

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

March, 2011 - Vol. 20, Issue 2

**Commodore
Rick Henderson**

As the 105th summer season approaches at the Buckeye Lake Yacht Club, one can reflect on the previous 104 years. The primary purpose of the club, at the time, was to provide support for the sport of boating and a central location for the

members and guests to enjoy the friendship of others. In 1906, they did not have the luxury of having fast, individual transportation to travel and they wanted to establish a meeting place they could meet and enjoy the company of their neighbors and fellow boaters.

The first meeting was held in April 1906 and by November 1907 they had a club house built. Granted, it was not close to what we have today but to have achieved that point so soon had to be considered a great accomplishment. Today we have a great club house, docks, boat storage area and rental property. I believe it shows we have maintained the desire to move forward all these years.

Why did you join the yacht club? I know why I joined this club and I imagine many members had the same or similar reason. I joined because Marcia and I loved Buckeye Lake, we wanted to learn about boating and we wanted to meet people we could call friends. These past few years have been very enjoyable. We have met many new friends and became involved with the club operations.

The Board members and staff pursue the elusive perfection. We understand it

is a goal and virtually unattainable.

Anyone having a suggestion or idea to improve club activities is welcome to provide the information to any Board member for consideration. We want to provide a pleasant club where members can enjoy a good meal, entertainment, visit with their friends, and enjoy the diversity of our members. I hope we can all work together to achieve that goal.

As with anything on earth, we have gone through some tough times in the past 100 plus years. I know that our membership can rise above any hardship and enjoy our club and all our friends. I hope we all remember why we became involved in the club and continue to move the membership and club toward a positive future.

As always, feel free to contact me with any comments or concerns.

Take care, and always appreciate what our founding members built for us over a century ago.

Bar & Kitchen

Cold - Cold -
COLD!!!

That has been the story of this winter. Attendance has been poor and sales are down but I'm sure with the coming of Spring things will pick up. Thank you to all who braved the

**Vice Commodore
Bob Zeiher**

frigid temperatures to come to the club, especially the Gun Club and the shooters on Sundays.

Now it is March and the lake is thawing and the cold will turn to warm. Before you know it there will be boats on the lake and in the docks. The view from the club will turn green instead of brown and the snowbirds will return from Florida.

All of us on the Board are working to make BLYC a fun place to be. There are lots of great parties planned for March start-

ing with the Mardi Gras party with a great band. Come out and listen to them. Check out the menu because Matt has put together some great food for it. On March 11 John Riechel will be here with a trio that plays some fabulous music. Great for dancing and listening. Sue and I heard them at an event and they are very good.

As always, concerns and suggestions are welcome. Just let the Governor in charge know.

Entertainment

We have a great lineup of entertainment coming up this spring. So be sure to come to the Club and enjoy it!

We kick things off with a bang. March 5 we have Mardi Gras featuring the fabulous Arnette Howard and His Creole Funk Band. Is that perfect or what !?! Chef Matt set things up with Arnette for a great booking. Thank you Matt !! Come in your best New Orleans costume and Let the Good Times Roll !

Friday March 11 we are entertained by JR and Company, a very exciting trio playing a huge variety of fun music. March 19 is our annual "St Patricks Party" featuring the very popular Kay Carter Band. The Nums take center stage on March 26 for a fundraiser for the Junior Sailors to raise money for a new

**Governor
John Sproat**

shelter to protect their boats. Be sure to come out for this great event.

On April 1 we put the spotlight on The Invisibles featuring Lou Cass. Lou has played at the Club before garnering rave reviews. April 9 features a new party called "Havanna Nights" . We are bringing in a new band for the event, Soul Annex. Come out and enjoy! Hasta la vista baby !!

The ever popular Dawson/ Cooper Band entertains on Friday April 15. Miles Watters super singer and guitarist entertains Friday April 22. He does great Jimmy Buffett music and more.

We end the month on April 30 with "Watkins Island Seafood" night featuring The Kelly Crum / Joe Dunlap Band. This is a great trio playing all your favorites with super seafood to boot! I hope you are as excited about this entertainment schedule as we are !!

Please continue to check our Club Website for up to the minute information on all Club Events. Also please remember to make reservations and bring guests to all our events.

