

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

November, 2008 - Vol. 18 Issue 8

Commodore Will Price

Our first order of business at the October meeting was to elect a Rear Commodore, this has been accomplished, and the new Rear Commodore is Rick Henderson. Congratulations to Rick and I am sure he will continue to do a fine job for BLYC. I would like to thank our other candidates for their willingness to serve the Club and for making this a very interesting vote; it is a reflection of their support for our fine Club. I would also like to thank Commodore Frank Foster II, Commodore Jim Thompson, and Commodore Ray Kent for their assistance in this election.

We are now observing winter hours please check our website and our signs posted around the Club for the new hours. Reservations are still the best way for us to serve you, so please call ahead. Our website address is

www.buckeyelakeyc.com.

By the time you read this article we should be ready for the Gun Club to begin a new trap shooting season on Sundays. Lee Glenn has some new ideas this year, and hopefully we will have more shooters to participate in this fun event. Our hours for shooting are 1 p.m. to 4 p.m., please plan on attending. We will also assist in teaching new shooters gun safety, and pointing techniques. Trap shooting is a fun and safe event, and we have experienced shooters to assist. As the weather cools it is a great way to enjoy the Club and warm up next to the fireplace.

Thanks to everyone who helped on Work Day in October, it is always a great way to spend time at the Club and meet other members. We count on our volunteers to maintain our Club's great appearance.

It is amazing how fast the seasons change, seems like only last week that we were putting our boats in and wondering how soon summer would be here. Now every day I look out from the front porch another boat is missing and heading in to be winterized. On the boat subject, we are doing our best to keep our dock areas well lighted; apparently the "crooks" are unscrewing the light bulbs. When leaving the dock area please make sure the gates are locked, they can be a little stubborn. Please do not keep valuable items on your boat if not necessary, anything you can do will help.

As always please contribute to Junior Sailing, it is a very fine activity for our youth, and builds memories on Buckeye Lake.

Will

Bar and Kitchen

As we move into the cooler seasons, our activities necessarily change from outside to inside. Good times on the porch or at the pool, and boating on the lake

(except ice boating, I hope) are on hold until spring. But fun and camaraderie continue at BLYC! Your board of Governors, along with our great staff, has been busy planning for the winter season, with several great parties on deck.

We start on Saturday, November 8th, with the traditional Icebreaker Party. This is always a fun time. This affordable priced event features Chef John's outstanding lasagna and a "build your own pasta" station.

On Friday, November 21st, be sure to come to the OSU beat Michigan pep rally, cocktails at 6, tailgate buffet starting at 7, Paul Clark Band.

You won't want to miss the Adult Christmas Party on Saturday, December 13th, or the fabulous BLYC New Years Eve Party on (guess when?) New Years Eve! These will feature 4 and 5 course cuisine, respectively, along with great entertainment. Menus for all these events are published elsewhere in this edition of the Log.

With the holiday season coming up, remember your Club when planning for family or business events. Contact Troy for private party and banquet menu offerings and available dates.

Race and Regatta

I have to admit it does feel a little strange writing about my new position as Race and Regatta Governor since I can't really consider it a job. For those of you who don't know, Sunday races are actually one of the biggest reasons I joined the BLYC. So needless to say, I am very excited about my new position and can't wait to get things started next year. I did pick up the two remaining races for '08 year from Vice Commodore Don Harris who had the job last year. I also helped with the annual '08-Snowball Regatta last weekend and had a blast. Despite light and variable winds we managed to get three races in. We ran two races on Sat. and one to complete the regatta on Sun. We had seven boats in total: 6 cruisers and 1 lightning. All the racers had a great time sailing and enjoying Rocktoberfest put on by the Club Sat night. I would also like to say thanks again, to Don Harris for getting the three new race tetrahedron marks ordered so we have them for the remainder of this and next season's series.

