

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

September, 2011 - Vol. 20, Issue 8

**Commodore
Rick Henderson**

We are approaching that time of year again when we have a big party on the porch, vote for our favorite candidate and celebrate with the new Board members. The annual Meeting and election is September 18, 2011. Porch activities will start at 9 a.m. and go to 1 p.m. The voting poll will also close at 1 p.m. The Annual Meeting will start at 2 p.m. and go until we are done.

At the time of this writing, we have some very good candidates this year. There are four candidates for four vacancies on the Board. They share a wide range of experience that will be very helpful to the Board. Good luck to all.

I'm sure you have heard by now that the Inter-Lake Regatta was a very big success. I want to be sure to thank Commodore Steve Harris and all his many volunteers for the outstanding job they performed. Our guests left BLYC with a better understanding of the Club and our members. All

were very impressed and grateful for the hospitality shown them by our members. I thank our membership for the interest and involvement in the event to make it a success.

Our Auxiliary provided an evening of fundraising that was outstanding. They obtained some funds for use around the Club and the members received an evening of wine and great food. Our hats off to President Marcia Henderson and her volunteers for the great job they did.

Additional information regarding the September 18 events and times will be forthcoming from Vice-Commodore Bob Zeiher. Be sure to attend and make your vote count.

Take care,

National Sailing Spotlight Shines On BLYC

The 2011 **Commodore Steve Harris** Interlake National Championships Regatta, hosted here at BLYC, was a HUGE success! We enjoyed three good days of racing with the Women's & Juniors Championships on Wednesday, followed by two days of amazing wind for the Nationals and Masters Championships Thursday & Friday. Although the wind was not cooperative on Saturday, the entire fleet enjoyed the hospitality of BLYC & camaraderie of the fleet around the pool. The volunteerism, generosity, and

friendliness of our members and staff was phenomenal and complimented by the competitors many times throughout the event. THANK YOU BLYC for making this a highlight event of the 2011 season!

Congratulations to Matt Fisher and his crew, Stu Fisher and Brett Freeman, for winning this year's Championship. Matt grew up at BLYC and is the son of Commodore George & Marty Fisher. It was really cool that one of our own won this year! Full results can be downloaded at the Interlake Sailing Class

continued on Page 6

Bar & Kitchen

September has arrived and in many places school has already started. Activity at the pool has slowed down to mostly adults but there are still many days of great boating left in this season.

I want to thank

**Vice Commodore
Bob Zeiher**

Andrea and Matt again for all their hard work. They have made my year as Bar and Kitchen Governor a real pleasure. During this summer I have been at the club nearly every day and I have seen both of them there on their days off to take care of something. This is the mark of a great manager and we are fortunate to have both of them.

Candidates night is September 16th and the annual Election, meeting and Commodore's reception is the 18th. Please come out to vote to support the

board. They have all worked hard this to make your club better.

The Commodore's reception this year will have a southern BBQ theme so feel free to show off your western duds.

I am looking forward to serving as Commodore this year and feel confident that I will have a successful year. Thank you for your continued support — we expect next year to be the best ever!

Entertainment

Despite the weather challenges, we had a great summer of fun at BLYC. My thanks to the staff for a great job.

We head into some of the best weather of the year with a follow up performance by "Gregg and Zach" at pool side on

Sunday, September 4, from 2-5 p.m. Our annual Harbor Lights Party is September 17. The featured entertainment is the very

**Governor
John Sproat**

popular "Soul Annex." Please decorate your boats with lights to create the "Harbor Lights."

Please welcome "Billy Reiter," a great guitarist and singer for his first appearance at the Club on September 23. Be sure to check him out.

Rounding out the month will be "Howard Everitt's Rock and Roll Jam" on September 25. This is a superb party, one of our best. Please make your reservations early.

Be sure to mark your calendars for our annual Halloween Party, October 29, featuring the "Kay Carter Band."

See you at the Club,

In Memoriam

The BLYC membership would like to extend our condolences and offer our heartfelt thoughts to the families of the following members:

STONE PARKER

ROB HARKLAU

House & Grounds

A huge thank you to Donna Parker for all of her hard work this summer. The flowers have been beautiful! Chuck and Bruce continue their diligence keeping the Club and grounds shipshape! There are a few projects that we are wrapping up this month, so sorry if you come out to the din of a jackhammer.

