

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

September, 2009 - Vol. 18 Issue 7

Commodore Will Price

VOTE, VOTE, VOTE and enjoy the food that is prepared by our candidates and current Board members. You may be surprised at the variety of offerings including some old family recipes and member favorites. Take the time to talk with the candidates and Board members and become motivated by their excitement. This is a great time to discuss what is important to you and the direction you would like to see BLYC take in the future. Maybe you would like to see a different type of entertainment, expanded activities or maybe a Vegas night to help support our Jr. Sailing program. If you walk upon the porch make sure you cast your ballot for your favorite candidates. Hang out, attend the Annual Meeting, then eat again at the Commodore's Reception and meet the new Board of

Governors for 2010. This is all done at no expense to you other than your time. You won't find a better deal on the lake. Good luck to our candidates on the 13th and thanks to all of you for volunteering your time to BLYC.

My year is over now as Commodore and what a ride it has been. As I look back at the year I have realized that every Board of Governors is challenged with making decisions for the "Good of the Club." Many of them are easy but each year mixed in with the fun, are serious and often difficult decisions that need to be made. Every Board is dedicated to the future of the Club and all decisions are made with the premise that the Club always comes first. I would like to thank the people who have served on the 2009 Board and given their time to BLYC. We've had a great year and I have been privileged to work with you. I have enjoyed my time on the Board very much and appreciate the support from our membership. Your input is valuable and important. Support our activities and volunteer your time. The challenges are many but the future is bright! I wish good luck and success to the new 2010 Board.

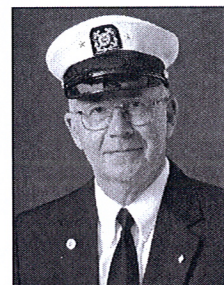

As has always been my theme – remember the Junior Sailing program and support it with your donations. We want to continue to provide our youth with activities that will create a lifetime of memories spent at the lake.

Don't forget our website at www.buckeyelakeyc.com for upcoming events.

Will

Bar and Kitchen

BLYC is pleased to welcome our new Chef! Matt Langstaff comes to us from the Bexley Monk, and is already well known to many members. If you haven't already met Chef Matt, come to the Club soon, where he along with Gen. Mgr. David and our outstanding kitchen and service staff are prepared to provide good food, good service, fair pricing, and a pleasant dining experience overlooking Buckeye Lake.

**Vice Commodore
Don Harris**

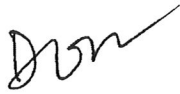

The Pool Bar & Grill continues to do well, with the 7 day per week service contributing positively to member satisfaction and to our bottom line. There is no better place to be on a hot summer day.

As B&K Governor, I want to thank the Board of Trustees for approving the expenditure for a new broiler, as our old one is about to see its final days. You may see some heavy lifting activity as it is dispatched to its final resting place, and the new one is installed.

I would also like to thank the members, and especially Commodore Will Price, for their support of our B&K efforts this year. Commodore Price has been a great friend and partner in implementing many changes for the benefit of the Club. B&K remains a challenging assignment, as it is not only an area of high visibility, but also one

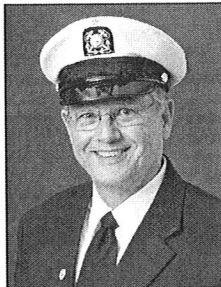

continued next page

of our main revenue areas. As stated in a previous article, B&K is a work in progress, service and quality are paramount, and continuous improvement is our goal.

House & Grounds

As we approach the end of the year for the Board of Governors, I thought I would provide a quick recap of the issues that have been prevalent this past year. Many members are not aware of the day to day issues and some have asked questions concerning the budget and how the expenditures were used to improve the Club.

