## Bar and Kitchen

Election Day is just around the corner and we are enthusiastic about our field of candidates this year. Candidates Night will be Friday, September 17, 2010, from 6 - 9:30 pm. This will provide the opportunity for our membership to meet and talk with our candidates in a relaxed atmosphere. Please come and meet the candidates.

All candidates are hoping to have your support and vote on Election Day, Sunday,

**Vice Commodore  
Rick Henderson**

It has been an exciting summer at the club. Our new management concept has been quite successful, and the efforts of Team-BLYC are extraordinary. The swimming pool and the pool bar and grill have been a flurry of activity all summer long. The grounds and landscaping are beautiful, adding to the enjoyment of club members. Sunday sailing has been competitive, and sailors are looking forward to the Snowball Regatta in October.

As fall approaches, so ends another fiscal year for BLYC. Only preliminary figures are available as of this writing, but I anticipate that the board will be able to present a very favorable financial report at the annual meeting of members on September 19.

September 19 is also the date for the porch party and elections; please plan to attend and cast your vote. Also plan to attend candidates night on Friday the 17; you will have an opportunity to learn more about each candidate and his/her qualifica-

tions, and enjoy the unique humor of emcee Jerry Besanceney.

As you know, tremendous progress has been made on the long awaited seawall project. Included as an insert in this issue of the *Log* is a brightly colored sheet, on one side of which is a brief outline of the project, and on the other side a survey of the membership. Member input is important and valuable, so please complete and return the survey promptly.

There is always something happening at BLYC. Car show, boat show, poker run, golf outing, skeet shooting, sailboat racing, regattas, theme parties, great entertainment, and even work day ... that's fun too. This is a member-participation club, which helps to keep costs down and make BLYC the best kept secret in central Ohio. Come early, stay late. See you soon.

September 19, 2010. The polls will be open for voting from 9 am - 1 pm with the Annual Meeting starting at 2 pm.

Don't forget to come early to enjoy the picnic items provided by each of the candidates on the porch. It has been a tradition to have the candidates provide nourishment to the voters as they arrive for the voting process.

Come and enjoy the election gathering and support your favorite candidates.

Take care,

## House & Grounds

September and the end of our year. We got a lot accomplished this year. A new pool cover and a new tent out front, a new heater for the pool and new umbrellas for the outside tables.

The flowers and landscaping look great, thanks to Lois, Donna and Janette, and the ship's wheel got sanded and sealed.

**Rear Commodore  
Bob Zeiher**

I am leaving a note for future House and Grounds Governors to not let the ship's wheel go so long between sealings. A great deal of water damage was done to it. Although I sanded and bleached a lot of it out, some damage goes too deep. Many of you do not know that the wheel was donated by Commodore Dave Cox and made into a display by Governor Mike Oliver. I am having a plaque made stating this to put on the fence under the wheel. So much of our history has been lost because we didn't write it down.

By the time this reaches you the car show and the boat show will be over. With all of the work that has gone into

them I am certain they will have been a success. Soon it will be time for election. I do not have to run this year but those that do need your consideration. We have a great slate of good people willing to work for your Club, so please come out and support them. Thank you for all of the help you have given me the last 3 years and hopefully I will have next year.

See you at the Club,

See *Article I, Section 6 of the By-Laws* for specific information.

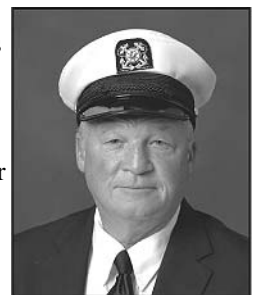

### **AMNESTY PROGRAM EXTENDED THROUGH 2010!**

## Race & Regatta

Greetings!

Racing continues and we all welcome Bob Snow back from his injury. The number of participants has been slowly increasing as have those who come to watch.

Sailing craft continue to be purchased and work is active at the Eastport yard. We hope for an expanded fleet next season. In that regard, there remain a number of reasonably priced craft for sale in our yard at Eastport and elsewhere in the area.

**Governor  
Rick Myers**

## Entertainment

Another year has passed, but what a year!! Thanks to all of you, our members, for your excellent support of our events. Also special thanks to our Staff, "Team BLYC", for working so hard at every one of our events.