BLYC is in mourning for the loss of two important friends of the Club, both having had a tremendous impact on our Junior Sailing Program. Both men were passionate, unpretentious and gracious and will truly be missed by those who knew them.

**Rear Commodore
Gayle Fisher-Mulvey**

Stone Parker has been one of the biggest supporters of sailing in general and the Junior Sailing Program, specifically for years at BLYC. He has been a wonderful friend to our family crossing three generations. My father always spoke with high regard of Stone, in fact, Stone always reminded me a bit of my Dad: always encouraging and genuinely interested in others welfare, always humble and always a gentleman. Stone would coach me on getting involved on the Board at BLYC, offering advice and a listening ear. Stone ALWAYS was kind to my children and to all of the children of the Junior Sailing Program. He spoke to them with genuine and sincere enthusiasm and encouragement for their interests, whether it be sailing or otherwise (but, of course, especially sailing). I will miss his smooth, comforting voice and his warm

sincerity.

Rob Harklau lost his fight with ALS. I have known the Harklau family for many years through our church in Granville, but more recently, my daughters' were on the Junior Sailing team with Rob and Patti's daughter Halle. Gwen and Halle taught sailing camps together for the past 6 years or so. Rob was active with the Junior Sailing program and helped to keep us all organized. He was always fair and pushed to keep the program going in a positive direction. His positive spirit, smile and grace in the face of this brutal disease is a lesson we can all learn. He will be missed.

There are many amazing people in this Club and I am proud to be a part of it. I have been especially proud to be responsible for House and Grounds this year and look forward to my next assignment.

Race & Regatta

Well, not much news for Race & Regatta. For the most part Sundays in July were hot and windless at BLYC. On two of the race days we actually started races, but then ended them as the wind collapsed.

One of the days we got started and within a couple of minutes the wind died and it looked like time had stopped. Four boats were in a line absolutely still, the sails weren't even fluffing. It looked like a still-life picture.

On the other hand, during the week the wind was quite active. Thus when the Interlake Nationals came to BLYC, two of the three days were spectacular. I won't steal any of Steve Harris' thunder (let him

**Governor
Michael McVey**

tell about it in his article), but these four days of racing were inspiring. I knew the heritage of sailboat racing at BLYC was deep, but I had no idea as to the complete scope. I'll tell you more about that in next month's article.

Congratulations Steve on the great success of the 2011 Interlake Nationals!

The Bob Dye Poker Run was quite a success considering the sweltering heat. We had over 40 participants. The big winner was Emily Sanzone (see photo at right), daughter of Paul and Claire Sanzone.

Coming up in September, we have not only the every Sunday races at 2 pm, but we also have the Labor Day long distance race, the Commodore Dwight R Haggard Long Distance Race.

Look forward to seeing you out there for the races. If you have any time, please put in a good word to any of the following Gods of Wind: Aeolus (Greek), Amun (Egyptian), Feng Bo (Chinese), Fujin (Japanese), Njord (Norse or Viking), Sidhe or Aos Si (Irish), and/or any others you have a chance to speak to (or plead with) for more wind!

Junior Sailing

I would like to thank BLYC for supporting our BLYC Junior Sailors throughout this year. Our sailing coach, Libby, had a great time and I believe she plans to return. Austin and Halle were also very important players in making the sailing season a success. My thanks to all three of you!

To my Junior Sailors, thank you for a wonderful season and for donating your time and effort during the camps! I truly enjoyed watching each of you improve throughout the year and observe how you developed into a team. Our members would enjoy seeing the sailing team frequent some BLYC races. I encourage each of you to come to the Sunday races and sail in the Snowball Regatta. You are BLYC's future and we are very proud of you!

Keep Sailing!

**Governor
Wes Cartwright**

Docks & Rentals

As we have put the algae issue and the hot weather behind us, we move on to the last and best two months for boating on Buckeye Lake.

We currently have several docks available to rent, at different locations. We have several spaces available in the storage yard. There is a long waiting list for the covered and area 3 docks. The updated waiting list is posted on the porch.

