the opportunity to sail on Lake Ontario. The daughter of the B&B proprietor is an excellent sailor and is planning a year-sail with her family. I was at the wheel of a 28" C&C racing boat for 4 hours in the afternoon and 5 hours that night (a story for another day that is all about horrendous headwinds. My neck ached from watching that we didn't go "into irons." Until then I thought irons were the clubs I hated most in my golf bag. But we hit hull speed of 7 knots which made it fabulous fun!!!

I look forward to getting to know the junior sailors and their parents. I look forward to learning so much more about sailing. And I really look forward to breaking the record for raising money for this great program.

BLYC is now a Wi-Fi Hotspot!

If you don't already know, we are now a "Hotspot" at the Club. Wireless internet access is available FREE to members in the Clubhouse and most of the outside areas of Watkins Island.

Imagine yourself sitting in a drab office cubicle, trying to avoid your annoying co-workers, drinking stale coffee, and thinking... "I wish I could leave this place and go out to the lake." Now, imagine yourself sitting poolside at BLYC, relaxing in the sun and lake breeze, sipping on your favorite drink, and still being able to get some work done! NOW YOU CAN!

Grab your laptop, tell the secretary you're going on a sales call, and come on out to the Club!

Why work in the office, when you can relax and enjoy all our lake and Club have to offer? Summer's short — enjoy it while you can!

I-LYA NEWS

Good evening, all!

As many of you may know, there was a meeting about Senior Sail last evening. The meeting was called because of the issue with dockage at the Bay. At that meeting, it was decided that the only way we could address the issue was to change the schedule for Senior Sail.

Today, I've received confirmation that the 2008 schedule for I-LYA will be: Junior Bay, July 13-17; Christmas in July, July 25-26; Power Boat Regatta, July 30-Aug. 2; Deepwater Races, Aug. 6-7; Senior Sail, Aug. 8-10. These dates will be posted on the I-LYA website shortly.

Relative to Junior Bay, note there will be a condensed schedule in the Sears, Smyth and Bemis Quarter Finals and Semi Finals. The Finals are hosted by the Chicago Yacht Club Belmont Station on August 27-28. This is as far as we know a one time date compaction for 2008 only. This is dictated by USSA.

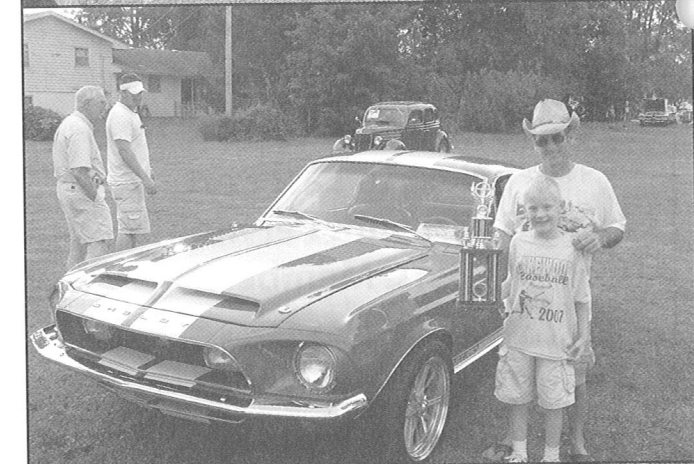

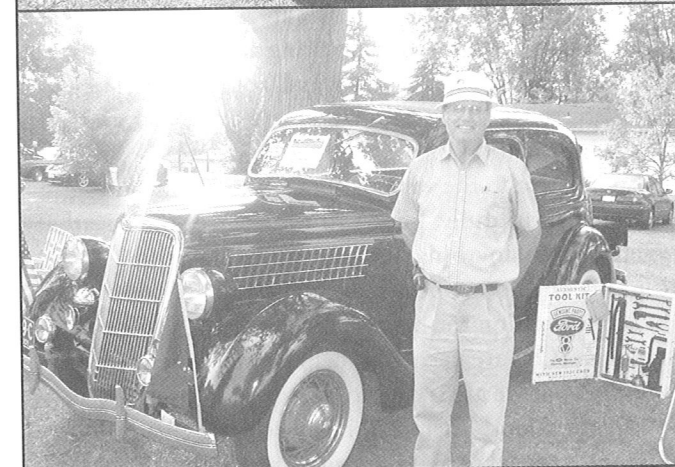

There are many issues yet to be resolved, and we are working hard on them. We hope to have surveys sent out to all who participated last year, but, because there is a posting on the "Sailing Anarchy" website, at: <http://www.sailinganarchy.com/forums/index.php?showtopic=59535> we need to share this information with you at this time. Interestingly, this posting shows it was started at 4:35pm, but the I-LYA meeting didn't even start until 6:45pm!

Sail Chairs Ed and Abby Skoch are working hard, as is our Island Liaison Committee, to bring things together for a presentation at the I-LYA meeting in December at the Holiday Inn Perrysburg. PLEASE plan on attending, so you can get all the information firsthand, and complete.

Also, relative to the web posting, there is much negativity presented. Truthfully, I don't think ANY of the negativity is presented from anything but an emotional position. WE are thinking and acting positively, on your behalf, to make the dockage situation the best we possibly can. WE can only do so much. YOU are needed to help us move forward. In order to do what we are trying to do, we will absolutely need advance reservations. There will be more to discuss in December, but we need to keep a positive attitude.

Thanks for any positive feedback you may provide, but please, sign your name so we can contact you for clarification if needed. The Sail Committee will be sending a survey through snail mail. You may send me emails, and I'll be glad to forward them to the Sail Committee. Just please keep in mind that all communication needs contact information, including your name, not just your email address, so we can identify you.

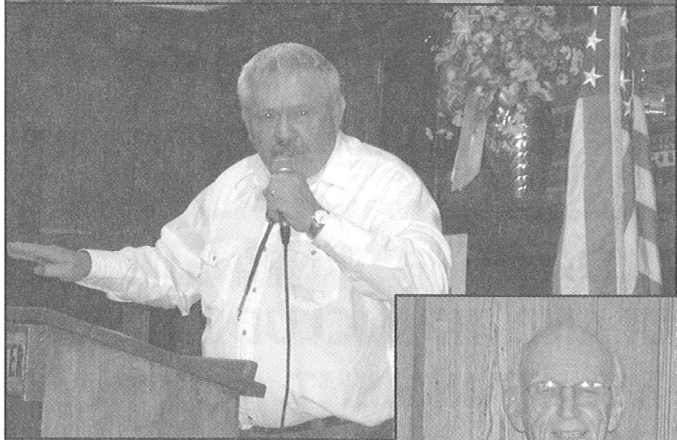

Again, thanks for your help and support!

Dining Room Remodel Starts October 8th

We will be closing off the area on Monday the 8th and our goal is to have a completed project by the weekend of October the 20th. In the meantime, the fireplace room and porch (as weather permits) will be utilized for dining at the Club.

This Club can use your assistance to help make this project happen! All the materials are ready and member labor will make this renovation a reality. If you have not already been contacted by P/C Russell personally or if you're busy and your way of helping out is to make a small donation, please do not feel left out. There's still plenty of opportunity to be involved.

Our Club is great because of the assistance of members like you. To help on this major project, to improve your Clubhouse, please take a moment and call Mark Russell at (614) 395-6597 and let the Club know how much you care and want to see BLYC grow.
