FROM THE BRIDGE ☆☆☆

October, 2010 - Vol. 19, Issue 10

**Commodore  
Rick Henderson**

I want to thank the membership for the trust and confidence they have provided me in leading BLYC for the next year. We have some important issues facing us and I will always try to keep you informed as to our progress on each issue. When making deci-

sions I will always have the best interests of the club and membership in mind.

I look forward to working with our new Board of Governors and I congratulate them on "getting off the porch". Their specific duties are listed elsewhere in the Log.

I have heard remarks and suggestions related to BLYC By-Laws. I intend to appoint a committee to review our By-Laws and provide options and suggestions to the Board.

Congratulations to our new Auxiliary President, and my wife, Marcia Henderson. I am sure she and the Auxiliary will have a great year.

One major issue we have is the seawall project. I think all members agree that we have to repair our seawall before it totally fails us. At this time, we still have not received any official estimates as to the cost of the project and no decision will be made until that number is received. Once we see the estimated cost, we will make the determination as to our ability to move forward with the project and how the expense will be handled. Members have provided several suggestions for raising funds and we will look at all possibilities before moving forward. Each publication will include an update on the project as it becomes avail-

able.

and full beverage service it doesn't get any better.

On October 9 we welcome back the fun vocal and guitar stylings of Reid Coleman. That is the Snow Ball sailing weekend and always a fun time to be at the Club. October 23 is our Oktoberfest. Great German food and polka music by the Chris Weiss Polka Band ... Wunderbar!! (Leiderhosen optional).

We round out the month with the Halloween Costume Party on October 30. Prizes for best costumes and dance music by the ever popular Kay Carter Band. Be sure to

able.

There was discussion at the Annual Meeting regarding a potential sense of secrecy associated with the Board actions. While I do not believe our previous Board members acted in any way contrary to what they believed to be best for the club, I assure you that our Board actions are always open to the membership. I have always maintained the "open-door" policy and that will not change. When I obtain information, it will be provided to the membership.

We hope everyone enjoyed the "Commodore's Reception" and have a better idea of the potential items for special parties. I thank Manager Andrea, Chef Matt, and our staff for the excellent job they did in preparation and presentation for our enjoyment.

Our greatest asset at the club is the membership. Our goal is for you to have a pleasant experience and share that experience with friends and neighbors to get them interested in BLYC. We are the best experience and location in central Ohio. We need to take advantage and bring others to know BLYC.

Take care,

visit our Haunted Yacht Club on October 31 from 2-4 pm. The decorations under the Club are as spooky as they come. Commodore John Geiger with his committee do a fabulous job. They are greatly assisted by the Junior Sailors so be sure to support them. A donation bucket will be present.

Please mark your calendars for the "Beat Michigan Party" featuring music by the Paul Clark Band, Friday November 26.

## Membership

The following is a list of the Membership categories represents the final tally for Membership of the Buckeye Lake Yacht Club through August 31, 2010:

standing General Manager Andrea is available to show the Club and Chef Matt will be happy to impress with his culinary skills!

Where else can someone go in Central Ohio to enjoy fine dining, friendly members and a spectacular water view? Let's all do our part to help grow our Club for 2011.

All the best,

Governor  
Charles  
McClenaghan

## NOTICE Proposed Amendment To BLYC By-Laws

The Board of Governors has approved "for publication" the proposed amendment to the BLYC By-Laws (shown below):

Please refer to Article 1, Members' Qualifications and Privileges, Section 8(a) which reads: "**Succession of Spouse**".

"In the event a married member becomes deceased, the spouse of the member may succeed to the membership and become a member by notifying the Board of such intention and continuing to pay all dues, fees and charges as they become due. In the event of such succession, the spouse shall succeed to all outstanding obligations of the deceased member and shall succeed to all privileges including existing rental facilities and dates of dock request letters but shall not succeed to an office held by the deceased member."

Please consider the following to replace the above paragraph.

In the event a member becomes deceased, the spouse, **life partner or significant other (as adjudged by the Board)** may succeed to the membership and become a member by notifying the Board of such intention and continuing to pay all dues, fees and charges as they become due. In the event of such succession, the spouse, **life partner or significant other (as adjudged by the Board)** shall succeed to all privileges including existing rental facilities and dates of dock request letters but shall not succeed to an office held by the deceased member.

The changes are: (1) The elimination of the word "married" in the first sentence and (2) The addition of "life partner or significant other (as adjudged by the Board)" in the first and second sentences.

## Race & Regatta

Before starting my "first Log article" I would sincerely like to thank everyone who supported me for Governor. I'm excited to begin my new "full time" job!

