

# Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

June, 2008 - Vol. 18 Issue 4

**Commodore Joe Campbell**

The only thing missing is the sun! The Club is an exciting place to be this year. Our membership drive has generated more than 80 new members, and they all are enjoying their time at our wonderful Club. Make sure you stop out and welcome all of the new members.

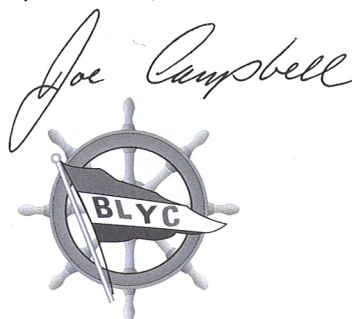

The Watkins Island seafood night was a sellout crowd. The Michael Sutherland show drew over 200 members to the Clubhouse, and we had a large turnout for Mother's Day. I would like to thank the staff for all of their hard work in making these events possible.

The month of June is packed with entertainment including the Put-in Bay weekend event that culminates with Pat Oiley on the 14th. As of this writing, every available table has been sold. On the weekend of the 20th, we will once again host our annual Antique & Clas-

sic Boat Regatta. That same weekend will also feature a 50's and 60's classic rock and roll evening with our own Governor Sproat doing the honors. Don't miss any of the fun.

Since my last article, we replaced or repaired several items at the Club. A 5-ton air conditioning unit that services the kitchen was replaced with a new unit. We now have a new cooler that we use to frost mugs for draft beer and glasses for martinis. This item has been out of service for over a year and our manager Troy found a unit that was in like new condition for a bargain price. Our pool has also been repaired. Last year we discovered a hole in the fiberglass liner that caused thousands of gallons of water to leak from the pool. We have repaired the liner and are replacing the underwater lights. The ladders and railings that enter the pool are also being repaired so they don't move from side to side.

Now if we can get some warm weather I think we are ready for the busy summer season. The Club will host several learn to sail camps this year. If you have a son or daughter that would like to learn to sail please take advantage of this opportunity. We can even teach adults to sail. I use the term "we" loosely. I can only sail in circles.

## Bar and Kitchen

By the time you read this article the membership drive will be over. While I am writing this article May 14, we have approximately 80 new members. If you have been in the Club lately you have noticed all of the new faces. A thriving Club with great participation brings its own challenges. We have for the last few years been able to enjoy the Club for dinner without making a reservation - just come in and get a table. While this is very nice for members, it is not always good for the business end of BLYC. Please assist us by making reservations for dining. We want to make sure that your dining experience is a positive one and there are a couple of ways you can help us out. When you arrive at your scheduled reservation time please be prepared to take your table. If you would like to go to the bar before you sit down to eat just let the hostess know and they will move your reservation to a new time. This will help us accommodate everyone and provide better service.

During May we have had outstanding membership participation. The dining room has been busy, and our staff has been on call to meet your needs. The Michael Sutherland night was a huge success and we accommodated over 190 reservations and walk-in customers. It is with member support like

**Vice Commodore Will Price**

*continued next page*

this that we can continue to offer great entertainment and great dining room service.

We have replaced the glass chiller in the bar area that has been down for several years, so please ask for a chilled glass when you order your beverages. Our pool is being prepared for another great summer season. To improve your swimming and sunning experience we are planning to have a roving server to take your orders at the pool this year.

We are trying to address all of your needs to make your visits to the Club more enjoyable for you, your family and guests. Please feel free to contact me with your suggestions; they are always welcome.

One brief note before I close, summer sail camp will be in full swing soon, please register your children, grandchildren and their friends for camp. Sail camp promotes safe water skills and provides wonderful memories of the lake. Your donations are tax deductible to our junior sailing program.

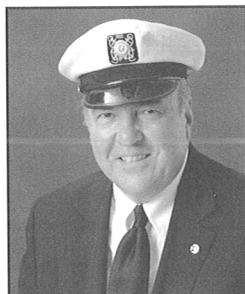

*Will*

## Entertainment

June is shaping up to be the biggest month ever for entertainment at BLYC. June 13 and 14 are "Put in Bay Days" on Watkins island. In honor of the "Key West of the North" we have scheduled a full weekend of great entertainment. Starting off will be John Schwab at 8 p.m. on Friday, June 13. Formerly of "McGuffey Lane," John is a super entertainer and a lot of fun.

