

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

May, 2011 - Vol. 20, Issue 4

**Commodore
Rick Henderson**

With the coming of spring, we have experienced a change of two Board of Governor members. I would like to thank Tom Baltzell and Rick Myers for their time and dedication volunteered to our

membership. Both were very involved with club activities. Thank you gentlemen, the membership appreciates your service to the Club.

When two members leave the Board, two members become part of the Board. I would like to welcome Mike McVey to the Board and wish him well in his responsibility of Sailing and Regatta. I know he is anxious to get started. We also welcome Chuck Wadley to the Board who will be in charge of the Docks and Rentals. Having worked for the Ohio Department of Natural Resources, Chuck has experience that will be very valuable for future club projects. Welcome to the Board.

The proposed By-Law change that has been posted on the bulletin board at the club and was printed in the April Log has been adopted by the Board of Governors. The Amendment deals with the transfer of membership under specific circumstances. If you missed seeing the proposed By-Law, stop by the club office and familiarize yourself with the changes. The By-Law Committee continues to review our By-Laws and welcomes any suggestions

the membership has towards proposed amendments. Commodore Frank Foster III is chairman of this committee.

We have an opportunity this summer to be involved in hosting a sailing event that can put a big star on BLYC's hat. Buckeye Lake Yacht Club will host the 2011 Interlake Sailing Class Association National Championship Series July 27th through July 30th. We will need several members involved in a variety of capacities. Commodore Steve Harris is our chairman for this event and anyone interested in helping should contact Steve. We will begin having regular committee meetings in preparation of this event soon. This is our opportunity for BLYC to show the rest of the fleet what we can do as a team.

As always, members with concerns or suggestions should contact me or any Board member.

Take care,

Bar & Kitchen

Summer! We are planning to have the pool and the pool bar opened on Memorial Day weekend. Don't forget that the semi-annual meeting is on May 1st. Please remember not to park on the asphalt lot the

**Vice Commodore
Bob Zeiher**

night of June 4th as our car show will be on the 5th and we will want the lot free for the competitors. Feel free to park in the grass lot that night. Our profits from special events such as the car show and the boat show help to defray expenses and keep your dues low. Thanks in advance for your co-operation.

I am also in charge of docks and rentals on a temporary basis. If you need a dock or space at Eastport please let me know. Storing your boat at the Eastport lot for \$200 a year is a great bargain.

Both Andrea and Matt are working hard to make your time spent at the club fun. The parties are wonderful and the crowds have been great. Feel free to continue your suggestions. We love hearing from the members.

See you at the Club!

REMINDER:

New member applications are available at the Club and on our website.

House & Grounds

A huge thank you to all the hearty souls (listed at right) who came to help with Spring work day!! We got SO much done around the Club, both inside and outside. We got as much done as we could with the strong winds on the outside and got a LOT done inside. Thank you so much to all those who came out to help and what a sense of accomplishment! Thank You, Thank You!!

We are still figuring out what to do with the back steps and I have about 40 opinions on the best route to go. Those steps take a heck of a licking from the snow and ice, and kegs

being drug up and food clanking as that is the delivery entrance. It is becoming clear that the best tactic may be to either do extensive repair OR replace them entirely. I ask for your patience as we figure out what we can best afford for the Club and in the meantime, remember, that back entrance is for deliveries

and employees, so please, for safeties' sake, use the front steps to enter or exit the Club.

Bruce and Chuck have done a great job expanding the outside bar. Please come out to enjoy the pool and all the offerings! These guys are busy ALL the time and do a fabulous job for us, when you see them, be sure to tell them how great everything looks!

This is YOUR Club, so if you ever feel that there are needs or problems being overlooked, please do not hesitate to bring them to my attention, or to Bruce or Chuck. We will get right on it. This is an old, wonderful, historical building with lots of ongoing needs. We want to be sure to proceed with projects in the most fiscally responsible way that will best serve the Club. The pool will be open mid-May!! Look forward to seeing you all at the Club!

