

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

July, 2009 - Vol. 18 Issue 5

Commodore Will Price

This article is being written on the morning after the Danger Brothers party. WOW, what a great turnout of members and guests. The weather was perfect, the music was great and it looked like the evening was enjoyed by all. Well done to our GM David and the staff, and thank you to the extra workers that helped us. Our Buckeye Lake Village police department provided the security and their comments were very positive on the entire function.

The Antique and Classic Boat Show is going to be another winner and the entertainment and member turnout gets better every year. The Boat Show committee is a very experienced group and did an outstanding job planning and coordinating this special event.

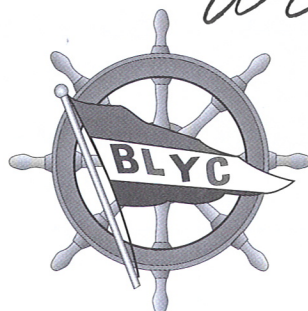

Junior Sailing summer camps began last week with lots of work to

be done by our sailing staff. Boats to clean, parts to replace and just a general set up for the upcoming camps. I was able to spend time with some of the race team this year and it reminded me of the summers I spent with Junior Sailing and the fun we had. Junior Sailing is a wonderful way to gain self-confidence, safety on the water, let alone learning how to sail. Sailing is an activity that you will enjoy your entire life and it's pretty easy to find a boat to rent while vacationing around water. We are also offering adult sailing lessons this year. Details are posted at the Club.

The Independence Day events are planned with a kick off featuring the Junior Sailing pancake breakfast in the morning and the flag raising and fly-over by our Air National Guard. But, you will have to listen closely that morning between 10:00 and 10:30 a.m. or you might miss it. It happens fast, but is spectacular to watch.

Thanks to our membership for supporting our Club in June. Summer is our "high" season and it is participation like this that makes the slow months of winter go a little easier financially for the Club. Keep supporting BLYC, the best place to be during the summer.

Will

Entertainment

First I want to thank our staff and manager, David Persons, for the excellent job they all did producing the Danger Brothers and Antique and Classic Boat Show. Jobs truly well done.

**Governor
John Sproat**

Our July entertainment begins with the flag raising ceremony and flyover starting at 9:30 a.m. Saturday, July 4th. We also will be entertained by the talented Molly Morgan singing our National Anthem and a selection of pop songs and music from her CD. Friday, July 10 we have our second "Dive in Movie Night." Starting at dusk the feature is "Animal House."

Saturday, July 11 is the Commodores' Steak Fry starting at 5:30pm. The Jack Gorham Band provides great music for dining and dancing. We feature the fine Eddie Polina Band back by popular demand for a "Summer Dance Party" on Saturday, July 25 and the BLYC Golf Scramble at Harbor Hills Country Club on Sunday, July 26. Shotgun start at noon.

Please mark your calendars for the following August special events: The BLYC Auxiliary Style Show on Saturday, August 1 with entertainment by the Kay Carter Band; The Luau on Saturday, August 8 with music by The Majestics, featuring Jimmy Harris; The Bob Dye Poker Run on Saturday, August 15 with the Paul Clark Band. Mark your calendar for Dive in Movie Night

continued next page

Friday, August 21, feature to be determined. A new event "Harbor Lights" on Friday, August 28 with entertainment to be determined. The BLYC Car Show is Sunday, August 30.

See you at the Club,

John Sweet

House & Grounds

I would like to thank Donna Parker and her friends for decorating and mulching around the Club. The Club house is looking good. We have several projects to get completed as quickly as possible but it is a constant operation.

I hope everyone has been enjoying the special events hosted at BLYC. The Danger Brothers have just finished their event and it was enjoyed by many members. Members took advantage of the great weather and music to dance at the lake.

We are looking forward to the events scheduled during the July 4th holiday week-end.

Your Board is always looking at ways to improve your Club and to make your membership more enjoyable. As always, contact a Board Member to voice your concerns and ideas.

Take care,

Rick Henderson

Here we are into July. By the time you read this the Danger Brothers concert and the Antique Boat show will be over. I know the grandkids and I have spent our share of time at the pool.

The 4th of July is always a big weekend so we hope to see you at the Club. I think we have the best spot on the lake to view the fireworks.