There were times when I simply do not know how they pulled it off. Now to a review of what's coming up.

The "Harbor Lights Party" is set for

**Governor  
John Sproat**

September 18 and the music for dancing will be provided by the ever popular Jack Gorham Band. Bring you sweetie and dance the night away. Also if you have a boat in the front basin please string up some Christmas lights. It will make for great atmosphere. Please be sure to come to BLYC Board Candidates Night on September 17 and the Porch Breakfast, Election and Annual Meeting on September 19.

Howard Everitt brings back his Rock and Roll Jam on September 26. Howard invites in his many musician friends and you get to enjoy the best music anywhere. The party runs from 4-8 pm. and you will need reservations for this great show.

Make sure to mark your calenders for the Snowball Regatta October 9 featuring Alex Bevan from Put In Bay; the Octoberfest Oct 23 with traditional German food and music; and the Halloween Costume Party October 30 with music by the Kay Carter Band. Bring all the kids to the Haunted Yacht Club the afternoon of October 31st.

See you at the Club,

## Docks & Rentals

A very brief Log article this month.

Thanks to all the dockers on Watkins Island for letting us use their docks for the

Antique and Classic Boat Show. Your support and cooperation made my job fairly easy. Thank you all!

This will be my LAST Log article. I notified the Commodore last January that I would complete 2010 and that I would vacate my position for 2011. It has been an honor to serve on the Board (again) and I would encourage everyone to consider doing so.

**Governor  
Don Day**

## In Memoriam

4 February 1940 - 13 August 2010

**Jim Graham**

**Patricia Hieronymous**

## RESERVATION POLICY

For purposes of clarification, and to avoid misunderstanding, the club's reservation policy is outlined below:

### OPEN DINING:

Reservations are encouraged but not required.

Advance reservations help management to assure that staffing is at an appropriate level to provide the best possible service. If the dining room is busy, those with reservations will receive seating preference over those without. Members are always welcome, reservations or not.

### SPECIAL EVENTS:

Reservations are a must. Our chef prepares a special menu and prepares quantities according to anticipated attendance. You may attend without a reservation, and our staff will attempt to accommodate you, seating and food quantity permitting.

You may not reserve a table if you are not coming for the meal. If you plan to attend for the entertainment only, do not make a reservation. Doing so causes increased waste and expense for the club, and will result in the price of the meal being charged to your account.

We have no cover charge, entertainment costs are included in your dues, and members are always welcome. However, entertainment only seating is on an as available basis.

## From The Manager

A note from Team BLYC:

First off, we would like to thank the membership for your continued support of the Club. Andrea, Chef Matt, and the staff have enjoyed serving you this summer and look forward to serving you this fall.

**Andrea Foster**

For those of you who make reservations, a **BIG THANK YOU** from Team BLYC. Reservations allow US to better serve YOU. We can do our ordering and staffing more efficiently with an accurate count, especially during events. It is also most helpful for open dining so that we can have the tables set up and ready for you upon arrival.

To ensure quality service, those with reservations will be seated first.

There have been a few occasions throughout the season where members call in for a table of 10 or 20 for a special event and have not shown up or have shown up late and not dined. For future reference, we are happy to reserve a table if you and your guests are

dining during the event. If you are not planning on dining, PLEASE do not make a reservation. We would love to have you come to the events and enjoy some libations; however, we just can't promise that a table will be reserved for you.

To help the club offset the cost of over ordering, over preparing food and over staffing, there will be a charge for the cost of the meals reserved on the member's account for those that don't show up after making reservations.

Please see reservation policy on Page 3 in this issue of the Log.

PLEASE NOTE: The club is hosting a wedding reception for at least 130 people on Saturday, Sept. 4. We also have a class

**Team BLYC: It has been our pleasure to serve you this year!**

reunion scheduled for Sept. 11 for at least 120 people. The Dawson Cooper Band will be playing for the reunion and members are welcome to come out and enjoy as well.

On Labor Day, the club will be serving from 11:30 a.m.-5 p.m. with a special menu from Chef Matt. Check the club web site for full details.