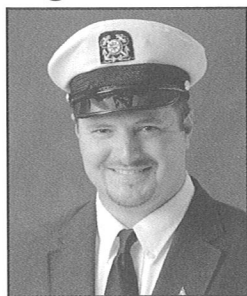

On that note, the Sunday Lambrecht cup race series was completed and won by Bill Reynolds, who was presented with the Lambrecht cup trophy. Additionally, the George Fisher Sportsmanship Trophy was awarded to Bob Snow. Congratulations to both of these fine sailors!

Also, for those of you who made it out on the Oct 18th and 19th for our annual Thistle Fall Finale. The results of the race will be posted in next month's article. Hopefully, with a little wind and entertainment we had great turn out.

And as usual, if you have any recommendations for me please don't hesitate to send me an email or catch me around the Club.

See you at the Club...

Scott Evans

Entertainment

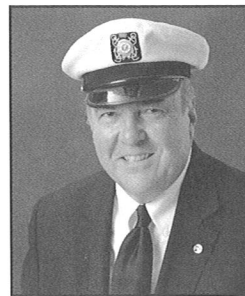

It's cooling down outside but things are heating up at the Club. We start off with our popular Halloween Party on Saturday, November 1. Prizes will be awarded for the best costumes. Entertainment is by "Southern Fried Rock". On November 8 we feature our first Ice Breaker with the Rockabilly sounds of "Third Degree Sideburn".

On Friday November 21 we have our annual "Beat Michigan Party" featuring entertainment by the exciting "Paul Clark Band." Please remember to make reservations for all these events.

Mark your calendars for these upcoming events: Childrens Christmas Party, December 7, Adult Christmas Party with The Eddie Polina December 13, Dave Bott, Christmas Carols December 19 and New Year's Eve with the Majestics.

See you at the Club,

John Sproat

Rentals & Docks

Good Lord, it can't be November already! By now most of the boats are out and the lake level is coming down.

As far as docks go the anti sea gull machine seems to be keeping them off east port. We hope to get some more repairs and electrical work done this winter and early spring.

Time to clean the shot gun and get ready for Gun club.

Many of our friends are heading south for the winter so the rest of us will just have to party twice as hard this winter. I know John has lots of neat parties planned.

Sad note, we have had boats at Eastport broken into and damaged twice. Although I think the perpetrators are coming by water, I have found the far east gate open several times.

Membership

I would like to thank past Commodore Jim McBride for his support over the years as my sponsor for Governor of the Buckeye Lake Yacht Club. Jim was the perfect Kentucky Col. The chicken wings were a big hit... Thanks Jim we all had a fun day.

November is the month we all celebrate the many things we have to be Thankful for. The most important our health, second our families, and third our friendships. The Club has always been a great place to make new friends. We hope that you will ask your friends to have the opportunity to share in your experiences with us too. We have decided to extend the amnesty program through 2009. If you know of a past member please mention this to them. I think that some type of directory will be nice for all of us to have. If you haven't done so please make sure that we have all your current information: address, phone numbers (resident, cell, business), e-mail addresses will be appreciated if available. With your help, I hope to have a directory printed and available for pickup at the Club by the end of January 2009. We will have to set a cut off of December 31, 2008 to make sure this is possible.

I am available by phone or e-mail and eager to hear from each of you of your positive and negative feedback. I hope to make your membership at the Club a great experience. We are making changes to help better serve our members so please be patient with us as we begin our process.

To you and your families I wish you a very Thankful and Blessed year.

Happy Thanksgiving,

**Governor
Jeryne Peterson**

House & Grounds

Not many people have a first day on the job as I did on Election Day. As I'm being assigned my new duties, as House and Grounds Governor, the wind started and continued to increase in velocity. By the time our meeting was finished, we were in the midst of the remnants of Hurricane Ike. Those of you still at the club at that time will remember the waves coming over the sea wall and the boats breaking free of their moorings. Quite an exciting time.

As a result of the wind, we experienced some minor damage. A few roof shingles needed attention and thanks to Chuck for assistance in getting the roof back in proper condition. We also lost a tree that came down in our parking lot. Fortunately, no vehicle was under it at the time. Thanks to Mike for his efforts to clear the tree from the parking lot and steadily remove it from the area.

