

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

Commodore Joe Campbell

Wow where did the year go? The name of this article is *From The Bridge*. I have to admit that there were times during the year that I wanted to jump off a bridge, however overall it was a very good year. We accomplished nearly all of the goals that we established last September.

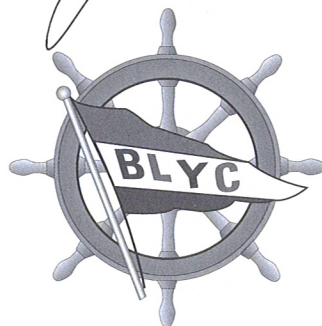

This year's Board of Governors is an outstanding example of what can be accomplished when everyone does his or her job. The Board worked very hard and devoted many hours of their time for the betterment of the Buckeye Lake Yacht Club. Take a moment and thank them for all of their hard work. The building has never looked better. When something broke, the Board fixed it. The entertainment continues to be first class, and the dining is enjoyable and reasonably priced. There really is no place like the Buckeye Lake Yacht Club.

I would also like to thank my wife Joni for all of her support during the last 12 months. Together we have attended nearly every event in the last year. Since we live in Lancaster, we had to juggle schedules in order to spend as much time at the Club as possible. It was worth all of the effort. The Club survives because of the volunteer work of the Board and the Trustees. The Auxiliary and the Commodores Association also volunteer their time to help the Club. Thanks to all of you for making my year enjoyable.

As of this writing, we have a full slate of candidates running for the Board of Governors. The election and annual meeting are September 14. Please come out for breakfast on the porch on Election Day. Then vote for your favorite candidate. Later that same afternoon there will be a reception for Commodore Will Price. I wish Will all of the best during his term as Commodore. If his Board works as hard as mine he will have a great year.

I hope to see all of you on September 14. Joni and I appreciate all of the support we have received. I plan to work just as hard in my new role as Trustee.

Joe Campbell

September, 2008 - Vol. 18 Issue 6

Bar and Kitchen

Summer weather has been good to BLYC events this year, and we are grateful for that. The Luau was a very well attended event with over 400 members and guests. The music was great with the Majestics, as usual. This year the poker run was even better with 130 participants. Steve and Jenny Romine did a great job organizing this fun filled event. What better way to burn a few gallons of gas in our boats!

This will be my last article as Governor of Bar and Kitchen, and what a wonderful experience this has been for me. I have enjoyed talking to everyone and listening to your ideas, comments and concerns. With the successful membership drive, participation at events has increased and we are seeing a steadily increasing dinner crowd. Our Bar and Kitchen operation has worked hard to grow and improve services to meet this challenge. We still have many improvements to make and are trying hard to make your time at the Club more enjoyable.

Thank you again for a great year. I am looking forward to many different challenges in the upcoming year. None of the Board members are very far from bar and kitchen, so do not hesitate to talk to any of us with you opinions.

continued next page

**Vice Commodore
Will Price**

Shifting gears to another subject — it is time again to talk about our election of the next year's Board of Governors, the annual meeting and our porch picnic. Each year we put forth a slate of hard working volunteers who want to represent the Club to fill vacancies on our Board. September 12th is candidates night and what a night it is. Come out and see old fashioned campaigning and hear why these volunteers want your vote! This is a great opportunity to meet and greet our new candidates for the 2009 Board of Governors. You will see unique campaign slogans and the Club festooned with campaign posters. This is followed by the Election on Sunday September 14. Prior to the election we have a porch picnic where candidates and Governors prepare food and conduct last minute campaigning. Voting begins at 9:00 a.m. and ends promptly at 1:00 p.m. followed by the annual meeting at 2:00 p.m. The day's activities come to a conclusion with the Commodore's Reception. Please join us and plan to attend the festivities and participate in the camaraderie that makes the BLYC the great Club it is!

List of 2009 candidates (this list is subject to change, only in deletions.)

