FROM THE BRIDGE ☆☆☆

October, 2008 - Vol. 18 Issue 7

Commodore Will Price

WOW, what a start for the 2009 BLYC Board of Governors. High winds and high expectations make just the right recipe for the beginning of a new year. We were very lucky only losing a few shingles from the roof and one tree down in the parking lot.

Past Commodore Joe Campbell left some pretty big shoes to fill, but I feel my size fourteens are up to task, with a little help from my friends. The new Board and my good friends are Vice Commodore Don Harris (Bar & Kitchen), Rear Commodore (yet to be named), Governors Scott Evans (Race and Regatta), Rick Henderson (House and Grounds), Chas McClenaghan (Log and Publications), Gayle Fisher-Mulvey (Jr. Sailing), Jerryne Peterson (Membership), John Sproat (Entertainment), and Bob Zeiher (Docks and Rentals). With this fine group of dedicated members we will work very hard to maintain the integrity of BLYC, and do our best to make sure that you en-

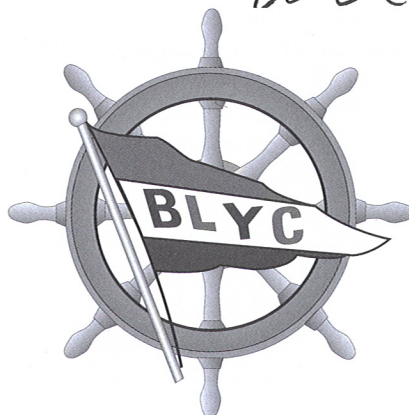

joy your Club for many years to come. Thanks to all the members who came out to vote.

The very first thing on our slate will be to elect a Rear Commodore. We need an entire Board to do this, and it was not possible to elect our Rear on the 14th. This will be done at our first meeting in October.

I am looking forward to working with our Head Trustee Commodore John Geiger and using his group of Trustees to continue to steer our Club in a forward direction. Your Trustees are Commodore John Geiger, Commodore Steve Harris, Commodore Mark Russell, Commodore Ray Kent, and Commodore Joe Campbell.

I hope everyone who attended our Election Day Porch Picnic left with a full stomach and a sense of satisfaction that their Club is in capable hands. We will do our very best to provide good food, service, and a good time. Please remember that your comments are always welcome, and expected. One more note, your donations to Jr. Sailing and to the Jr. Sailing Scholarship Fund are important and tax deductible.

Will

Race and Regatta

First of all, a big thank you to all who came out for the annual porch party and election on September 14th. The weather and turn out was great and the Big Dipper Ice

Cream Stand almost ran out of product. The annual meeting and Commodore's reception were also well attended, followed by the great windstorm of 2008!

In my new assignment as Bar and Kitchen Governor, I will be working closely with our Club manager and our chef to provide you with high quality food and superior service at a reasonable price. Troy and John have been working with our suppliers on a new menu, which will feature a great selection, weekly specials, and competitive prices. This is near completion, and I think you will like it.

Race and Regatta season is winding down, and a great big thanks is due to Don Day for his enormous support and assistance throughout the year. Race and Regatta duties now pass to the capable hands of Governor Scott Evans, who will do a great job!

Thank you to Commodore Joe Campbell for a great year, and congratulations to our new Commodore, Will Price. Welcome also to our newest Governors Gayle Mulvey and Chas McClenaghan. The sun is shining brightly at BLYC!

Membership

Well, it looks like this will be my last log article as your BLYC Membership Governor. I am looking forward to cooler weather and my next position on the Board of

Governors. By the time you read this, the Commodore will have already appointed a new governor in my place and I will have moved on as your new Race and Regatta Governor.

I can't wait to see how many of our new members come out next year and join the racing fun. I have been racing now for about 4 years and it is the first thing I think about every spring. For those of you who are on the fence about getting out there, believe me, it is only as serious as you make it and for some reason it always finishes back at the bar. "That's where the real camaraderie and heckling happens." If you have any questions or recommendations for the next season, don't hesitate to send me your ideas.