I would also like to thank my fellow Board members for the honor of being elected Rear Commodore. I hope to fulfill the duties as well as my predecessors. The entire Board is interested in maintaining a club for members to be proud of and enjoy their membership. We are constantly looking for ideas to make your experience more enjoyable and look forward to your suggestions towards that goal.

I will get more detailed in the next Log issue related to the House and Grounds issues.

Take Care,

Rick Henderson

BUCKEY LAKE FLORIDA REUNION

For many years there has been a reunion held in February for Buckeye Lake area friends on the west coast of Florida. A luncheon reunion will again be held in 2009 at Heron's Glen Country Club on Saturday, February 21st at 11:00 a.m.

Heron's Glen is located midway between Fort Myers and Punta Gorda, making it a convenient location from Orlando, Tampa, Sarasota, Venice, Port Charlotte, Fort Myers, Naples, etc.

If you would like to be on a mailing list to receive more information on this fun event, call Steve Belhorn at 614-270-6973 or e-mail at callforbids@gmail.com.

Auxiliary Secretary Judy Bair

Hopefully you were in attendance at the October meeting — we had a good turnout of members, had a lovely dinner and got to take home a fall arrangement that our ever-generous Michelle De Santis instructed us in a workshop! If you weren't there, you should really try hard to get to the November meeting...

November 13th is an evening meeting with socializing beginning at 6. Our President Cherry Shain will begin the meeting at 6:30 and dinner will be served as close to 7 as humanly possible. We're going to enjoy a traditional Thanksgiving dinner with the added enjoyment of a wine tasting. This will surely be a wonderful evening for members and their guests. Please remember to call the Club with your reservation (740-929-9941).

There are a couple of areas where every member can serve... we have a booze basket which needs tickets to be sold. The raffle tickets are in the showcase and the key to that is at the bar. Also, if you notice someone looking at the showcase, offer to help them. Once again the key is at the bar. FYI, Teri Beck is the booze basket chairman and Michelle De Santis is chairman of the showcase until January.

With the Children's Christmas Party coming up so quickly, this is a fun area where you can spend time with other members and enjoy the little ones as they encounter Santa. Vice President, Carole Donnelly, is looking for a chairman — several jobs have already been filled, she just needs the chairman. Another person that Carole would love to hear from is a substitute for the Polaroid cameraman (woman). Evidently the film is no longer available so we need someone who can suggest an alternative.

Remember, you only get out of something what you put into it; so join us!

If you're not a member now, bring a spouse, or a friend to the Nov. 13th event and join in the fun!

Judy Bair

Junior Sailing

Governor
Gayle Fisher-Mulvey

Greetings all! What glorious fall weather we have been having these past several weeks! Soon enough it will be blustery and cold — which is when the Junior Sailing Program begins to have the wheels turn. Just around the corner we will begin planning the "learn to sail" program for next summer. I am pleased to announce that we have officially brought on Catie Dust as our sailing instructor and Junior Sail Team Coach. Catie is a junior studying to be a special education teacher and possesses the enthusiasm, ability to teach and personality that will make our program very successful next summer. She is also a fine sailor in her own right. She will bring a lot of new ideas and we are really looking forward to working with her.

I have had a lot of people at the Club make suggestions and ask questions about next summer. One of the top questions is whether we will have an adult "learn to sail" program next summer. The answer is YES! The specifics are yet to be ironed out but offering everyone an opportunity to learn to sail is a top priority for me. As we come into the off season of sailing, I will be trying to purchase two more Flying Junior Sail boats so that we have an even better situation coming into next summer's sail camps.

By the time you read this issue of the Log, work day will have taken place (thank you, in advance for your help), the boats and sails and gear all "put to bed" for the season waiting for their chance to get in the sunshine next May. Keep bringing me your ideas to make our Junior (and adult) Sailing Program even better. Hope you all are having a wonderful fall and I will see you at the Club!

Gayle Fisher-Mulvey
