

# Buckeye Lake Yacht Club

## FROM THE BRIDGE ☆☆☆

**Commodore Will Price**

We have been talking about full pool at Buckeye Lake for a month now and we can finally say, yes. I know I get a little impatient about water level in the lake but we always seem to arrive at a safe depth just in time to get the boats in for the season. Everyday as I look out my window at the Eastport dock area I count the boats wondering who is putting their boat in today. I know I don't have mine ready yet but I am very close. I think I enjoy working on the boats as much as I do using them. The camaraderie with my neighbor and Club members in the boat yard while they ready their boats is hard to beat. Life is good, and good things are happening at BLYC. The Danger Brothers are due in a couple of weeks, and it should be a great evening. The pool is open and the sound of the kids

splashing in the water is a sure sign of summer. The gardens are blooming and the Club grounds are looking great. Governor Sproat has set a very aggressive entertainment schedule, and I am sure you will be able to pick an evening out that you will enjoy.

The Semi-annual meeting was not well attended, but we covered the business end of the Club and there was consensus that the Club is in a very good position even in these questionable economic times. The meetings are open to the membership and they are a very good tool for our members to use to voice their concerns and opinions. It seems that when things are going well the membership turnout is low, and when things are bad, attendance increases. So I will take this meeting as a good sign. Remember that I am always available to discuss your concerns and needs.

Junior Sailing is getting geared up for camps and our coach has arrived. This is one of my favorite functions at BLYC. Watching the kids learn to sail and be comfortable on the water is very important when you live around a lake or enjoy water activities. Please come to the Club and watch your children sail and enjoy a dinner and a beverage. The weekly sailboat races have begun and are a good time for all. If you are interested in crewing on a sailboat or participating and need more information please contact the Race and Regatta Governor, Scott Evans, or anyone at the Club and we will introduce you to a great Sunday tradition and an activity that is instructional and a great time.

Going back to the Danger Brothers,

I am sorry some of our members forgot to get their tickets before we sold out, keep asking other members if all of their tickets are going to be used, you might get lucky. SEE YOU AT THE SHOW.

*Will*

## Bar and Kitchen

The bright warm days of summer are finally here! And that brings expanded summer hours. The bar and kitchen will open at 11 a.m. Wednesday through Sunday, giving members the opportunity to enjoy lunch at the Club. Whether it is a casual relaxed lunch on the porch with friends, or a more serious business luncheon in the dining room, members are encouraged to bring their guests and partake from the expanded and affordably priced menu.

Many members like to use the swimming pool on Mondays and Tuesdays when the Club is closed. Therefore, a new service is being implemented. The swimming pool will be officially open seven days a week, and the Pool Bar & Grill will likewise be open to offer food and drink to swimmers and sunbathers. Come and enjoy!

From now until July 4th, you will notice containers on the bar for voluntary contributions to help support the fireworks display. All money collected will be turned over to the fireworks

**Vice Commodore  
Don Harris**

committee to help defray the cost of this annual event which is enjoyed by the entire Buckeye Lake community and others from miles around.

Speaking of July 4th, don't forget the traditional fly-over and flag raising at 10 a.m. in front of the Club, followed by the second holiday long distance sailboat race of the season. Hope to see you there.

## Entertainment

For June, we have some great events planned. "Put in Bay Days" opens the month with "Southern Fried Rock" featuring a blend of Jimmy Buffett and classic 70's rock music on Friday,

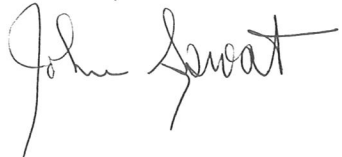

**Governor  
John Sproat**

June 12, 8-11pm. The fabulous Danger Brothers take the stage on Saturday, June 13, 8-12. BLYC Movie Night is June 18. It will be our first "Dive in Movie" with a showing of "Jaws" and "Creature from the Black Lagoon" at poolside. Movies begin at dusk.

The Antique and Classic Boat Show returns June 19, 20 and 21. The 50's/60's Night is Friday the 19 with DJ John spinning the musical memories. I'll have CD prizes for a music trivia contest. Also prizes for the best 50's/60's outfits. Don Beck and Tim Dittoe entertain on Saturday, June 20 1-4pm and the great Paul Clark Band returns for dancing from 8-11pm.

