are Colin Gutridge, Hallie Harklau, and Austin Miller; and sailing Lasers are Brice Cartwright and David Kellogg. Several BLYC members are here for the week to support our sailors and enjoy the camaraderie of friends from other I-LYA yacht clubs.

As of this writing, the July 24th seawall meeting has not yet occurred, but by time you read this, it will have. Hopefully, a significant number of members will have attended, and will have come away with a good understanding of the need to reconstruct our aging seawall and of the engineering and design of the project. Most importantly, concerns about the cost of the project and the cost to each member will have been answered satisfactorily. Each member will soon receive a survey to help the Board assess member support. Please complete and return your survey promptly because as important as this project is, the Board must know that the members are behind it before pressing forward.

And for a nice evening out, remember the BLYC dining room, where high quality and great service have become the standard.

Entertainment

First I want to thank our staff for all the hard work to make the July 4th weekend such a success. I believe the night of the July 2 fireworks was the most successful non band event in the history of the Club. Way to go "Team BLYC".

**Governor
John Sproat**

On August 7 the Luau is scheduled. It is one of the most popular parties of the summer. The Majestics featuring Jimmy Harris will provide the dance music. August 15 brings the "Bob Dye Poker Run". This has become a very popular event thanks to the hardwork of Steve and Jenny Romine. This year Tom and Karen Baltzell will be in charge. Please sign up early so we know how to plan. Please register from 11-12am. The Run will start promptly at 12 noon. The boats will return to the Club at 5pm.. The

entertainment is the very popular Dawson Cooper Band.

The "31st Annual Classic Boat Regatta" is set for August 20-22. This year's theme is "A Celebration of Boating" and celebrate we will. When I took on the job of coordinating this event I promised the Commodore that I would do all I could to make it a success. Now I am asking you to come out and support our efforts. In the past I think the members have viewed the show as something done for the benefit of others. That all changes this year!! This will be a party!!

Friday night August 20 we have our 50s/60s Night featuring the best classic Rock and Roll Music ever recorded. DJ John will be spinning the CDs. Saturday August 21 is the main show date. We will have an estimated 35-40 classic boats of all styles on display. I have confirmation that the "Pirate Ship" will be here so bring the kids. Local marinas and boat dealers will display boats in the parking area. The Boat auction will be from 3-5pm. We have

great variety of tee shirts, polos and other items for sale. A superb chicken BBQ and awards presentation is planned to start at 7pm. Entertainment follows. Sunday we hope to have a "Classic Boat Parade" starting at 10am.

We wrap up August with our "BLYC Car Show." "Get your motor runnin' ...!" to the show on Sunday August 29 starting at 9am. The music will be 50s and 60s rock and roll. Ice cream and goodies will be available.

Please mark your calenders for the "Harbor Lights Party" on September 18 featuring music by the Jack Gorham Band, Candidates Night on July 17, our Club election and Annual Meeting on July 19 and Howard Everitt's outstanding "Rock and Roll Jam" on September 26.

See you at the Club,

Race & Regatta

Sailboat racing continues at the Club and our porch provides a fine view on Sunday afternoons. We welcome those who might be interested in entering to join us. For those who wish to participate or are interested in

learning more, there are usually opportunities to crew as well. As Sunday races commence at 2:00 P.M., please be on the porch by 1:00 for the race instructions should you wish to participate.

In addition to the Sunday races for the Lambrecht Cup Series, we host one or more one-design regattas as well as three long distance races each season on the Mondays of Memorial Day, Independence Day and Labor Day weekends. Immediately following these we have awards recognition with trophies on the porch. Unfortunately, this sea-

son the long distance race to be held July 5 was cancelled due to lack of wind.

Sailboats remain available for purchase in our yard at Eastport and elsewhere around the lake. With the ongoing purchase of local boats by Club members, we hope to expand the fleet. We also have some potential applicants to the Club who are looking to purchase sailboats. Currently, four marinas are sponsors and exhibitors for our 31st Annual Classic Boat Regatta. Several have sailing craft for sale. We also welcome sailboats for the boat auction at this year's show.

House & Grounds

July 4th Weekend was a big success. We have a great staff, not enough good can be said about them. Chuck and Bruce worked hard the week before so to have everything

ready. The pool along with the pool bar have been a big hit again this summer. I feel sorry for those of you who work and cannot spend everyday with those of us that are retired. Something to look forward to for sure.