Will

Junior Sailing

Land Ho! It seems like a long time since I last reported to you. So much has happened! So let's get going with the details.

I'll begin with the 2008 Junior Regatta at Put-In-Bay. The hosts from I-LYA

Governor
Sue Ann Reulbach

were organized, generous and kind to all. Our own Matt and Tracie Davis worked like dogs as vice-chairs for this event and will move on to head up the whole shebang in 2009. The sailing was great, the wind cooperated just when everyone thought that it wouldn't and the junior sailors had a ball.

The club should be especially proud of all eight of our kids that made up the BLYC Junior Racing Team. Kudos to each and every one of them. They rise at 6 am, eat breakfast and soon after are hauling their boats into the water. Racing goes on all morning. Lunch is served many days on the water and racing continues until mid-afternoon. Sailing is fun but it is hard work and takes great dedication, just like any other sport. It is an especially great accomplishment for our club when you consider the fact that our kids come from a little inland lake where wind is a precious commodity.

CONGRATULATIONS TO EACH AND EVERY MEMBER OF THE TEAM.

Fritz Schilling, Evan Miller and Halle Harklau finished 5th in the Thistle Championship Series — the Quarter Finals for the Sears Cup. Last year this team finished in 6th place. This year the competition was very tough. So tough, in fact, that the winning PIB team went on to take second in the nation. Fritz, Evan and Halle were able to break their own record which is an accomplishment in itself. Fritz and Evan move on to college in the next few weeks so the torch is passed to Halle to continue the great tradition set by her teammates.

Austin Miller, Andrew Kellogg and Kate Kellogg came in 4th in the Thistle Commodore Series. Austin and Andrew will return next year and with the experience they gained this year, we can expect great things from them in the future.

Gwen Mulvey and Ian Mulvey finished 16th in the 420 Commodore Series.

Now 16th place may not sound so great but when you consider that they placed 29th out of 36 boats after the first day of sailing, you can see they made an amazing comeback. Their

grandfather, George Fisher, an accomplished sailor of great renown, died just a few weeks before Junior Bay. He was involved in junior sailing for many years and never missed the Put-In-Bay Regatta. Whatever heavenly sea George is sailing now, I'm sure he was looking down and was very satisfied with this team's efforts, but especially proud of his "come from behind" grandchildren, Gwen and Ian.

Now on to the final junior sailing camp report!! 60 young boys and girls are, for sure, better sailors but they also took away increased confidence, new friends and lots of laughs from their week in camp. I have had so many parents email or call to tell me what a great experience their kids had. I'm sure many of you parents have sent your kids off to a sports camp but none like a week of sailing. You really do have to experience it to know what I am talking about.

I expect camp to fill-up quickly next year. We have a great new coach, Catie Dust, who is a junior at Michigan State, a veteran camp director and a member of the MSU women's sailing team. By the way, I said MICHIGAN STATE, not a hint of maize and blue in her wardrobe. Catie filled in as camp director for the last week of camp in July. We call this our Girl Scout Week because 10 little "cookie sellers" come every year to learn a new trade. Several of our kids joined them for a really great week of GIRL POWER. According to the Director of Girl Scout Camps, Amy Gartner, all had a fabulous time and loved our new coach. I won't be around next year to remind you to get your applications in early so put a reminder on your calendar right now.

The Junior Sailing Team Annual Spaghetti Dinner FUNDRAISER is scheduled for August 31 from 5 to 8 pm. \$10.00 for adults and \$7.00 for kids, ALL YOU CAN EAT!! I am looking forward to seeing all of you on the porch and eating lots of spaghetti to support these great junior sailors.

Til' then, enjoy the rest of this beautiful summer!!!

Sue Ann

Antique and Classic Boat Show

The 29th Annual Antique and Classic Boat Show was held at the BLYC June 20, 21, and 22. Another successful show hosted some thirty-five to forty boats in the water.