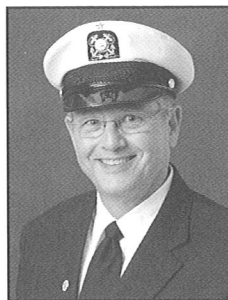

Please make plans now to attend the flag raising and flyover at our Independence Day Celebration with family style entertainment July 4. The festivities begin at 9:45am. Also make sure to attend the excellent Commodores' Steak Fry July 11 with Music by the popular Jack Gorham Band and the Eddie Polina Band Summer Dance Party on July 25, 8-11pm. The BLYC Golf Scramble is set for July 26.

See you at the Club,

## House & Grounds

A question has arisen regarding the recently remodeled "Junior Sailing Room" located upstairs. The name infers that the room is used exclusively for the Junior Sailing Program.

**Rear Commodore  
Rick Henderson**

That would not be accurate. While the room is used by the junior sailors, it is also available to all members. The room could be used for relaxation, a small meeting location or for entertainment and games. There seemed to be some confusion on the use of the room and I just wanted to clear it up.

Work day started gloomy and cloudy but the glowing faces of the volunteers held the rain at bay until we finished our projects. This was the best Workday in recent memory. All regular outside projects were completed and we also managed to handle cleaning inside the club. There was a definite difference in the cleanliness when we finished with the work. Lunch and beverage were provided to the very deserving workers.

I appreciate the willingness and enthusiasm showed by everyone who volunteered and apologize to anyone I forgot on the list:

Chris McInturf, Robert Zeiher, Sr., Neil Bonham, Dave & Glenda Flowers, Don & Sally Day, Robert, Victoria and Wesley Zeiher, Marcia Henderson, Dick Doyle, Don Harris, Mark and Chris Russell, Scott Evans, John Sproat, Frank, Andrea, Wilson and Anna-belle Foster, Lois Maher, Rick Myers,

Chris Russell, John Van Gilder, Bob Snow, Will Price, Mulvey Family, Chas McClenahan, Steve Harris and Walter Grubb.

We are moving forward to the summer events and the agenda is full. Be sure to take advantage of the activities and enjoy your Club.

Take care,

## Rentals & Docks

June already?

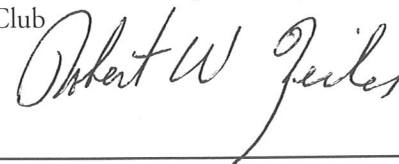

Well my boat is in the water and that means all is right with the world. We still have a few docks left at Eastport and a few spaces at the lot. They will go fast, please contact me early if you need one.

**Governor  
Bob Zeiher**

We have made several repairs to the docks this spring, and more will be done throughout the summer. However I believe for the most part they are in good shape. Please try to remember that if you have space on the island, we ask that you remove your boat for the antique boat show (June 19-20).

If you wish us to move it for you, please contact me. The board of Governors has lots of fun things planned for this summer so we hope to see you at the Club

## Race and Regatta

We are officially off to the races at BLYC. With the winds cooperating and in spite of the fact the new state docks are not scheduled to be finished until the end of the month.

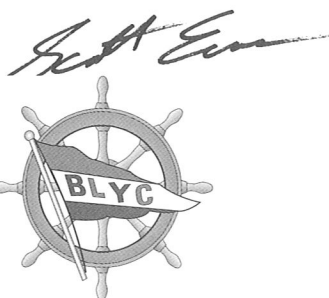

We had several racers rigged and ready to race. For those of you who are not familiar with Club sailboat racing at BLYC, Mother's Day weekend marks the opening day of our 09 Lambrecht Cup Summer Series. We had three boats compete on Sunday and with the steady wind and beautiful weather, were able to get in 4 races and off to a good start. If you own a sailboat and are contemplating giving it a try, come on out. Watch a race or two or we could even try and get you on a boat to do some

rewing.

I also want to say thanks to all members who participated in our Semi-Annual Meeting on May 3rd. It is always nice to be able to get together, share our results with our members and get some good ideas moving forward for the rest of the season.