During the past year, with the help of our great members and the membership drive, we welcomed 167 new members, 7 of which were Amnesty. I know for a fact that we broke every record in the history of membership. With all of our momentum, I can't wait to see what we can do next year.

Don't forget that even though the weather is starting to cool off, the Club has many fun activities planned throughout the fall and winter months. Gun club starts in early November and the fireplace is a great place to enjoy a warm cup of joe.

In closing, I would like to thank everyone for your support and suggestions throughout the year. I could not have done it without them. I would also like to recognize the new Board of Governors and say congrats to those who have taken on the challenge of being on the BLYC Board of Governors. Though sometimes it can be challenging, it is always rewarding.

I will continue to have membership packets available for the remainder of my time, on the wall just around the corner from the popcorn machine and online 24 hours a day at www.buck-eyelakeyc.com under the membership drop-down menu. Make sure to get on the club web-calendar and see what's coming up.

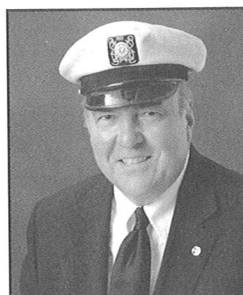

See you at the Club.

Entertainment

Fall is in the air and that means it's time for our first ever "Rocktoberfest" on October 4. We'll have the traditional German Buffet with music by Ted Riser's great band direct from Cleveland. This is a fun band that you will not want to miss. The Snowball Regatta is scheduled for that weekend also.

The Thistle Regatta is planned for October 18 and 19. Entertainment on Saturday night from 8-11 p.m. will be BLYC favorites Boley and Fink. Remember to visit the Club and cheer on the Ohio State Buckeyes televised on our big screen TVs

See you at the Club,

**Governor
John Sproat**

Junior Sailing

Wow! My first log article! I am very honored and excited as I look forward to serving the Club as Junior Sailing Governor. As I write this, our home is without electricity, so after a bit of finagling (my daughter, Kara who is away at college is typing and emailing this article to Rick Henderson, while I read it to her over the phone). My! How we depend on electricity. Enough of this Amish living, already!

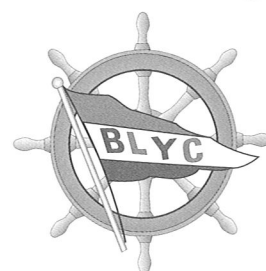

Several heartfelt "thank yous" are in order! First, a big thank you to the membership for electing me as a Governor. A special thank you to Commodore Steve Harris who sponsored me and guided me through the election process. A huge thank you to Sue Ann Reulbach for her hard work this past year and for handing over Junior Sailing in iShip Shape! order. It is wonderful to come into a program that is in good fiscal shape and whose "ducks (or boats) are in a row"! Thank you Sue Ann.

A warm thanks to the Junior Race Team members and their wonderful parents for their efforts and support on election day. They made sure everybody had a "Sail with Gayle" sticker and I look forward to working with them this next year. I would be remiss if I didn't thank my family, my husband, Tom, my daughters, Kara and Gwen, my son, Ian and especially my mother, Marty Fisher, for their support preparing for the election and their help on election day.

Sue Ann skippered a fabulous program this past summer and I am looking forward to another great year of Junior Sailing.

Until next time, smooth sailing!

Gayle

Publications

This being the last issue of the Log, I would like to take the opportunity to thank the membership for the support and guidance provided during my tenure. I have enjoyed the last year and hope you enjoyed the issues you received. My goal was to have the Log to each member by the first of each month. We were close.

Thanks to the Board, who worked diligently to get their article submitted by the deadlines. It was very helpful and very much appreciated. And thanks to Dwight Joseph for all the assistance he provided. I hope you enjoyed the Log as much as Joe and I enjoyed providing it to you.

Thanks for the past year and I look forward to next year.

Take care

Publications

Thanks to all the Members who participated in the Buckeye Lake Yacht Club annual election last month. I appreciate the vote of confidence you have given me to serve as a Governor for the coming year. Election Day was quite exciting from start to finish! It began with friends and food on a delightful, warm day and ended in 60 plus mile per hour gales, lake waters crashing over our docks, and boats and jet skis breaking loose from their moorings in the turbulent waters. A small but hearty group of die-hards witnessed the fury from the Club's porch. Even the most seasoned of the Members could not remember such a spectacle!

