

# Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

April, 2009 - Vol. 18 Issue 2

**Commodore Will Price**

What a great time to be a member of the Buckeye Lake Yacht Club! Everyone is working very hard to clean up, patch, repair, and dress up our facility. Work has been completed on our bar's water damage and it has turned out very well, it is difficult to tell that the foot rail on the bar has not always looked that way. Take a look at the new repair and tell us what you think. The large room upstairs that has been occupied by Jr. Sailing for several years has had a new face-lift, paint, ceiling, floor and new lighting. Our members will be able to use this new room for recreation, and as an activity room for their children. Volunteers from our Jr. Sailing team will supervise this as a fund-raiser for their program. Governor Gayle Fisher-Mulvey will have more information on this project later.

The high winds this winter have caused considerable damage to our old building. Repairs are being done at a very good pace to prepare for our upcoming summer season. Rear Commodore Rick Henderson and Governor Zieher have been very busy coordinating the work; BLYC will be ready for a busy summer schedule.

Tickets are on sale for the Danger Brothers now, make sure you reserve your tables and buy your tickets; it will be quite a show. Tickets are for sale for members and their guests only at this time.

I would like to welcome our new General Manager David Persons. David is an excellent addition to our Club and he brings a wealth of knowledge and experience to our kitchen and dining room. Please introduce yourself to him on one of your visits.

Thank you to all of our members who support our Club on a regular basis. I look forward to meeting new people at every visit. It is very hard not to have a good time with so many new friends. Please introduce yourself to a new person at every visit to your Club. Summer will be here soon and we plan to be ready to enjoy the season. Together we make the BLYC the best place to be on the lake.

*Easter!*

## Bar and Kitchen

The new menu has been very well received. Members and guests have been pleased not only with the selection and pricing, but also the preparation and presentation skills of our new chef

John Hites. John's attention to detail and the extraordinary effort of our entire service team have resulted in an effective balance among price, quality, and service. This is a dynamic effort, and will always be a work in progress.

To carry this effort to the next level of excellence, I am very pleased to announce the arrival of our new BLYC General Manager, David Persons. David has had extensive experience in private club management, and is himself a Certified Executive Chef.

Highlights from David's resume include training at the Hyatt Regency Waikiki in Honolulu, Hawaii, later transferring to Ohio to open the Hyatt Regency in Columbus. He served as chef, and then general manager, of the Rocky Fork Hunt and Country Club. He also served as general manager of the Moundbuilders Country Club, adding golf to his resume. He comes to BLYC from Harris-Teeter in North Carolina. All members are invited to attend a "meet-our-new-manager" reception starting at 7 p.m. on Friday, April 10th. for cocktails and hors d'oeuvres.

On Sunday, April 12th, your Club will feature an Easter buffet from 11

**Vice Commodore  
Don Harris**

a.m. til 3 p.m. for \$15.95, kids under 10 \$7.95, kids under 4 free. Bring the family. Easter egg hunt starts at 12 noon. Also, starting at 4 p.m., Chef John will feature a traditional sit-down Easter dinner for \$21.25, please call for reservations. The regular menu will be available on request.

Plans are in the works for a great Mothers Day buffet on Sunday, May 10th. That's also the first day of sailboat racing. Plan to bring Mom and the entire family for a fun day at the Club.

## Race and Regatta

With March 20<sup>th</sup> the official day of spring behind us now.

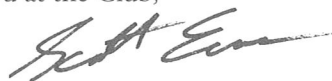

I can't wait to start getting my boat ready for the water. However, March and April have proven to be some pretty cold

transition months over the past few years so we will have to wait and see.

I am scheduling to have a skipper/crew "Intro to the 2009 season" Sailing Clinic on Sunday April 19<sup>th</sup> at 2pm." So mark your calendars. We will go over the starting sequence for the year, flag identification, go over the few significant changes in the newly updated 2009-2012 racing rules of sailing guide and obtain a release of liability form from everyone who intends to compete this upcoming year. The release of liability forms must be signed before the first race you enter or you will not be permitted to race. So if you can not make the meeting please let me know ahead of time and I will make sure you get the proper forms filled out and submitted. We are all looking forward to a great season of racing.

If you have any questions or concerns about the upcoming season please don't hesitate to ask.

See you at the Club,

**Governor  
Scott Evans**

## Entertainment

After a long winter it's time for some great times and entertainment at BLYC. We start off with the return of Jim Harris on April 4. Jim is a great singer who features an excellent variety of party music in his show. Don't miss him.

On April 11 we will have our first "Parrot Head Party." Southern Fried Rock will be playing a blend of Jimmy Buffett music and great 70s rock and roll. Come dressed as your favorite Buffett song. Prizes for the best outfits. Also special Buffett inspired food and drinks will be available.

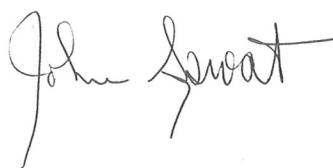

Don't miss our very special Easter Sunday Buffet 11am-3pm and Easter Dinner starting at 4pm. We will have an Easter Egg Hunt starting promptly at 12 noon.