I would like to thank the committee of co-chair Keith Escbaugh, Commodore Howard Clark, Tom Simkins, Dave Levacy, and William Schottenstein.

Bill Schottenstein provided advertisement in the Columbus area, as well as, the Columbus Monthly magazine. Tom Simkins provided radio spots at WTDA-FM and WMNI. Commodore Howard Clark provided the trophies. Dave Levacy provided his support thru his Buckeye Lake Marina. Sayre Brothers Marina, De Santis Florist, and Beachcomber restaurant were also sponsors. Keith Escbaugh is active with the ACBS, Buckeye Chapter, and his much needed connections thru the organization.

I want to thank Commodore Ray Kent and Ruth Ann for their support and help at the show. Also, Vice-Commodore Will Price and Governor Bob Zeiher for helping to move boats from the basin for display.

A thank you to Commodore Joe Campbell, Manager Troy English, and his staff for their input.

Especially, I want to thank my lovely wife, Jane, Debbie Escbaugh, Ruth Ann Kent, Rosa Clark and Barb Simkins for all their time and effort to make the show a success.

I look forward to seeing you at the 30th Annual Antique and Classic Boat Regatta on June 19, 20 and 21, 2009. Commodore Jim Shriner (2002, Co-Chair

House & Grounds

This will be my last article until after the elections Sunday, September 14th. We have had a busy year. I want to thank all of you for your support in pitching in to help during fall clean up and spring clean up, you have all helped to make our Club shine. The Club experienced many items of great expense this year. We started our season marking off the handicap spaces in the parking lot, followed by having to replace our elevator. Your help with buying chances to win a great adult party box, gave us enough money to replace old windows in our newly remodeled dinning room and the window in the commodores lounge. We added ventilation to the men's room along with a new vanity sink and new toilets in the ladies room. The sidewalk and most recently the new carpet on the front steps. I also want to acknowledge that Chuck has done a fabulous job keeping the Club clean inside and out. Advance Pest control has really done a great job of keeping the insect population way down this year. Our flower beds and lawn work looks great thanks to Compton Landscaping.

I would like to say thank you to our staff for all their efforts in helping make our experience at the Club a good one. Also, don't forget that our election of Board members is in September.

Hope to see you at the club very soon.

**Governor
Jeryne Peterson**

making it a convenient location from Orlando, Tampa, Sarasota, Venice, Port Charlotte, Fort Myers, Naples, etc.

There is a sign-up sheet on the BLYC bulletin board to place your name on the mailing list to receive more information as the details are finalized on this fun event, or you can call Steve Belhorn at 614-838-0149 or e-mail at callforbids@gmail.com.

Rentals & Docks

September is upon us. It seems to have come out of nowhere so sudden!

The trip to Put-In Bay was very nice. Sue and I took the grandkids and went on all of the tours. The picnic and banquet were both well attended and I am certain that Sue Ann and the juniors appreciated the support.

The new member party was a great success. There must have been nearly 300 people that attended. Scott read the names of all the new members. And the band was outstanding and wonderful, big thanks go out to John for them. And by the time you read this, the car show will be over. With Commodore Kent's guidance, it will have gone fine and dandy.

The weather has been great for every event this summer including racing. I have raced 16 times so far and now realize my job is to make the other places possible. However I am having as much fun as anyone.

The docks are still full. We have been able to make several repairs this year. Also, the Eastport lot is nearly full. With the help of Don Harris, we have found the owners' of all but 2 of the boats in our docks. The two boats not claimed as of yet are: A yellow 22' O'Day #OH7737RA, and a white 20' O'Day #OH3758XR. Any help on locating the owners of these boats would be greatly appreciated.

I am about to start my sixth year as Governor. Four years in the 80's and last year to now. I thank all of the members of this Club for all six of my years here as Governor. This last year has been very enjoyable. All of the members have been a pleasure to work with. For the new members that have never been to an election or the breakfast, please try to attend the candidates dinner and hear their speeches and then come to the breakfast and vote.

See you at the Club!