John has been providing us with great music, and several of our members are taking dance lessons. It is a treat to watch them as they improve.

The weather and boating have been great. If you are not using and enjoying your club,

you are missing out on a great experience.

As a reminder, don't forget the new member party.

Hope to See You at the Club,

Membership

During the past month, we have approved three new members to Buckeye Lake Yacht Club. Here is a little information about our new members.

Keith A. Rothe and wife Deborah

Keith and Deborah said goodbye to their two custom Harley-Davidson motorcycles to join the boating world and BLYC. Twenty plus years of riding took them to the Badland's and Black Hills of South Dakota, across the Blue Ridge Parkway, the Smokey's and the Allegheny mountains. They have seen a great deal of small town Americana from the saddle of the steel horses. Locally they spent many weekends at various motorcycle rallies and Harley-Davidson sponsored MDA charity events.

**Governor
Charles
McClenaghan**

Within 12 hours of telling our very good friends and BLYC members Mike and Carole Ennis that their riding days were at a close they purchased a pre-owned 24 foot Sweetwater Pontoon Boat. Our new acquisition is appropriately named "Hog Swap" and lives at dock space number 229 at Eastport. Boating will be a family affair and they plan to enjoy many seasons of relaxation in the sun at Buckeye Lake.

Married for 37 years, Keith and Deborah are 'empty nesters' in Reynoldsburg along with their Yorkshire Terrier, "Molly". They have two son's Joshua, 31 in Pickerington (daughter-in-law Cheryl) and Matthew, 27 in Blacklick (daughter-in-law Melissa) and grandson Conor (one "n"), age 5. They are lifelong Central Ohio residents and have lived in Reynoldsburg for more than 40 years. Keith is employed by Twenty First Century Communications, Inc (www.tfcci.com) as the Vice President of Operations and Managing Director and Deborah ("Deb") is a Senior Vice President for Citigroup's Fund Services Group.

David R. Kessler and wife Beth

For over 33 years, David has been an owner of Kessler Sign Company in Zanesville. You have probably seen many of their billboards along the highways in Licking, Muskingum and surrounding counties. He and Beth enjoy power boating, swimming, dancing and cards. They own a Maxim, a pontoon and a kayak! They have two children, Korrie, 27 and Cassie, 26. David graduated from Zanesville High School and maintains membership at the Zanesville County Club.

Alan R. Wentz and wife Deana

Alan is the owner/agent of Wentz Insurance in Lancaster, Ohio. He is a member of Lancaster Country Club and Bay Pointe Marina. They own a 36' Tiara. Alan and Deana enjoy power boating, swimming, trap shooting, fishing and cards. They have two children, Jared 16 and Jacob 8. Alan graduated from Lancaster High School in 1981 and College of Wooster in 1985.

Junior Sailing

Hello all! As of this writing, we are getting ready to go to the I-LYA Junior Sailing Regatta at Put-in-Bay next week. We have five representing BLYC: Austin Miller, Halle Harklau and Collin Gutridge in a Thistle and Bryce Cartwright and David Kellogg each in a laser. As always, our top priorities is to be safe and for the kids to have fun... admittedly, it would be nice to do well, but I will report on finishes in next months article.

A preemptive thank you to all those who came up to the Bay to support our sailors, especially Commodore Don Harris, who has always been a big help to the Junior Sailors. Steve Harris, Tracy and Matt Davis all also filling huge roles at Put-in-Bay to see that everything runs safely, smoothly and fairly.

**Governor
Gayle Fisher-Mulvey**

We have had a wonderful sail camp season with over 80 campers learning the thrills and joys of sailing. It is a great life long sport and I am proud to have been a part of introducing our children to the boats. John Bennett, our sailing instructor and coach has done a tremendous job teaching campers and inspiring our race team. Gwen Mulvey, Austin Miller and Halle Harklau did fine jobs assisting John and helping a camps run what seemed to be effortlessly. Thank you, too, to our fine Chef Matt and Andrea for feeding the hungry campers and their seemingly endless appetites!

Speaking of appetites!! Thank you to all the BLYC members who came to support Junior Sailing on the 4th of July! We had the largest crowd EVER and the largest amount garnered for Junior Sailing! Just over 2 thousand dollars! WOW and Thank You! The entire meal was prepared by our dedicated parents who cooked as fast as the griddle could go and the Junior Sailors were the clean-up and wait staff. That money earned will go toward purchasing a

new boat for the program.