We repeat our very popular Watkins Island Seafood Night on April 25. The entertainment is the excellent, Gayla and Randy Duo.

Be sure to make reservations for the Michael Sutherland Show on May 2 and the Mother's Day Dinner on May 10. Also mark your calendars for the Steak and Wine Night with Don Beck and Howard Everitt on May 16; The Pickin' Daisies Family Concert on May 22 and The Commodores' Ball with the Jack Gorham Band on May 30.

Also now is the time to make your reservations for the fabulous Danger Brothers Show on June 13 at our "Tribute to Put In Bay."

See you at the Club,

**Governor  
John Sproat**

## House & Grounds

Happily, Spring is on the way. April 19<sup>th</sup> will be our Spring Work Day. Everyone is invited to join us at the Club at 9:00 a.m. to prepare the grounds for summer. We have something for all ages and abilities so, don't hesitate to join in the fun. Donuts and coffee will be provided in the morning and a lunch to all workers.

Since assuming the House & Grounds duties in September, we have had two severe wind storms. We are still in the process of recovering from the second storm but we expect to be ready in time for summer fun.

The Junior Sailing room upstairs is in the process of being renovated by some great volunteer members, Carlene and Jeff Robertson.

I wanted to welcome our new Club Manager, David Persons, and hope he is still enjoying his job.

After the long, cold winter, it is time to get back involved with the Club activities and remember why we obtained a membership. Come and relax and enjoy your fellow members at the greatest secret in Licking County.

As always, any Board member is open to any ideas or suggestions from members for the betterment of the Club and membership.

Take care,

**Rear Commodore  
Rick Henderson**

## Membership

The winter has been cold and long, so it seems. I am sure that everyone is ready for the sweet smells of spring. I know that I am ready to see flowers peek through the ground, for the soft warm breezes to start up and the beginning of spring. April is an exciting month and we now know we must start to think about putting those boats back where they belong, in the water with us on board.

I hope that many of you have been enjoying the many activities that have been taking place at the Club this long cold winter. And for those of you that wait till nicer weather get ready as Governor Sproat has quite a line up of entertainment ahead. We have many changes that have occurred over this winter. Hope you take a few minutes to welcome our new Club Manager, David Persons. He will be anxious to meet everyone and make your membership to the Club an enjoyable one.

Don't forget to share the experiences you have at the Buckeye Lake Yacht Club with your friends and family. We have a great program for junior sailing and adult sailing. Governor Fisher-Mulvey would be your contact to get more details on these activities. Governor Evans is our race and regatta contact and would be able to answer your questions regarding upcoming races.

The directories will be late coming as the changes have been coming in and we wanted to go to press with as much accurate data as possible. I should have them ready soon. You will be able to pick them up at the bar, or ask your servers and they can get you one. The directory will not be fancy but will be functional. Sometimes something is better than not having anything at all. Also you can go to our web site [www.buckeyelakeyc.com](http://www.buckeyelakeyc.com) for all upcoming events, menu specials, hours of opera-

**Governor  
Jeryne Peterson**

tion and to contact your Club Board of Governors, Commodore, or Trustees.

I hope to see everyone very soon at the Club.

Happy Easter to you and your families.

## Meet a Member Chuck Wadley

As a life long resident of Buckeye Lake, I grew up on the Lake. My earliest memories are of my dad's 16 ft wooden, Thompson with a 40 hp, Johnson Seahorse. While cruising on the lake, my dad instilled in me, a love of the being on the water; and an appreciation of nature.

I graduated Lakewood High School in 1975 and Zane State College in 1979. I have been very fortunate to spend the past 29 years serving as a State Park Officer at Buckeye Lake. I am charged with providing the public, a safe and enjoyable recreational experience (sometimes easier said than done). I have served as a Reserve Deputy Sheriff for the Licking County Sheriff's Office since 1980. This has given me additional experiences and incites into the law enforcement community.

My son (Chris, age 27) has also chosen to serve as a State Park Officer and is currently work at Pymatuning State Park in northeast, Ohio.

In June of 2006, my wife, Sue and I were married at the BLYC. We had beautiful weather and excellent service from the staff. Sue is also in public service as she is the Director of Human Resources for Licking County Government.

We have enjoyed our first of many years as members at the BLYC. It has given us the opportunity to enhance the boating lifestyle that we enjoy onboard our 25 ft Sea Ray, "Tradin Up."

## MARINE THEFT PREVENTION

Three factors that will discourage thieves and vandals are; TIME, NOISE, and VISIBILITY.

Get to know your boating neighbors. Report suspicious activity.

SECURE your vessel when leaving it unattended. Remove keys and valuables.

When away from your vessel, close doors, draw curtains and snap down canvas covers. (Remember - out of sight, out of mind.)

Store valuable items at home. Examples: fishing gear, depth finders, radios, tools.

Put identifiable marks on equipment and keep records of make, model, and serial numbers.

Upgrade locks and hasps on doors, windows, and hatches. Install an alarm system and, or pressure mats.