And as always, if you have any questions or concerns about the upcoming season please don't hesitate to ask.

See you at the Club,

## REMINDER

### Per the BLYC by-laws:

All children under the age of twelve are required to wear lifejackets while outside at the Club.

Questions: See any Board member or Trustee

## Junior Sailing

By the time this issue of the Log comes out, sailing camps will be getting into full swing. We are all looking forward to working with our instructor, Caitie

Dust, and having a great summer! After speaking with Caitie, we have come to a good day and time to start our adult "learn to sail" program. The program will run for 6 classes on Thursday's starting June 11th at 6:00. The classes will last 2 hours (or so) and fun and learning will be had by all! The adult learn to sail program will cost \$150 for all 6 sessions for members, \$190 for non-members. To enroll in the classes, you may fill out the enrollment form for the sailing camps and write across the time selection "Adult".

Thank you to all who participated in the fund raiser for Junior Sailing. My Dad, George Fisher would be proud to see that his trophies brought enjoyment to his friends at BLYC and that folks had fun joining in on the silent auction, Memorial Day Weekend. Thank you all so much! I will report on the final numbers of the fund raiser in my next Log article.

The Junior Sailing camps are rapidly filling up as of the writing of this article. The earlier camps seem to be filling first, so if your child or grandchild would like to attend camp, the later sessions will most likely still have some openings.

The Junior Race Team will be going to several regattas early in the season and traveling all around Ohio. Please ask the kids how they are doing! They love representing Buckeye Lake Yacht Club! See you at the Club and GO BLYC!!

### Electronic Delivery of the LOG

We continue to make progress on converting our Members to the electronic version of the LOG. Those who receive it electronically report that they like the timeless and ease of delivery. Thus far, over 15% of you have signed up for electronic delivery. If you would like electronic delivery to your email address, simply notify Rebecca at the Club. (Rebecca@buckeyelakeyc.com) Our goal is to convert 50% of the Members to electronic delivery. This will result in saving thousands of dollars in annual postage, printing and handling charges.

### Keep an eye out for pictures

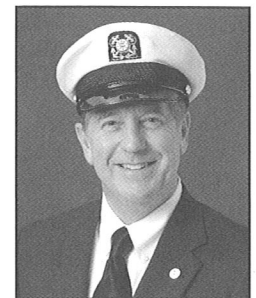

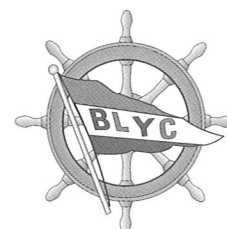

We have generated lots of pictures from Club events. General Manager Dave Persons has set up a table for Members to see pictures. Please take any you would like.

### Would you like to be featured in the LOG?

Recently, I invited any "new" members (2 years or less) to submit a brief article about themselves and a picture so we may feature them in the LOG. This will help more members get acquainted. Since I have been "underwhelmed" by the response, I hope some of you will respond to this "reminder!" We love to learn more about our Members! If you would like to be featured, send me an email Charles@LawDublin.com

All the best,

*Char M. Clenaghan*

## Auxiliary

**President Cherry Shain**

April showers may bring May flowers but the Auxiliary brought out the dancer in us all! Charlotte Frazier from Harmony Hall, along with a number of her students, gave a dazzling demonstration of just how far line dancing has come since the "Boot Scoot'n Boogie". After which she invited those in attendance to join in for a brief lesson and in no time at all she had nearly everyone smiling, laughing, and dancing to the beat! It was a good time for all thanks to our Vice President, Carole Donnelly.

Mark your calendars, the Style Show on Saturday, August 1st will be featuring fashions from Christopher Banks and music by The Kaye Carter Band. Joyce Thorpe (740-366-1741) is still looking for volunteers to model and assist in the dressing room. There will also be a silent auction, so while spring cleaning if you find anything you would be willing to donate, please contact Marcia Henderson (740-929-6115).

Our progressive dinner will be July 9th in the Harbor Hills area with transportation provided by boat. Tickets will be on sale soon.

And don't forget the Card Party and Luncheon, June 11th at noon with a brief meeting at 11:30am. Tickets are available at the bar and from Ann Oliver for \$10. If you are able, please bring a Door Prize! And don't forget to make your reservations by June 7th so

the staff can arrange to have tables for everyone.

