FROM THE BRIDGE ☆☆☆

November, 2011 - Vol. 20, Issue 10

**Commodore
Bob Zeiher**

I am so thrilled to see so many people using the Club. That is the secret of being able to stay in the black. Sue and I have been members since 1976 and it's great to see people coming in on the second Wednesday to celebrate the fact that they are "old salts" like us.

At the first board meeting we decided to have another new member campaign, so please check with Commodore Tim Ryan for the details.

On tap this month at YOUR Club:

- On November 6, there will be a sailing seminar. Come and learn all about racing your boat.
- We will have Zack and Gregg on the 11th.
- On November 25th we will have our traditional beat Michigan party with Paul Clark.

See you at your Club,

Bar & Kitchen

As we enter into the cool days of fall we have some "really cool" things going on at the Club. With the help of Scott Evans (our local beer expert), we will be launching BEERS FROM AROUND THE WORLD! We will have a fabulous selection of beers for your choosing, the gals at the bar will help us keep track of your selections ... and after you have imbibed in 50 different beers you will receive a great

Membership

Where were you all? Fall Work Day was October 16th and we had a windy but productive day. This is one of the special events that the Club holds twice a year. It is an opportunity for us as Members to work at the Club and prepare it for the coming season changes.

It is always some work, some play and some cold beer and hot pizza.

This coming year you will start to notice that I and some of the Governors along with some Members may be calling to make sure

**Rear Commodore
Tim Ryan**

that you come out and enjoy YOUR CLUB. I want to get you all involved in the special events as well as just coming out for dinner and drinks. I have said this many times in the past that we can't maintain the Club without everyone's support. So stay tuned to your phone and your computer and the log for upcoming events.

I want to welcome New Members:

- Ben Barton
- Vic Wolfe and First Mate Becky
- Bruce Moore and First Mate Debra
- Kitty Zwissler
- Mike Fornataro and First Mate Ann
- Jennifer Breeding and First Mate Kyle

Please have fun and come often.

Our History

I would first like to start by thanking everyone for their supportive com-

ments on my first history article last month. It was a pleasure to write and I'm glad that so many of you enjoyed it. Secondly, as I've been looking for ideas for this month's contribution, I've been reading through a whole lot of history articles by Commodores Foster & Limes. Commodore Limes titled his articles "Did You Know," Commodore Foster's were called "The Way We Were." I figure that I should find a title for my offerings as well. While I may have some creativity in my make-up, I'm at a loss. Please give me your suggestions. Whoever comes up with the best name will receive a free drink at the BLYC bar - on me! Now, I realize that doesn't sound like much of a prize, but when's the last time a Past Commodore bought you a drink... especially one named Harris? Onto this month's offering ...

**Commodore Steve Harris,
Club Historian**

our winter activities at the Club. While we might not always get sufficient weather for ice-sailing and other activities on the "hard water," the Gun Club is available to all members, every Sunday, from November through the end of March - a great way to continue your weekend enjoyment of the Club!

A diligent search of the history archives on the website yielded a 1981 article from Commodore Limes giving the history of this perhaps little-known group at the Club. So ... with some further research and a fair amount of paraphrasing plagiarism ...

The BLYC Gun Club first formed in the fall of 1964 with eight members. As of the writing of Commodore Limes' article, the only remaining charter member was P/C Chris Lambrecht. Chris is no longer with us, but I remember him still participating well into his late '80s when I first started, as I'm sure many of us do. By the end of the 1965 season, the group had grown to over 80 members, both men and ladies, started the "200"

competition, and purchased an automatic thrower. The first "200" was won by Don Downey. In 1968, Gene Hays donated the five metal shooting station stands still in use today and

in 1969 he constructed a metal frame to suspend the thrower over the water as we still set it up today. In 1973, the Gun Club added the two concrete "triangles" to the front patio, significantly increasing the patio size and making it easier to shoot from stations #1 & #5. Over the years, the Gun Club has consistently been a part of our winters at the Club. In 2005, under the leadership of, then Chairman, now Past Commodore, Will Price, the Gun Club held a raffle and purchased a much

needed replacement thrower. The Gun Club continues to be active to this day. It's not at all unusual to find BLYC members, groups of their friends & neighbors, fathers & sons, and husbands & wives out for an afternoon to show off their "eagle-eye" skills in a little friendly competition. Of course, also in typical BLYC tradition, there's usually a fire in the fireplace and another great opportunity to socialize with your friends and family at the Club over drinks and dinner.