On Saturday afternoon 2-6 p.m. we feature the return of "Southern Fried Rock" with their fine blend of driving 70's rock, blues and Jimmy Buffett classic boat tunes. The party will be poolside.

Saturday June 14 at 8 p.m. is the

**Governor  
John Sproat**

incomparable "PAT DAILEY." Pat continues to wow audiences at Put In Bay's "Boat House" and "Sloppy Joes" in Key West with his music and comedy. If you do not have tickets yet please come to the Club and get them immediately. This is a show you do not want to miss. We will have special menu items all weekend.

The following weekend brings the "Antique and Classic Boat Show." June 20 at 8 p.m. we have our annual 50s/60s party with DJ John spinning all the songs you love from that great era of dance music. We'll have some music trivia questions too! On Saturday afternoon 2-6 p.m. we bring back the "Don Beck and Tim Dittoe Duo" with great music you can enjoy while walking our Club docks and enjoying the beautiful show boats.

June will truly be big time at the Club and I hope you enjoy every minute of it. Also make sure to make plans to attend the ever popular Commodores Steak fry featuring the "Jack Gorham Band" on July 12, the return engagement of the "Original Majestics" on July 38, and the Auxiliary Style show with the "Kay Carter Band" on July 26.

See you at the Club,

*John Sproat*

## House & Grounds

Spring and summer are filled with many scheduled events. The weather has been causing a little problem with us being able to start some of the projects. I think that we

will see dryer weather soon and those projects will be able to be started and hopefully completed this year. We will be doing much needed work on the garage in the parking lot. The pool is ready for the spring opening. I will be working on the sidewalks to have

**Governor  
Jeryne Peterson**

concrete put down. I was hoping that we could get the irrigation system put in this year but with all the other items breaking down and the expenses that we have incurred I do not see that happening at this time. I think that the Auxiliary is going to make a schedule up and plan on watering the landscape this spring and summer. Many hours of planning and time and money went into the landscape around the grounds and it would be a shame to lose this to lack of being watered. I bring this up because in the past people such as Ruth Ann Kent, Joni Campbell, Paula Price and Michelle DeSantis were the ladies behind the scenes making sure that we all could enjoy the beauty of the flowers and shrubs. They personally watered the grounds by holding the hose over the beds and soaking them. Well, maybe next year we will be able to get the irrigation system installed.

Want to remind you of the Adult Party box to raffle off. It will work the same as the last. Tickets will cost \$5.00 for one or \$20.00 for five. You will be able to purchase tickets from Lisa or Troy or ask your wait staff. I hope that we can get the same energetic participation that we did from the first box.

I would also like to personally welcome each and every new member to our Club. I know many of you already, but look forward to getting to know all of you over the course of the summer.

Hope to see you all at the Club very soon.

*Jeryne Peterson*

## Membership

First of all I would like to thank you to everyone who has invited friends and family out to enjoy the Club. The board, and myself could not be more pleased with the amount of new and current members using the Club this early in the season. I think it is only more of what we expect to see for the upcoming summer season. With everyone's help and determination we are now at 76 new members (5/8/08) for the membership drive and I expect us to reach or pass our goal of 100 with ease and flying colors.

So far in our membership drive we have 76 new member applicants. 25 of them have had their second readings and approved in May. The new members approved for May are: Tom Bainbridge, Dan Bosworth, Greg Groves, Thomas Baltzell, Brian McClelland, Steven Scott, George Morrison, Matthew Glanzman, Jeff Simpson, James Galliher, James Weaver, David Hampton, Ronald Copley, Terry Harris, Robert Hegedus, Robert Ahrens, Lois Maher, Joyce Teti, Mike Mautz, Rich Dupler, Ben Englefield, John Cook, Linda Eisel, Joy Pratt and John Sowers.

We also had a record setting 29 first readings in our May meeting and they are in order of application received: Kevin King, Richard Wright, Micky Fullen, Daniel Dick, Thomas Sporleder, Jerome Klink, Mark Cruikshank, Richard Curry, Jeffrey Lyons, Gary Taylor, Robert Wolfinger, Michael Kent, Anthony Spring, James Gibboney, Mike Compton, Jeff Robertson, Robert Bell, David Sheetz, Michael Ennis, Michael Cassidy, Suzanne Brennan, Paul Sanzone, Chris LaPlante, Michael Shank, Karen Gudger, Brian Boling, Robert Marshall, Victor Doritan, Kendall Gill, William Stevens, Mike DiPlacido, Christopher McInturf, John Jacobs and Dean Woodyard.

