

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

December, 2009/January, 2010 - Vol. 18 Issue 10

Commodore Don Harris

Your Board of Governors has been quite busy over the past month. From an administrative standpoint, the Flag Officers have introduced a new management philosophy for the Club. We have implemented a team management concept, with responsibility divided among "front of the house," "back of the house," and "administrative" areas.

We welcome Andrea Foster to our management team. She will be in charge of "front of the house," with responsibility for staffing and scheduling of the bar and restaurant areas, server training, purchasing and pricing for the bar, and facilitating private party business.

"Back of the house" will be managed by Chef Matt Langstaff. In addition to his culinary skills, Matt will have responsibility for hiring and training of kitchen staff, menu development, purchasing and pricing for the restaurant, and quality control.

Rebecca Miller will continue in the "administrative" office. She has primary responsibility for billing and collections, payroll, banking, communications, and member services.

The managers of these three areas are working cooperatively with one another, and coordinating their efforts with the goal of providing an efficient and cost effective result for our members.

At the November board meeting, Governor Rick Myers reported on the progress of the Seawall Committee. He has interviewed five consulting firms. The top two candidates will meet with the board early this month to present the findings of their survey of our seawall condition and their recommendations for correction. The end result will be development of a plan and time table for the much needed repairs of the seawall surrounding our island.

Governor John Sproat and his committee have been diligently planning the 31st annual BLYC Antique & Classic Boat Regatta. Although this event does not occur until next August, Governor Sproat is well ahead of the curve, already having commitments from several attendees and vendors. We anticipate that this historic event will be bigger and better than ever.

The reutilization of the upstairs area of the clubhouse is well under way. Chuck and Bruce have reorganized our space for much needed expansion of storage, as well as clearing out many no longer needed items. The junior room was rehabilitated last year through efforts spearheaded by Governor Gayle Fisher-Mulvey, and is being used regu-

larly for Friday night movies, as well as adult card games. There is a child care area available for members to put a small child down for a nap while visiting the Club. There is also a much needed board office, where each board member has his own file drawer for Club related materials, as well as a work area for Club business. We should also be able to provide the Auxiliary with additional space, which they can certainly use. And we're not done yet!

In the very near future you will notice brand new stools at the bar and two new high top tables. These coordinate nicely with the furnishings in the fireplace room, and should serve our needs for years to come. On behalf of the Board of Governors, I want to thank President Carol Donnelly and the Auxiliary membership for providing the funding for this nice addition to our Club. This is but the most recent in a long history of hard work and financial support of the Club by the BLYC Auxiliary.

I hope to see you at the Club soon.

Bar & Kitchen

I believe that we have a great management team in place and the Club will continue moving forward on a positive course.

**Vice Commodore
Rick Henderson**

The revised menu is nearly completed and we are anxious to provide it to our members for their dining pleasure. We will have a Columbus area favorite salad on the menu, which will be called the 55 Northbank Salad. Chef Matt has done a great job of providing more fresh menu items directly from our kitchen. I have received several positive comments regarding improvement to food preparations. The weekly "specials" have been very successful and we will continue that option.

We are receiving interest from the membership to provide private party opportunities. These parties contribute to our income and provide a cushion against the necessity to increase our prices. However, the bar and dining room will always be available to our most important group, our membership. Anyone with questions related to private party reservations may contact Andrea Foster.

In January we will be scheduling a "Champagne Bruch Buffet." We will feature breakfast foods and assorted fruit and muffins. Our featured beverage will be the mamosa. A detailed flyer will be provided in the future.

The holidays are quickly approaching and we have great events scheduled at the Club and we hope our membership will participate and enjoy the activities and meals.

As always, contact a board member with any suggestions, ideas or concerns. Take care,

Rick Henderson

AMNESTY PROGRAM EXTENDED THROUGH 2010!

In 2007, the Board of Governors adopted a temporary amnesty program for former BLYC members who wish to rejoin the Club. At the November meeting of the Board of Governors, the Board voted unanimously to continue to extend the program through the 2010 Club year.

Former members in good standing of the Buckeye Lake Yacht Club who have been non-members for one year or more may resume Active Membership status by submitting a Membership Application to the Board and paying annual dues. No additional fees are required. The payment of the initiation fees or dues set forth in Article II, Section 6 of the By-Laws ARE WAIVED THROUGH CLUB YEAR 2010!!

Do you have family or friends who were Members in good standing, resigned from the Club a year or more in the past but would like to re-join? If so, this program is designed to welcome them back without imposing any financial disincentive. Please have any past member interested in the Program contact me at 614-718-4383 or email at Charles@LawDublin.com.

