

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

July, 2011 - Vol. 20, Issue 6

**Commodore
Rick Henderson**

It's great to once again see the white sails out on the water with the blue sky

providing the contrast. The winter season seems as though it lasted forever.

We are very much aware of the current financial situation affecting the country at this time. But BLYC is the same as any other organization or business and we need to pay our bills. We have been experiencing outstanding debts of several thousands of dollars and the Board believed we needed to provide reminders to those members and eventually get to a point of receiving the funds or taking action. Notices have been mailed to members as reminders and many members have been very responsive. Much of the outstanding debt has been received. However, some members continue to have outstanding expenses. If you receive an invoice for services or products in error, please do not hesitate to call the BLYC office and provide the correct information. The cooperation shown by the membership has been outstanding and very much appreciated.

BLYC has some very important events

approaching us in July. We have our Junior Sailors going to Lake Erie for the annual I-LYA sailing competition the week of July 17th. All members are welcome to attend and support our young team. Then we host the National I-LYA sailing competition starting July 27th. The competition will include junior, ladies and men classes. Anyone interested in volunteering for this event may contact Commodore Steve Harris or the BLYC office to provide your name and information.

This event will be attended by several competitors and any free time our members have available to welcome our guests and show the great BLYC hospitality would be very much appreciated.

Entertainment

July opens with "Zack & Greg" providing entertainment before the BIG fireworks display on the lake on Friday, July 1. Then we have the great blues and rock sounds of "Cass and Corder." They will be pool-side on July 2 and 3 in the afternoon.

We will have our traditional flag raising and flyover on July 4. Our featured entertainment is recording artist "Molly

**Governor
John Sproat**

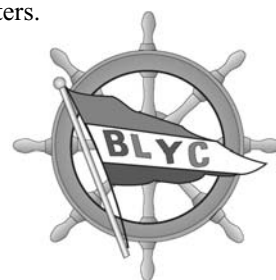

Morgan." She does a great job singing our National Anthem.

On July 9 come on out to the Club and let the Commodores cook steaks the way you like them at the annual Commodores Steak Fry. The entertainment for your dancing and listening pleasure is the "Dawson/Cooper Band."

On July 23 we welcome a new band to the Club. They are called "Jaded Angel" and they play a great variety of '70s and '80s classic rock.

Be sure to come to the Club and enjoy the Interlakes Sailing Class Nationals July 27-30. We have Karaoke on Thursday, July 28, with Cathy Cassady and the great Reid Coleman on Friday, July 29.

Be sure to mark your calendar for the Luau August 6 with the "Majestics with Jim Harris," the BLYC Auxillary Fundraiser featuring "Dwight Lenox and the Lenox Express" on August 13 and the 32nd Annual Classic Boat Regatta August 19-21. The 50s/60s Party is Friday, August 19. Yours truly will be spinning the platters.

Bar & Kitchen

Thanks to all of you who were kind enough to park in the grass lot for the car show. While the show was not as well attended as in the past it was still a success.

We are now on summer hours and the pool bar is open 7 days a week. I

want to thank all of the team BLYC for their hard work in getting it open. It is a pleasure to have members come to me with compliments on both the food and the service.

Like all private clubs our success depends on members using the facilities. Both Andrea and Matt are doing everything in their power to make your visit to the club enjoyable.

Have a great summer.

**Vice Commodore
Bob Zeiher**

Race & Regatta

Hello all!

Between no boats and no wind, the racing season got off to a sail fluffing start on May 8 - no races. However, with a lot of help from Don Day, Tom Baltzell, Chuck Wadley, Steve Harris, and Dave Levacy of Buckeye Lake Marina, we got the pontoon boat tuned up and in the water, the anchors for the markers roped, the handicaps done, Ollie working, and all other racing paraphernalia ready to go.

Also, I would like to thank Don Day, Steve Harris and Tom Baltzell for helping out with the races on May 15 and May 22. Due to a conference in DC and my mother-in-law's funeral in Pittsburgh, I was and will not able to fulfill my duties for those days.

I look forward to being back and starting the races through the rest of the summer. Happy sailing!

**Governor
Michael McVey**

Junior Sailing

Hello everyone,
We are off to a great sailing season! David Kellogg's father will be taking pictures of the Junior Sailing Regattas and they will be posted on our website. Please begin looking for them. We are so proud of our sailors!