On the bright side, with the help of Dwight Joseph and the BLYC outstanding staff, I am confident there are calmer waters ahead.

During the coming year, my first goal as Editor and Photographer of the

**Governor
Rick Henderson**

BLYC Log will be to continue to produce the outstanding product published by Governor Rick Henderson, Dwight Joseph, and the BLYC staff. Second, I plan to use the Log to highlight and recognize as many of our new friends to the Club as possible. I welcome any ideas you have to help publish a Log you will enjoy reading. Naturally, if you would like to promote your business, advertising space is available and is quite reasonable.

If you have ideas or would like to advertise, please send me an e-mail at Charles@LawDublin.com or call 614-718-4383.

My wife Bobbe, daughter Molly and I look forward to meeting all of you!

House & Grounds

Thank you for your support in the elections. It was great to see so many show up on Sunday for the day of fun and excitement.

My new duties will be Membership Governor. Our Club is a great place to meet with old friends and make new ones. Remember, you can share this experience by sponsoring a new member.

I am looking forward to helping all our membership have a great time at our Club.

Again, thank you for your support.

**Governor
Jeryne Peterson**

Rentals & Docks

The docks are still full and we have a waiting list.

If you missed the annual meeting I was able to stay well below budget on expenses and well above budget on income. Once again I would like to thank all who donated their labor and materials to help with the docks. Your generosity was big asset to the docks budget.

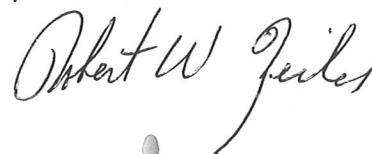

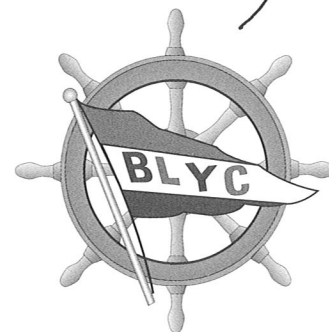

I have been assigned to docks and rentals again this year and will try to take care of everyone's needs.

If you are going to give up a dock next year please let me know as there is now a waiting list.

As always I will endeavor to look out for your interests. In truth, the members own this Club and our job is to look after all of you and your needs at the Club.

Thank you for all your support in the past year and I look forward to serving you again in the coming year.

See you at the Club!

Auxiliary

The Auxiliary members met for their Annual meeting September 14th, at 2:00 p.m. Shelly Higgins introduced the new officers; our new president is Cherry Shain, Carole Donnelly, Vice President, and July Bair, Secretary. There was a round of applause when Ro Miller was introduced for the third consecutive year as our treasurer; she has done a marvelous job and we've very thankful she agreed to continue.

Michelle DeSantis gave a report on the showcase and suggested we have a new showcase built. She had a tremendous display of new items that we swarmed like bees after the meeting.

If you didn't get your dues paid at the meeting, they are due. Please send your \$20.00, to Ro Miller, using the Club address.

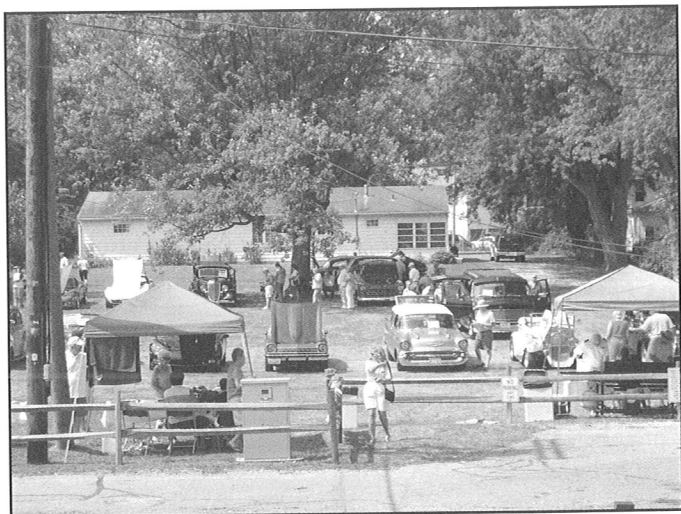

We need every members e-mail address for meeting reminders. Please send your e-mail address to: Carole Donnelly at maupindonnelly@roadrunner.com