Membership

Hope all is well with everyone here as well as Florida. We are looking for some new Members so please give your friends a call and bring them to the Club for a visit and a great meal. Let me know ahead of time and I will be sure and meet you at the Club.

Speaking of bringing your friends we are planning a new member rush party for April 9th. Come 1 hour early with a prospective member and treat them to some appetizers and a cold beer. Then stay for the party and entertainment.

As you all are aware this is the time of year to renew your membership in the Club and I hope that you all do. BLYC is a great place to dine, entertain and have fun. Nowhere else is there the view, the venue, the tradition, quality entertainment and spectacular food as we have here at BLYC for the value. Please call me if there are questions about your dues or your membership that I can help with.

Tim Ryan**

Publications

Can you feel it? Spring is just around the corner. The club is ramping up for another fun filled year of boating, swimming, entertainment and family fun. The Board and staff have been working diligently to make 2011 the best year ever so, please come out and enjoy your club.

The Jan/Feb log was printed by our new printing company Alphagraphics. My hope is that you didn't notice any difference, but continued to enjoy another fine publication. My pledge to the membership when running for the Board was to be fiscally responsible and always consider the best interests of our club. With this in mind, I was able to partner with a new printing company that has resulted in significant savings and, as a bonus, was able to do so

**Governor
Jeff Lyons**

with the son of a long-term member. If you have any printing needs I would encourage you to call Chad Headlee at AlphaGraphics. Chad has made this transition process seamless and has been wonderful to work with. I would also like to thank long time member Dave Stewart for his hard work each month putting together The Log's publication layout. I've included in my article a short bio on Chad and AlphaGraphics.

As always I'm looking for ideas and input from you as to how to better meet your needs. Feel free to contact me personally at jlyons1@columbus.rr.com.

Chad Headlee/AlphaGraphics:

So let's see – information about me and AlphaGraphics... I've been around the BLYC basically since birth. Both sets of my grandparents, Murray Headlee and Lloyd Ballenger, joined the club in the early '50s. Both of my grandfathers served on the board and Murray was commodore in 1970. My parents met at the club and started sailing together when they were teenagers. My father, Marty Headlee, has

served on the board in the '60s and the '80s and has been a member for over 50 years. I started sailing with my parents when I was 6 years old and started attending junior sailing camp when I was 7. I raced in the BLYC junior program for a number of years until we moved to Atlanta where I continued sailing at Lake Lanier. I taught junior sailing at BLYC from 1992–1994 and also coached the Put-in-Bay teams during those years.

I started AlphaGraphics in 2001. AlphaGraphics is a franchise with about 260 locations worldwide. We offer printing, copying, graphic design, signs & banners, full mailing services, CD/DVD duplicating and printing, promotional products, marketing services and more. More info is available at www.AlphaGraphicsColumbus.com. AlphaGraphics is the title sponsor for the US Olympic Sailing Team –“US Sailing Team AlphaGraphics” (USSTAG). More information about the sponsorship is available at <http://sailingteams.ussailing.org/>.

House & Grounds

Hello all!

When this issue of the Log comes out, the couple of windows in the dining room that have lost their seal will have been replaced... providing us all, again, with our glorious view of the lake from the dining room.

An early heads up about Spring Workday, it will be April 17th, beginning at 9 am. Easter is "late" this year, which makes the 17th Palm Sunday, so if you are not able to come out to the Club until

**Rear Commodore
Gayle Fisher-
Mulvey**

noon, we will still be working! Spring Workday is the time we all get together to ready the Club for the upcoming warm season. While we do get a lot done, it is also a fun time with fellow members. Please try to attend.

**Spring Workday
at the Club
April 17th
9 a.m. - 3 p.m.
Pizza and beer provided for
our hearty workers!**

Hope everyone is enjoying the Club and this weather!

Junior Sailing

Spring will be here soon and our sailors will be hitting the water. We are preparing for their first fundraiser of the year, March 26th. All youth interested in participating need to contact me as soon as possible.

Members and friends, please show your support by joining us for a night of good food and entertainment. Dinner will begin at 5:00pm (\$12.00 per person) and the classic rock band will start at 7:00pm.