If you are interested in renting a dock, garage, storage space, or making any changes, including adding a lift, please complete the "Rental Request Form". It is available on the BLYC web site, under facilities and docks or at the office.

New rentals will be half the yearly rate, through the end of year.

Temporary tie up is available on the west side of Area 8, while you visit the club.

I must remind each dock holder and boat yard renter to secure the gates as you enter or exit. This will help to protect both you and your neighbors' property from theft and vandalism.

Enjoy the lake and the club.

**Governor
Charles Wadley**

Publications

What a great summer it's been at "The Club."

I hate to think about the season being nearly over, but thankfully we can enjoy our club year round. Please continue to come out during the fall and winter months as we have many great parties and wonderful food. We need your support!!

It has been a privilege serving as your Log & Publications Governor during the last year. I would like to thank Dave Stewart, Chad Headlee, and Andrea Foster for all of your hard work and support. Dave does the layout each month, Chad is our printer, and Andrea does a little bit of everything, as we all know. She graciously lends her camera for monthly photos, takes pictures in my absence, and updates the monthly calendar. Our monthly publication wouldn't be possible without you guys. Thanks again!

Please come out and vote during the upcoming elections. It's a great opportunity to let your voice be heard.

Best of luck to all the candidates.

See you at the club.

**Governor
Jeff Lyons**

Board Elections - 9/18/11

From The Manager Membership

We have had a busy and amazing summer season. As I am writing this, I am attempting to recover from what I believe was the busiest day I can remember in the past 20 years I have served in this business:

Andrea Foster

Saturday, August 20, the Saturday of the boat show which was a HUGE success. The club was hopping throughout the weekend, and the "public" was very excited to be able to partake in your club. Thank you to all the members who stepped up and helped throughout the whole weekend. A special thanks to grill master, Mark Watson, who jumped in behind the pool bar to grill. THANK YOU!

We are looking forward to seeing you in the next few weeks as the summer season rolls to an end. The pool will be open throughout September for your swimming pleasure, though the pool bar will be closed after Labor Day Weekend.

The club hours will go back to Fall/Winter hours after Labor Day Weekend. The kitchen will be open for dinner Wednesday-Friday from 5-9 pm, Saturday from 11:30am-9pm, and Sunday from 9am-7pm. As always, the bar will stay open one hour

Well that was something!! The staff and John Sproat out did themselves again for the Arnett Howard event, great job.

This was another example of what we as members get to enjoy at our Club for no extra charge. Let your friends and neighbors know as well as coworkers. This Club is a great bargain.

Please welcome 2 New Members:

- David Lawrence and Laurea
- John Cadwallar and Trish

Welcome to the Club, have fun and be regulars. We love that.

REMINDER:

New member applications are available at the Club and on our website.

after the kitchen closes or until the decline of business. If you are interested in having lunch after Labor Day Weekend, please call the club and speak with myself or Chef Matt, and we will do our best to accommodate you.

Docks & Rentals

Boating and recreational activity on the lake is very popular, despite the news media reports of the lake water being unsafe. The lake is open and the water quality is safe for recreational use.

We currently have several docks available to rent, at different locations. We have one garage and several spaces available in the storage yard. There is a long waiting list for the covered and area 3 docks. The updated waiting list is posted on the porch.

If you are interested in renting a dock, garage, storage space, or making any changes, please complete the "Rental Request Form". It is available on the BLYC web site, under facilities and docks or at the office.

New rentals will be half the yearly rate as of August 1, thru the end of year.

If you see green flagging on a dock post, it means that the slip is available for temporary tie up while you visit the club.

I must remind each dock holder and boat yard renter to secure the gates as you enter or exit. This will help to protect both you and your neighbors' property from theft and vandalism.

Enjoy the lake and the club, they both belong to you!

Governor Charles Wadley

Governor Tim Ryan

Auxiliary

The August meeting was well attended and the meal was enjoyed by all. Our speaker, Doug Smith, was great and we all received a signed copy of his book "A Traveler's Guide to the Historic National Road". We learned many things about the National Road we did not know and Doug also played several Civil War tunes on his harmonica.