See you in June...

*Cherry*

## From the Desk of the Club Manager

**Dave Persons**

Hello everyone. We had a great turn out for the Mother's Day Buffet. Having the morning and afternoon seating's really helped the flow of seating everyone in a timely fashion. There were over 200 members and their families present. I would like to give my utmost thanks to Sandy and Chuck Wilson for donating all the fresh flowers and white wood chairs to the Club for this event. The Club looked simply beautiful. Accolades also go out to Carroll Donnelly and her friends of the Auxiliary for making the daffodil center pieces for the main dining room.

I was a little surprised about the low turnout for the Semi Annual meeting however. With a Club of over five hundred members, there were only about thirty to forty members in attendance. Some of you missed a great opportunity to voice your concerns and ideas. Heavens, we had the Commodore, Flag Officers, Board of Governors, Trustees and Past Commodores all clustered together in one room. You could have had a shot at them all at one time. Ha ha. We will see you at the Annual Meeting this fall. I'm going to take it as a sign all's well with the Club.

There are too many names to mention here but I appreciate all the mem-

bers in attendance who hosted the New-ark Granville Symphonies Fund Raiser "Nautical Nights" The 007 theme, and Reganomics, very creative. Katie Heisey at the bar should have been one of the "Bond" girls. You all brought a lot of class and elegance to the Club.

We are going to hold in the future "the Freshman Class Reunion of 2008 to 2009" for all the new members coming aboard then. It will be a great way to give all of us and all of you another chance to get to know one another better.

The dining rooms are going to get busy this summer, I'm not sure where I can put walk-ins, so please make reservations. When making them over the phone, speak slowly, giving your name, time of the reservation, number of people in your party and a telephone number.

As always have great summer and be safe on the water.

The Board of Governors will consider the following amendment to the By-Laws at their June meeting. Member comments are invited and encouraged.

Amend the By-Laws as follows:  
Article I, Section 5 – ADD THE FOLLOWING

(c). JUNIOR SAILING MEMBERS are at least age twelve years of age and have not yet reached their eighteenth birthday at the time of application. Junior sailing members may continue in this capacity until age twenty-one, or twenty-three if a full-time college student as provided below. The purpose of junior sailing membership is for those teens who wish to sail and compete for the Buckeye Lake Yacht Club, but who are not afforded such rights as children of active members. Junior sailing member rights are the same as those for active members with the exception of electoral, rental, and member charge privileges.

(i) All junior sailing members shall be sponsored by an active member in good standing for the duration of their junior membership. The active member assumes all responsibilities for the junior sailing member's behavior and conduct as he/

she would for his/her own children. The junior sailing member must submit annually, in writing, to the Board of Governors a letter from the sponsoring active member acknowledging his/her continued sponsorship.

(ii) Junior sailing members shall pay no initiation fee. They shall be charged a reduced annual dues as set by the Board of Governors based on the actual costs associated with such membership incurred by the Club

(iii) A junior sailing member may become an active member with payment of a reduced initiation fee based upon their participation on the Junior Race Team and service provided to the Club during their tenure as a junior sailing member if they submit their application for membership, or a letter requesting active membership, before the following time limit and if they otherwise meet the requirements for membership. The application must be submitted before reaching age 21, or before reaching age 23 if the applicant is a full time college student from age 21 to age 23.

## BLYC is a Wi-Fi Hotspot!

If you don't already know, we are a "hotspot" at the Club. Wireless internet access is available FREE to members in the Clubhouse and most of the outside areas of Watkins Island.

Imagine yourself sitting in a drab office cubicle, trying to avoid your annoying co-workers, drinking stale coffee, and thinking... "I wish I could leave this place and go out to the lake." Now, imagine yourself sitting poolside at BLYC, relaxing in the sun and lake breeze, sipping on your favorite drink, and still being able to get some work done! NOW YOU CAN!

**Grab your laptop, tell the secretary you're going on a sales call, and come on out to the Club!**

Why work in the office, when you can relax and enjoy all our lake and Club have to offer? Summer's short — enjoy it while you can!

## Member Reminder
