

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

August, 2011 - Vol. 20, Issue 7

**Commodore
Rick Henderson**

The summer is half gone and continues to fly through each month. Your Club has

been very busy with special events and everyday activities. The pool has been very successful this summer and many members and guests have recorded many pleasant days in the sun (when it wasn't raining). The entertainment has been outstanding this year. The special events could not be better. Andrea, Chef Matt and the staff have been providing the membership with great service daily. We appreciate the effort they make for members to have a pleasant experience.

I would like to thank the members in arrears for doing such a good job of getting current with their accounts. The funds are very helpful for the club to make our expenses current.

By the time this issue is mailed, the National Interlake competition will be in the record books. We have had to deal with the media and the exaggerated stories of the algae problem at our lake. One article even had us compared to Lake St Mary. However, the last two weeks prior to the event, the media got the story right and hopefully, we will still have a good showing

of sailors for the event. I would like to express my appreciation and thanks to Commodore Steve Harris and his committee members for their time and efforts to provide a safe and enjoyable experience to our guests during this event.

Election day and the Annual Meeting will be on September 18. Anyone interested on becoming involved with the Board of Governors is very welcome to throw their hat in the ring. Any Board member can provide you with information as to the process of running for the Board. We would like to have a minimum of six candidates for this year's election. Members – be sure to attend to cast your vote and enjoy the festivities on the porch.

As always, contact a Board member with your questions or concerns and enjoy YOUR club.

Take care

Bar & Kitchen

It seems like it took forever for summer to get here and now it is August already.

I cannot say enough about the staff of the bar and kitchen. Compliments keep pouring in and they have made my year as Governor in charge the easiest ever.

John has done a great job with entertainment both at the parties and the pool,

**Vice Commodore
Bob Zeiher**

especially for the 4th of July. With over 400 people on the island and standing room only in the pool the music was a great addition. He has found a lot of new talent and they have made the summer a real treat.

The Commodore's Steak Fry was great, many thanks to Chef Matt for providing a great cut of steak and supervising the grills. Just a reminder that the money raised by the steak fry and the Aux events help to defray costs for projects around the club. They really appreciate the support of the members for their events.

I was saddened to learn of the passing of Commodore Don White. For many

years I served as President of the gun club and Don was my Vice President. We also served on the Board together in the 80's and Don went on to become a great Commodore and will be missed.

Also I learned of the passing of Commodore John Sproat's mother. Please remember these families in your hearts and prayers.

Entertainment

It never fails . I get to this point and I wonder what happened to the year?? Well in fact there is plenty of party time left. Enjoy the Bob Dye Poker Run July 23 with entertainment by 80s cover band "Jaded Angel". The great "Kay Carter" returns on July 30.

A mainstay of the summer, The Luau, is August 6 featuring fun party music from the '60s through '80s with Jimmy Harris and the 6 piece "Majestics".

Be sure to make reservations now for

**Governor
John Sproat**

the BLYC Fundraiser, "An Affair to Remember," featuring entertainment by the incomparable "Dwight Lennox and the Lennox Express."

The 32nd Annual Classic Boat Regatta is August 19-21. We kick things off Friday August 19 with the 50s/60s Party. Yours truly will spin the great songs of the era.

We are having a BLYC Talent Show August 28. Come out and be amazed at our Club talent of all ages.

Be sure to mark your calendar for the return of the very popular "Soul Annex" on September 17 and Howard Everitt's "Rock and Roll Fest" on September 25. Check our Club Website for additions to the entertainment calendar.

See you at the Club

Junior Sailing

Hello everyone,
I want to start by thanking everyone who worked and attended our pancake breakfast! Everyone really enjoyed the food!

The sailing camps were another success this year and our junior sailors are preparing for Junior Bay week as I write this. Your continued support makes all this possible.

We have one last fund raiser for this Season. I hope you will join us on Sept 4th for the spaghetti dinner (during Labor Day weekend).

