

# Buckeye Lake Yacht Club

## FROM THE BRIDGE ☆☆☆

**Commodore Joe Campbell**

I am pleased to announce that our drive to attract 100 new members in 100 days is well on its way to being a roaring success. As of this writing, we have applications for 46 new members! Make sure you take the time to introduce yourselves to the new members. Make them feel welcome; we are all one big happy family.

One of the privileges of being Commodore is planning a huge event for the season. This year we are featuring a Put-In-Bay party the weekend of June 14. Governor John Sproat is working overtime to make this a weekend that everyone will remember for years. John Schwab of "McGuffey Lane" will perform Friday, and Pat Dailey will be at the Club on Saturday.

I selected the feature act for the weekend. My friend Pat Dailey will be the featured on Saturday July 14. Most of you know that Pat performs at

Put-In-Bay and Key West. He is often referred to as the "Jimmy Buffet of the North Coast." Pat is a one-man show. He shows up with his guitar and sings songs that he has written himself. After a stint in the Marine Corps, Pat opened for the late Don Ho. He eventually arrived in Cleveland and headlined at "The Hairy Buffalo." Then he discovered Put-In Bay. He became the longest performing artist ever at the "Beer Barrel."

He noticed that no one was showing up on South Bass Island during the winter months and tried his hand in Key West. He has performed at the world famous "Sloppy Joe's Bar" for over 28 years. If you have ever been to Key West, you know that a cover charge for entertainment is a rare occurrence. Sloppy Joe's charges a cover to see Pat Dailey!

Pat will be at our Club on June 14. The cost for members is \$15. If you want to attend this show, pick up your tickets from any Board member or see Lisa at the bar. We are selling reserved tables if you purchase tickets for the entire table. Do not wait to get your tickets because this show will sell out quickly.

If you want more information on Pat Dailey's background please visit [www.patdailey.com](http://www.patdailey.com). You will learn that one of the biggest influences in Pat's life was Shel Silverstein. Shel wrote "A Boy Named Sue" for Johnny Cash, "The Unicorn" for The Irish Rovers, and, he wrote the lyrics and music for "The Cover of the Rolling Stone."

Shel lived in Key West and met Pat Dailey at "Sloppy Joe's". Shel was so im-

pressed with Pat's writing talent that he encouraged Pat to collaborate on several original songs that Pat still plays today.

## Bar and Kitchen

At this time I would like to thank our members for their support during our winter season. The weekly specials were well received; Wednesday continued to be a big night with our Crab Legs. We will discontinue our winter specials during the upcoming summer season but will still offer the perch dinner and prime rib on Fridays. In place of the specials you will see all of our summer activities and events with special menus.

As you look around the Club you will see some new staff faces. We are starting to hire our summer help in anticipation of a strong season. Please welcome them to our fine Club. While you are checking everything out at the Club don't forget to introduce yourself to our new members, you will be surprised how many new faces there are. Also take a look at the membership bulletin board to see their pictures and applications.

As always, we welcome your comments and your compliments. Please

**Vice Commodore  
Will Price**

feel free to talk to me about any concerns you might have about our Club.

We have two new ice machines and are going to offer ice for sale from the bar. We are bagging 8lb bags so you can check with the staff anytime that you need ice for your coolers. We are also considering upgrading our beverage license to include a "to go" permit. There will be more news on that later, or just ask when you see me.

Remember that our goal is to make your dining experience with us enjoyable. If you have a special request please let the chef or your server know and we will try to have it prepared for you. If you have menu suggestions or special needs please let me know.

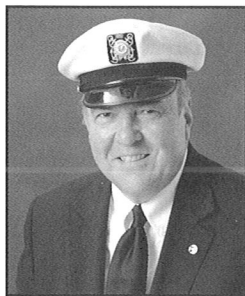

We are approaching our summer season when you will see our Jr. Sailing Team working out on the lake. Please remember that your cash contributions are very important to the survival of this fine program and is tax deductible.

*Will*

## Entertainment

With May comes the return of Club favorite Michael Sutherland on the 10th and his tribute to Frank Sinatra and friends. Michael is a consummate entertainer and his show keeps getting better and better. At his last performance he even did a musical tribute to the "King" Elvis. Be sure to make reservations for this one!

On May 17th we feature the Commodore's Ball with music for dancing by the popular Jack Graham Band. On

**Governor  
John Sproat**

May 23rd we welcome for the first time at the Club superb guitarist Terry Efaw. We round out the month with the return of the Paul Clark Band for the "Beach Party." Just as a reminder that's the last day in our membership drive, so please bring out all your prospective members as guests.

Be sure to mark your calendars for "Put-in-Bay Days" June 13 and 14, with the Pat Daily Show on the 14th, and the Antique and Classic Boat Show June 20 and 21. Things are hoppin' at the Club so be sure to come out and be part of the excitement.