Use locks on props, gas tanks, outboard motors, and trailers.

Visit your vessel, regularly.

Turn off the electric to boat hoist when not in use.

Keep gates on docks LOCKED. (Most unauthorized access is from land, not water.)

For Reporting Suspicious or Criminal Activity

The BLYC attempts to send get well cards and/or flowers to any member or member of his immediate family who is sick. Please let the Club Manager know if there is someone whom we need to wish well.

Also, in the event of a Member's death (or that of a member of his immediate family), please provide the Club Manager with whatever information you can as expediently as possible so we can respond accordingly.

## Auxiliary

Vice President Carol Donnelly

While we are still anxiously awaiting the return of our Snowbirds, our first Auxiliary meeting for 2009 will be Thursday April the 9th.

We will begin with a Social Hour at 6:00 p.m. It will be a good opportunity to meet our new General Manager David Persons. Although the Auxiliary has been on vacation from the Club, there has been a buzz of winter activities.

There will be a short meeting at 6:30 p.m., followed by dinner at 7:00 p.m., giving us our first sampling of the culinary talents of our new Chef, John Hites.

Since our meeting is during Holy week, we are going to introduce the ancient art of healing called Reiki, also because it is the night of the April Full Moon I am inviting all those interested, back to my home for a Full Moon Meditation, following the conclusion of the Reiki Program.

Our first fundraiser for the '09 season is the Wine Basket Raffle. It contains 12 bottles with a mixed of Red, White, Domestic and Imported wines. Tickets are \$1.00 each and 6 for \$5.00. The drawing will be during one of the Clubs major events in May.

The Style Show and Silent Auction is scheduled for August 1<sup>st</sup>. This auction has always been one of our most successful fundraiser and its success always depends on the items we have to bid on. As you begin your spring housecleaning you might think about gathering items you could donate for this fun and exciting event. If you have any question concerning the Auction you may call Marcia Henderson at (740) 522-6115.

Respectfully Submitted,

*Carol Donnelly*

## Junior Sailing

Hello All! It feels like we are finally going to get a spring thaw, which brings summer to mind! I can't wait!

We are busy getting sail camps together for the summer of 09.

Also on this page you will find a letter explaining how sail camps come together, for those who might be unfamiliar, as well as a registration form for on the back of this page, signing your child/grandchild up for a week of learning and fun at sailing camp.

Junior Sailing Camps are week long opportunities to introduce children to the fun sport of sailing. They are well staffed by experienced sailors who are patient teachers and great with children. Campers will learn about all different aspects of sailing and have time to swim in the Club pool. They will make new friends and have fun in the sun!

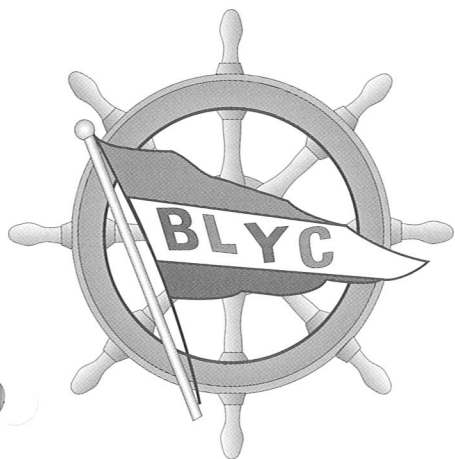

Watch for information in next month's log on our adult "learn to sail" program that we will have this summer.

Please register early for sail camp. Spaces fill up quickly. We look forward to a great summer!

**Governor  
Gayle Fisher-Mulvey**

*Gayle Fisher Mulvey*

Hello All!

This is our first notice of Junior Sailing Camps for the summer of 09! On the reverse side is an application that you may send to the Club to register your child. A great idea would be to register early guaranteeing a place for you child or grandchild.

A few points to note:

Camps will be conducted Monday – Friday, 9 AM to 4 PM. A new offering this year is after camp care. Food and fun will be provided. Please let us know when registering if you plan to need after camp childcare.

Campers must bring a life jacket and swimsuit every day to camp. A change of dry clothes, sunscreen and towel are highly recommended.

Lunch is provided at the Club and included in the fee.

Caiti Dust is our sailing instructor. She has several years of experience teaching sailing and is a junior in college majoring in special education.

Our other staffers will be current or former BLYC Race Team Members. They are CPR certified and lifeguard certified.

You will notice that beginner and intermediate are combined. We have found it best to have new sailors join more experienced sailors for a well-rounded program.

Your child/grandchild will learn the parts of the boat, rigging, sailing rules fundamentals, knots, sailing tactics and have the opportunity to sail at beautiful Buckeye Lake!

We are looking forward to a GREAT summer!

Mail your registration to: BLYC, 5019 North Bank PO Box 867, Buckeye Lake, Ohio 43008.

Questions? You may contact me at: [gaylefishermulvey@yahoo.com](mailto:gaylefishermulvey@yahoo.com) or call me at 740-334-8906.

Thanks, we look forward to working with your child/grandchild.

Sincerely,  
*Gayle Fisher Mulvey*