From The Manager

Greetings from Team BLYC!!

Finally, the WARM season is approaching. Chuck and Bruce have expanded our pool bar to house all the new bar stools that the auxiliary purchased for the club. We are looking forward to

serving our wonderful members pool side very soon. We are going to try something new this summer: a "Sign In Book" for the members to sign upon arrival at the pool. This will assist in the staff to use the correct member number as well as to track the members as well as their guests. Please

Andrea Foster

remember to sign in at the bar as soon as you arrive at the pool, and always offer your member number to the staff upon ordering. We thank you in advance.

I have been introducing our staff to the members in the past few months. This month our featured Team BLYC member is, Caressa Ackley.

Caressa Ackley has been working at the club for about a year now; she can be found serving in the club or at the newly expanded pool bar.

Caressa is currently in school studying

nursing and physical therapy. On top of going to school, she also manages to take care of her family which includes her husband, Greg, and her three year old daughter, Sydelle. Caressa is expecting her second daughter, Quinn, in July, who must like cake and Reece's because Caressa has been spotted on many occasions eating them both. While juggling, family, school, and work, she is trying to sell her house, so the soon-to-be family of four can move into a bigger home. When she does have free time, Caressa loves watching Jersey Shore, and she reads celebrity gossip daily. She's also a Beatles fan and likes to go watch her husband's band, Krynol play. She can't wait for the summer weather to get here, so she can open up the pool bar!

Auxiliary

The Auxiliary celebrated spring with a Tea Party at the April meeting. We voted on the best hats and Sue Zeiher and Zenna Sayre won first and second prize. Nancy Ball talked to us about raising mason bees for her garden. Kay Morrison purchased new magnetic name tags for all the members to wear at our meetings. It was a beautiful night at the Club and a great way to start off our meetings for 2011.

Andrea Foster put together another basket of booze for our next raffle and tickets are available at the bar. The winners of our recent raffles were: Membership raffle was

won by Gail Lee. The parking space raffle was won by Bridgette Charles and the wine basket raffle was won by Pat Landman. A special thank you goes to Ruth Ann Kent for helping with the membership raffle and also to Joni Campbell for her work on the parking space raffle. Also, Karen Baltzell and Marcia Henderson did a fantastic job selling our raffle tickets at all the Club events.

The new tables and bar stools for the pool bar area are here and very nice. Cherie Van Dyne did a great job organizing this project.

Our May meeting will be held at the Club on May 12 (see menu on Page 8). The June

meeting will be the card party luncheon with entertainment by a ladies chorale group. For the progressive dinner in July, we will visit the Rueckel's and the Bair's homes and then head back to the Club for dessert. In August we will have a fundraiser on Saturday, August 13th, with entertainment by Dwight Lennox.

Donna Parker will be working on the plants and flowers outside the Club very soon and would like to have some volunteers to help her. If you would be able to help, please call Donna at 740-246-4239.

Gail Beck, Secretary

2011 Interlake Nationals

The Nationals **Steve Harris, Regatta Chairman** Regatta Committee has been meeting and plans are coming together for this year's National Championships to be hosted at BLYC. This will be an exciting event for both our sailors and the entire Club as we host approximately 50 skippers & their crews for 4 exciting days of sailboat racing on Buckeye Lake.

We are pleased to announce that John Strassman from Milwaukee will be our Principal Race Officer for this regatta. John is a US SAILING certified National Race Officer and has been a PRO for the Laser North American Championships and the Miami Olympic Class Regatta among others. We are very fortunate to have him for our event this summer. Dan van Heeckeren from Mentor Harbor Yachting Club will be our Chief Judge. Dan is a Past Commodore of I-LYA and a Past Junior Bay Week Chair.

