

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

April, 2011 - Vol. 20, Issue 3

**Commodore
Rick Henderson**

I welcome everyone to another BLYC summer season – well, at least we're close.

We welcome those returning from warmer states back to the club. We look forward to seeing you participating in our events.

All are looking forward to getting the boats and sails out and start enjoying the water activities. Our winter events have been spectacular. Large numbers of members enjoyed the Valentine and Mardi Gras events. The food and entertainment were great.

We have a proposed By-Law Amendment incorporated in this issue of the Log associated with the transfer of membership. Please take the time to read the summary of the proposal and if you have a concern or comment, contact any Board of Governors member. The entire proposed amendment is also posted at the club for review. The Board will vote on

accepting the amendment at the April meeting.

Don't forget the approaching semi-annual meeting in May.

See you at the club.

Bar & Kitchen

Spring is here, boats are in the water and hopefully you have made it to some of the great parties. John has tried to give us some new entertainment and everyone has loved the new acts. Great job John.

**Vice Commodore
Bob Zeiher**

Our parties have either been sold out or close to it and there are lots more planned. This is your club, the success of parties and the bar and kitchen depend on you! We need members to participate and if you have any suggestions or feedback please let us know. Tell any Governor, myself, Matt and Andrea what you want to see in the way of food and entertainment.

I have been asked by the staff to mention that it has been a long standing rule that drinking on the job means immediate dismissal. If you are happy with the service at the bar feel free to tip the bartender appropriately but please do not offer to buy them a drink. They do not want to offend you by saying "no" but they don't want to risk losing their job by saying "yes". Thanks for your help.

Hope to see you soon!

Entertainment

We swing into Spring with more great entertainment. "The Invisibles featuring Lou Cass" return to BLYC by popular demand on Friday, April 1 for a super dance and show.

We have a new theme party, "Havanna Nights" scheduled for April 9. "Soul Annex will supply the dance music. Please bring a prospective member to our rush party in The Commodores' lounge. On April 16 we welcome back the very popular Dawson/Cooper Band. They are super musicians and a lot of fun too!

**Governor
John Sproat**

Miles Watters brings his solo guitar and vocals to the club on Friday, April 22. Get ready for some great Jimmy Buffett sounds. On April 30 we bring back our very special Watkins Island Seafood Night. The entertainment is absolutely first class. We have Kelly Crum and Joe Dunlap providing the dinner and dance music. They are the best !!

Please mark your calendars for our May entertainment. The Commodores' Ball is May 14 with dance music by The Jack Gorham Band. I am planning an added party for May 21. The entertainment will be announced in our website and in the May Log.

Patty Lach with her band "Inside Out" entertains on May 28. Also by special request we are bringing back "Arnett Howard and Friends" on June 18.

See you at the Club.

Junior Sailing

Hello everyone,
Spring is almost here, the water is coming up in the lake, and soon we will be back on the water! By the time you read this our March fundraiser will be over. My thanks to everyone who attended and those who helped make it possible!

It's time to look forward to camps and regatta's. Libby Dust, our Junior Sailing Coach, and her sister Katie would like to have an open house May 7th. We invite all junior sailors and parents to join us at the east port docks for hot dogs and pop around 1pm, weather permitting.

Anyone interested in signing up for sail camp should send your registration and payment (note sail camp on check memo) to the BLYC secretary. You may also contact me (740-403-0338) if you have any questions. See Page 4 for a form.

See you at the lake.

**Governor
Wes Cartwright**

House & Grounds

Hello all!
Spring is finally springing and with that comes our anticipation of even warmer months at the lake. To prepare our Club for the warm months, let's all come to the Club for Workday! It will be the day that we ready the Club for the busy season ahead. Sunday, April 17th, 9 am - 3 pm. I've extended the hours because that day is Palm Sunday, so please come out to the Club after church. We'll still be busy! Donuts and Pizza will be provided.

In the fall workday, we had a hearty

**Rear Commodore
Gayle Fisher-Mulvey**

group of workers and I sincerely appreciate all their help and hope we can count on them to come "wake up the Club" for spring! I am especially asking for woman-folk to come to workday... a woman's touch is always needed!

