

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

August, 2008 - Vol. 18 Issue 5

Commodore Joe Campbell

As I write this article, we are on the way to Put-in-Bay to support our junior sailing team. The Buckeye Lake Yacht Club sponsors a sailing team that participates in sailing competition through the I-LYA (Inter-Lake Yachting Association). The sailing season culminates each year with an area wide Junior Regatta at Put-in-Bay. Our team competes with other sailing clubs and Yacht Clubs from the Great Lakes region. Each year the Board of Governors and the Trustees conduct our July Board meeting at the Bay as a show of support for our junior sailors. We have our meeting on Wednesday and finish the evening with a picnic for the team, their parents, and supporters from the Buckeye Lake Yacht Club. Not many Yacht Clubs in the I-LYA offer that level of support for their teams.

The Yacht Club supports the junior sailing team by providing a qualified

coach as well as designating one of our Governors as the Junior Sailing Governor. This year the Governor in charge of Junior Sailing is Sue Ann Ruelbach. Sue Ann works with the parents and the coach to make sure our team is competitive. We also sponsor sailing camps where your children and grandchildren can learn to sail. The camps are like a farm team for our sailing team. If a child shows interest and has the desire to learn to compete, they can become a member of our Junior Sailing team.

Several years ago, a group of volunteers from our Club filed the necessary paper work to establish a tax qualified 501 C-3 status for our sailing programs. This status allows contributions to our sailing program to be deductible when you file your federal income tax forms. The money in this fund purchases equipment for the team and covers expenses for repairs and maintenance. It is a worthwhile endeavor and one that is worthy of your consideration. The parents also have fund-raisers throughout the year to help defray costs.

In addition to all of the above, we have two very generous members who have established a college scholarship fund for the most deserving high school senior on our sailing team each year. Howard and Rosa Clark established the fund and they make annual contributions. The scholarship fund is also tax qualified and anyone can make a tax-deductible contribution to this outstanding program. This year Howard and Rosa awarded the scholarship to two seniors. Evan Miller and Fritz Schilling both received a scholarship this year. Congratulations to both Evan

and Fritz, and a big public thank you to Howard and Rosa Clark. The long-term goal of the scholarship fund is to reach a point where the interest earned each year will pay for the scholarship and the principle amount will continue to grow.

See you at the Club.

Joe Campbell

Bar and Kitchen

I would like to thank everyone who has visited our Club this summer; so far it has been a very interesting summer. With membership at a new high we have continued to make additions to our staff to accommodate everyone. Our members have been very patient with us and I do appreciate it. We will continue to work through our growing pains and try to provide even better service to our members.

Our pool has been very busy with the warm weather this year, and we are looking at providing additional selections on our outside grill, your comments are welcome.

Please stop in during Happy Hour at the bar, our Happy Hour times are Wednesday through Saturday, five to seven. If you have a favorite draught beer that we are not serving please mention it to Troy our GM as he is always

Vice Commodore Will Price

continued next page

open for suggestions.

I am not ready to put the summer away just yet, but as we get into August I can't help but think that the summer is quickly slipping by. The 4th of July party was a very interesting one this year with the rain letting up enough to get our beautiful fireworks display in. BLASST continues to do a very good job every year. The Commodore's Steak Fry was a great success. We thank you for supporting our special events!

Please check our website www.buckeyelakeyc.com for our daily specials and upcoming entertainment and events. It is the best source for staying informed on what is going on at the Club.

As always please make reservations for your groups and dining at the Club. It is the best way for us to be prepared to serve you.

Will

Junior Sailing

Ahoy Mates!!!

This is the busiest time of the year for the Junior Training Governor and I am enjoying the work... the campers... and the racing team.

I will bring you up-to-date by starting with some great news. Congratulations goes out to Fritz Schilling and Evan Miller who have won the Commodore and Mrs. Howard F. Clark Scholarship. Since the scholarships inception in 2000 this award has gone to a member of the BLYC Junior Race Team. This year the award committee made an exception and awarded it to both these great young men. Former Commodore Howard Clark, who established the scholarship, made the presentation during the 4th of July ceremonies. He explained that because Fritz and Evan have literally grown up together since they were babies during their summers at BLYC and because they have both performed

**Governor
Sue Ann Reulbach**

equally well on the race team that it would have been impossible to select one over the other. Fritz will attend Xavier University in Cincinnati and Evan will be down south at Christopher Newport University in Newport News, Virginia. Best of luck in your future endeavors, Fritz and Evan.