**Governor  
Scott Evans**

Their applications, photos and sponsor letters are posted on the membership board below the thermometer. So stop by and take a look. If you see any of our new applicants around the Club introduce your self and buy them a drink. I am also having the bartender (Lisa) collect photos of all our new applicants and post them on the member board in the bar area. If you see that she is busy feel free to ask for the Polaroid and take it for us.

I hope to have the membership board nameplates updated by the end of June as soon as the drive is over. I also have several change requests by existing members that I hope to have corrected by this time as well.

Even though the drive will soon be over, we still need to remember: "new members, bring new ideas."

I will continue to have membership packets available on the wall just around the corner from the popcorn machine and online 24 hours a day at [www.buckeyelakeyc.com](http://www.buckeyelakeyc.com).

Get out to your Club, meet and mingle with our new members and have some fun.

See you there...

## I-LYA

I'm pleased to announce the placement of the West Marine discount coupon on the I-LYA website.

Please go to our website at <http://www.i-lya.com> and click on the "West Marine" line toward the bottom of the page. Print the coupon and take it to your West Marine dealer for discounts on your purchases.

We thank West Marine for their continued sponsorship of I-LYA, and hope all our members will benefit from the discount coupon.

Have a GREAT weekend, all!

## Publications

During a recent vacation, Marcia and I had the opportunity to visit the South Carolina Yacht Club on Hilton Head Island. This was our first experience at taking advantage of the membership reciprocity among other clubs. The club is only nineteen years old and lacks the history BLYC enjoys but they make it up in presentation.

The building is located in Windmill Plantation, which is a closed residential community. The club is in a harbor with several hundred docks for boat storage. The interesting part is that the club does not own the dock space. They have a few in the immediate area of the club but the remainder is owned by the residents. There is a large swimming pool and tennis courts located nearby that are owned by the club. In order for a boat to enter the harbor, it is necessary for them to enter a small lock, which levels the water level between the harbor and the river.

They have approximately 700 members and are supported by dues and food/bar income. They did provide me a membership application, if anyone is interested.

We were graciously invited to attend the evening brunch and who can say no to food. Several of their members were in attendance and very friendly to the strange couple eating their food. We found the club to be very hospitable and enjoyable.

We have a listing of clubs who enjoy membership reciprocity in our office. If you plan to travel, I suggest you check for a club in that area and give them a visit. The experience was very interesting and enjoyable.

**Governor  
Rick Henderson**

## Race and Regatta

The 2008 sailing season got off to a great start with the BLYC Mean Green Thistle Regatta on April 26th and 27th. This was the first event of the Mid-Ohio

**Rear Commodore  
Don Harris**

Thistle spring series, with subsequent regattas at Hoover Sailing Club and Leatherlips Yacht Club. We had 12 boats competing, including 2 from BLYC, skippered by Walter Grubb and Austin Miller. Steve Lavender from Hoover dominated the competition with 3 first place finishes and 2 seconds, to win the first place trophy. In second place was Jason Hubbard from Indianapolis Sailing Club, and Kyle Finefrock from Berlin Yacht Club finished third.

The first race of the BLYC Lam-brecht Cup Series was scheduled for May 11th, but failed to materialize due to inclement weather. We'll try again on May 18th, and each Sunday thereafter, with skippers meeting at 1:15 p.m. and first race starting at 2:00 p.m. It should be a great season. See you on the water!

*Don*

## Rentals & Docks

As we write this article in May for the June Log, over half of the docks on the west wall have been rebuilt, and we hope to have them finished by June 1st.

Thank you to those who have donated time and material to this project. Because of those people there has been no cost to

**Governor  
Bob Zeiher**

the Club thus far. Some future dock projects in mind are to repair the old section of Area 8 and re-install Electric to the new section

The hoist at Eastport has been repaired thanks to Bruce Pfahl and Will Price for their help on this.

Please make sure to lock the gates at Eastport and Area 8 when you use them. I and several others have often found them left open or unlocked. Unfortunately everyone walking the Tow path is not a nice person.