It's been a great summer for Race and Regatta. Thank you Governor Rick Myers for making it a successful season and for teaching me the "ropes." I look forward to the challenge.

We just completed the Commodore Chris J. Lambrecht Cup Series. Congratulations to Bob Snow, winner!

Next on our schedule is the Commodore George Fisher Snowball Regatta.

- Saturday, October 9 – Racing will begin at 12:30 pm and conclude at 4 pm
- Sunday, October 10 – More sailboat racing will begin at 1 am, awards will follow at 2:20 pm.

This annual event is always a highlight of the club's season.

This year's event will host both local and visiting sailors in Interlakes, as well as BLYC's own PHRF fleet of Cruising Sailboats. Interlakes will race on Saturday with the Cruisers racing both Saturday and Sunday.

Please come join us!

One final note in case you didn't hear ... BLYC's own Greg Fisher is US Sailing's "Sailor of the Week."

Each week, US Sailing features a sailor from around the United States as it's "Sailor of the Week."

In September, this distinction went to Greg Fisher, one of the most accomplished competitive sailors of all time. Greg began his sailing career right here, at Buckeye Lake Yacht Club and represented us throughout his Junior Sailing Career. The son of Commodore George and Mary Fisher, Greg along with his siblings Matt and Gayle have been active with our Club for many years. Greg, now living in Annapolis, Md. continue to provide support to our sailors and sailing programs. Congratulations Greg! (as noted on BLYC web page, 9/16/2010)

See you at the Club!

**Governor Tom Baltzell**

## Be "In The Know"

Complete listings of activities, menus, committees and more can be found on the BLYC web site – [www.buckeyelakeyc.com](http://www.buckeyelakeyc.com).

## Junior Sailing

Hope everyone has had a wonderful summer. It always seems like it goes by so fast. My apologies for not having a Log Article for September - it got overlooked (sorry, Scott, that will be the LAST time I say it, promise!), so some of my information will seem a little dated.

The 4th of July Pancake Breakfast was our best-attended breakfast EVER! We raised just over \$2,000! A new record! The money will go toward the purchase of a new boat. Thank you all so much!

We have had a great summer sailing at BLYC. We had 7 weeklong sailing camps with over 85 campers. If your child missed the chance to attend this summer, please consider for next year. It is a safe, fun way to introduce children to the sport of sailing. It is a wonderful life-long sport – come see the Sunday races at the Club to see how much fun folks have sailing – you will probably be invited out for a sail!

I want to give you an update of our race team's experience at Put-in-Bay for Junior Bay Week. They had a great time and represented the Club very well. We should all be very proud of our racers and the progress they have made this summer. Commodore Harris and his wife Sue, were up at the Bay supporting our sailors. I would like to give a special Thank You to the amazing volunteer efforts put into the regatta by our very own Matt and Tracy Davis and Steve Harris. They served on the race committee and boat launching and did a fabulous job representing BLYC. Thank you very much from all of us to Matt, Tracy and Steve!

I would also like to give a BLYC Shout-Out to the parents of the Junior Sailors. The parents of Austin Miller, Halle Harklau, David Kellogg, Colin Gutridge and Bryce Cartwright have been absolutely amazing this summer. Everyone has participated to the fullest, supported their children and the program and I would like to give them a huge Thank YOU! When you see the parents, please give them an extra pat on the back for a job well done!

John Bennett, our instructor and coach this summer, did a great job keeping the camps running smoothly. Kids were safe, they had fun and they learned a lot about sailing. He lived with us at our cottage at the lake and was always a gentleman. He

will be joining the Marines as an officer, this fall and we wish him well as he pursues his dreams.

Austin Miller will now have "aged out" of the Junior Sailing. He is a senior at Granville High School and has always been a leader amongst the Team and we all wish him well and look forward to following his sailing progress as an Adult Sailor!

Looking ahead, we will have the return of Halle Harklau, Bryce Cartwright, Colin Gutridge, David Kellogg and Michael Davis next summer representing BLYC. Hopefully, even more kids will get involved in the race team! They really have a lot of fun!

Lastly, the Annual Spaghetti Dinner for the Junior Sailing Program was at BLYC on Sunday, September 5th from 6-8:30 pm and it was an especially nice evening. Thank you to everyone who attended. Unfortunately, it did not make the calendar or my article, but we still had a nice turn out and made about \$800, off from our usual two thousand.

Okay, Scott, THAT was the last time.

