

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

May, 2010 - Vol. 19 Issue 3

Commodore Don Harris

At the April meeting of the Board of Governors, the engineering report was reviewed and a seawall plan was approved. We now move on to the design and bid phase, with construction to start in the fall. The project is right on schedule. The seawall committee under the direction of Governor Myers is working with engineering and bidding; the Board of Trustees is exploring the various modes of financing; and the Board of Governors is developing a plan to retire the incurred debt over time.

I think I can safely say now that spring has officially arrived. The lake is at full pool, and several members have already launched their boats. A new heater for the swimming pool is being installed, and a great big "thank you" goes to the BLYC Auxiliary for fund-

ing this project, and to member Rob Papsen for helping us to obtain the best possible price. The swimming pool is right on schedule for season opening on Memorial Day. The Pool Bar & Grill will again be open every day of the week, weather permitting, with a new menu and kid-friendly pricing.

Upcoming events in May include night in Paris on the 15th with the music of Kelly Crum Delavaris and Joe Dunlap, and the Commodores Ball on the 29th with the Jack Gorham band. See Governor Sproat's article or the BLYC website for details.

This is a great time to be a member of BLYC! Come often; enjoy your Club and all it has to offer. We are still the best kept secret in central Ohio. Hope to see you at the Club soon.

Bar & Kitchen

It doesn't seem possible that another month has passed, but here we are doing another *Log*. Activities are picking up at the Club and we are seeing more members getting involved in the warm weather. By the time you receive this *Log*, workday will be history and many more boats will be in the water and ready to go. This is the time of year the sleeping Club awakens and becomes a hub of activity.

**Vice Commodore
Rick Henderson**

The Bar & Kitchen are doing well. We had our slow times during the winter but with the warm weather, we anticipate more attendance and activities. Be sure to check the website (www.buckeyelakeyc.com) for updated Club information. Andrea is making every effort to keep the website current with special events and also private parties we have scheduled. Keep in mind that even with a private party, the bar, dining room and pool are always available to our membership.

Andrea is making some adjustments to beverages to obtain some of the more popular and preferred drinks. She currently has modified our wine list to include some of the wines that have been requested by members. Any suggestions are welcome. We will make an inquiry to see if it is practical for us to stock your requested beverage.

Chef Matt continues to modify our menu to provide new items for our taste buds. Suggestions are also welcomed regarding potential meals for the menu. We do like to provide some variety and choices when it comes to our membership.

The staff is gearing up for the summer activities and we hope to see you. As always, let us know your concerns or ideas for improving our membership's experience at the Club

Take care,

House & Grounds

By the time you read this, work day will be over and I hope it turned out as a great success. We should be starting to repair the pool and got ready for an early opening. Some boats are in the water now, and the dining and parties are great. We slid through winter with little damage. The ladies have started flowers and landscaping. Hope you have a wonderful summer at BLYC.

See You at the Club.

Entertainment

May and June feature a great lineup of entertainment. On the afternoon of May 1, we have a Kentucky Derby Day party with Mint Julips. All ladies please wear your beautiful hats. We will all cheer on the ponies at the Derby. That evening we bring back by popular demand the great "Micheal Sutherland Show" with his tribute to "Frank Sinatra and Friends." Get ready for some great Italian food. Mama Mia !!

May 15, we have some good musician friends of mine, Kelly Crum Delavaris and Joe Dunlop. Kelly and Joe have played all the top supper clubs and performed with the Columbus Jazz Orchestra. Please make reservations for this extraordinary night of great entertainment. In addition, we feature a Country Western band on May 22. Come on out and "Two Step" Ya'll !!

On May 29, we feature the ever popular Jack Gorham Band at our annual Commodores' Ball. Please do not miss this great party.

**Governor
John Sproat**

Coming up in June, we have the exciting Kay Carter Band on Friday, June 4, The Majestics Quartet with their blend of Motown, classic rock and soul on June 12, and Put-In-Bay Day on June 26 featuring one of the best horn bands I have heard in decades, "The Street Players." There is no ticket charge for this show. Please make reservations for these fine events and bring your guests.

See you at the Club,

John Sproat

Rentals & Docks

THE NEW BAR STOOLS ARE HERE!!!!

This could be a late April fools joke or it could be the truth (finally). Check out the bar this month to find out. Seriously, Seating Experts, has repeatedly said that the stools would arrive (at their docks) the first week in April. They reassured me on Friday, April 9th, that they were slated for immediate shipment to us after they were upholstered. Since this article was submitted April 15th I hope the above statement is true.

These stools have been a really frustrating experience. First I was told they were in stock. About a week later I received a call that there were no mahogany stools in stock and they would have to be ordered from the manufacturer in Europe. Then the order was mishandled at the manufacturer and more time was lost. Finally, I was told they would ship in March with an April delivery to BLYC. The shipment from Europe was made March 4th on a cargo ship which takes approximately 4 weeks (including all stops between there and here). I guess I shouldn't have been surprised; because, this is very similar to the dining room chairs experience.

