

# Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

May, 2009 - Vol. 18 Issue 3

**Commodore Will Price**

Time just doesn't seem to slow down, we are half way into the year with the 2009 Board of Governors, and it is time for our Semi-Annual Meeting. This meeting is open to members only and will start promptly at two p.m. on Sunday, May 3rd, 2009, please try to attend if possible. All the information is in the this Log.

Our new General Manager, David Persons, is now in full swing, planning our upcoming summer events. The Vice Commodore meets weekly with David and stays informed on all private functions and general business of the Club. This has always been a full time endeavor and Don Harris has done an outstanding job. Don and I talk frequently and BLYC and Bar & Kitchen are always the main topics. We have had a very good start this year and I hope that

the next six months will be as smooth as the first. The present Board is a very hard working and conscientious group and it has been a very rewarding experience working with them. I am looking forward to the summer as we all gear up for fun and good times at the Club.

Hopefully with the rain we are receiving this week the lake will be getting closer to full pool status. April has not been kind to us so far, and we are down in our monthly rain total. There are still a couple of weeks left as I write this article, maybe by the time you read this the lake will be full. I know I can't wait to dust off the sails and put my boat in the water!

The Danger Bros. ticket sales are brisk and if you plan on attending, you would be wise to order your tickets very soon. This is going to be an outstanding event, so please send out some good weather vibes.

I would like to make a short comment on a negative Letter to the Editor that appeared recently in a local paper. We encourage all members to bring concerns about our Club to any one of us on the Board. I am available to all members by phone and e-mail. We will discuss the issues with you and work hard to acknowledge your concerns and try to come to a workable solution or some kind of an understanding. Knowing that our goal is to provide a positive experience to our members, writing negative letters in a local newspaper is not likely to produce a positive response from the Club.

Thanks to all of our members who braved the cold weather this winter and spent time at BLYC. Although we had

some problems with our trap machine we had a very active and enjoyable trap-shooting season. John Doneff, Lee Glenn, and Mark Daniels loaded up our trap machine and hit the road for Kansas City, Mo. for needed maintenance. It was a very worthwhile trip, the machine was repaired and updated, and they learned some useful tips. Thanks to the Three Amigo's. The gardens around the Club are beginning to bloom and everywhere you can see that the boating season will soon be here. Not too soon for me.

*Will*

## From the Desk of the Club Manager

**Dave Persons**

Thank you ever so much for your warm greetings and kindness. I am thrilled to be back at The Yacht Club, after a seven year sabbatical. It is great to see a number of you this time of the year already. I hope to renew old friendships and start new ones. The opportunity to meet and know all the membership is a privilege and my pleasure. I look forward to developing a relationship with everyone! Do excuse me as I try to learn you and your family's names. I will embarrass myself several times I'm sure.

In my first month here we have looked at every aspect of the Club's functions in the food and beverage department. Budgets, financials, expenses, menus, staffing, training, pricing, Holiday events, Club calendar Events and private parties.

The Club really looks in better

*continued next page*

shape than when I left in 2001. I always remembered it as a get-away destination on the Lake for Central Ohio. Locally it can be an extension of your home or a "Cheers" where everybody knows your name. It will be my job to take care of it for you. You have an exciting Calendar of events, like no where else in the area.

Before I left Raleigh, North Carolina to come up here, three out of ten restaurants were closing their doors. Some had been in business for a very long time. The tables were set up with table cloths, china and wine glasses (for prospective buyers), but nobody was there. It was eerie. Not the case here. We are taking reservations for events in June already. This Club is very much alive and we are going to have a full summer beaming with activity. Trust me that is a very good thing. A good indication of our stability.

There are mixed feeling about sharing the Club with the public on big events and for private parties. The club gets crowded and there are unfamiliar faces everywhere intruding on your member privilege. It puts wear and tear on the building, staff, and organizers. However, most clubs use it as a part of membership so a member can host a party for friends, family and business. Golf Clubs have Tournaments and Outings; we have the Antique Wooden Boat Show and "The Danger Brothers." Having a member hold his daughter's wedding here is one of the most rewarding roles of my job. Yes, management encourages, (not promotes) private parties for the income, but here only to offset bar and kitchen expenses protecting the general fund. We have a break even budget. There has never been "Huge Profits" on anything. In 2008 the total income in the bar and kitchen was \$423,000 and of that \$52,000 was in private party income or 12%. That is not a lot of activity. It is not a big number but if eliminated and absorbed into membership dues it would be to some members. To my knowledge there has not been a vote on any monthly food and bar minimums, the norm for most clubs in Ohio.

Summer Hours are coming. We would like to have the Pool open by May 15th. There will something to do for everyone. I am looking forward to this time in great anticipation as well as the staff. May your summer be safe and full of everything you want it to be. I am tired of being cold and I just got here March 5th. See you soon.

"Thank you to all the children that participated in the Easter Egg Hunt. You are a breath of fresh Spring air. All the beauty, wonder and excitement in the world is in you.