**Rear Commodore
Rick Henderson**

You will recall that we got an unusually quick start on repairs when Hurricane Ike visited us on Election Day 2008. We also experienced an ice/wind storm in February 2009, which damaged the Club roof more severely, destroyed the support beams under the pool patio, and damaged the docks at Eastport. A tree also fell near the parking lot as a result of the wind. A vast majority of the damage was fortunately covered by insurance.

The pool has been a continual problem. The Ohio Department of Health required the installation of an anti-entrapment device on the pool prior to being permitted to open the pool this Spring. While the device is good in merit, it still was an expense and postponed our attempt to open the pool early in the season. A leak in the pool has also developed and requires additional water daily to keep it at an operational level. The pump has also been replaced and the heater has stopped functioning. My suggestion is to continue as we are until the end of the season. Then we will have to empty the pool and locate the leak or leaks and get them repaired. I'm afraid that if we

wait until Spring to work on the pool, it may postpone the pool opening next season.

There is a pump in the water collection pit located in the parking lot which also had to be replaced. The pump is used to remove the water from the pit and continue the flow down the system.

The Club facility is experiencing the normal issues related to age and use. Paint is a major element of maintaining the Club appearance. Hopefully, by the time you read this item, the storage garages located on the east side of the parking lot will have received a face-lift. We plan to install siding at the top of the garage and paint the remainder. Many other areas of the Club have also been painted and have improved the Club appearance.

The Junior Sailing Room upstairs was also remodeled by volunteers and made a significant improvement to that room. The room is now available for group meetings or just a place to sit and read or enjoy some alone time.

Future Boards will face the continual replacement of equipment, materials, and face-lift projects. I would like to thank all the individuals involved with the building maintenance and volunteers who have provided their time and energies towards keeping the Club a place we can be proud to call our own. It has been my pleasure to serve the membership as a Board member.

I would like to thank the following volunteers who painted the garage:

Will Price, Don Harris, John Watson, Bob Zeiher, Joni Campbell, Joe Campbell, Howard Everett, David Persons, Kyle Ross, John Upchurch, and Bruce Pfahl.

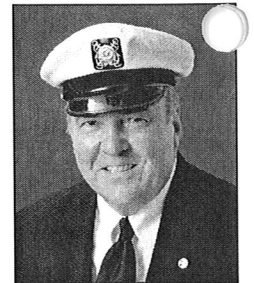

We got the garage painted as well as some other needs on the island.

Take Care

Entertainment

It has been great fun being your Entertainment Governor this year. Your support of the events this year has been the best I've seen. I remember especially the 70s/80s Party. Last January, in the dead of winter 100 members and guests showed up. That's support!! I am really happy about the new Family Movie Nights. The families in attendance have been having a great time. Now on to the new year.

**Governor
John Sproat**

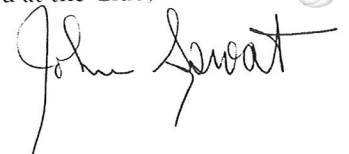

Dive in Movie Night is Friday, September 18. The dusk feature is "Jurassic Park." Also, please remember to watch all the Buckeye games home and away on our big screens in the comfort (and low cost) of BLYC.

Sunday, September 20 we bring back Howard Everitt's super, colossal "Rock and Roll Jam." Entertainment from the area's best musicians runs 4 p.m. to 7 p.m. Be sure to be at the Club for this great music festival. On Friday, September 25 we bring back the Majestics Quartet with their Motown, Soul and Rock and Roll Review.

Mark your calendars for a traditional Octoberfest on Saturday, October 10. We're having a big sailing regatta that weekend also so it should be great fun. Family Movie Night is Friday, October 23 with "Ghostbusters."

On Saturday, October 31 we feature our annual Halloween Party and Costume Contest. Entertainment is the great "Rick Boals and the Soals." We will also bring back "The Haunted Yacht Club" on Saturday, October 31 from 1-5 p.m. Bring the kids to take a truly spooky tour of the BLYC Basement. Believe me it's scary enough even without Commodore Geiger's "special" effects.