See you at the Club,

*John Sproat*

## Rentals & Docks

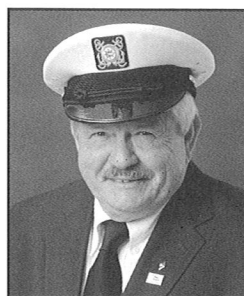

Well the weather is warmer. The East Port lot is full of activity. People are getting boats ready to go in the water.

The new membership drive is working well. New members and their guests are filling the Club bar and dining room.

We are nearly out of docks; I expect to have a waiting list by the end of May. As always we need to thank many of you who are always there to help whenever we ask. As I have often said, BLYC is a lot like heaven, and you don't have to die to get here. If you have space at the East Port lot but are not sure which is yours, I have put a list inside the Red Building.

See you at The Club,

*Bob Zeiher*

Bob Zeiher**

## House & Grounds

Spring Clean up was a success.

I wish to thank everyone that helped get the Club ready for spring and summer. The following members were on deck to help get us ship shape: Bob Zeiher, Robert Zeiher Jr., Wes Zeiher, Jim Thomas, Bill Boehm, Barb McFall, Jim McFall, Mike Comp-ton, John Browne, Caleb Browne, Matt Davis, Tracy Davis, Mathew Davis, Michael Davis, Barb Huffman, Ron Huffman, Dan Bosworth, Scott Evans, Joe Campbell, Will Price, Bob Snow, John VanGilter, Walter Grubb, Sue Ann Reulbach, Lee Glenn, Steve Harris, Tom Heisey, John Sproat and Jeryne Peterson. If I missed you that means that you did not sign in but a big thank you anyway. The cupola was painted and looks great. A special thank you to Tom Heisey for climbing the ladder to clean the windows to the cupola now if we can get the plexi-glass off the outside we can clean the exterior parts and we will be shining bright.

I have many projects to get finished when the weather breaks. We will be doing much needed work on the garage in the parking lot. The pool is scheduled for the spring opening. I will be working on the sidewalks to have concrete put down. There are many projects to finish and some to get started on.

Want to remind you of the Adult Party box to raffle off. It will work the same as the last. Tickets will cost \$5.00 for one or \$20.00 for five. You will be able to purchase tickets from Lisa or Troy or ask your wait staff. I hope that we can get the same energetic participation that we did from the first box.

Hope to see you all at the Club very soon.

**Governor  
Jeryne Peterson**

*Jeryne Peterson*

## Membership

I have been busy trying to keep up with all new members coming in, I just about forgot to get my Log entry completed and sent in. Our membership drive has been a huge success thus far. With a little less than two months into it we have already received 42 new applications and only expect the pace to pick up through April/May. The big red thermometer located just above the new member board is tracking our goal of 100 new members and is on its way up. We are on task to hit our goal, but we can't do it alone. I would like to remind everyone to get out there and get those new members.

Here is a list of some of our open up coming events. Check the web for more details. [www.buckeyelakeyc.com](http://www.buckeyelakeyc.com)

ILYA Cruise INN – April 19th  
(Southern Fried Rock)

Watkins Island Seafood Night  
April 26th

BEACH PARTY – May 31st  
Membership Drive ends at Midnight!!  
(Paul Clark Band)

All potential new members attending these events will be identified with nametags, so please show them your hospitality by introducing yourself and answering any questions they may have about our Club.

So far in our membership drive, we have 42 new member applicants. 10 of them have had their second readings and approved in March and 7 at our April meetings. The new members for April are: Thomes Lee, Edward Hayes, Don Haven, Tony Durieux Sr., Tony Durieux Jr. and Jeffrey Graham. We also had a record setting 25 first readings in our April meeting and they are in order of application received: Tom Bainbridge, Dan Bosworth, Robert Zeiher II, Greg Groves, Thomas Baltzell, Brian McClelland, Steven Scott,

**Governor  
Scott Evans**

George Morrison, Matthew Glanzman, Jeff Simpson, James Galliher, James Weaver, David Hampton, Ronald Copley, Terry Harris, Robert Hegedus, Robert Ahrens, Lois Maher, Joyce Teti, Mike Mautz, Rich Dupler, Ben Englefield, John Cook, Linda Eisel, Joy Pratt and John Sowers. Their applications, photos and sponsor letters are posted on the membership board below the thermometer. So stop by and take a look. If you see any of our new applicants around the Club introduce your self and buy them a drink. I am also having the bartender (Lisa) collect photos of all our new applicants and post them on the member board in the bar area. If you see that she is busy feel free to ask for the Polaroid and take it for us.

Get out to your club, meet and mingle with our new members and have some fun.

See you there.

## Auxiliary

At the close of the evening April 10, I was instructed by a long-time member to report, "If you weren't at the April 10 Auxiliary dinner-meeting you missed a fabulous evening." A short business meeting was followed by an excellent three course dinner, starting with a plated salad, meat, potato and vegetable and ending with chocolate cake. Scott Klein of Heidelberg Wine Distributing led us through the meal, pairing the appropriate Columbia wine with each course.