**Governor
Wes Cartwright**

Auxiliary

In July, we had our Progressive Dinner which is always a lot of fun. We traveled by boat from the Yacht Club to Fred and Judy Bair's home for dinner. The weather was perfect and the food was great. After dinner, we traveled back to the Yacht Club for dessert. It was a lovely evening and we thank the Bair's for their wonderful hospitality.

Our August meeting will be held on Thursday, August 11. Licking County Commissioner and Author, Doug Smith, will be our speaker. Doug will begin at 6:30 p.m. and is a noted Historian and writer. He co-authored "A Traveler's Guide to the Historic National Road" (U.S. Route 40) and will be signing his book and giving out copies free of charge. You won't want to miss this interesting meeting.

August 13 is the Auxiliary Fund Raiser and Silent Auction, "An Affair to Remember." It will be a pairing of international wines and foods to taste and enjoy (see the sample menu at right). We ask each member to please donate silent auction items for this event. The Dwight Lennox Band will be the entertainment for the evening. A special thanks to John Sproat and the Board of Governors for sponsoring the band for this great evening. Please plan to attend and enjoy this wonderful evening. This event will start at 6:30 p.m. and is \$35.00 a person. Make your reservations early!

Raffle tickets are now available at the Bar for our parking space drawing. Stop by and buy a ticket the next time you are at the Yacht Club. We really appreciate everyone's support throughout the year of our Fund Raiser and raffles.

Docks & Rentals

Boating and recreational activity on the lake is

very popular, despite the news media reports of the lake water being unsafe. The lake is open and the water quality is safe for recreational use.

We currently have several docks available to rent, at different locations. We have one garage and several spaces available in the storage yard. There is a long waiting list for the covered and area 3 docks. The updated list is below.

If you are interested in renting a dock, garage, storage space, or making any changes, please complete the "Rental Request Form". It is available on the BLYC web site, under facilities and docks or at the office.

New rentals will be half the yearly rate as of August 1, through the end of year.

If you see green flagging on a dock post, it means that the slip is available for temporary tie up while you visit the club.

I must remind each dock holder and boat yard renter to secure the gates as you enter or exit. This will help to protect both you and your neighbors' property from theft and vandalism.

The Classic Boat Regatta is August 19-21. We are asking that Watkins Island dock holders make their slips available during this event.

Enjoy the lake and the club, they both belong to you!

Waiting List – July 01, 2011

From The Manager

We had a fun-filled, fantastic month of July. The fireworks were an incredible sight on July 1. BLASST always does a great job of raising money and putting on a spectacular show! We have some exciting events planned for August, so mark your calendars, and start calling the club for reservations now.

Andrea Foster

I would like to ask all of you to kindly make sure that you check in with a Team BLYC member either at the host stand or the inside bar when coming in to dine. Unfortunately, we might miss you if you seat yourself on the porch or in the dining room.

This month's featured employee is Cindy Melick. Cindy has been with us for almost a year now. She is attending COTC to earn her RN degree.

In her spare time, which is almost zero,

she enjoys reading, playing scrabble, hanging out with her siblings, one of which is a twin, while enjoying a good beer or glass of Boone's Farm. Most of all, she

loves spending time with her fantastic three-year-old son, Bryce. You can find Cindy behind the bar or serving lunch on Saturdays. Please introduce yourself if you have not yet met her.

At right, fireworks on the lake from as seen from BLYC. What could be better?!

REMINDER:

New member applications are available at the Club and on our website.

House & Grounds

Welcome to the dog days of summer! I hope everyone is having a wonderful time this season enjoying the Club!

We got the holes in the parking lot repaired and by the time you read this log article, the cement work will have (hopefully) been completed.

Please thank Donna Parker and her team for their amazing efforts with the gardens this summer. They look beautiful, thanks Donna!

I want to thank Chuck and Bruce for their follow through on projects. Anytime a maintenance issue is brought to my attention, and then I let them know and WOW! the problem is taken care of within a day. I am always so impressed with how quickly they tend to the needs of the Club. As always, please feel free to let me know (or Andrea or Chuck or Bruce) if you happen to see any issues that need addressed with House and Grounds. We will be sure to address the problem quickly. Have a great summer and see you at the Club!