Rentals & Docks

**Governor
Don Day**

Hope everyone had a bounteous Thanksgiving. From the empty docks to the full Eastport Storage spaces it is evident that the 2009 boating season is over. I observed deep ruts in the yard where more than a few people had problems putting their boats away. Sorry

about the wet grounds; but, we have no control over the weather.

Going over rental records I see that we have three (3) docks in Area 6 and three (3) at Eastport that are available to rent. We also have fifteen (15) spaces in Eastport Storage available to rent. If you think you would like to have one of these please get with me. Blank "Request for Rental" forms are in my box in the office. You must complete a "form" to be considered.

I want to thank everyone who participated during our "fall workday". We used the time in the storage yard to move boats and mow weeds. Chuck and Bruce have spent quite a few hours in the yard and Tim was a big help, also. The yard looks great! "Thanks" to all who helped. The bubblers are also in position for the winter and will be adjusted as necessary. A special "Thanks" to Chuck who let me work with him to see how it is done. The Port-A-John is gone for the winter and will return in April.

Just a reminder. If you are the last one to leave the storage yard please lock the gate on your way out to protect everyone's property.

The Auxiliary had a new bar stool "candidate" on display at the Club for the Halloween party. While we had a lot of positive comments we also had enough negative comments to warrant obtaining another sample. We were able to obtain a "second" candidate for the November board meetings and it passed with flying colors. The stools were ordered on Monday, the 16th. I anticipate having them in early January.

The "old" stools will be offered for purchase to the members. Check the Auxiliary Log article for particulars.

Auxiliary ticket sales for the "reserved" parking space are going well.

Please purchase your tickets from Sally Day. If Sally is not available see one of the gals behind the bar. Tickets are one (1) for \$1.00 or six (6) for \$5.00. This is only one of the many fund raisers the Auxiliary has every year to raise money for the Club.

As we move into the festive time of the year Sally and I want to wish everyone a very Merry Christmas and a Happy New Year.

Don

Race and Regatta

**Governor
Rick Myers**

Greetings! As reported last month, the racing season ended with the George Fisher Snowball Regatta. If you have enjoyed the exceptionally fine weather at the Club of late you have probably noted the number of sailboats taking advantage of steady winds and high water. I am watching two sailors as I write this in mid-November, with fair weather forecast for another week. If you pull your boat early in the season, consider offering to crew with our sailing members to extend the season in a most pleasurable way.

We are spending the winter months building a new sailing schedule for 2010 and updating our library with the latest governing rules for racing, as well as guidelines and associated data. These are both in written and DVD format. Please feel free to review them at the Club.

Several current, past and prospective sailors have reported purchasing boats recently. With these acquisitions we tentatively have seven Interlake boats in our Club that could comprise a racing fleet. For those who followed the Snowball Regatta, the visiting Interlake fleet offered spirited competition and an alternative to cruiser racing.

These new acquisitions also present an opportunity for others to purchase used sailboats. For those who have an interest in sailing or learning to sail, we have adult as well as junior sailing classes and there are a number of our sailing members who would be happy to have you as crew. You are never too old or too young to learn to sail.

Cordially,

Rick Myers

Junior Sailing

Hello all!
Though it's cold outside, now is the time to start putting into place a great summer program. We will have our great instructor and Race Team coach, Caiti Dust, returning next season. We are pursuing some quality boats for sail camps and will be ready to go when the weather is warm!

**Governor
Gayle Fisher-Mulvey**

This is the first notice of a Junior Race Team meeting that I would like to conduct for this upcoming season. We will meet January 31st, 2010, at noon, at BLYC. All those interested in competitively sailing this next summer must attend (or contact me at gayle-fishermulvey@yahoo.com) so I know what our numbers and needs may be this next year. Hopefully, we will have our competitive opti sailors come to the meeting as well. Hopefully, too, ILYA will have their schedule for the season's regattas available. Please hold the date, January 31st, 2010 at noon at the Club.

Hope everyone has a wonderful holiday season, and I will see you at the Club!

Secretary Gail Beck

The November meeting was our annual wine tasting and traditional Thanksgiving Dinner. The food was delicious and a big thank you went out to Chef Matt and the BLYC staff for a great meal and service. Michelle DeSantis brought fresh flowers for us to make a beautiful floral arrangement to take home. We all had a great time.

Tracey Davis brought two sample bar stools to the Club for all of us to see and try. By the end of the evening, a new bar stool for the Club was selected and will be ordered soon. After discussion, it was decided to have a silent
