### Entertainment

The leaves are changing, the Bucks are driving and fall is in full swing. That makes for a great lead in. Drive on over to BLYC and get in the swing. To get you started we have the exciting classic rock and blues sounds of "Corder and Cass" on November 6.

There is no OSU game that day so its a natural for a party. You asked for Cass' return. He played a superb blues show at the pool last summer. He teams up with the

Governor  
John Sproat

Unfortunately, many of our members are busy moving their boats to the storage area. It marks the end of another summer season. But then there is football.

We had an update on the seawall project at our last meeting. The drawings have been completed by the engineer's office and provided to ODNR for final approval. Once ODNR provides the final approval, the documents will return to the engineers. At that point, the contractors will be sent the information in order for them to submit bids to us for the project. The bid process is expected to take about three weeks.

Once we receive the bids, we will have a handle on how to proceed with the financing stage. The committee has made contact with financial institutions to initiate the process but everyone is awaiting the "number". More to follow as it becomes available.

Give mom a break on Thanksgiving and have your special meal at BLYC.

exciting vocals of Shawna Corder. If you are looking for some great 80's and blues this act has it covered.

Be sure to come out to the Club November 26 and enjoy the "Paul Clark Band" and cheer on the Buckeyes to beat "the team from up north". While I am at it please remember to watch all the regular and post season OSU Buckeyes games on our big screen tvs, complete with our fine tail-gate menu.

Please mark your calenders for the Adult Christmas Party with "Eddie Polina" Dec. 11, the Childrens' Christmas Party Dec. 12, Christmas Carols with "Dave Bott" Dec. 17 and New Year's Eve with the "Majestics featuring Jimmy Harris" Dec 31.

November, 2010 - Vol. 19, Issue 11

Marcia and I had family members attend the BLYC dinner last year and it was enjoyed by all. And we had no dishes or utensils to wash after eating. You can go directly to the TV for football games.

Several events are scheduled for your pleasure during the upcoming holiday season. Attend all you can and bring a friend and potential member. We are always interested in sharing our "jewel at the lake."

Our goal is for each member to enjoy their experiences at BLYC to the maximum. If there is something we can do to improve your experience, please let a Board member know your ideas.

Take care

### Bar & Kitchen

Just a short article this month. I have had meetings with both Matt and Andrea. As good as things have been we are working to make them better. We will be open Thanksgiving with limited menu, staff and

hours are Noon to 3 p.m. Please call for a reservation so we can staff accordingly.

The Sunday Champagne brunch will be expanded with a special menu to every Sunday. Please let us have any suggestions for it is your club. The staff and board are here to serve you.

Vice Commodore  
Bob Zeiher

## Docks & Rentals

Greetings!

Due to a number of pending requests, I am currently reviewing the files in an effort to accommodate our members, as well as update waiting lists for docks and storage. These will be posted in November.

Therefore, please expedite your winter storage requests as well as spring dock requests.

As the boating season ends, we have several openings in the Eastport Storage Yard. We are also contemplating the sale or removal of several boats that have been given to the club but are no longer used, to make more room for storage of member boats. In November, we will begin tagging boats or trailers that are not in a contracted location.

Governor  
Rick Myers

## House & Grounds

It is a beautiful fall day, as I write this article; the leaves are brilliant, the wind is crisp and the sky is bright blue. It also reminds me of all the projects that need to be done, both at my home and the Club. At publication, work day has not happened yet, so I give a hearty thank you to all who cam and gave of their time and hard work to ready the Club for winter.

Rear Commodore  
Gayle Fisher-  
Mulvey

I would also like to thank Bob Zeiher for handing over the "house and grounds" in such great shape! In an older building, like our Club, there are always projects to be done, and Bob has done a fabulous job staying on top it all. Bob has set the bar very high for me and I look forward to the challenge!

I have met with Bruce and Chuckie to assess what needs they see as high and

We have been researching alternative means and methods to control the bird problem at the Eastport docks. ODNR appears to have several methods we are looking into. Should you have any suggestions, please bring them to my attention. We are also looking into the removal of our pet ground hog and excavator in the storage yard, Fluffy.

Finally, a heartfelt thanks to all who participated and supported this years George Fisher Snowball Regatta. Once again Susan and John Watkins took on this major effort and made it look effortless. Those of us who worked on it know otherwise. Here's hoping they will take it on again next year. A very special thanks is also due to Stone Parker who officiated both days of racing. Those of us who worked with him learned a great deal and are most grateful.

This is a wonderful Club and a very special place. Please come over the winter and support it.

## Membership

I have returned, to the Board of Governors!! Thanks to all who came out for the election and the annual meeting. Thank you to all of the people and members that helped me with the election and a special thanks to my wife Dianne for all of her help and support.