Lastly, we have secured two Junior Sailing Coaches; Libby Dust, from Grosse Isle Yacht Club, and Austin Miller, from Buckeye Lake Yacht Club. Please join me in welcoming our Junior Sailing Coaches.

Auxiliary Notes

We are happy to announce that Gail & Thomas Lee won the Auxiliary membership raffle. We raised over \$1,300 with the raffle. Thanks to all who participated!

Soups Done Right

If you have enjoyed the soups at BLYC, you are in luck. Joshua Daniels, our sous chef, is making soup at home for purchase. If you are interested, you can contact him at (740) 281-8672.

Docks & Rentals

Docks and rentals are off to a strong start this year. Our garage spaces and rental properties are all leased. There are two open slips remaining at Eastport, with waiting lists at all other dock areas.

We also have open space at the Eastport storage yard. If you desire a slip or storage space, please fill out a request form at the Club's business office as soon as possible.

Repairs to docks will commence after the rise in the lake level allows barge work. We are also looking for a few volunteers to assist in making some minor repairs to keep costs down. As discussed at the last Board Meeting, we have a plan to make an early effort at Eastport with regard to mitigating our waterfowl problem.

Let's all hope for an early thaw!

working on Race Committee and their very crucial role in our sport. It is geared towards those with some experience and those new to race management alike. Not only is it a great introduction or refresher to race committee work, but you'll likely find benefit to your own racing knowledge as well. For those interested in US SAILING certification, this seminar fulfills the training requirement for that certification. Participants are encouraged, but not required, to take the certification test at the conclusion of the seminar.

While details are still being finalized, the cost will be around \$50 per person and will include continental breakfast, lunch, and seminar materials. The course will begin with registration at 8:00 am and conclude at 5:30 pm. This course will be taught by Steve Harris, a US SAILING Regional Race Officer and member of the Race Officer Training & Certification Committee. He will be assisted by other US SAILING race officers from our area. For more information on the training & certification program or this seminar specifically, please contact Steve at sgharris2@gmail.com. Registration will be online through US SAILING and will be available soon. Visit the Club's website at www.buckeyelakeyc.com for the latest information on the seminar and registration.

Sailors: Question of the Month What's a Keelboat?

Keelboats - "Basic Keelboats to Large Cruising Yachts"

The term 'Keelboat' refers to those sailboats which have a weighted keel (the vertical fin at the bottom of the boat). So, "basic" keelboats are most commonly larger than the centerboard and dinghy class of vessel and start at about 20' in length and go up to about 30' in length.

Beyond the "basic" keelboat, the term keelboat continues to describe sailing vessels and yachts through much larger sizes. A common way of describing the next class of keelboats from about 30' - 60' is "Cruising" keelboats. All cruising keelboats have auxiliary engines, with most over 30' in length employing an inboard diesel engine. Most over 30' usually have a wheel steering system. Also, these cruising vessels are usually set up for the possibility of multiple day trips aboard and include many of the modern conveniences found in a home: pressurized hot and cold water, cooking facilities - oven and

stove, sleeping quarters, and private bathrooms. (term taken from US Sailing Site)

Reminders:

**2011 INTERLAKE NATIONALS,
JULY 27-30 at the Buckeye Lake Yacht Club.**

Putting on an event of this caliber involves many different roles, both out in front and behind the scenes. Volunteers are needed for hoisting/launching, on-shore activities, food service, housing, camping, security, sponsorship, etc. Perhaps you are willing to host some of our visiting sailors in your home for the event. If you are willing and able to help, we'd love to have you. This will be a whole-Club effort and, together, we can show our visitors how great our Club is.

For additional information, please go to the BLYC web site or contact Regatta Chair P/C Steve Harris.

2011 BLYC Classic Boat Regatta August 19-21, 2011

The Buckeye Lake Yacht Club invites you and your family to join us at the 32nd Annual Classic Boat Regatta. All boats are welcome: power or sail; runabout, utility, cruiser, or racer; wood or fiberglass; classic or contemporary. Boats will be displayed at our protected Club docks or on trailers in our reserved parking area.

This year's regatta will be a true celebration of the boating experience!

The first 45 registrants will receive a beautiful mahogany Participant's Award compliments of Matt Zimmerman of Zimmerman Boat Works.