Sailing camp is going great!! By the time you read this, nearly 60 kids will have experienced a fun week at camp and learned a skill that they can use for the rest of their lives. The weather has cooperated for the most part and now several young sailors are closer to making the race team. As sailing governor, I instituted a new award this year: the Best All-round Sailor (BAS). It recognizes the camper who tries the hardest, follows instructions and is always willing to help the other campers. Coach Ben France presented the Most Valuable Sailor (MVS) award which is presented to the camper who is the best sailor, usually winning the regatta which is held on the last day of camp.

The winners are:

Week I BAS - Dylan Cole

MVS - Jack Scott

Week II BAS - Stacy Bauman

MVS - Kyle Walsh

Week III BAS - Jack Scott

MVS - Steven Ende

If you missed your chance this year to send your children or grandchildren, make a note on your calendars to not miss this amazing opportunity next year.

The Annual Junior Sailing Pancake Breakfast went off without a hitch on the 4th of July. Unless you consider an absolute downpour a "hitch." Nonetheless, the racing team waiters and waitresses made nearly \$1000 for the team. Many members donated far more than the requested cost and for their great generosity, the whole team thanks them.

The Put-In-Bay Junior Regatta was held the week of July 13 and all the details will be included in the September Log. Since this will go to press after the event begins I can only tell you that I am eagerly anticipating this great event. I remember my cousins sailing every

year at the Bay and it was always exciting watching these young sailors strut their stuff on the water... the big... open water.

That's all for now. Continue to have a great summer and I will see you at the Club!!

Jeryne Peterson

House & Grounds

I would like to send a warm welcome to all our new members. I have been meeting some of you and I have a lot more of you to meet. The Club is in great shape. Thank

**Governor
Jeryne Peterson**

you to the Auxiliary for helping keep the flowers in the pots watered. We are going to be replacing the carpet on the steps on the front porch. The new sidewalk is very nice and we can thank Rick Thompson (a new member) for helping to accomplish this task for us.

Summer is in full swing and there are many events going on around the lake. I would like to say thank you to our staff for all their efforts in helping make our experience at the Club a good one. Also, don't forget that our election of Board members is in September.

The Adult Party box was raffled off at the Pat Dailey show the winner was Don Roberts. Congratulations to you Don.

Hope to see you at the Club very soon.

Jeryne Peterson

REMINDER
Per the BLYC by-laws:
All children under the
age of twelve are required
to wear lifejackets while
outside at the Club.
Questions: See any
Board member or Trustee

Membership

Man, I think summer is finally here and the Club is rock'n. With all of our current and new members out enjoying the Club, I think the BLYC is definitely the place to be this summer. Make sure to get on the Club web-calendar and see what is coming up.

In our July board meeting at Put-N-Bay we had 77 second reads for approval.

The candidates receiving their second reading and approved for membership are in order of application received: Rod Allen, Shawn Scott, Charles McClellan, Monica Merriman, William Fleitz, Darrel Lambert, Charles Wilson, Mary Beth Breckenridge, Paul Chodak III, Cathy Tolbert, James Gilmore, David Alexinas, Tim Newman, Susan Paulus, Mark Watson, Bill McKahan, Pete Elwell, Robert Young, John Hunter, Charles Miller, Christian Roland, James Bates, Dan Dodd, William Mooney, Tim Davidheiser, William DiBlasi, James Atkinson, Roxanne Bailey, Richard Baker, James Coyle, William Ghiz, Steven Goodyear, Robert Hitt, Dewey Horn, Michael Kramer, Walter Palawsky, John Thomas, Bentley Austin, Bryce Rhoton, Anthony Woods, Teri Grilliot, David Flowers, Roger Williams, Michael Hedrick, Grant Lynd, John Melvin, Craig Goodwin, Danny Jenkins, Randy Thorp, Patricia Diamond, Zane Lambert, Harold Keller, Paul Tipton, Scott Eickelberger, Neil Bonham, John Winkel, Tracy Higginbotham, Ralph Devine, Judy Ballenger, Daryl Berry, Richard VanMeter, Jeff O'Donnell, Lee Spade, Lisa Ford, Thomas Taylor, John Allen, John Rebout, Dante' Beorheaver, Chuch Berkheimer, Jane Haynes, John Marshall, Lewis Miles, Michael Muldoon, Wayne Roach, John Sears, Dwight Shrigley, Diana Weingand and Todd

**Governor
Scott Evans**

Damon.