The crane in Eastport has been inspected, repaired and brought up to code for this season. Please use it care-

**Governor
Don Day**

fully and safely.

The docks at the south end of area #8 have been repaired (ice damage) and are ready for use.

As of this writing I have a few docks available to rent. The docks are in Area #6, Area #8 and Eastport. They will be rented on a 1st come 1st served basis; so, give me or the Club a call if you are interested.

Last; but, not least, I'd like to congratulate PC Steve Harris for winning the booze basket raffle. The winning ticket was drawn Friday, March 26th.

Steve was on hand for the drawing and nearly went into shock when his name was called. This "prize" probably did not come close to offsetting the amount of money Steve has spent over the years on events such as this; so, congratulations (once again). A big "Thank You!" to Sally Day and Andrea Foster (and staff) for putting the raffle together and selling the tickets. The money was split between the Bar & Kitchen and the Auxiliary.

I'm sure the monies will be put to good use by both.

I hope everyone has an enjoyable and safe boating season.

Don

From TEAM BLYC:

We just wanted to thank our fabulous members for their support of their club. The staff has been working hard to provide better service all around. It must be working, for the compliments keep rolling in. For this, we are greatly appreciative.

We want you to know that we are updating our website weekly! Andrea is putting in the daily specials as well as special upcoming events. Keep your eyes open for the menus for "A Night in Paris" on May 15th, and for the Annual Commodore's Ball on May 29th.

Team BLYC wants you to know that we look forward to serving you and your guests very soon.

Junior Sailing

Hello All!

This is our first notice of Junior Sailing Camps for the summer of 2010! On the reverse side is an application that you may send to the Club to register your child.

**Governor
Gayle Fisher-Mulvey**

A great idea would be to register early guaranteeing a place for you child or grandchild.

A few points to note:

I am very pleased to announce Jon Bennett will be our sailing instructor. He comes highly recommended by our friends at Edgewater Yacht Club where he has been an instructor for 6 years. He has sailed at the junior level for his home club and is currently on the OSU Sail Team. Jon will be graduating from OSU this spring. We welcome him and look forward to his impact on our camps and team.

Campers must bring a life jacket and swimsuit every day to camp. A change of dry clothes, sunscreen and towel are highly recommended.

Lunch is provided at the Club and included in the fee.

Our other staffers will be current or former BLYC Race Team Members. They are CPR certified and lifeguard certified.

You will notice that beginner and intermediate are separated with the exception of the one-week's offering to help for large families.

Your child/grandchild will learn the parts of the boat, rigging, sailing rules fundamentals, knots, sailing tactics and have the opportunity to sail at beautiful Buckeye Lake!

We are looking forward to a GREAT summer!

Mail your registration to: BLYC, 5019 North Bank PO Box 867, Buckeye Lake, Ohio 43008.

Questions? You may contact me at: gaylefishermulvey@yahoo.com or call me at 740-334-8906.

Thanks – we look forward to working with your child/grandchild and having another GREAT summer!

Sincerely,

Auxiliary News

Marcia Henderson and Barb McFall, our hostess for the evening created an extremely enjoyable Spring Meeting, complete with a Tea Party, a Table Decorating competition and a Favorite Hat contest. Zenna Sayre and Donna Parker took the top prizes for the Hats. It was a great time and there were several suggestions that we consider having this event every April.

Next month's meeting, May 13th, will feature Charlotte Frazier's Line Dancers, giving us a demonstration and Charlotte will also teach us a few new steps, along with a Bar-B-Q dinner in keeping with the theme of Western Week.

It was voted the Auxiliary will replace the pool heater, a permanent cover over the pool bar and additional umbrella tables and chairs for dining in the pool area.

Which brings us to the subject of Fund Raisers. We are asking for donations of wine for a Wine Basket Raffle. If you would please bring your donations to the Club, Andrea will see that they are safely stored until we generate enough for a nice sized basket. Our main money maker will be the Silent Auction, July 17th, in conjunction with the Rick Brunetto's 17-piece Brass Band, in remembrance of the Crystal Ball Room. We would also like to create a Program and sell ads to our business members that may be used as

a directory, our own personal "Yellow Pages."

The Auxiliary has reserved the Historical Society's "Queen of the Lake" for a Sunset Cruise on August 12th. The cost of the cruise and dinner will be \$20.00. If you think you would be interested, we need your reservations as soon as possible. Call Carole Donnelly (740) 928-6393, not the Club.

Our thoughts and prayers go out to the Beck family for the loss of their father, George Beck, who was a lifetime member of the Club.

Ro Miller would like to thank all of those that have renewed their membership to the Auxiliary and asks anyone that has not renewed to please send their dues (\$20) as soon as possible to the Club in-care of Ro.