Let's welcome some new members to the Club:

- Jamie Smith and his wife Kathy
- Jerry Wolfe and wife Nancy
- Lee Dougherty and wife Mary
- John Ruggerio and wife Ames

Welcome to all of you and hope to see you at the Club very soon.

Governor  
Tim Ryan

low priority in the coming months and we are developing a few plans for "off-season" projects. Among them; replacing the globes in the fans in the fireplace room, updating the track lighting, tackling the steps by the delivery ramp and the list goes on. Hopefully, we will tackle these as well as the many other day-to-day needs the house and grounds present. I would also like to ask the membership to please feel free to contact me if you see areas of concern that we may be missing.

Thank you again, for all of your hard work on workday. Lots of hands make for easy work and really goes to show how wonderful and supportive the members are at our Club!!

I would like to start my first official Log article by saying thank you for your support during elections. I consider it an honor to be serving you as a Governor of our club. I'm quickly getting up to speed on my responsibilities and have a new appreciation for the time and effort put in last year by Governor Scott Evans and Dave Stewart. Please feel free to contact me via cell phone 740-404-6243 or email [jlyons1@columbus.rr.com](mailto:jlyons1@columbus.rr.com) with any questions or requests.

Governor  
Jeff Lyons

## Thank You!

A special note of thanks to Judy and Bob Vela, who purchased 130 white chair covers from a wedding reception held in October and donated them to the Club for future use.

If you know of a Club member who has gone the extra mile for the benefit of BLYC, drop us a note so we can share our appreciation. Email [jlyons1@columbus.rr.com](mailto:jlyons1@columbus.rr.com)

## Race & Regatta

We completed our race season on October 9 & 10 with the Commodore George Fisher Snowball Regatta.

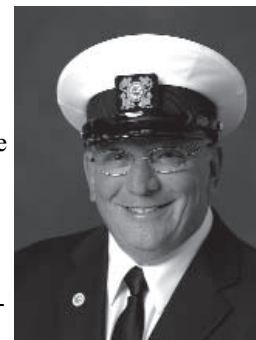

What a weekend it was! The weather was simply wonderful. Everyone had an awesome time.

A big thanks to John and Susan Watson and your committee for putting it all together. It could not have been better organized! I look forward to working with you both next year.

Thank you PRO Stone Parker for your expertise at the "race shack" Saturday and Sunday. You kept Governor Rick Myers and me very busy but more importantly, you kept all the races moving without any issues!

Thanks to the U.S. Coast Guard Auxiliary for being on-site both days. Their help in keeping the race area clear was invaluable.

Finally, thanks to all the volunteers and spectators for making our regatta a great success!

Governor  
Tom Baltzell

Bendig - Third

Again, I would like to recognize our own BLYC PHRF fleet who participated:

Bill Reynolds & crew  
Bob Snow & crew  
Check Bendig & crew  
Don Harris & crew  
West Cartwright & crew  
Robert Zeiher

Congratulations to Bill Reynolds for receiving the Commodore George Fisher Sportsmanship Award. It could not have gone to a more deserving "SAILOR". Well done Bill!

During the next few months, I shall work on increasing our PHRF Fleet participation. If you or anyone you know would like to race, crew or just be involved, contact me at 740.739.2706 or e-mail

[HDBikeguy@insight.rr.com](mailto:HDBikeguy@insight.rr.com)

My goal would be to increase our racing fleet by averaging 10 per race.

In the next log, I hope to have the dates set for next year's race schedule.

### Reminder:

**2011 INTERLAKE NATIONALS,  
JULY 27-30 at the BLYC**

Putting on an event of this caliber involves many different roles, both out in front and behind the scenes. Volunteers are needed for hoisting/launching, on-shore activities, food service, housing, camping, security, sponsorship, etc. Perhaps you are willing to host some of our visiting sailors in your home for the event. If you are willing and able to help, we'd love to have you. This will be a whole-Club effort and, together, we can show our visitors how great our Club is.

For additional information, please go to the BLYC web page or contact Regatta Chair P/C Steve Harris.

Well that's it for now, see you at our club!

### PHRF Results:

Congratulations to Bob Snow - First Place, Bill Reynolds - Second, Chuck

## Junior Sailing

First, I want to thank everyone who took time to come out and vote on Election Day. I truly appreciate your time and support! Additionally, I want to give a pre-emptive thank you to the junior sailors, parents, and friends who came out on workday to help with the cleaning of the junior docks, boat-yard, boats, and supplies.

I'm very excited about leading our junior sailing team this year! BLYC has supported our Junior Sailing Team for many years. I hope (through demonstration by myself and our fellow junior sailors) to earn your respect and continued support in the coming year.