Remember our Junior Sailing Pancake Breakfast on July 4. See you at the club!

Docks & Rentals

The boating season is in full swing. Good

weather and the full lake level, helps to promote activity on the water.

Repairs to the docks at Area 6 and the Jr. Sailing ramp have been completed. The electric service to the covered docks and Area 3 has been repaired also.

We currently have 10 docks available to rent, at the different locations. There is a long waiting list for the covered and Area 3 docks. We have 2 garages and several spaces available in the storage yard.

If you are interested in renting a dock, garage, or storage space, please complete the "Rental Request Form." It is available online or at the office.

I will be inventorying the storage yard, and tagging trailers for proper assignments.

I must remind each dock holder and boat yard renter to secure the gates as you enter or exit. I and others have found the gates unsecured. This will help to protect both you and your neighbors' property from theft and vandalism.

The Classic Boat Regatta is August 19-21. We are asking that Watkins Island dock holders make their slips available during this event.

Wishing everyone a safe and happy July 4th.

**Governor
Charles Wadley**

Auxiliary

We had a great turnout for the June Luncheon and Card Party. Donna Parker was a wonderful hostess and everyone had an enjoyable afternoon.

July 14 will be the Progressive Dinner at Fred & Judy Bair's house. We will travel by boat from the Yacht Club to their home. This evening is always a lot of fun, so don't forget to make your reservations to attend.

He co-authored "A Traveler's Guide to the Historic National Road" (U.S. Route 40) and will be signing his book and giving out copies free of charge.

August 13 is the Auxiliary Fund Raiser and Silent Auction, "An Affair to Remember." It will be a pairing of international wines and foods to taste and enjoy. We ask each member to please donate silent auction items for this event. The Dwight Lenox Band will be the entertainment for the evening. From The Manager

Greetings from Team BLYC:

The evening of Arnette Howard turned out PERFECTLY on June 18, due to God blessing us with dry weather after raining all day. The turnout was spectacular and it was very enjoyable to see the patio full of members and guests dancing under the stars. There have been raving reviews all around. I would like to give a "shout out" to Chef Matt and his fantastic staff for such delicious food. I know that my staff worked as fast and hard as they could to give the service the members deserve. I would also like to acknowledge Rebecca, our fantastic office manager, for all of her hard work and dedication to BLYC behind the scenes.

This month's featured employees are Kaitlin Lentz and Kayleigh Scott:

Andrea Foster

Kaitlin Lentz began working at the

BLYC in the summer of 2008 as a busser and since then has not been able to stay away. From that first summer, she has also worked as a hostess and this summer, is excited to begin serving.

During the school year, Kaitlin attends Ohio Wesleyan University where she is entering her junior year in the majors of Sociology/Anthropology and Women's and Gender Studies. When Kaitlin is not busy devoting her energy to the Yacht Club and school, she enjoys traveling, spending time with family and friends, writing, and catching up on some much needed sleep. She is also very excited to be studying abroad this fall in Cork, Ireland.

Kayleigh Scott began working at BLYC

in June of 2008 as a lifeguard, busser and hostess. She is now one of our fantastic servers along with all of the other jobs she has done in the past. Kayleigh is attending Muskingum University and majoring in Art Education and Art History. She is continuing her education this summer with online classes before she returns to Muskingum in the fall. While Kayleigh enjoys working at the club, in her off time, she loves to spend time with her brother, Jack and her parents, Janet and Sean. She also loves the water, boating, swimming, sailing, and pretty much anything that her younger brother can get her to partake in while she is home for the summer.

Team BLYC looks forward to a FANTASTIC July! See you at the club.

Please welcome 2 New Members:

- David Lawrence and Laurea

\$5 Registration Fee
Sign-up sheet at BLYC bar

We are once again celebrating a long-time tradition at BLYC in honor of club member and friend, BOB DYE. This is an annual fun event that was one of Bob Dye's favorite past times.

BLYC has put a great twist to this event so that everyone can join in the fun, knowing HOW to play is not necessary. The idea is to travel by boat to several bars on the Lake (agenda for day and list of bars will be posted day of event), have a drink with friends and pick a card from the bartender which will be a part of your hand in the game of poker.

The "Poker Lords" will gather the info and when we rally back at the club tally the poker hands and give out awards.