Thank you all so much for your support at the elections

Governor  
Gayle Fisher-Mulvey

on Sunday, September 19th. I am honored and proud to take on the responsibility of Rear Commodore and look forward to working with everyone! In fact, my first call of duty as "house and grounds" will be fall workday. I am still only on Day 2 of my new assignment at the Club and hopefully the workday will be on the Club calendar. Thank you in advance for attending fall clean-up/workday; it is always a great way to spend time with your friends at BLYC and to put some valuable elbow grease into the Club. It is a fun, party atmosphere and a great day to give to the Club! See you there!

## RESERVATION POLICY

For purposes of clarification, and to avoid misunderstanding, the club's reservation policy is outlined below:

### OPEN DINING:

Reservations are encouraged but not required. Advance reservations help management to assure that staffing is at an appropriate level to provide the best possible service. If the dining room is busy, those with reservations will receive seating preference over those without. Members are always welcome, reservations or not.

### SPECIAL EVENTS:

Reservations are a must. Our chef prepares a special menu and prepares quantities according to anticipated attendance. You may attend without a reservation, and our staff will attempt to accommodate you, seating and food quantity permitting.

You may not reserve a table if you are not coming for the meal. If you plan to attend for the entertainment only, do not make a reservation. Doing so causes increased waste and expense for the club, and will result in the price of the meal being charged to your account.

We have no cover charge, entertainment costs are included in your dues, and members are always welcome. However, entertainment only seating is on an as available basis.

## Auxiliary

The September Auxiliary meeting was our Annual Meeting. The following new officers were elected:

President: Marcia Henderson  
 Vice President: Nancy Ball  
 Treasurer: Karen Baltzell  
 Secretary: Gail Beck

Outgoing President Carole Donnelly thanked everyone that worked on our fundraiser, the Rick Brunetto Big Band event. It turned out to be a very successful fundraiser. Also, a big thank you went to Sally Day for selling our raffle tickets all year long and to Pat and Robert Landman

for always being able to help us whenever needed.

President Marcia Henderson announced the chairman of our various committees. She also announced that Andrea Foster has agreed to be chair of our Showcase next year. The Sunshine Committee was also discussed and it was decided to increase our dues next year from \$20 to \$25. The

**Marsha  
Henderson,  
President**

\$5 increase will be designated to the Sunshine Committee which sends cards and/or flowers to Club members that are ill or have had a death in their family.

Next time you are at the Club, don't forget to sign-up for our basket of booze raffle and our parking spot raffle. Tickets for our free membership dues raffle will be in the mail very soon.

Our next meeting will be on Thursday, October 14th, at the Club. Be sure to call with your reservations at 740-929-9941. We look forward to seeing everyone and hope you will bring a guest that might be interested in joining our Auxiliary.

## BLYC To Host 2011 Interlake National Championships

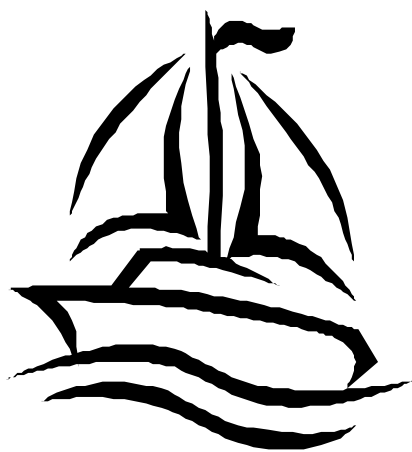

We are pleased to announce that the Interlake Sailing Class Association has accepted the bid of Fleet 40 and the Buckeye Lake Yacht Club to host the 2011 National Championship.

The regatta will take place Wednesday, July 27th through Saturday, July 30, 2011. The Ladies & Juniors Championships will be raced on Wednesday, with the National Championships being raced Thursday, Friday, and Saturday in two classes; Championship & Challengers. This regatta will attract many of the top sailors in the Midwest and is a great opportunity for us to show off our lake and all that BLYC has to offer!

Planning has begun for this event, but it will take a TEAM effort from BLYC to make this the best regatta that it can be. So, what can you do to help?

**WE NEED VOLUNTEERS!** Putting on an event of this caliber involves many different roles, both out in front and behind the scenes. Volunteers are needed for hoisting/launching, on-shore activities, food service, housing, camping, security, sponsorship, etc. Perhaps you are willing to host some of our visiting sailors in your home for the event. If you are willing and able to help, we'd love to have you. This is a whole-Club effort and, together, we can show our visitors just how great BLYC is!

If you're interested in helping, please contact Regatta Chair Steve Harris at (740) 304-8950 or [sgharris2@gmail.com](mailto:sgharris2@gmail.com)
