

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

April, 2010 - Vol. 19 Issue 2

Commodore Don Harris

By time you read this, it is anticipated that the final engineering report for the seawall project will have been received and reviewed by the Board of Governors. Design and bidding phases will likely take most of the summer, and construction should commence as planned at the end of this year's boating season.

Your commodore was recently invited to represent BLYC at the Coast Guard Auxiliary change of watch ceremony held at the 94th Aerosquadron. Sue and I enjoyed a nice evening, and witnessed an impressive ceremony. The Coast Guard Auxiliary has been very supportive of BLYC boating activities, especially providing safety support for regattas. The spring Thistle regatta will be hosted by our Club on April 24th,

and you will probably see Auxiliary safety boats on the water for this event.

We also attended the Snowbird Luncheon in Fort Myers, where we saw many of our BLYC friends. The news of Chef Matt's cuisine, and the fine service by Andrea and "Team BLYC" had preceded our arrival, and our snowbirds are eagerly anticipating their return to Ohio and the Club this spring.

The I-LYA spring meeting will be held April 9th to 11th in Perrysburg, Ohio. For members interested in attending, the information is posted on the BLYC website (www.buckeyelakeyc.com). It is through our association with I-LYA that members have reciprocal privileges with other yacht clubs.

Thanks to the many members who have paid their 2010 dues promptly (and a gentle nudge to those who haven't). This has helped the board to hold the line on dues increases, maintain competitive pricing, and reduce the line of credit balance to zero.

Coming events, mark your calendar: April 3rd, musical entertainment by Jimmy Harris; April 17th, Watkins Island Seafood Night with the Dwight Lennox Express Trio; April 24th, Parrott Head Party; and May 1st, Kentucky Derby on the big screen, and Michael Sutherland (Sinatra) that evening. See Governor John Sproat's article for further details.

Bar & Kitchen

The blues are starting to disappear with the arrival of some sun and warm temperatures. And not too soon!

The "Bar & Kitchen" report is very favorable for this month. Chef Matt has been able to provide some very delightful and varied options during the winter months in preparation for the coming season. While sales are always reduced during our off season, we managed to stay close to our expectations and look forward to the great summer season approaching us. Chef Matt will continue to provide the best dining for the best price for our dining pleasure. Thank you Chef Matt.

Andrea is always a bundle of activity. She has done an admirable job since assuming her duties and has done her part in our forward progress. The summer brings the promise of private parties scheduled at the Club. The income from these parties assist us greatly in maintaining our ability to keep our dinner prices and dues at a minimum. Andrea has been doing a fantastic job of promoting the Club as the place to be.

We intend to provide the information for the private parties on Club calendars to inform our membership of the presence of these parties. But, we want to assure you that the dining room, bar and pool areas are always open for the membership. Private par-

ties are not to interfere with our membership enjoying their Club. We appreciate your patience during our busy times but we will schedule sufficient personnel to handle the service to all of our patrons.

We work very hard to limit concerns or complaints but, as with any business, mistakes happen. Please contact myself, Andrea or Chef Matt anytime you have a concern regarding service, food or drink. I assure you that the staff is very concerned with making your Club experience as pleasant as it should be for everyone. By the same token, let us know what you enjoy most about the Club experience. This will provide us the opportunity to make changes and modifications to improve the club.

As always, contact us with concerns and ideas.

Entertainment

In April and May we have one of the best entertainment lineups ever at BLYC. On April 3 we kick things off with a performance by Jim Harris. He is a great singer and performer who features music from the 60s to the 80s in his show. On April 17 we welcome back the incomparable Dwight Lennox with his trio, Lennox Express, for our annual Watkins Island Seafood Night. This will be an extraordinary event so please bring out your guests. Reservations are a must.

On April 24 we have the return of our Parrot Head Party. DJ John will be spinning the Buffett music plus great dance songs from the 70s and 80s. CD prizes for best Parrot Head costumes and trivia contest winners. May 1 we have a Kentucky Derby Party featuring Mint Julips. Wear your best derby style hat and watch the ponies run. Later

**Governor
John Sproat**

that night we feature the very popular Michael Sutherland Show. Again be sure to make reservations for a good seat.