*Dave*

## Entertainment

After this long winter it's time to get out and join the fun at BLYC. Many of you have asked me when is Michael Sutherland and his "Sinatra and Friends Show" coming back. Well you're in luck. Michael will be here on May 2, 8-11 p.m. Reservations are a must for this show. We've added a great new family movie series to our entertainment lineup. The projector rolls on May 8 at 7:30 p.m. with a showing of "Monsters vs. Aliens." We supply the popcorn. We plan to have a movie night each month. We go poolside for "Dive in Movie Night" this summer.

On May 16, we bring back great musicians Don Beck and Howard Everitt for a new event entitled "A Night in Paris." We will have excellent cuisine

and top class wine. On May 22, we welcome current server Ashley, former server Tiffany, Caity from the Island House and Andy. Collectively they are known as "Pickin' Daisies." You will truly enjoy their singing and playing.

We round out the month with the Commodores' Ball on May 30. The dance music is provided by the popular "Jack Gorham Band." As usual unless otherwise noted all events are 6 p.m. Cocktails, 7-8 p.m. Dinner, 8-11 p.m. Entertainment. Reservations are strongly encouraged so that our staff knows how to prepare for you. We had one recent event where we had 40 reservations and 140 showed up.

"Put in Bay Days" are June 12 with "Southern Fried Rock" and June 13 with the fabulous "Danger Brothers". Tickets are on sale for \$15. Book your table for 10 now for reserved seating. This show will sell out, so act fast.

"The Antique and Classic Boat Show" is June 19 and 20. The 50s/60s Party with DJ John and music trivia is June 19. Beck and Dittoe take the stage June 20 from 1-4 p.m. and the "Paul Clark Band" plays for dancing 8-11 p.m. I am getting excited just writing about all this.

See you at the Club,

*John Sproat*

## Membership

The flows are peering through the ground and the lake is starting to fill with water. We need more water in some areas to be able to launch our boats for a fun filled spring and summer. Many great events are being planned for the coming season. I hope that you will all bring your friends and family to our Club to enjoy these up coming activities. Please note that our new Club manager, David Persons is digging in and going to be a real asset. If you have an event that you would like to plan, please contact David and he will be very happy to help you plan your next event.

I hope that all of you and your families had a very nice Easter. Governor Henderson has the pool ready to open and said that he will be opening the pool earlier this year. The children will like that a lot. The Junior Sailing room up stairs has been cleaned and painted and decorated by caring members. I would like to say thank you to all who helped. The room looks great and the children should be very happy and comfortable in the new and much improved room.

Don't forget to share the experiences you have at the Buckeye Lake Yacht Club with your friends and family. We have a great program for Junior Sailing and adult sailing. Governor Fisher-Mulvey would be your contact to get more details on these activities. Governor Evans is our race and regatta contact and would be able to answer your questions regarding up coming races.

The economy is very difficult these days and we don't really see things getting any better in the near future. If you find it difficult at this time to continue your membership don't forget that you can take a demit. If you would like more information on this please don't hesitate to contact me or our Com-

**Governor  
Jeryne Peterson**

modore, Will Price. We will be happy to explain how it works. All of our members are very important to the well being of the Buckeye Lake Yacht Club and we need all of you to help keep the tradition and history alive.

The directories will be late coming as the changes have been coming in and we wanted to go to press with as much accurate data as possible. I should have them ready soon. You will be able to pick them up at the bar, or ask your servers and they can get you one. The directory will not be fancy but will be functional. Sometimes something is better than not having anything at all. Also you can go to our web site [www.buckeyelakeyc.com](http://www.buckeyelakeyc.com) for all upcoming events, menu specials, hours of operation and to contact your Club Board of Governors, Commodore, or Trustees.

I hope to see everyone very soon at the Club.

## Race and Regatta

### *Calling all*

*Sailors...* If you plan to race this season you must fill out a "release of liability" form if you have not already done so. I will also have some extra copies to sign, hanging on the post board by the popcorn machine.

What can I say... Spring is here and the lake is starting to feel like Summer. Our first Mean Green Thistle Regatta for the season is behind us now and we are fast approaching the start of our 09 Lambrecht Cup Series. To stick with tradition, we are scheduled to kick off the season with our first race on Mothers Day weekend, Sunday, May 10 at 2:00 p.m. There will be a skippers meeting at 1:15 p.m. by the large chalk board next to the covered docks. For

**Governor  
Scott Evans**

anyone who has questions and may have missed our pre-season sailing clinic you can send a quick email or stop me at the Club.

The farmers almanac is saying we are in for a wet and windy summer. So I hope that holds true for those of us who love to sail. If you have any questions or concerns about the upcoming season please don't hesitate to ask.

See you at the Club...

## Rentals & Docks

Wow, May is here already. The snowbirds are coming back, the weather is better and best of all, boats are in the lake.

I can't believe all the great things that are planned for the Club this summer. We are going to be very busy having a wonderful time at BLYC.

First, a big thank you to Frank Foster IV for the great service in repairing the docks at Area 8, the deck beside the pool and the docks in the front basin. As I'm writing this, the electric service at Area 8 is not finished but I'm sure that by the time you get this *Log* it will be completed. To all of you who have not had electric service at the docks, your patience and understanding have been greatly appreciated.