Although records for each season are not available, some highlights which I was able to glean from past issues of the Log include: Our current Commodore was the Club Champion for two consecutive years, 1980-81 & 1981-82; Bob then chaired the Gun Club in the early '80s until he stepped aside and was replaced by John Doneff who has remained very active over the years - both as a participant and several years, the Chair; Incidentally, John is again Chairing the Gun Club in 2012!

The first Sunday of shooting for the 2011-12 season will be Sunday, November 6, and continue weekly through the end of March. The cost per round is \$3 to cover the cost of targets, etc. Bring your own shotgun and shells. Everyone is welcome! Come on out, bring your friends, and participate in this great BLYC tradition!

For more information about the Gun Club this season, I direct you to a quote from P/C Frank Foster III about the Gun Club I found in the November, 1986 issue of the Log ... "If you want to know more about what it's all about, ask John Doneff. He doesn't know what it's all about, but he is a lot of fun to talk to."

Frank's right about one thing at least.. John is fun to talk to. I know he'd be happy to answer your questions and help you become a part of the group ... just ask!

ATTENTION YACHT PERSONS

As a result of your summer boating activity, your family has become accustomed to your absence from home & hearth on Sunday afternoons.

DON'T LET THIS VALUABLE INVESTMENT GO TO WASTE!

You can avoid having to re-program your loved ones next spring by continuing your Sunday afternoon absences and participating in...

Sunday Trap Shooting at BLYC

One of the first years I was a member of the Club, I opened my Log to view the above advertisement. Considering myself to be a "Yacht Person," of course I felt the need to check it out. Needless to say, in the years since, I have enjoyed many winter Sunday at the Club participating in or, more recently, watching the Sunday Trap Shooting activities of the BLYC Gun Club. With the coming of cooler weather and the recent wrap-up of yet another sailing season, my thoughts turned to

2011 Snowball Regatta ... Great weather, no wind! See Page 4

Entertainment

We have some exciting entertainment planned for November and December. Please be sure to invite your guests and make reservations. Leading off on Friday November 11 is a return engagement by the great duo of "Zack and

Gregg." Be sure to wear your dancing shoes. Filling out the month is the incomparable "Paul Clark Band" entertaining at our annual "Beat Michigan" Party on Friday, November 25. Please come out and cheer on the Bucks to beat Michigan.

Also mark your calendars for the Adult Christmas Party on December 10 with the "Eddie Polina Band;" the Childrens' Christmas Party on December 11; Dave Bott with Christmas Carols on Friday, December 16 and New Year's Eve with the "Majestics featuring Jim Harris." See you at the Club.

foul-weather jacket with delightful embroidery that marks your distinct accomplishment! This is a fun way to enjoy your time at your Club AND be rewarded for your efforts! Our new program will launch at the Halloween Party (always a great time!).

Please keep coming to enjoy your Club. Come on out and have a great meal prepared by our very own Chef Matt. Our team is here to serve and to make sure you have a wonderful time. See you at The Club!

The Club will be closed for Thanksgiving so team BLYC can be with their families.

Docks & Rentals

I am sorry to see the 2011 boating season come to an end.

It is time to remove your watercraft from the docks. The ODNR, Division of Parks, dock license expires as of November 1.

**Governor
Charles Wadley**

The annual lake draw down of three feet will begin on November 15.

All boat lifts or "dry sailors" are installed and removed at the dock holder's expense. When a dock is vacated, it must be returned to the original specifications. Prior approval is required.

All the spaces in the boat yard have assigned numbers. Please park in YOUR ASSIGNED SPACE, and leave room for your neighbor next to you.