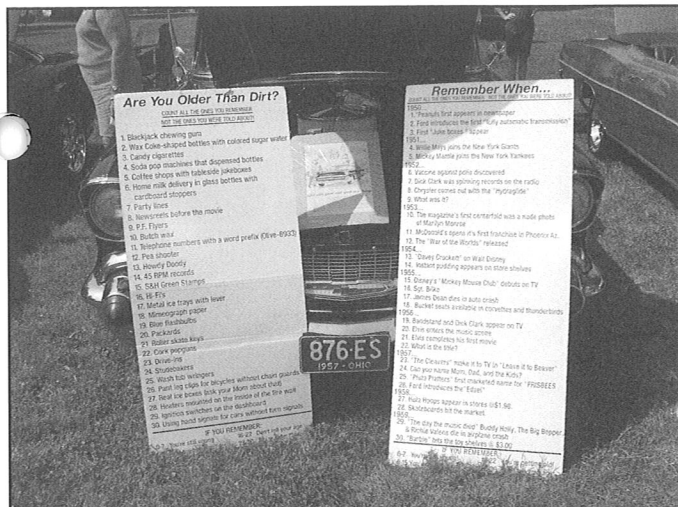

Remember our meetings are always the second Thursday of the month. Our next meeting will be October 9th. Michelle DeSantis will help us do a "Make it, take it" Fall flower arrangement.

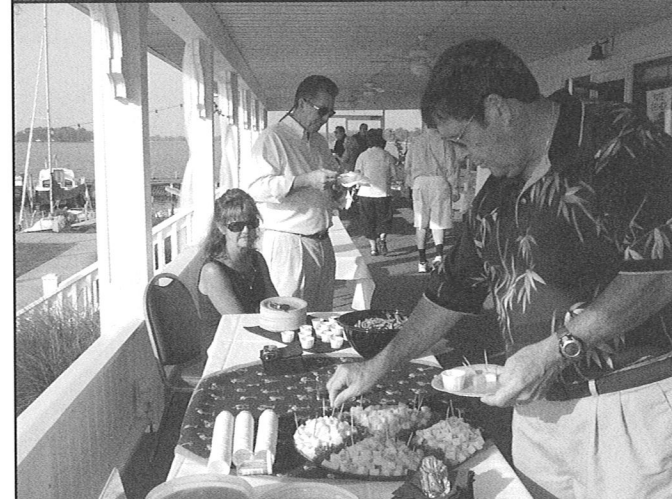

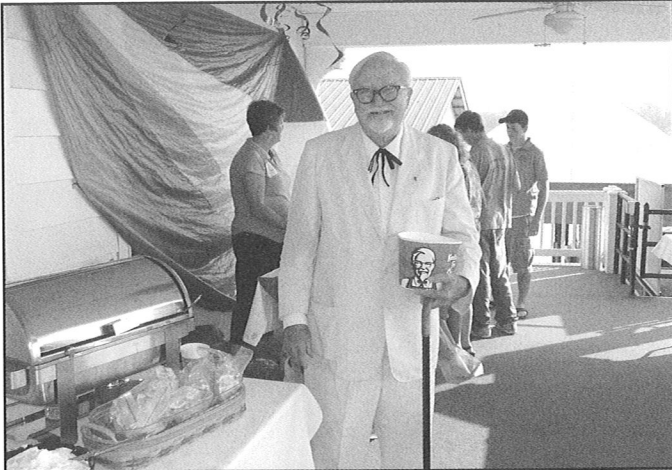

This would be a perfect meeting to invite all of the new members. The Auxiliary is open to both men and women.