At this time all of the docks on the Island and Area 8 are rented. There are a few left at Eastport and also a few spaces in the boatyard lot. If you are interested please contact me about them.

See you at the Club,

**Governor  
Bob Zeiher**

## Junior Sailing

Hello All!

We are getting our summer sailing program up and going and just a reminder that it is best to register your children or grandchildren for a session (or two) now rather than waiting until the camps fill up. In the *Log* and on the website, you will find the registration form. Please fill it out with your preferred week of camp and return to BLYC.

As of the writing of this article, we have not firmed up the days for the adult sailing program. Those that are interested, please email me at [gaylefishermulvey@yahoo.com](mailto:gaylefishermulvey@yahoo.com) and I will let everyone know as soon as I know.

We are planning a fund raiser that will occur Memorial Day Weekend to help pay for the new Junior Room upstairs. As many of you may know, my father, George Fisher, who passed away last summer, had a lot of trophies. Perhaps that is a mild understatement... there are 12 boxes full of trophies (and that is not even half of them) most of them are engraved and were won at Buckeye Lake Yacht Club.

I am asking for the Governors and the Auxiliary and anyone else who would like to participate take a trophy

**Governor**  
**Gayle Fisher-Mulvey**

and fill it – with whatever you like. Some examples might be a flower arrangement, a DVD and a bag of popcorn, gourmet dog treats, a bottle of wine, whatever someone would like to do. Imaginative ideas would be great!

The trophies will be brought to the next Board Meeting and Auxiliary meeting. I am sure there will still be some available the following weekend if anyone would like to pick one up. Folks will choose a trophy, fill it or add to it however they might like and then we will hold a silent auction in the Commodore's lounge, or maybe even in the new Junior Room (!) over Memorial Day Weekend. This may seem like I am trying to move fast, but our ever so generous decorator needs to be reimbursed for her expenses.

All purchasers keep the trophy. All sales will go directly to the new room! Any remaining funds will go toward the Junior Sailing Program. A few volunteers and I will be responsible for the silent auction. We will make efforts to ensure exciting bidding over the weekend.

I truly hope you will participate in this fund raiser. Seems to me to be a great way to make some much-needed funds for the Junior Room and a lot of fun for participants.

Thank you. Have a great spring and see you at the Club!

*Gayle Fisher-Mulvey*

## Auxiliary

The first meeting of this season was full of interesting information and topped off with an enlightening program of Reiki and a Full Moon Meditation which was enjoyed by all; especially the two volunteers!

The Easter Egg Hunt came to pass with the generosity of Babette and Dwight Joseph and Mimi Geiger — thank you from the entire membership.

If you haven't been to the Club lately you've missed seeing the new chairs in the dining room — thanks go to Shelly Higgins. The supplier apologized for the delay.

May 15h is the steak and wine dinner and at that time we will have the drawing for the wine basket.

When you renew your membership, please enclose your email address.

Joyce Thorp (740-366-1741) is asking for models to sign up for the style show, which takes place on Aug. 1. There is also a need for assistance in the dressing room and for the silent auction, which is headed up by Marsha Henderson (740-522-6115). Please call them to volunteer.

John Sproat is asking us to create a decorating group for the parties and special functions. If you're interested please call John or David Persons (our new Club Manager). The club number is 740-929-9941.

The next meeting will be May 14th and I'm sure Carole has something fun in mind so be sure to call the club with your reservation. Once again the Club number is 740-929-9941.

See you in May...

*Judy Bair*

## House & Grounds

We have been busy getting the Club prepared for summer. First, we had to make the repairs associated with the wind storm damages we experienced. The docks, decks and roof received a face-lift that will improve our ability to weather the storm a little better next time.

**Rear Commodore  
Rick Henderson**

Workday was very busy. We had to get all the pool equipment, entertainment stage canopy, outside furniture and lights ready for our first summer event. The Club House also received a good cleaning to remove the winter dullness and make it bright and sparkling clean for the summer.

Thanks to the Auxiliary for the new dining room chairs. They are very comfortable and an improvement to the over-all dining experience.

The Ohio Board of Health also required the installation of an anti-entrapment device on all public pools prior to being approved to open for the 2009 season. The device has been installed and the plan is to open the pool as soon as the weather permits. Everyone is anxious to get going.

I would like to offer kudos to Carlene and Jeff Robertson for all their volunteer work on the Junior Sailing Room located upstairs. They came to us and offered their service and expertise in improving the room used by our Junior Sailors and the children of the membership. Members should go up and look at the before pictures and after results. Carlene is in the business at Z Interior Decorations, Inc. (614-863-2866). Thanks again Carlene, and we are looking for the next project.

As always, provide your Board Members with your suggestions and concerns for making your membership one of the best investments you have made.

Take care,

*Rick Henderson*

The BLYC attempts to send get well cards and/or flowers to any member or member of his immediate family who is sick. Please let the Club Manager know if there is someone whom we need to wish well.

Also, in the event of a Member's death (or that of a member of his immediate family), please provide the Club Manager with whatever information you can as expediently as possible so we can respond accordingly.