May I add to that thought and ask everyone to come out to again support the Juniors and have another fine meal? On the Sunday of Labor Day, the Junior Sailing Program will be putting on a spaghetti dinner (all you can eat... anyone up for a challenge?) Please come have a great time with the Juniors serving up a fabulous Italian meal. The dinner will be served from 5:30 to 8, we will have salad, bread sticks and homemade desserts.

We have had a great summer sailing season and I am sad to see it end, but end it must. Please keep Junior Sailing in mind for your children or grandchildren for next summer. Thank you, all of you, for your wonderful support you have given the Buckeye Lake Yacht Club Junior Sailing Program and I look forward to many more summers with the Juniors.

Docks & Rentals

At our July 8th meeting I was given a list of renters who have failed to pay their rental fees (docks, garages or storage lots) for this season. I have contacted almost everyone on the list and resolved

**Governor
Don Day**

most of the problems. Please if you have a problem just don't ignore it; because, it won't go away unless some action is taken either by you or the Club. I'm responsible for 2 rental homes, 10 garages, 84 storage spaces and 125 docks. I make every effort to resolve problems as quickly as possible.

One phone call from you to either me (Don Day - 614-837-0321) or the Club secretary (Rebecca - 740-929-4466) and we should be able to resolve any problem(s) you may have. Remember all of the Governors are volunteers and we all appreciate your help and co-operation

August 20th, 21st and 22nd we will be having the antique and classic boat show. We have a large number of boats already

registered and it looks as if we will require all available docks on the island. All island dockers were notified in their annual billing of the need for all docks to be vacated for this show. Docks with lifts will be exempted.

Please plan on vacating your dock by noon on Friday, August 20th. If you are unable to do so please contact me (Don Day) at (614) 837 0321 or the Club Secretary at (740) 929 2266 and we will be happy to assist you. We will move as many boats to currently "open" docks as possible. After those are full we will be using the west side of Area 8 and Eastport. All boats moved by the Club will be returned to their original docks Sunday afternoon. Boats moved by their owners may also be returned to their docks Sunday afternoon.

While I'm on the subject we need volunteers to help with security during the show. Friday, 7/20, we need people to work four two hour shifts: (2 pm to 4 pm), (4 pm to 6 pm), (6 pm to 8 pm) and (8 pm to 10 pm). 10 pm to 6 am will provided by paid security people. Saturday, 7/21, we need people to work eight two hour shifts:

(6 am to 8am), (8 am to 10 am), (10 am to noon), (noon to 2 pm), (2 pm to 4 pm), (4 pm to 6 pm), (6 pm to 8 pm) and (8 pm to 10 pm). Sunday, 7/22, we need two shifts (6 am to 8 am) and (8 am to 10 am). If you would like to volunteer there will be a "sign up" sheet at the bulletin board by the bar. If you would like to work more than two hours just sign the sheet and they're yours. Call me (Don Day) at (614) 837-0321 if you won't be able to sign up; but, want to volunteer.

One last item, the Bob Dye Poker Run is scheduled for Sunday, August 15th, from 11 am to 5 pm. Prizes will be awarded as soon possible after 5 pm. It takes a while for the "hands" to be checked and ranked so I would expect prizes to be awarded about 6 pm. We had a very good turn out last year and a great time also. This years event is being organized by Tom and Karen Baltzell and I don't think you'll see any drop off from the previous "runs"; in fact, there may be one or two surprises.

Our July meeting was our progressive dinner. We began at the Club for appetizers and then walked to two different homes. The weather was good and so was the food. A special thank you goes to our hostesses: Sue Harris, Zenna Sayre and Chris Russell.

For our August 12 meeting, we have reserved the Historical Society's "Queen of the Lake" for a sunset dinner cruise. The boat will hold up to 50 people with a minimum of 20 requirement. We will have our meeting on the boat with a box dinner prepared by the Club for \$20. It should be fun having our meeting while cruising around the Lake. Please let us know if you will be attending by emailing Carole Donnelly at maupindonnelly@roadrunner.com.

Thanks to everyone that attended our Silent Auction fundraiser - A Blast from the Past - with the Rick Brunetto Big Band. This was our biggest event of the year and we appreciate everyone's support. A special thank you goes to the Auxiliary members that worked on the program book and the Silent Auction - great job ladies!

Remember to bring in a bottle of wine next time you come to the Club for our basket of booze fundraiser.