See you at the Club,

Membership

I hope that of you and your families had a very enjoyable August. The Auxiliary Style Show was a great success. This is the first one that I have missed in a few years. The Laua is always a great time and I am sure that those that attended had a fabulous time. The Bob Dye Poker Run just keeps getting bigger and better every year. I could go on and on with the many events that are happening around your Yacht Club. Don't forget to share the experiences you have at the Buckeye Lake Yacht Club with your friends and family. We have a great program for junior sailing and adult sailing. Governor Fisher-Mulvey would be your contact to get more details on these activities. Governor Evans is our race and regatta contact and would be able to answer your questions regarding upcoming races.

Families will be looking for vacation ideas and places to go closer to home in these very difficult times for many. Please remember that the Buckeye Lake Yacht Club is close and friendly. We are a historical landmark and many come from afar to view our history. Be a part of our history and ask your friends to be a part too. Most of our entertainment is affordable (free), and our menu is reasonable. Many hours have gone into making this the best place to spend your spring and summer days. Please join us for a fun filled time. Oh, you can just relax too, I forgot to mention that.

I would like to give our Buckeye Lake Museum a little plug. They have the Buckeye Queen II which is available to the public to tour the lake and hear the history. (There is a small cost that goes directly to help support the Museum). You can also plan a nice company outing and use the Yacht Club for the ending of a wonderful experience to many. If you have not visited the

**Governor
Jeryne Peterson**

Museum I urge all to do so. Working together we can all make a difference in our community and help put Buckeye Lake back on the agenda of many from afar, like years gone past. We were a hot spot years ago. People came from North, South, East and West to enjoy dancing and the sounds of the big bands. I mention all this because our Yacht Club is very much a part of this history and we should all be proud of this. Our Club was founded in 1906. Many of you probably attended the 100 years celebration we held. As time passes on we are now 103 and counting. The tour buses are coming into the village weekly and many people are planning trips to see the beauty of our lake and hear the many secrets about our history. I am proud to be a part of this as all of you who are members of the yacht club should be. We are not just another private club. I would also like to mention that all the people who help make the Buckeye Queen II possible are community volunteers. They are to be given a large Thank You for their support of this wonderful experience to all. Many of our members are actively involved in the Historical Society which is a volunteer organization that helps support and promote the Buckeye Lake Museum.

The economy is very difficult these days and we don't really see things getting any better in the near future. If you find it difficult at this time to continue your membership don't forget that you can take a demit. If you would like more information on this please don't hesitate to contact me or our Commodore, Will Price. We will be happy to explain how it works. All of our members are very important to the well being of the Buckeye Lake Yacht Club and we need all of you to help keep the tradition and history alive.

The directories are available at the Club. You can pick them up at the bar or ask your server for a copy. The directory is not fancy but is functional. Some times something is better than not having anything at all. Also you can go to our web site www.buckeyelakeyc.com for all upcoming events, menu spe-

cials, hours of operation and to contact your Club Board of Governors, Commodore, or Trustees.

Be sure to notice that I am starting a new part to our LOG. Welcome Aboard to our newest members and their families. Remember pictures are always welcome. Everyone enjoys seeing pictures of the good times with friends and families.

I hope to see everyone very soon at the Club.

Rentals & Docks

By the time you receive the September Log, the Car Show will be over. I hope it has been a great success.

September 13th will end my two-year term as Docks and

Rentals Governor. I am going to run for re-election and, if fortunate enough to be re-elected, I will serve wherever Commodore Harris wishes me to be.

Our docks and rentals are in good shape. We were able to do a great deal of repair the last two years; part of it with volunteer labor from members.

My only promise to you last time was that I would ask for help. In the two years not one person has said no. Thank you all for making this such an enjoyable experience and I hope to have your support again this time.