Members wishing to rent a boat yard

space, or make any changes with your dock rental, please complete the Rental Request Form. The form is available on the BLYC web site under *Facilities and Docks*, or at the club office.

Come in and enjoy your Club.

Game Time!

The game is on at BLYC! Watch your favorite team on at the Club every weekend.

Race & Regatta

Ahoy! I am excited about my new position as Governor in charge of Race and Regatta at the BLYC, but, before I begin some "Thank you's" are in order. First I want to thank the members for electing me and I look forward to serving their interests. I want to thank Commodore

**Governor
Dave
Luttenberger**

Bob Zeiher for appointing me to this position; I look forward to an exciting season. A very special "thank you" to Buckeye Lake Marina and Dave Levacy for cleaning, winterizing and shrink wrapping the Club's pontoon and Whaler. Thanks Dave! Most of all I want to thank Mike McVey for the wonderful job he did this last year. Great season Mike! I look forward to working with you and your fledgling fleet of junior sailors.

At the start of a new season I also want to reach out to those that helped Mike last year; Tom Baltzell, Don Day, Karen Baltzell

(Racing Photographer) and Steve Harris. Sometimes people don't realize how much goes on behind the scenes on race day, but I do now. These people form the core of the new "Sailing Team" and I hope they'll be around next year to help me figure out which flags to put up and when! You'll see them walking about the club in their blue "Sailing Team" shirts. Give 'em a salute for their contribution. I also want to reach out to all the sailors that turned out for last years racing events and hope they will all come back in 2012 and bring their other sailing friends.

The primary goal of the Race & Regatta business plan for the 2012 season, as stated in the executive summary, is "to increase the participation in racing events. Develop a one-design racing fleet. Involve more young people in the racing program. Become a host to more state and national sailing events and regattas at the BLYC. And, in general, regain the status once held by the BLYC as a primary player in the Midwest sailboat racing world." To this end we are reaching out to all those interested in sailing including adults, junior sailors, parents, spectators and the membership. To kick the season off we

are having a Race & Regatta and Junior Sailing joint planning meeting on Sunday, November 6th, 3:00 PM at the Club. All those interested in sailing, or just interested in what we are doing, are invited to come and let your ideas be heard concerning the upcoming season.

Finally, we want to increase the participation of all members at the BLYC in sailing. If you have a sailboat and have never raced, we will be hosting sailboat racing seminars this winter, please come and let us take the "difficult" out of it for you. I sailed in the last Interlake race at the Snowball in my new boat, with my lovely first mate Jan Bass and our friend Karen McVey, both of whom have never raced before, and we came in last! But you know what, we learned something about racing an Interlake and we had a great time! Sailing is all about fun. Don't be intimidated, every sailor in the club is ready to help you learn. Don't have a boat, see me and I'll find you a boat to crew on. Never sailed before, don't worry; we can take care of that too!

See you all Sunday, November 6, at the R & R sailing meeting. Be there, or be a land-lubber!

Junior Sailing and 2011 Sailing Recap

Well the 2011 Race & Regatta season is over. I enjoyed it: learned lots about racing; met lots of great people at BLYC and at other clubs in Ohio and the contiguous states; and had lots of fun. We also sweated and waited a lot this season; and sometimes only to be cancelled. In the end though, it was well worth it!

The following is a summary of the winners. Long Distance Races:

**Governor
Michael McVey**

He was terrific to work with and man did I learn a lot of history about sailing at the club. Thanks John! He also brought in Susan Benincasa who was a big help: helped John, moved emails between John and I, did registration, did wrap-up... Thanks Susan!

The two of us also worked very closely with Steve Harris, PRO for the races, who established the SI's (Sailing Instructions), designed the course, and was a source for the answers to many of my questions along the way. Thanks Steve!

Don Day, Jerry Besanceney and Dwight Shrigley worked closely with Steve; Dwight set and reset course marks and Don and Jerry worked flags, horns and timing on the Race Committee Boat.

them and most of all for her support!

Finally, thanks to all the sailors who showed up and waited, waited...!!! And the Winners Were!