Make your reservations for May 8 when you will enjoy our annual "Deliciously and Differently Decorated Tables." Several hostesses will delight you with their creative tabletop decor. Guests are welcome, including spouses.

June meeting will be our second annual Progressive Party. We will be traveling across to the South Shore for hors d'oeuvres and dinner, and back to the North Bank for dessert and coffee.

July 26 co-chairs Joyce Thorp and Ruth Ann Kent have arranged for Macy's to do the Saturday evening style

show.

It will be a busy summer, so get the Auxiliary dates on your calendars and remember to phone reservations to the Club.

## Publications

Sitting here watching the rain fall, I very much look forward to the end of the nasty weather and the Club's upcoming summer. The new membership drive has been

very successful and we anticipate greeting many new faces this summer. The Club has a reputation for the hospitality and I'm sure they will soon become well established.

We are returning to publishing the Log each month for the remainder of 2008. Anyone interested in placing an advertisement in the Log should contact me for the forms. Several forms have been mailed to business members to provide them the opportunity to inform the membership of their service or product. All funds received benefit BLYC.

Every effort is being made to ensure we have a variety of entertainment and activities for everyone's enjoyment. Please pass on your ideas and suggestions to a Board member for consideration.

Take care

## US Sailor of the week

**George Fisher**

"Us Sailor" has awarded George Fisher as their US Sailor of the week for March 19-25, 2008. If George Fisher is one thing, he is consistent. So consistent that he has competed in more than 50 of the last 60 Lightning St. Pete Midwinter Championships, even spending his honeymoon there with his wife, Marty, in 1953.

Aside from that, there isn't enough space here to include all the other things George is to his family and friends, but we'll give it a try. George is "modest, a gentleman yet a fierce competitor. It is a coveted spot to be on his boat," according to an old friend. George is "a great mentor, and has been a mentor for many sailors in a lot of classes," says his son Greg.

His efforts have not gone unnoticed. In 2001 he received US SAILING's W. Van Alan Clark, Jr. Sportsmanship Award and currently serves as that committee's chair. He is also current chair of the One Design Class Council. It all started in the late 1940's in Ohio where George started sailing and eventually bought his first Lightning, #721. He has owned 9 Lightnings since then and now races #15181, a boat that sailed him to victory at the 2007 Masters North Americans and the Masters Midwinters. He is also a past Masters NA champion in the Snipe and Flying Scot classes. He was runner up in the MC Scow Masters NA's and has won the Interlake Class National Championship 13 times.

Health issues have kept George off the starting line lately, but even at his last regatta he was sailing at the top

of his game. He was as proud of his 5th place finish at the 2007 Lightning Frigid Digit regatta in Annapolis last October as he was of his crew: his oldest son Greg, an accomplished sailor in his own right, and Greg's wife, JoAnn. Sailing has always been a family affair for George, who followed his children through junior sailing and beyond, never pushing but always encouraging. Now he is bringing up a new generation, supporting his grandkids and other junior sailors at the yacht club where he started, Buckeye Lake Yacht Club in Ohio.

## Submitted by I-LYA

As boaters, we need to participate fully in the request initiated by Boat US below. This action is requested so that our elected officials hear from us in large volume, so that our wish to remove recreational boating from the criteria currently being proposed. These ecological actions are needed, but for commercial vessels, and most importantly for ocean-crossing commercial vessels.

Now, the release from Boat US: March 19, 2008

We need your help now to pass NEW federal legislation in the Senate that would provide a permanent exemption for recreational boats from the upcoming EPA discharge permit requirement. Remember that if we don't get legislation passed, we all need to get EPA permits to operate our boats effective 9/30/08.

We appreciate the time that many of you have already taken to let your Senators or Representatives know your support of S. 2067 or HR 2550, "The Recreational Boating Act of 2007." Now there is a new Senate Bill #2766, "The Clean Boating Act of 2008," which is more politically viable, and our best chance to eliminate the permit requirement before it comes in effect on September 30, 2008.

Please pick up the phone or email today and ask your Senators to sponsor and vote YES for S 2766. Although Congress is on recess this week and next, we need their staff to hear from us so that this bill can move as soon as the Senators are back in Washington. Remember to contact both of your Senators: (Illinois, Indiana, Michigan, Ohio, Wisconsin)

happened. We are anticipating a great turn out of about 20 boats. The timing of this regatta coordinates with the Watkins Island Seafood Night at the Club, adding an extra attraction to both events.

Sunday sailboat racing will begin on Mothers Day, May 11th, with skipper's meeting at 1:30 and the first race at 2:00 p.m. Historically, Sunday races have been mainly the Cruisers, but all

classes are welcome. Just show up, and if there are enough for a fleet, we will have as many starts as necessary.

It looks like we may have enough Interlakes for a fleet this year. Interest permitting, we will try to have Wednesday or Thursday evening races for Interlakes, Thistles, Flying Scots, and anyone else who wants to participate.

See you on the water!