All of the approved members will see their approval and membership cards in the mail very soon. If you see any of our new members around the Club introduce yourself and buy them a drink or two.

I have the new nameplates for the membership board completed and hope to have the board updated by the end of the month. Don't forget to invite and bring out your friends and family and show off your Club. For our new members who may not know, you can bring friends out as many as three times a year without them being a member. And who knows, maybe they will fall in love like we did and join the Club. Please feel free to find me around the Club if you have any questions about membership. I can also be contacted on the web under membership.

I will continue to have membership packets available on the wall just around the corner from the popcorn machine and online 24 hours a day at www.buckeyelakeyc.com under the membership drop-down menu.

See you at the Club.

Auxiliary Luncheon & Card Party

Thursday, August 14

11:30 a.m.

Price \$14.00

Prizes • 50-50 drawing • Games
Get your tables together for bridge, gin, canasta, rummy cube or any card game of your choice. Luncheon tickets are available at the bar, or phone your reservations and we will hold your tickets at the door.

Rentals & Docks

Where is this summer going? Is it August already? We do have a few of the new spots at Eastport storage left for rental, so please contact me if you wish to reserve one.

There are no docks left, all of them are rented. Although we encourage you to come to the Club by boat, we ask that you please do not pull into empty slots. Those spots belong to someone, and they will complain. There are four transit slips in front of the Club, seven in the back basin against North Bank and outside the sea wall. Please contact me if you need further assistance, Thank You.

The lift has been repaired and is in working order; however, the crane repair crew tells us that both repairs have necessary because of misuse. We are not certain that only members are using the hoist, so we are going to keep it locked from now on. If you need to use it please contact me and we will make it available. We apologize for any inconvenience this may cause our members, but the Club cannot afford several thousand dollars in repairs for misuse. The new straps for the hoist are missing from the red building. If you used them and forgot to replace them, please do so.

I know that it is easy to forget to lock the gate and I doubt that any of you would think of taking something from other boats, unfortunately the rest of the world is not that way, so please try to remember to lock up when entering and exiting. The things in here are yours as a member and we do not want to see other members have things come up missing. Lets all have a Safe and Happy Summer!

See You At the Club!

**Governor
Bob Zeiher**

Bob Zeiher

Race and Regatta

The Lam-brecht Series has been attracting more participants as the season goes on. Results are posted on the porch and updated weekly as races occur. There is still plenty of time to qualify, and the wins so far are distributed among three different skippers. This past weekend, two more cruisers were launched, and we should be seeing them on the starting line soon. Also, the Interlake fleet is up and ready and should soon be participating.

The annual 4th of July Long Distance race was a memorable event for both sailors and race committee alike. It was rainy, and variable winds made for an almost two hour event. Everyone was soaked by time it was all over, and arguably there was more fun had at the race shack than on the water. Winner was Bill Reynolds, with Jeff Robb and Bob Zeiher finishing 2nd and 3rd, respectively.

As promised, a few words about the Snowball Regatta: This annual event is a long standing tradition at BLYC, and occurs the first weekend in October. Often this late in the season, the reason it is called the Snowball is quite apparent. Although it was initially started as a Lightning regatta, it has evolved to include several sailboat classes, from

**Rear Commodore
Don Harris**

one-designs to cruisers. Participation from our own sailors, as well as those from other yacht clubs, always makes the Snowball both fun and challenging. Chairs John and Susan Watson will coordinate the entertainment and banquet, making the entire weekend enjoyable for everyone. So mark your calendar for October 4th and 5th.

See you on the water!

Entertainment

It seems incredible but there is just one month left in this year's entertainment schedule. Seems like the summer has absolutely flown by. That's all the more reason to make the remaining events memorable.

On August 2 we have the annual Luau and New Member Recognition Party. The Current Majestics will provide the party music. Reservations are a must for this and probably all our events. The very popular Bob Dye Poker Run is scheduled for August 9. The Paul Clark Band entertains. The last I checked, the sign up sheet was filling up fast!

On August 15 we have my favorite lake area entertainers, "Soul Kitch'n."

**Governor
John Sproat**

This is a soul band you do not want to miss. Closing out the month is the BLYC Car show on Sunday, August 24. Yours truly will be the DJ.

Please mark your calendar for September 21 for Howard Everitt's Rock and Roll Jam. This is another hugely popular party for us.

See you at the Club,

Did you know that BLYC has a website?