On May 15, I am very pleased to announce that we will be entertained by what I think is the finest vocal/piano duo anywhere, Kelly Crum Delavaris and Joe Dunlop. The theme is "A Night in Paris" These excellent entertainers perform at Columbus' finest supper clubs and appear frequently with the Columbus Jazz Orchestra.

May 22 we have Western Night at the club with a great western band. We round out the month with the Commodores' Ball on May 29 featuring great dance music from the ever popular Jack Gorham. We have many great events coming up this summer. Please check your logs, flyers and our Club website for all the details. See you at the Club,

John Sproat

WELCOME ABOARD!!

The Buckeye Lake Yacht Club welcomes the following new members:

Kendall Cottongin. Kendall is the Chief of Logistics and Standardization Support at Defense Supply Center where he has worked for 28 years. He and his wife Kelly keep busy with their three children David (23), Ryan (18) and Rachel (15). They enjoy boating, swimming, bowling, trap shooting and cards. While Kendall does not own a boat yet, he has an eye out for a deck boat! Keep an eye out for Kendall, Kelly, David, Ryan and Rachel and be sure to say "hello"!

George Bright, George is the owner of Bob Ward Construction and Rentals in Canal Winchester. George and his wife, Diana have one daughter, Ward, age 12. Diana is active with Franklin County SE Chamber of Commerce, March of Dimes, and Boy Scout Troop 103. George and Diana enjoy all kinds of boating, trap shooting, dancing, and cards. When you see George, be sure to ask him about his life in Florida as a Captain on a boat!!!

Membership

The continued health of the Buckeye Lake Yacht Club depends on a strong, vibrant, growing membership. As most of you will remember, a couple of years back, the Club leadership embarked

**Governor
Charles
McClenaghan**

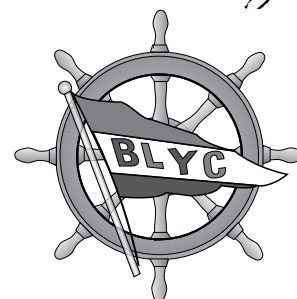

on a growth campaign which resulted in a large surge in new members. As we survey our present list of members, I am pleased to report that we have a total of 548 members in the Club. This membership breaks down as follows:

Active members	453
Distaff members	34
Non-resident members	19
Perpetual members	19
Demits	12
Honorary members	10
Life	1

The qualifications and privileges for each of these categories are set forth in Article I of the Club's By-Laws which can be found on the BLYC website at www.Buckeyelakeyc.com. Unfortunately, the length of this article is too long for the space available in this month's LOG publication. However, over the coming editions of the LOG, I will provide an explanation of each of the ten categories of membership available at the Club. In the meantime, I encourage each of you to invite a non-member friend to be your guest at the Club. There is no better way to find a new member!!

All the best,

Char M. Clenaghan

Rentals & Docks

Spring is in the air. The ice on the lake is melting, the birds are back (and chirping) and the landscaping around the Club is starting to "green up".

**Governor
Don Day**

In preparation for another successful boating season I'd like to review a few pertinent rules of the BLYC Constitution By-Laws and Rules.

Article III: Addendum: Section 1 (a): States "No Member shall bring beer or alcoholic beverages into the Permit Premises: (as defined in Section 2 of this Article).

Section 2: reads "The Permit Premises, as applied to this Article, is defined as the entire Watkins Island but excluding the docks".

Section 1(a): reads "All beer or alcoholic beverages purchased at the Club must be consumed on the Premises and may not be taken from the Premises or Island".

So, I guess it's O.K. for members with docks on the Island to carry beer and alcohol to their boats; but, that's where it must be consumed and you can not drink it on the Island. AND, according to the ODNR you can not consume it on the Lake. Sounds to me as if the easiest way to enjoy a drink at the Club is to purchase it at the bar.

Article XI: Rule 4: reads "No dogs or pets are allowed on the island with the following exception: The dog or pet, may be carried directly to a boat moored at the Island, but shall be transported across the island and not be left on the ground, leashed or otherwise. The pet must then be restricted to the boat".

Article XI: Rule 7: reads "no picnics shall be permitted anywhere on the Club premises, except upon application to and upon permission by the House Governor."