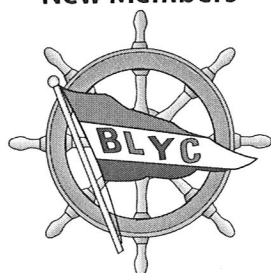

**Governor
Bob Zeiher**

The Auxiliary would like to thank the membership for all the support shown for their Style Show and Silent Auction.

Welcome Aboard!

New Members

We want to welcome the following new members to the BLYC! Please introduce yourself when you see them at the Club

Dave Welch

Dave is a Captain in the United States Coast Guard and serves as a sailboat delivery Captain. Need a boat delivered to Florida? No problem. Dave is your man! An avid sailor, Dave worked on Wall Street in New York for 25 years before relocating to Buckeye Lake to be with his 9 month old daughter, Katelynn. In addition to his passion for sailing, Dave is also an accomplished writer. His stories about the sea have been published in magazines such as SAILOR and CRUISING WORLD. When you meet Dave at the Club, buy him a beer and he may tell you one of his many stories!

Welcome aboard, Dave!

Edmund Terry

Edmund and his wife Rowena are residents of Pataskala where he is the Warehouse Manager of JES Wholesale Distributors. Rowena is the Director of Nursing at Northview Nursing Facility in Johnstown. Both enjoy boating on their Sea Ray deck boat. When not boating, Edmund is a golfer and a collector of classic cars while Rowena is an avid reader and a computer enthusiast. When you meet Edmund and Rowena, be sure to ask about their 10 grandchildren, particularly the set of TRIPLETS born earlier this year!

Welcome Aboard, Edmund and Rowena!

James R. Hays

Jim Hays is a recent retiree from the Ohio Department of Transportation but continues to keep very active. In addition to serving as a Deputy Sheriff in Perry County, he is a member of several Clubs including the Shamrock Club in Columbus, AmVets, and Eagles. However, his real passion is swing dancing! He is the member of many dance clubs throughout the area. Jim is a native of Lancaster and attended Ohio University. Whenever there is a Club function with a dance floor, keep an eye out for Jim!!

Welcome Aboard, Jim!

We welcome these new members!

NOTICE ELECTION OF OFFICERS

Friday, September 11th

6 p.m. Candidates Night, (cocktails, dinner, speeches)

Sunday, September 13th

9 a.m. to 1 p.m. Porch Picnic, Elections, and Voting

2 p.m. Annual meeting, election results

All members are encouraged to attend, enjoy, and most importantly, vote! The slate of candidates running for positions on the Board of Governors are:

Rick Henderson, Bob Zeiher, Scott Evans, Rick Myers, Jeff Lyons and Don Day.

You will receive 2 free tickets to the Commodore's Reception when you cast your ballot.

Place Your Ad Here!

Business card size ad (3 1/2" x 2") – \$35/issue (minimum 3 issues) or \$400 for year

Quarter-page ad (3 1/2" x 4 3/4") – \$60/issue (minimum 3 issues) or \$650 for year

For questions, please contact Governor Charles McClenaghan
 at 614-718-4383 or
email.Charles@LawDublin.com

Junior Sailing

We have had a great season in Junior Sailing! For our sailing camps we had over 88 attendees. For our junior race team, they completed their season at Put-in-Bay representing

Governor

Gayle Fisher-Mulvey

BLYC very well. Catie Dust, our instructor and coach, has done an excellent job this summer as a teacher of the camps, helping our race team improve, and for those of you who participated in the Adult Learn to Sail, she was quite successful there as well. Fortunately for all of us, Catie has agreed to come back again next summer. This continuity will be so helpful in developing our program and increasing participation.

Thank you to Halle Harklau and Gwen Mulvey, our constants as assistant instructors to Caitie. Austin Miller and Drew Kellogg also helped with instructing at the camps, as well. All of your efforts are most appreciated!