New items have arrived in the Showcase and are selling very well. There is a limited supply of summer items so stop by and check them out the next time you are at the Yacht Club.

The Auxiliary fund raiser "An Affair to Remember" was a huge success, with about 100 people in attendance. The food and wine was fabulous, and we had many great silent auction items to bid on. The Dwight Lenox Band was enjoyed by all. The Basket of Booze was won by Ken McCarty. Marcia Henderson would like to

give a big "thank you" to Andrea, Chef Matt, Glazier (wine) Reps. Scott &

Stephanie, and the entire staff at the Club. Also, thank you to the volunteers who helped that evening, and to everyone

who brought Silent Auction items, and who attended this great event. Everyone out did themselves to make this event "An Affair to Remember".

To express our sympathy to Donna Parker and her family at the recent loss of her husband, Stone Parker, a donation was made in his memory to the BLYC Junior

I would like to thank everyone who helped make the Auxiliary's fund raiser "An Affair to Remember" a great success.

*Sincerely,
Marcia Henderson*

Sailing Program.

Recently, the Auxiliary presented four jackets to the Junior Sailors' Race Team for their week at Put-in-Bay.

Our next meeting will be our Annual Meeting on Sunday, September 18, at 2 p.m. with the election of our new officers. The 2011-2012 BLYC Auxiliary Slate of Officers are: President Tracey Davis, Vice President Tami Schroeder, Secretary Claire Sanzone, and Treasurer Gail Beck. Please try to attend this important meeting.

Two volunteers are needed to sell Showcase merchandise on the porch on Election Day, September 18, and one volunteer is needed to sell our Parking Space Raffle tickets which will be drawn that day. If you are able to help, please contact Marcia Henderson at 740-522-6115. Also, all committee chairs need to turn in their notebooks on Election Day.

Gail Beck, Secretary

ELECTION DAY 2011

Please note the following dates and events for our annual Board of Governors election, and be sure to take part in the future of your Club!

Friday, Sept 16

6:30 - 9 pm

Meet The Candidates Night

Hear the candidates list their qualifications and vision for BLYC, and share a few laughs too.

Sunday, Sept 18

9 am - 1 pm

Porch Breakfast and Voting

Candidates serve up free breakfast, and seek your input.

2 pm

Annual Meeting, Auxiliary Elections

Get updates from the Board and Auxiliary, and be involved!

Followed by

Commodore's Reception

Welcome our new Commodore, and enjoy delicious food too

Sailing Spotlight Shines On BLYC (cont'd)

Association website at www.interlakesailing.org

An event such as this takes far, far more than a handful of people to pull off. It was

truly a team effort and the volunteerism from our membership was beyond expectation. At the risk of missing someone...

THANK YOU, THANK YOU, THANK

YOU to all those volunteers who made this regatta the great event that it was ...

BLYC Elections 2011

Introducing your candidates for the 2011-2012 Board of Governors

Chuck Wadley

As a life long resident of Buckeye Lake, I grew up on the lake.
I graduated from Zane State College in 1979.
In June of 2006, my wife, Sue and I were married at the Yacht Club.

I was very fortunate to have served as a State Park Officer on Buckeye Lake for 30 years.
I have served as a Reserve Deputy Sheriff for Licking County since 1980.
I Captain & Crew the Queen of the Lake for the Historical Society.
I am currently employed at Buckeye Lake Marina.
I am endorsed by Trustee and past Commodore, Joseph Campbell.

I have served the members of the Buckeye Lake Yacht Club for the past six months, as Governor, in charge of docks and rentals.
I am looking forward to continue to serve the members of the Yacht Club for the next two years.

I ask for your support on Sunday, September 18, Election Day.

Jerry Besanceney

Jerry Besanceney has belonged over 25 years to the BLYC, serving on various boards and committees,

A sailor and recipient of the Heber Award. He has had experience in a wide variety on management and leadership responsibilities that will be helpful to the club.

Received a Bachelor of Arts Degree in International Relations from The Ohio State University. Studied in the Industrial Management Graduate School at Central Michigan University and is a graduate of the Command and General Staff College of the United States Army.