Bob Zeiher

**Governor
Bob Zeiher**

BUCKEYE LAKE FLORIDA REUNION

For many years there has been a reunion held in February for Buckeye Lake area friends on the west coast of Florida. A luncheon reunion will again be held in 2009 at Heron's Glen Country Club on Saturday, February 21st.

Heron's Glen is located midway between Fort Myers and Punta Gorda,

Race and Regatta

We've had some fantastic Sunday afternoon sailboat races in the Lambrecht series, with some near-photo finishes. Watching these races is exciting, and participating is even more so. Join us on the porch or on the water for a great Sunday afternoon. If you want to crew, show up, sign up, first race is at 2 p.m.

Something new! The Foster-McBride "Beat-to-the-Bar" Regatta, every Friday afternoon. Rules: start to windward, destination: windward tavern. Last boat there buys first round. Starting time 5 p.m. (+/-), if you want to get there first, start early. Sailboats, motorboats, rowing shells, surfboards all welcome.

Some upcoming events: Snowball Regatta October 4th-5th. Racing both Saturday and Sunday, party Saturday night with entertainment. Also the Thistle Fall Finale will be hosted by BLYC October 18th-19th. This regatta culminates the Lake Erie Fall Series for the Thistle class, and we anticipate 15 to 20 boats from clubs throughout the midwest.

One final note... mark your calendar. Friday, September 19th is International Talk Like a Pirate Day! Entertainment Governor John Sproat has a great family event planned. See his article for details. Arrrr!

**Rear Commodore
Don Harris**

Entertainment

What a summer! The turnout for our entertainment events has been truly magnificent. Thanks to all of you. Now we shift to our fall events. First, please remember to come out to BLYC Board Candidates Night on September 12. You can meet the candidates and find out more about them. The Porch Breakfast, Board Election and Annual Meeting are September 14.

Our first party is "Talk Like a Pirate Night." Bar and Kitchen Credits will be awarded for those who can best talk like a pirate. This is a family oriented event and will be fun for young and old alike. Special pricing for youngsters.

Do not miss Howard Everitt's "Rock and Roll Jam" on September 21. You'll see all your favorite lake area musicians playing in a jam session format. This is one of our best parties so please make reservations.

Please also remember that we are showing all the OSU football games that are available to us on our big screen TV's. We will have a special tailgate menu available.

Mark your calendars for "Rocktober Fest" on October 4. We'll have the traditional German Buffet with music by Ted Riser's great band from Cleveland. The Snowball Regatta is scheduled for that weekend also. The Thistle Regatta is planned for October 18 and 19. Entertainment will be announced. October 25 we will have 70's/80's Night so get out your leisure suits and come out to dance! Music by DJ John.

See you at the Club

**Governor
John Sproat**

BLYC ELECTIONS

The Board of Governors is the governing body for the Buckeye Lake Yacht Club. The Board consists of the Commodore, Vice-Commodore, Rear-Commodore, Secretary/Treasurer, and six Governors. The Commodore has primary responsibility for the Club and monitors all activities, events, and chairs the Board of Governors meetings.

The six Governors are elected by the Club membership each September. Depending on vacancies, three to four Governors are elected in alternating years. The name of the member provided on the Club membership application is the individual authorized to vote in Club elections. The members have the opportunity to vote for up to four candidates on Election Day. The candidates receiving the highest number of votes shall join the Board of Governors for a two year term.

There are events planned each year to provide the membership the opportunity to be involved in the election process. On Friday, September 5th, the candidates will gather at the club for "Poster Night". Candidates will have campaign posters that will be displayed in various areas of the club supporting their candidacy. That same night, candidates will bring a sufficient number of letters to be mailed to each member's residence. The letter will provide information as to why that candidate should be considered for the Board of Governors. All candidates will place a copy of their letter in one envelope and mail to the membership. That way the member only receives one envelope with all candidates' data.