We leased Flying Juniors from OSU Sailing team this summer. Economically, that seemed like a wise way to go. We are now going to pursue increasing our number of boats in the program, preferably 420s and lasers so that we can use the type of boat that is used in the racing program for our own learn to sail program. We had several campers show real interest and talent in joining the Junior Race Team for next summer and we all look forward to a great season in 2010!

A HUGE Thank You to Matt and Tracy Davis! They represented BLYC

and chaired the Put-in-Bay Junior Regatta. It is a week long regatta that is the culmination of the entire season. It was a enormous undertaking and they did a fabulous job! As all volunteer efforts go, Matt and Tracy had the help of several folks from the Club. Matt and Tracy's Moms, Charlotte Davis and Joan Hein did many tasks to help out and were a huge asset and the "go to" people. Patty Harklau and Becky Miller helped plan and implement the banquet and Club picnic and did a wonderful job. Donna Parker helped with supervision of the kids and she and Charlotte were "grandmothers on call" staying in the hotel with the regatta participants to help keep peace. Stone Parker was the supervisor of launch and recovery and everything went great. Vice Commodore Don Harris drove the photographer all through the race course. Scott Evans and Steve Harris were on the Race Committee boats and did a great job making sure the races went smoothly. I'm sure I may be forgetting someone, and I apologize, but as you can see, this was a huge undertaking and everyone should be commended for their efforts. When you see them around the Club, please take a moment to thank them, too. This was a total volunteer effort and they did a fantastic job and everyone helped to make the week go great for the kids. No doubt about it; there was Fun in 09!!

Thank you, too, to all of the Club members who came up for Junior Bay Week's Club picnic on Wednesday night. We had about 50 Club members there and it was great to see the support given to the Race Team. See you at the Club!

Gayle Fisher-Mulvey

Auxiliary

For those of you who didn't attend, the last meeting in July was held outside and we were able to enjoy our quesadillas dinner poolside, which was very pleasant. There was a short meeting but lots of conversation; most of which centered on the success of the showcase and the upcoming style show.

I hope you were able to attend the style show and silent auction because both were very enjoyable and successful. There was a 50/50 drawing preceding the style show totaling \$231.00. Sherry Van Dyne won this and she generously donated her winnings back to the Club — Thank You, Sherry!

After the style show and auction the tables were removed and people were even dancing in the fireplace room! Obviously the music of Kaye Carter's band was enjoyed inside and out.

Many thanks to style show Chairman, Joyce Thorp and silent auction Chairman, Marcia Henderson plus all the members who gave their time for a job well done!

Because of the deadline for the LOG, I can only report to you that there was an August 13th meeting, which featured a Southern dinner with fried chicken and peach cobbler, sounds yummy. I hope that you were able to make the meeting because it concerned the future of the Auxiliary and future board members.

Judy Bair, Secretary

The Line Dance Class has been such a hit with the ones that joined in June, that they have ask for another round of 12 weeks.

It has been granted and the new class will begin Wednesday, September 2nd, at 3:00 pm until 4:30.

The first half hour will be devoted to the beginners and the basic steps. If you were too busy this summer, you have another chance September 2nd through November 18th.

Thursday, September 3rd, some of the June group will be dancing at the Corn Festival along with students from Charlotte's other classes. Check us out.

Carole Donnelly, Vice President.

BLYC ELECTIONS

The Board of Governors is the governing body for the Buckeye Lake Yacht Club. The Board consists of the Commodore, Vice-Commodore, Rear-Commodore, Secretary/Treasurer, and six Governors. The Commodore has primary responsibility for the Club and monitors all activities, events, and chairs the Board of Governors meetings.

The six Governors are elected by the Club membership. Depending on vacancies, three to four Governors are elected in alternating years. The name of the member provided on the Club membership application is the individual authorized to vote in Club elections. The members have the opportunity to vote for up to four candidates on Election Day. The candidates receiving the highest number of votes shall join the Board of Governors for a two year term.