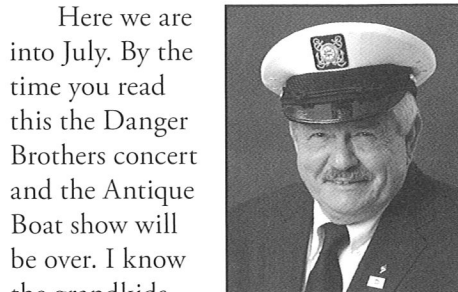

Docks are in good shape. The exception is the electric service in Area 8 and we are working on getting that back up and running. At this time we have 3 docks available in the West Basin and one dock in Eastport.

Commodore Kent has found that he will not be available to head the Antique Car show this year. I have agreed to chair it rather than cancel it. This will be a new experience for me, something I have not done before. Ray and Ruth Ann have been invaluable in their assistance and we have some members who have agreed to become corporate sponsors and several others who have offered to help. (Did I mention that I do not have a clue as to what I am doing).

So anyone who has any ideas or would like to be an individual or corporate sponsor please feel free to contact me.

Thanks,

Robert W. Zeiler

**Governor
Bob Zeiher**

Race and Regatta

The race season is officially here. The Lambrecht cup is off to a good start with only one cancellation due to wind and the 4th of July Long distance race just around the corner.

**Governor
Scott Evans**

The July 4th Commodore Earl Williams Long Distance Race will begin at approx 1:00 p.m. on Saturday, the 4th. The NOR is posted and ready on the race board. Club ceremonies begin at 11:15 a.m. This is a PHRF event and all boats will be competing for first, second and third place trophies and medals. It will be a long distance race and follow the posted rules of sailing instructions used for the Sunday Lambrecht Cup series. The 4th of July races, since I will be out of town, will be ran by Stone Parker with the help of Don Day. Let me know if you have any questions or concerns. Thanks a million guys...

See you at the Club.

Scott Evans

Membership

We are starting out the season with a fun packed spring and summer. Already we have had the first movie night for the children, great idea from Governor Sproat.

**Governor
Jeryne Peterson**

By the time you receive your Log the pool will be open and the sounds of the children playing, the boat motors zooming and the quiet and beauty of the sail boats will be heard and seen on the lake.

I hope that all of you and your families had a very enjoyable June. The Fourth of July is next and we have a fun packed weekend in store for all of you. Please make a point to put us on your agendas and come and join in all the fun and listen to the entertainment. While you are at it you might as well join us for breakfast, lunch, and dinner.

Don't forget to share the experiences you have at the Buckeye Lake Yacht Club with your friends and family. We have a great program for junior sailing and adult sailing. Governor Fisher-Mulvey would be your contact to get more details on these activities. Governor Evans is our race and regatta contact and would be able to answer your questions regarding up coming races.

Families will be looking for vacation ideas and places to go closer to home in these very difficult times for many. Please remember that the Buckeye Lake Yacht Club is close and friendly. We are a historical land mark and many come from afar to view our history. Be a part of our history and ask your friends to be a part too. Most of our entertainment is affordable (free), and our menu is reasonable. Many hours have gone into making this the best place to spend your spring and summer days. Please join us for a fun filled time. Oh, you can just relax too I forgot to mention that.

The economy is very difficult these days and we don't really see things get-

ting any better in the near future. If you find it difficult at this time to continue your membership don't forget that you can take a demit. If you would like more information on this please don't hesitate to contact me or our Commodore Will Price. We will be happy to explain how it works. All of our members are very important to the well being of the Buckeye Lake Yacht Club and we need all of you to help keep the tradition and history alive.

The directories are available at the Club. You will be able to pick them up at the bar, or ask your servers and they can get you one. The directory will not be fancy but will be functional. Some times something is better than not having anything at all. Also you can go to our web site www.buckeyelakeytc.com for all upcoming events, menu specials, hours of operation and to contact your Club Board of Governors, Commodore, or Trustees.

I hope to see everyone very soon at the Club.

Junior Sailing

My Dad, Commodore George Fisher (1958), would have been proud to know the trophies he won over his career in sailing are being used to help train and inspire young sailors. Although he was competitive and loved to win (which he did often), his focus was on excellence in sailing, the camaraderie and to always to be a gentleman on the racecourse. The trophies he amassed were not his ultimate goal but they may be a fond reminder to many of his friends in sailing. As I last reported, we have been holding an auction of his trophies to raise funds for the junior sailing program.

The auction has raised over a thousand dollars for the Junior Sailing

program, which will go toward new boat purchases! Thank you all for your generous contributions. I have been told several folks were out of town Memorial Day weekend and would still be interested in bidding on one of these trophies that may bring back memories of regattas past. We will resume the auction for the 4th of July celebration. Thank you again for your support.