Currently : Managing Partner of The Clearwater Wood Group LLC

Past:

President and C.E.O. of Prestige Wood Products (PWP),

President and C.E.O. of Eagle Industries LLC, Bowling Green, KY and, Eagle Transportation.Corp.

General Manager, Tech International, Johnstown, OH. Responsible for factories in the United States, Europe and Asia.

Board Member of the following companies:

Aeromet Ltd. (UK); Tech Europe (Belgium);

Pangus Rubber (Hungary);

Unipatch Rubber (India);

Nippon Tech (Japan);

Tech China (China)

Pang Rubber (USA).

Plant Manager, Holophane, Newark, OH.

Chief of Staff, 83rd Army Reserve Command (ARCOM), Columbus, OH.

Colonel, Army of the United States (Ret.)

Past-Chairman, Board of Trustees, The Ohio State University - Newark

Vice-Chairman, Board of Trustees, Licking County Coalition for Housing

Ombudsman, Department of Defense

Member of the following organizations: Association of Former Intelligence Officers and the Newark Rotary Club.

Past Chairman of the Board, Newark Area Chamber of Commerce

President, Private Industry Council of Licking County

President, Newark and Licking Safety Council

Trustee, Central Ohio Technical College

Board Member, Central Ohio Aerospace and Technology Center

BLYC Elections 2011

Introducing your candidates for the 2011-2012 Board of Governors

Michael McVey

Family Life:

Married to Karen Sue MacCleary McVey (Suz) for 38 years. She has been an integral part of all aspects of my life (as many of you have seen at BLYC). We love the water, love to dance and enjoy the many good people who belong to and work at the club. We have two daughters, Carly and Melodie, who are married and live in central Ohio. From them we have four grandchildren: Colin (8), Cora (8), Liam (6) and Tori (6).

Business Life:

Currently I'm Founder & CEO of ClearView Management Resources, office in Worthington, OH. We specialize in Human Resources and Organizational Development Consulting, specifically Management & Leadership performance systems. We recently launched a Business Driven, Fully Integrated Talent Leadership software program in Washington, DC.

- Sample of Positions Held - Instructor for Reactor & Engine Room Operators, Director of Organizational Development, VP of HR, VP of Manufacturing, and Chief HR Officer
- Sample of Industries Worked - 10 years US Navy, Nuclear Operations; Manufacturing; State of Ohio and County governments, and Private Sector Consulting firms
- Primary Functions Performed - Human Resources Development, Employment Law, Operations, and Fiscal (two of positions entailed P&L responsibilities for \$20 M and \$50 M. Throughout all have 30 years management experience.
- Major Accomplishments - wrote national award winning mentoring program; authored book, "Personal Finances for Military Families." Founded Team Excellence in Public Sector program, State of Ohio; and wrote talegence, the software program mentioned above.

BLYC Experience:

In October of 2007, John Geiger sponsored my membership to BLYC. Since then Suz and I have been active members: we have two docks for our sailboat and wave runner, we were sponsors of the Antique Car Show and Antique Boat Show in 2010 and 2011, we conducted 2011 Bob Dye Poker Run, volunteered as a replacement governor for Race & Regatta from March through now, volunteered for the Interlake Nationals, and started the Fiscal Improvement Committee (Gayle Fisher-Mulvey, John Geiger and Keith Dotson).

Bottom Line: We love BLYC and its mission and believe that my life experiences and commitment to the club make me a good candidate for the Board of Governors.

David Luttenberger

My name is David Luttenberger and I am running for Governor of the BLYC. I am willing to serve in any capacity that the Commodore requests. I will faithfully follow the Constitution and By-Laws. And I will do my best to support the interests of the members in all respects.

In 40 years of business, I have served as engineering manager, operations manager, manufacturing manager and president of two corporations. I have developed excellent skills in sales, budgeting, planning, subcontracting and negotiating, which I will use in representing the business interests of the members.

I have been an avid owner of both power and sailboats and believe there is an important place for both in club life. I use the club weekly, rent a dock slip, and store a sailboat in the yard. I believe that my past experiences in business, boating and sailing provide me the unique skills necessary to continue the wonderful tradition of the Club.

Please help me in this pursuit and elect me Governor of the BLYC.