The BLYC website can be reached at www.buckeyelakeyc.com. Here you will find current information about happenings at the Club, links to contact the Club Manager and Board of Governors, and more.

Need to request a dock at the Club? The dock request form can be filled out online. Stop by and take a look.

Part One

The First Fifty Years of the BLYC: 1906-1956

As we begin this narrative history of the Buckeye Lake Yacht Club on the occasion of the Club's one-hundredth anniversary sailing season, we thought it appropriate to have as our initial entry the beginning tale rendered by Kyle Armstrong. While this account indeed is more of a myth than any description of actual historical fact, nonetheless it is a charming story rich in tradition and tales of this site of water dammed up by the Ohio Canal Commission for feeding the 1825 Ohio Canal.

A Whimsical Venture

It was early morning, late in April of 1906. The gray-bearded sages of Millersport, as usual on weekdays, were up at dawn—early birds getting worms. Also as usual, they were assembled on the stoop at the general store-post office, on the bank of the Ohio and Erie Canal, when the proprietor came to open up. Here these disciples of Izaak Walton regularly gathered to get the latest weather reports, and to lay in fresh supplies of J-T or Star plug—basic ingredient for making baits enticingly juicy and sweet—before poling and sculling their punts through the canal to favorite fishing haunts among stumps and weeds of the reservoir. On this particular morning their sporting ardor was dampened and cooled, temporarily, by a light yet penetrating cold drizzle. But, it being April, the sun could blaze forth almost any minute. So, meanwhile, they tarried to enjoy the storekeeper's hospitality.

Within reach of the cracker-barrel, they deposited themselves around the potbellied cannonball stove, which soon drew from their jackets an atmosphere permeating vapor of fishy odor. There, sitting on and leaning against counters, they spat at the sawdust-box, reminisced, respun well-worn yarns, and gummed crackers. The storekeeper, in his capacity as postmaster, finally giving up hope, left his openly filching guests to meet the T. & O. C. train and pick up mail and newspapers. One of these sages, a nonagenarian, recollected canal and reservoir during construction. All had seen the rise and decline of barge traffic past this very spot, and most, in one way or another, had participated in it. But, while lock tenders, toll collectors and maintenance crews still were on the canal's payroll, it had been nearly ten years since a vessel had passed through or moored at Millersport.

Now, however, revival of canal boating hopefully seemed assured. Such wishful thinking was founded on faith in George H. Watkins, life long canal man, former canal superintendent, and new president of the state's Board of Public Works, which had gained superior influence in administration of the waterway jointly with the old canal commission. Surely, with his background, experience, ability and leadership, barges soon again would be plying canal and reservoir. Millersport would enjoy economic recovery. The reservoir would be freed from further molestation. Fishing would be improved and preserved.

Since thirty years earlier, when the first railroad came to the reservoir bringing in ever increasing numbers of anglers, fishing in it had grown steadily worse. And with arrival of the electric interurban, just three years before, such deterioration had increased rapidly until the waters were well nigh fished out. Now, perhaps, this trend would be reversed. But there still remained one, big, pesky fly in these diehards' conjured up molasses. Twelve years before, in 1894, the state legislature had "reserved Licking Reservoir" as a public park to be known as "Buckeye Lake." Such action, however, had not made it a "Lake." It still remained substantially unaltered and potentially as much a fisherman's haven as ever before. About all that the lawmakers had accomplished was to legalize and encourage the reservoir's encroachment and depredation by ever increasing numbers of unsympathetic people and boats. Even talk of efforts to make a lake of this body of water was disturbing to the "sot" of the gray-beards' ways. They admitted no net advantage in minor so-called improvements that had been made.

These had been such as could be accomplished without purposely lower-

ing the waters. Such willful drainage would have prejudiced canal boats passage over Licking Summit, and therefore was unthinkable. But, of course, there had been extra-dry seasons when the surface naturally and unavoidably had fallen unusually low. At such times, in the past dozen years, considerable areas had been cleared of dead and live vegetation down to variously low water levels. Thus, channels and some fair sized basins, interspersed among large, island-like, still unnavigable areas, had been made somewhat safer for boating, especially when stages of water were high. Such opened waters, however, soon had led to desecration of this longtime fishermen's paradise, first by Dell Fisher's steamboats in '96. Then came these newfangled, noisy, little "stink-pots," moving faster than a buggy horse can trot. Now, there were crazy youngsters in boats with sails, fouling stumps and capsizing but, so far, not disturbing fishing. What would happen to these craft when water got low, as usual in mid-summer?