On Thursday, September 11th, all candidates are invited to attend the Board of Governors business meeting. This provides the opportunity to ask questions and gain insight as to how meetings are conducted.

All candidates will attend "Candidates Night" on Friday, September 12th. Following dinner, each candidate will have a few minutes for the opportunity to provide their concerns and ideas for the electors' consideration.

Place Your Ad Here!

Business card size ad (3 1/2" x 2") - \$35/issue (minimum 3 issues) or \$400 for year

Quarter-page ad (3 1/2" x 4 3/4") - \$60/issue (minimum 3 issues) or \$650 for year

For questions, please contact
Governor Rick Henderson
at 740/522-6115 or
email rick@delille.com

John Sproat

"Election Day", begins with a breakfast on the porch with each candidate providing food items for the membership. The voting poll will be open during this time for authorized members to vote for their favorite candidate.

Immediately following the election results, the new Board will meet in order to elect the positions of Vice-Commodore and Rear-Commodore for the coming year. The previous Vice-Commodore is elevated to the position of Commodore. Once these positions have been elected, the Board members will have a short meeting to determine the duties of each member. The Vice-Commodore, Rear-Commodore, and the six Governors are assigned specific responsibilities for the coming year. Those responsibilities include:

- Bar and Kitchen
- Monthly Log
- Junior Sailing
- House and Grounds
- Race and Regatta
- Entertainment
- Docks and Rentals
- Membership

Any member interested in participating in the election process should contact any current member of the Board of Governors to get involved.

The following is a list of members who have tentatively agreed to be involved as candidates this year.

- Jeryne Peterson
- Charles McClenaghan
- John Sproat
- Robert Zeiher
- Greg Tobias
- Tom Baltzell
- Larry Thorpe
- Gail Mulvey
- Charles Wadley

Once the new Board of Governors concludes their immediate business, the Annual Meeting will be conducted in the dining area. The Club financial records will be available for review and discussion by the membership.

Please attend the events associated with the BLYC election. I am sure the candidates will appreciate the involvement of all members in the election process. The events are designed for

members to become more familiar with the candidates and have some fun.

Rick Henderson

Membership

I can't believe how fast the year has come and gone. Looks like another great season of fun and boating is starting to cool down. The only reason I am probably not as bothered by the cool down as most, is because it makes for some great sailing. Besides sailing, as much as possible, I have had a great time this year serving on the Board as Membership Governor. I have had an awesome time running the very successful membership drive with the help from all of you and meeting all of our fine new members. I am definitely looking forward to next year since I have one more year of my two-year term. I am especially pleased to see the Club continuing to be a hot spot for all of our new and current members.

I am also pleased to announce that several of our sponsoring members from our membership drive have expressed that they will not be accepting the \$200 reduction in 2009 dues. They will allow the funds to remain in the Club coffers. Thank you very much.

For anyone thinking about running for the Board, our porch and annual elections are coming up this month. Ask any Governor for more details.

In our August Board Meeting, we had one first reading for membership; Timothy and Jennifer Levacy of Millersport.

Don't forget that even though the drive is over, we are still accepting applications for potential new members. September is also the perfect time for sharing the BLYC with potential members. For some of you who don't know, if someone joins the club in September,

**Governor
Scott Evans**

they get three bonus months and will not receive a membership billing again until 2010. Let me know if you have any questions that come up about membership because I will be in the position at least a few more weeks until the next Board Member is appointed. Which at that time the new Membership Governor will be posted.

I will continue to have membership packets available on the wall just around the corner from the popcorn machine and online 24 hours a day at www.buckeyelakeyc.com under the membership drop-down menu. Make sure to get on the club web-calendar and see what's coming up.

See you at the club

Scott Evans

Publications

The following excerpt is taken from the "Story of Buckeye Lake Yacht Club", by Kyle Armstrong covering 1906 – 1956 club history:

**Governor
Rick Henderson**

BEYOND THE HORIZON

Buckeye Lake Yacht Club is a man's club; but how could man be, or do, without women? And, furthermore, this is a young man's club. Imagine it, after these fifty years, as still made up only of its venerable charter and other older members.