The Semi-Annual meeting has come and gone and we are now into Summer attire.

Thanks to the membership drive all of the desirable docks are gone and a waiting list has been started. We seem to be taking in an awful lot of nice people so come out and meet them!

See You At the Club!

*Bob Zeiher*

## AUX NEWS

The BLYC Auxiliary will hold its second annual progressive dinner on June 12th. Guests are welcome, including spouses. Members – we need to meet at the Club at 5:30 for a brief business meeting. Then we'll all be chartered across the lake to Connie and Rick Rueckel's home for hors d'oeuvres and drinks. Then it's on to Judy and Fred Bair's for the main course. Back to the boats for transport to the Club and dessert, which will be served by Chris and Mark Russell at their condo. The cost will be \$14 per person. This event takes extra planning, so please make your reservations by Friday June 6th! We hope to have a great turnout, and we would like to thank our hosts and hostesses in advance for what is sure to be a fun evening.

**NEW CLUB MEMBERS** – Join us for a terrific evening! Your first mates and you may want to join the Auxiliary when you see how much fun it is! If you join now, your \$20 dues will keep you active until September 2009.

## Auxiliary

The Progressive Dinner will be June 12. Members and guests will meet at the Club at 5:30 p.m. for a short business meeting, then proceed by boat. Since this takes a lot of advance planning, i.e. lining up the necessary boats, preparing food by the Club staff; and transporting the food to three locations, reservations should be made by phoning the Club not later than Sunday June 8. This should be a great evening, so please get your reservations in ASAP.

At the May 8 meeting Sue Harris presented a new plan for the Showcase, which was voted on and approved. Samples of items for sale will be on display in the show case, but orders will go thru the web site, where showcase merchandise will also be shown. Orders will then go to Twelve Point Graphics.

Also Ro Miller recapped expenses during the past year, which included new toilets in the ladies room \$680; \$1,543 blinds in dining room; \$3,000 toward the handicapped lift; \$177.50 Water's Edge and Leads \$177.50; \$655 new membership raffle winner; \$303.76 Children's Christmas party (including new Santa suit) and \$192.51 grab bars in toilet areas for a total of \$6,700.

The Auxiliary gained six new members at the April dinner... Mike Higgins, Tim Weisert, Rick Rueckel, Joe Miller, Larry Thorp and Don Day. Plans are underway to encourage new members and spouses to join the Auxiliary, and of course we welcome all members and spouses.

July 26 is the style show, put on by Macy's, and Joyce Thorp announced that Coidwater Creek has agreed to handle next year's style show. August 14 will be the card party which will wind up Auxiliary summer events. Please get reservations in as early as possible.

## Junior Sailing

IT IS TIME FOR SAILING CAMP AND SPOTS ARE STILL OPEN FOR A WEEK OF FUN.

So go to the website and download the application, fill it out and send it to the Club or call me at 614-452-0295 with questions.

Hurry up though because the first week of camp is June 16th.

This is a great opportunity for your kids and grandkids to learn a great skill and have fun at the same time. In addition, we have some really great sailors graduating out of junior sailing so there will be openings on the sailing team. The Club provides the boats and trailers and camp provides the sailors. And remember, the member-kids and grandkids can bring a friend who **ONLY PAY A BIT MORE** than a member.

Camp starts at 9 a.m. with plenty of sailing instruction. Lunch is provided by the Club and is always yummy. The sailors take a break in the afternoon for some swimming at our beautiful pool. Several spots have filled up so hurry to the web site and sign-up. What a great summer birthday present that will last a lifetime.

The junior sailors, parents and coach Ben France, had a meeting to map out the Travelers Series races and to plan for Bay Week. In addition, the sailing team has cleaned the storage garages, transported the boats to Eastport and tallied up a complete inventory of junior sailing possessions. Also, don't forget that Junior Sailing has 501 C 3 status which makes it open to charitable contributions which are tax deductible. So if you wish to make a "cash" contribution to the Scholarship Fund or have a boat or equipment that the kids could use, **REMEMBER** the junior sailors.

That's it for now... just a list of

happy thoughts filled with anticipation of a great summer.

SEE YOU AT THE CLUB AND BE SURE TO MAKE OUR NEW MEMBERS FEEL WELCOME!

*Sue Ann*