Special awards will include; The Bud Sayre Memorial Award; People's Choice; Captain's Choice; Commodore's Choice; and, Cherie's Contemporary Race Boat Choice.

Our outdoor grills, restaurant, and bars are all available for your enjoyment throughout the entire regatta.

For More Information, Contact 2011 Boat Show Chairman Governor John Sproat (P/C) or call the Club at (740) 929-9941

Continue to check our BLYC web site under Race & Regatta, for information or contact me at 740.739.2706 / e-mail HDBikeguy@insight.rr.com if you have any questions.

Well that's it for now, see you at our club! (Isn't it just the best place)

Race & Regatta 2011 Schedule

From The Manager

Greetings to all:
I hope this finds everyone as excited for spring to arrive as I am. I would like to introduce another member of Team BLYC, Kara Mulvey. Kara started working at the club in the summer of 2009. She has become one of our finest servers and is very excited about working behind the bar this summer. Kara is from Granville, Ohio and is currently attending Otterbein in Westerville, Ohio. She will be graduating this year with her Bachelor's in nursing with an RN. She spends what little free time she has at the Fisher-Mulvey cottage located on North Bank right across from the Club. She also enjoys spending time with her significant other, Cody and his 7-year-old German Sheppard, Andy. Feel free to introduce yourself if you have not already met her.

**General Manager
Andrea Foster**

I would like to clarify a few things for the members.

1. We will be asking for member numbers both in the dining room and at the bar. If you could have that number available, it would help assist the server/bar-tender in finding your account.
2. When there is a special member event, there are three dinner options that could occur. Cocktails begin at 5:30 (or whenever you arrive) Please be specific as to the time you would like to eat.
 - a. Buffet: which will read in the Log and on the web:
Buffet served from 5:30-8:30pm
 - b. Special Menu: which will read in the Log and on the web:

The True Spirit Of The Season

The Good Neighbor Committee hosted the DWIGHT JOSEPH CHILDREN'S CHRISTMAS PARTY on December 18. The party was a total success. All of the children were well behaved and very appreciative. We provided Christmas gifts, clothing, pizza, homemade cookies, table favors, entertainment and a visit from Santa himself. In addition to the gifts each family received a frozen turkey for their Christmas dinner.

We asked the Buckeye Lake LEADS agency to provide us with the names of needy children in the area. They provided us with "wish lists" and the sizes for clothing for each child.

I am pleased to announce that we raised more money this year than any year in the past. Our members were so generous that we were able to spend \$65 per child instead of our usual \$50. In past years we have sponsored 30-40 children. This year because of your generosity we hosted 58 children. The committee was overwhelmed with the contributions from the membership.

I am sure we all remember what it was like on Christmas when we were kids. The looks on the faces of these children when they received everything on their list was priceless. All of the adults had to wipe their eyes a time or two. Even Santa Claus (John Watson) got choked up.

This year's party was named the "Dwight Joseph Children's Christmas Party in memory of our long time member Dwight (Joe) Joseph. Dwight's widow Babette volunteered to help and attended the event. The Good Neighbor Committee puts this party on every year without spending any Club money. We do not have a budget. All expenses are paid with donations from

the Yacht Club membership.

Kevin Gorham (Pizza Cottage) donated the pizzas. Dave and Ann Levacy (Buckeye Lake Marina) donated Ann's famous homemade cookies. Sheridan Simmons (Boat Boys) helped the committee shop and volunteered her time at the party. An anonymous donor provided a baked ham for the party. Our own Team BLYC donated their time to help us wrap presents and assisted us the day of the party. Thanks to all of our corporate sponsors.

John Watson did a great job as Santa. Commodore Greg Miller and his family shopped and wrapped. Patty Harklau also shopped and wrapped. Governor Tim Ryan and his wife Diane shopped, wrapped, and helped on the day of the event. Shawna Corder donated her time to sing Christmas carols. Scott McClintock brought along his daughter and two neighbor children. They were a tremendous help on the day of the party. Thanks to all of you.

In closing I'd like to extend a special thank you to my wife Joni Campbell. She does all of the heavy lifting for this event. She called LEADS a dozen times, stood in line over and over in order to get the turkeys on sale, and dragged me along through all of the aisles of toys and clothing. Without her help this annual event would not happen.