Many of you may not be aware that our Junior Sailing Team is self-supported. Therefore, fund raising is vital. I am honored to announce Boat Boys has offers to support our team this year. If you use them this Fall for winter storage services, a percentage will be donated to our Junior Sailing Team. Please call them for any services you may need, and remember to let them know you are a BLYC member to ensure donations go to our team.

Most importantly, I look forward to seeing our Junior Sailing Team prosper. If you have a child interested in sailing, please contact me. There will be a Junior Sailing meeting in November. Any children interested in joining our team should plan to attend.

Keep Sailing!

Governor  
Wes Cartwright

## It's the Holiday Season!

Well, maybe not yet, but mark your calendar now for these BIG holiday events at BLYC!

Adult Christmas Party with Eddie Polina - Dec. 11

Children's Christmas Party - Dec. 12

Christmas Carols with Dave Bott - Dec. 17

New Year's Eve with The Majestics featuring Jimmy Harris - Dec 31

## Auxiliary

The October meeting of the Auxiliary was held at the Club with pumpkins all around us. Cheryle Van Dyne was our hostess for the evening and she did an outstanding job decorating.

After dinner, Andrea Foster and Keith Dotson talked with us about our Showcase and the possibility of putting items for sale online. We would also have items for sale at the Club. A committee was formed to do some research on this and they plan to report back to us at our November meeting.

Sally Day has been selling raffle tickets for the reserved parking place. If you haven't bought your tickets yet, there is still time. The drawing will be held on November 27 at the Beat Michigan Party. The membership raffle tickets will be in the mail soon and we will hold that drawing at the New Year's Eve Party. Our wine basket raffle will be held at the

Adult Christmas Party. Be sure to purchase your raffle tickets and support the Auxiliary. A big thank you goes to Woody for his generous donation to the Auxiliary.

During our meeting, it was decided to purchase six new chairs for the Commodore's Lounge. They will be delivered in the next few weeks so be sure to stop by the Commodore's Lounge and check them out.

Donna Parker thanked all of her volunteers that helped make the grounds around the Club beautiful this year. If you are interested in helping out next year, please call Donna at 740-246-4239. We can always use your help.

Our next meeting will be held on Thursday, November 11, at the Club. It will be our wine tasting and turkey dinner which is always a lot of fun. Make your reservations by calling the Club at 740-

### NEXT MEETING

**LOCATION:** BLYC

Join us for a wine tasting and turkey dinner. Make your reservations by calling the Club at 740-929-9941.

## BLYC To Host 2011 Interlake National Championships

We are pleased to announce that the Interlake Sailing Class Association has accepted the bid of Fleet 40 and the Buckeye Lake Yacht Club to host the 2011 National Championship. The regatta will take place Wednesday, July 27th through Saturday, July 30, 2011. The Ladies & Juniors Championships will be raced on Wednesday, with the National Championships being raced Thursday, Friday, and Saturday in two classes; Championship & Challengers. This regatta will attract many of the top sailors in the Midwest and is a great opportunity for us to show off our lake and all that BLYC has to offer!

Planning has begun for this event, but it will take a TEAM effort from BLYC to make this the best regatta that it can be. So, what can you do to help?

**WE NEED VOLUNTEERS!** Putting on an event of this caliber involves many different roles, both out in front and behind the scenes. Volunteers are needed for hoisting/launching, on-shore activities, food service, housing, camping, security, sponsorship, etc. Perhaps you are willing to host some of our visiting sailors in your home for the event. If you are willing and able to help, we'd love to have you. This is a whole-Club effort and, together, we can show our visitors just how great BLYC is!

If you're interested in helping, please contact Regatta Chair Steve Harris at (740) 304-8950 or [sgarris2@gmail.com](mailto:sgarris2@gmail.com)

### RESERVATION POLICY

Please note our club's reservation policy:

#### OPEN DINING:

Reservations are encouraged but not required. Advance reservations help management to assure that staffing is at an appropriate level to provide the best possible service. If the dining room is busy, those with reservations will receive seating preference over those without. Members are always welcome, reservations or not.

#### SPECIAL EVENTS:

Reservations are a must. Our chef prepares a special menu and prepares

quantities according to anticipated attendance. You may attend without a reservation, and our staff will attempt to accommodate you, seating and food quantity permitting.

You may not reserve a table if you are not coming for the meal. If you plan to attend for the entertainment only, do not make a reservation. Doing so causes increased waste and expense for the club, and will result in the price of the meal being charged to your account.

We have no cover charge, entertainment costs are included in your dues, and members are always welcome. However, entertainment only seating is on an as available basis.