As with any large event, it's going to take a

large number of volunteers to make this regatta successful. The response so far from members who have volunteered to help is great, but there's always room for more. The Regatta Committee will meet again on Sunday, May 15 at 1:00 pm in the Commodores Lounge. This will be a brief meeting to update everyone on our progress and work on what remains to be done. I promise, we'll wrap up in plenty of time to make the 2:00 pm Sunday Race start.

How can you get involved? We can use your help from everything from registration to social activities to volunteering on the water. Just ask! There's plenty for everyone to help with. Just contact me at (740) 304-8950 or sgarris2@gmail.com for more information

We are also seeking sponsorship to help offset the costs of the event. For the low, low price of sponsoring one keg of beer (\$100), we'll put your name or company logo on the sponsorship banner and even let you hang out and drink with the sailors! Seriously though, a large percentage

of the participants will be from central Ohio, so it is a good opportunity for some advertising and a great way to help the Club with the regatta. Contact Cherie VanDyne if you are interested in sponsorship opportunities.

Entertainment

First, thanks to all of you for your excellent support of our events this spring. If this keeps up we will have an entertainment year to remember.

On May 14 we bring back the very popular "Paul Clark Band" for our "Beach Party." If weather permits we can make it our first big outdoor party. The Commodores' Ball is May 21 with music provided by the "Jack Gorham Band". Please make reservations for this very special event.

"Inside Out" featuring vocalist Patty Lach comes to the Club on May 28. This is the first BLYC appearance for this excellent group so please come on down and enjoy their classic rock and roll show.

Mark your calendars for the BLYC Car show June 5, "Michael Sutherland" June 11, the great "Arnett Howard and Friends Show" June 18 and the "Pat Malloy Band" June 25.

**Governor
John Sproat**

Race & Regatta

Hello to all! **Governor Michael McVey** I was just elected to office by the Board of Governors. Thank you; I look forward to serving the club and its members.

Every day more and more boats are being put in the water. Been a long white winter and people are ready for sun and fun, and for us that means getting out to BLYC.

Race & Regatta 2011 Schedule

It also means we're getting reading for racing; and it's just around the corner. The first race at the club is May 8; it is the first race of the Commodore Chris Lambrecht Cup Series. The races for this series will be held every Sunday (May 15, 22, 29, June 5, 12...) afternoon, weather permitting, beginning at 2 pm and ending around 3 pm.

Come out, have fun and support the sailors. And if you don't already know about sailing, learn something about it. Who knows, someday you or one of your children or friends may want to crew or skipper a boat.

Finally, when you come out, come down to the racing shack and meet "Ollie", who will become a good friend of mine throughout the summer; bit of a noisy critter, but gets things started.

2011 Interlake Nationals, July 27-30 at the Buckeye Lake Yacht Club

If you haven't already heard, we are the host to this event, which will bring lots of sailors and their friends and family from all

parts of the country. Steve Harris, who is very active in the national organization, is the club's Chair for this event.

He and the club sure could use your help to make this a wonderful event. The more you participate in the planning process, the more fun you and your family and friends have during the event. Please contact Steve to learn how you may participate.

Bob Dye Poker Run

My wife Karen and I have volunteered to organized the Bob Dye Poker Run. We are putting together a team to help. Put it on your calendars: it will be held on July 23.

Junior Sailing

Hello everyone, I want thank all the kids and parents that came out to help on work day. We will be ready for sailing camp this summer. Lunch will be provided for campers. Campers will need to bring their own Life Jackets and sunscreen.

I'll see you during the Open house on May 7 at 1 PM. We'll meet at the East Port Dock.

**Governor
Wes Cartwright**

Membership

Thanks to all of you that invited and brought Prospective New members to the April 9 Rush party. We had a great time getting know each other and a chance to see the Club.

The party afterwards was GREAT!! I know the new Guest really had a great time and from the looks of it so did everyone else.

We did receive 2 new member paid applications that night, as well as giving out 6 new applications. So it was a great evening.

Don't forget to get your dues payment to Rebecca. And get in here we miss you!!

**Governor
Tim Ryan**