So, I'd say it's O.K. for members

with docks on the Island to carry food to their boats; but, that's where it must be consumed and you can not eat it on the Island. AND, you must apply for and be granted permission by the House Governor. If you want to have a party on your boat I'd suggest you take your guests for a boat ride and anchor somewhere on the lake (and remember the ODNR is out there, too).

The Rent-A-John should be in place in the storage yard by April 1st. I'm also going to have the crane checked and serviced in early April. Remember to use the crane for vertical lifting only. Side loading the crane will cause it to come off it's rail and then no one can use it and we are forced to use the ramp at the state park.

To the best of my knowledge our new bar stools have been shipped (from Europe on a cargo ship). They were scheduled for March 4th departure and I'm told the trip takes approximately three weeks. I've been told that we will have them in early April. Let's hope they are here by mid to late April.

See you on spring work day (4/18). This a good opportunity to meet fellow members and learn how the Club functions. You will have an enjoyable day and the work is not too difficult.

House & Grounds

By the time you read this, the weather should be warmer and hopefully some of the boats are back in the lake. It is time to plan Spring Work Day

which will be held on Sunday, April 18th, 2010. As we did with the Fall Work Day I would like to assign different crews to specific jobs. This went so well that we were finished in record time! Please let me know if there is

**Rear Commodore
Bob Zeiher**

something specific you would like to do.

There are six new blue outside umbrellas ordered, three for the pool area and three for dining in front of the club. I hope they will be enjoyed by everyone.

Hope to see you on Workday!

Race and Regatta

Greetings!

This is a short article as my time has been divided between the Seawall Project and preparation of the 2010 Race and Regatta Schedule.

The Schedule has been posted at the Clubhouse and will soon be added to our web site. As racing begins in April, refitting has begun at Eastport. We have a lengthy schedule this season with weekly racing into October.

Our tentative fleet of cruisers appears to be expanding and separate dates are still being discussed for additional one-design class racing. This would in turn require additional volunteers, so please make contact should you have the desire.

There are also several reasonably priced craft for sale at our yard that would make good competitors. Please take the time to investigate as all are encouraged to participate in this fine sport and family pastime.

Cordially,

**Governor
Rick Myers**

Auxiliary News

Hello everyone! We have been busy over the winter months planning lots of activities for all of us to enjoy. Here's a list of what's coming up:

The April 8th meeting will be "Tea Time – A Celebration of Spring." Grab your favorite bonnet or decorate your spring hat at the meeting. Barb McFall is our hostess and she has a new twist for table top decorating. There will be a prize for the best hat and most creative table.

May 13th we have Charlotte Frazier and her Line Dancers entertaining us again. It will be lots of fun and also great exercise so be sure to plan on coming.

Our June 10th meeting will be a Card Party with Donna Parker as our hostess. This gathering will be held during the afternoon. If you would like to help Donna plan for this meeting, please call her at 740-246-4239.

Our July 8th meeting will be our progressive dinner. Everyone has really enjoyed this in the past and I'm sure this year will be fantastic. Zenna Sayre and Chris Russell have volunteered to open their homes for us to visit. We will start at the Club for appetizers, then walk to Zenna's for the main course and then to Chris' for dessert. Everything will be within walking distance this year so leave your boat at the dock.

July 17th will be a Silent Auction fundraiser – A Blast from the Past – with the Rick Brunetto Big Band. The evening will be reminiscent of the Crystal Ball Room featuring swing and contemporary dance music. This will be our biggest event of the year so you won't want to miss it. We will be selling ads for our program for the silent auction and are hoping that all of our business members will consider advertising. It is a great way to advertise your business and it will be very reasonable. Plan to keep your program

Secretary Gail Beck

for future reference of BLYC members and lake area businesses when you need something done around the house. Volunteers are needed for this fundraiser so let Carol know if you would be willing to help. 740-928-6393 or maupindonnelly@roadrunner.com

For our August 12th meeting, we have reserved the Historical Society's Queen for a Sunset Dinner Cruise. The boat will hold up to 50 people with a minimum of 20 requirement. We will have our meeting on the boat with a box dinner prepared by the Club for \$20. It should be fun having our meeting while cruising around the Lake. Please let us know if you would be interested in attending.