The Junior Sailing program has started with a bang! Our first session was full and the other 3 sessions are filling up. As of the writing of this article there is still some space in the July sail camps, so please call the Club or enroll on the website. Catie Dust has proven to be an excellent instructor and the kids are learning and having fun! That's what it's all about!

By the time you read this article, the Adult Learn to Sail program will be half over. We have had a lot of interest and as of right now, we have just fewer than 10 folks planning to participate. Very encouraging numbers all around and again, thank you for your support.

The Junior Race Team has been competing in regattas most every weekend this summer, all culminating with Junior Bay Week at Put-in-Bay. The kids are really trying hard to do well and improve and we are all very proud of their efforts. It will be especially festive since our very own Matt and Tracy Davis are chairing the regatta who we greatly appreciate for all of their ongoing efforts and hard work for the Junior Sailors. Thank you, Matt and Tracy, "Fun in 09!"

As BLYC has done in the past, we will be having a picnic dinner at Put-in-Bay on Wednesday night of Bay Week. We look forward to seeing everyone who can join us this year at Put-In-Bay and the picnic. In order for us to make cost effective arrangements, please make a reservation by calling me at 740-587-2100. Hope everyone is having a great summer. Go BLYC!

**Governor
Gayle Fisher-Mulvey**

Bar and Kitchen

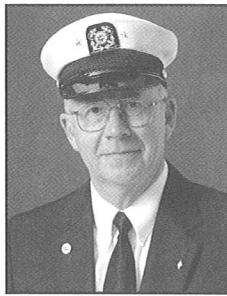

Activity at the bar and in the dining room has been brisk as we are now in the midst of the busy summer season. Longer hours of operation for both the bar and the dining room have been well received, especially the availability of lunch in addition to evening dining. Sunday morning breakfast has been gradually building in attendance, with several tables of "regulars" each week.

Starting this year, the swimming pool is open seven days a week (weather permitting), along with "the longest pool bar on the lake." Several members have commented favorably on this new service.

The Club has hosted a few private parties recently, notably the Granville Symphony Nautical Nights, and a very nice large wedding, as well as a few smaller events. Our manager and staff have done a very nice job with organization and planning of these events, minimizing impact on member use of the Club, and enhancing the financial sustainability of our bar and restaurant operation.

Members are encouraged to visit the BLYC website at buckeyelakeyc.com, go to "gobs mess", click on "private parties", then click on "private party rules," to find out more if interested in hosting your own class reunion, office party, anniversary, etc. Member parties take precedence, so keep your Club in mind if you are involved in the planning of an event.

See you soon at BLYC, the best kept secret in central Ohio.

Don Harris**

Auxiliary

President Cherry Shain

Thanks to Ann Oliver, her team, and the BLYC staff our June Card Party Luncheon was a huge success with nearly 80 in attendance. The tables she cleverly decorated with a playing card theme set the mood and everyone seemed to enjoy the event. I also want to thank all of you who donated items for the door prizes and Phyllis Flynn for the beautifully hand painted denim jacket that was raffled off, Joan Hines for her efforts in the 50/50 drawing, and Babette Joseph for the invocation.

Regrettably, our Progressive Dinner July 9th had to be cancelled due to several circumstances beyond our control. In the interest of the members, we will, for this month only, move our regular meeting and dinner night to the following Thursday, the 16th with the meeting beginning at 6:30pm and dinner at 7:00pm. I hope this does not inconvenience you in any way but the board feels it necessary. Look for more details soon to be posted at the club or in your mail.

You won't want to miss the Style Show on Saturday, August 1st featuring fashions from Christopher Banks and

music by The Kaye Carter Band. Joyce Thorpe (740-404-4368) is still looking for volunteers to model and assist in the dressing room. If you have any items you would be willing to donate, please contact Marcia Henderson (740-929-6115).

I would also like to thank Carole Donnelly and Babette Joseph for their efforts in working with David to make the beautiful center pieces you see on the tables in the dining rooms and Donna Parker for seeing that the planters were filled with lovely flowers and the landscape was manicured.

Our organization, like many, depends on volunteers at many levels. I encourage those of you who would like to be more involved to consider a committee, project, event or even a position on the board. We are always looking for fresh ideas to better the Auxiliary and the Club. Your thoughts and/or concerns are always welcome and you can share them with me at cshain@insight.rr.com or any board member.

See you soon...

Cherry