There have been times when some of the Club have viewed the turnover of its membership as inimical to its progress and wellbeing. But without the leavening of its older with newer and younger blood, the Club soon would have become impotent to progress and persist.

Such infusions have sustained that continuity without which the Club never could have attained its present state of development.

Buckeye Lake Yacht Club is an entity far greater and finer than its constitution, by-laws, corporate charter, club facilities, or even its membership merely

continued next page

as a group of human beings. Important as these are to the life of the Club, they constitute only the club.

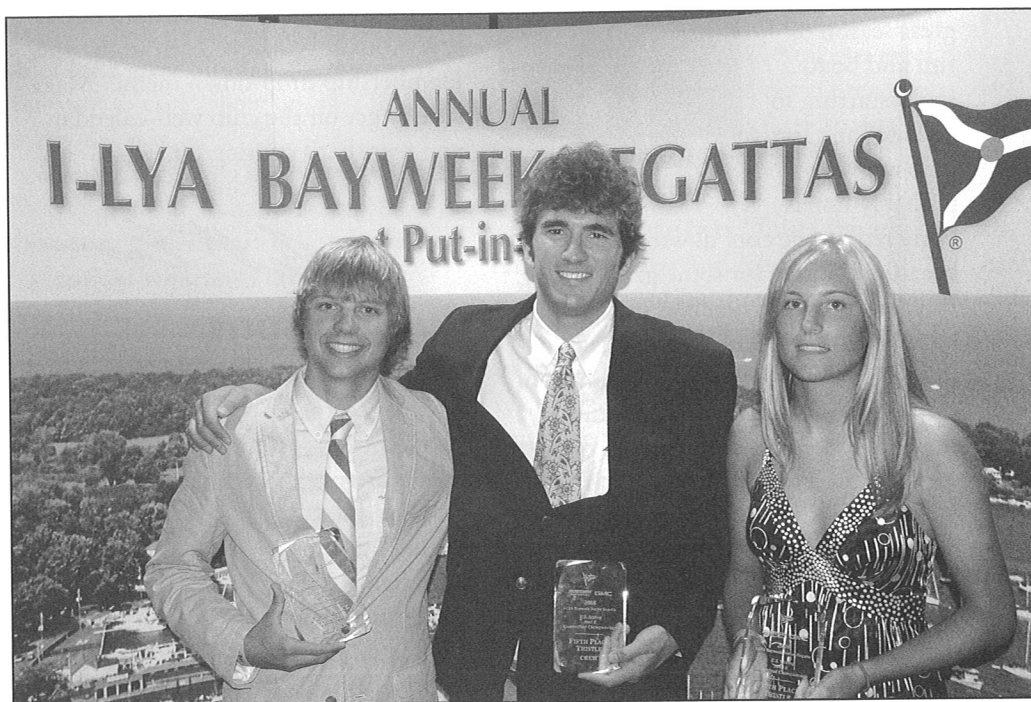

The Club is endowed with character developed through its fifty years of ideals, traditions, precedents, efforts and accomplishments. It is a composite of the labors, influences and souls of its past and present members.

Not flouting such heritage, Buckeye Lake Yacht Club can and will sail on and on and on and on – ad infinitum.

While this article is related to the Club during the period of 1906 – 1956, it seems quite appropriate to review it now. With the influx of new members to sustain the life blood of the Club, it remains necessary to remember those who preceded us and their energy and effort to allow the Club to grow. It is normal for changes and modifications to occur over time. After all, the only constant is change. However, we were preceded by many members who had

the same desire to make the Club a place to have the opportunity to socialize with others, have an enjoyable time, and experience the lake to the fullest. It took the combined efforts of our predecessors to initiate and support the Club during the past 100 years. Now, it is our turn to support the activities and traditions of our Club.