There are events planned each year to provide the membership the opportunity to be involved in the election process. On Friday, September 4th, the candidates will gather at the Club for "Poster Night." Candidates will have campaign posters that will be displayed in various areas of the Club supporting their candidacy. That same night, candidates will bring a sufficient number of letters to be mailed to each member's residence. The letter will provide information as to why that candidate should be considered for the Board of Governors. All candidates will place a copy of their letter in one envelope and mail to the membership. That way the member only receives one envelope with all candidates' data.

On Thursday, September 10th, all candidates are invited to attend the Board of Governors business meeting. This provides the opportunity to ask questions and gain insight as to how meetings are conducted.

All candidates will attend "Candidates Night" on Friday, September 11th. Following dinner, each candidate will have a few minutes for the opportunity to provide their concerns and ideas for the electors' consideration. Again this year, the Master of Ceremonies, will

be Jerry Besanceney, offering his own brand of entertainment!

"Election Day," Sunday, September 13, begins with a breakfast on the porch with each candidate providing food items for the membership. The voting poll will be open from 9am-1:00pm for authorized members to vote for their favorite candidate.

Immediately following the election results, the new Board will meet in order to elect the positions of Vice-Commodore and Rear-Commodore for the coming year. The previous Vice-Commodore is elevated to the position of Commodore. Once these positions have been elected, the Board members will have a short meeting to determine the duties of each member. The Vice-Commodore, Rear-Commodore, and the six Governors are assigned specific responsibilities for the coming year. Those responsibilities include:

Bar and Kitchen, Monthly Log, Junior Sailing, House and Grounds, Race and Regatta, Entertainment, Docks and Rentals, and Membership.

The following members have declared their candidacy for the Board of Governors:

Bob Zeiher, Rick Henderson, Scott Evans, Jeff Lyons, Rick Myers and Don Day

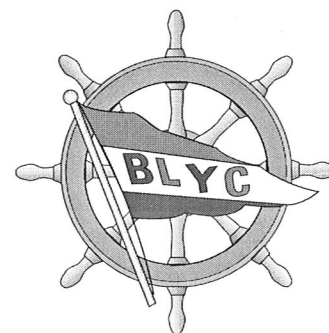

Any other member interested in running for the Board, please contact anyone on the Nominating Committee: Com. Mike Jacobs (740-927-7212), Com. John Geiger (740-928-0829), or V.Com. Don Harris (740-929-0210).

Immediately following the Annual Meeting is the Commodores Reception. All members are encouraged to attend. The cost is \$10:00 per person, however, all members who vote will be given two (2) free tickets for the Reception.

Please attend the events associated with the BLYC election. Candidates appreciate the involvement of all members in the election process and the Club tradition. The events are designed for members to become more familiar with the candidates and have some fun.

CALENDAR OF EVENTS

Friday, September 4 Poster Night
Thursday, September 10 Board of Governors
Monthly Meeting
Friday September 11 Candidates Night
Sunday September 13 Elections 9am-1:00pm
Breakfast on the Porch 9am-1:00pm
Annual Meeting 2:00pm
Commodores Reception
(Immediately after Annual Meeting)

COMMODORE'S RECEPTION

2010 Commodore Don Harris invites all members to the Commodore's "Souper" Reception, immediately following the annual meeting on Sunday September 13th, featuring Reeb's Turtle Soup, by Com. Ed Ballenger, Will's Chicken Noodle Soup, by Commodore Will Price, Ed's Put-In-Bay Onion Soup, by Fleet Capt. (PIBYC) Ed Skoch, and Grandma's Hamburger Soup, by Fleet Capt. (BLYC) Stone Parker, along with BLYC hors d'oeuvres by Chef Matt, and a keg of beer. Price is \$10 at the door. You will receive 2 free tickets when you cast your ballot.

Golf Outing

The golf outing made \$550 dollars for ALS fighting Lou Gehrig's Disease.

A big thank you to Patty Harklau for her hard work and generous prizes for the past two years.