We are looking into the back cement steps that lead up to the kitchen. It is a pricey solution whatever we do, so please be patient while we try to figure out the logistics of covering the cost of either repair or replacement of those steps. Those steps were never really intended to be the "entrance" to the Club and in the meantime, until we can make them safer, I would like to ask if everyone could use the side or front entrance to the Club. Thank you all and as always, please contact me for any needs you see around the Club. See you April 17th!

Proposed By-Law Amendment

The Board is considering an amendment that enlarges the conditions under which a membership can be transferred to another person. Current Article I, Section 8(a) would be replaced. The new provisions are summarized as follows:

Upon the death of a member or anytime while a member is living, a membership may be transferred to the spouse or the designated domestic partner of the member upon specified conditions and procedures. A "designated domestic partner" is a person who *both* has continuously cohabited with the member for at least the two years before the death or request for transfer AND was previously designated by the member in writing as the member's regular companion, partner or closely similar status. The person to whom the membership would be transferred must meet the current membership requirements and the procedure is identical to that for becoming a new member except *not* required are (a) an initiation fee; (b) a recommendation, proposal or seconding; (c) a guest card for obtaining the privileges of the member while the request is pending; and (d) fees, unless the member is in arrears. A request for transfer is made by sub-

mitting a membership application.

If the request for transfer is approved by the Board, the transferee member shall continue to pay the financial obligations and shall succeed to all outstanding obligations and privileges of the transferor member except an office in BLYC. The Board shall maintain a record of persons designated as a designated domestic partner.

There is a grandfather provision for requests submitted within one year of adoption of the By-Law revision by the Board. In the Board's discretion, a person requesting transfer may be treated as a designated domestic partner if the Board is satisfied that they meet the above criteria but they were not designated because this By-Law did not exist or the member was unaware of it.

A nearly current version of the BLYC Constitution and By-Laws is available on the club web site at <http://buckeyelakeyc.com/media/pdf/const-bylaws.pdf>. If you would like to obtain the complete text of the proposed amendment, email Comm. Frank H. Foster III at ffosteriii@columbus.rr.com.

Membership

Please think about the Havana Nights Party on April 9. This will be a special night to bring any prospective New Members. We will have a pre party for perspective new members free appetizers, beer and wine. This one-hour event will begin at 5:30 and will be for prospective members and the member who invited them. This is a great opportunity to introduce Prospects to the Club. I look forward to meeting everyone and signing some new members.

Please say hello to a new returning member Tom Greiner and his wife Patty.

Don't forget to send in your dues and continue your membership with BLYC what a great facility and value.

**Governor
Tim Ryan**

US SAILING Race Management Seminar

BLYC is pleased to be hosting a US SAILING Race Management Seminar this spring on Saturday, April 23. This seminar is co-sponsored by US SAILING's Race Management Committee and the Buckeye Lake Yacht Club. The seminar is intended for those interested in learning more about working on Race Committee and their very crucial role in our sport. It is geared towards those with some experience and those new to race management alike. Not only is it a great introduction or refresher to race committee work, but you'll likely

find benefit to your own racing knowledge as well. For those interested in US SAILING certification, this seminar fulfills the training requirement for that certification. Participants are encouraged, but not required, to take the certification test at the conclusion of the seminar.

While details are still being finalized, the cost will be around \$50 per person and will include continental breakfast, lunch, and seminar materials. The course will begin with registration at 8:00 am and conclude at 5:30 pm. This course will be taught by Steve Harris, a US SAILING Regional Race Officer and member of the Race Officer Training & Certification Committee. He will be assisted by other US SAILING race officers from our area. For more information on the training & certification program or this seminar specifically, please contact Steve at sgharris2@gmail.com. Registration will be online through US SAILING and will be available soon. Visit the Club's website at www.buckeyelakeyc.com for the latest

information on the seminar and registration.

2011 INTERLAKE NATIONALS, JULY 27-30 at the Buckeye Lake Yacht Club.

Putting on an event of this caliber involves many different roles, both out in front and behind the scenes. Volunteers are needed for hoisting/launching, on-shore activities, food service, housing, camping, security, sponsorship, etc. Perhaps you are willing to host some of our visiting sailors in your home for the event. If you are willing and able to help, we'd love to have you. This will be a whole-Club effort and, together, we can show our visitors how great our Club is.

For additional information, please go to the BLYC web site or contact Regatta Chair P/C Steve Harris.

Continue to check our BLYC web site under Race & Regatta, for information regarding ... Race & Regatta!

See you at the Club.