Interlakes:

- 1st Matt Fisher (Hoover)
- 2nd Jamie Jones (Hoover)
- 3rd Bill Sanderson (Mohican)

PHRF Class (Cruisers):

- 1st Bob Snow (BLYC)
- 2nd Bill Reynolds (BLYC)
- 3rd Don Harris (BLYC)

Congratulations to All!

I took over the Race & Regatta Governor position right at the beginning of the season with zero experience and this position requires lots of time, sailing knowledge, and BLYC history knowledge (which I learned in the end). I thank the sailors for their patience on a number of occasions. And, I relied on a number of people to help run the races a number of times; thanks for all of your help:

Don Day, Tom Baltzell, Steve Harris, Matt Davis, David Luttenberger

THANKS to EVERYONE!

2011 George Fisher Snowball Regatta

As Susan Benincasa said so well, "GOOD news - great weather. BAD news - no wind!"

John Watson, Chair of the 2011 Snowball Regatta, did another great job of organizing the event. I loved the posters placed around the Club: the schedule and the "Ten Reasons to Come to the 2011 Snowball Regatta!"

Thanks Don, Dwight & Gerry! In addition, Matt Davis did the scoring; thanks Matt!

Karen Baltzell was maneuvered by Tom Baltzell all over the course so that she could take the many beautiful pictures of the boats in action (and inaction), six of which were used for the 1st, 2nd and 3rd place trophies for both classes of sailboats. Thanks Karen & Tom! And, thanks Tracey Davis for helping select photos for the awards, she knew the ones the racers would appreciate and the ones they wouldn't.

Thanks to Jenny and Steve Romine for their help with registration and launching. And not last but not least, thanks to Paul Sanzone for towing the Davis boat at the no wind, take a break moment in the middle of Saturday! :

The Launching Team - Thanks to the following:

David Luttenberger, Bruce Pfahl, David Lawrence, Pete Elwell, Tim Ryan

Chef Matt - Thanks for the lunches, the donuts, and all the other wonderful meals!

Andrea - Thanks for the beverages, all the service, and the many other behind the scenes activities and answers!

Thanks to my wife Karen "Suz", who helped in so many ways such as ideas for the trophies and going out and buying

know, Junior Sailing encompasses basically three functions:

1. Training to Sail
2. Training for Racing
3. Racing Competition - Lasers, Thistles, 420's and Interlakes

The upcoming year will offer new training opportunities due to the very generous donation by Bob Boehm of a 25' MacGregor sailboat that is in great condition. Bob not only contributed the sailboat but also the trailer and one year of winter storage with Boat Boys.

The Junior Sailors will have a great time learning how to sail it and who knows, may end up racing on Sundays against adults in the PHRF class for the Lambrecht Cup Series.

As David Luttenberger, Race & Regatta Governor, mentioned in his article, David and I will conduct a "Meet the Sailing Governors" session on Sunday, November 6, from 1 to 3 pm to discuss the upcoming season. We are looking forward to building upon last year's program.

Publications

The Log like our Club belongs to us and exists to serve the members.

We have great events, dining and entertainment so I am looking back in The Log at what we've done, such as a super productive and fun clean up day on October 16, the

Governor Jerry Besanceney

most professionally conducted Snowball Regatta on October 8 and in my case a luncheon for 20 old Army Buddies on October 6, who the Club did a FIVE STAR job of taking care of.

But let's also look forward, so don't forget to think of the Club for your next lunch, party, meeting, event etc. The most beautiful, hospitable setting in central Ohio. Call Andrea to make plans 740-929-4466 or email me at Jerry@theslanecompany.com with ideas on how our publications can serve you better. Thanks.

House & Grounds

ATTENTION ALL MEMBERS: Due to reduced attendance at the Club, I have decided to reopen the pool and pool bar for November, December, and January. Please make plans to attend the New Year's Eve pool party.

Governor Jeff Lyons

Bruce and Chucky erecting the heated bubble that will cover the entire pool area. I would like to thank the Trustees for approving the \$35,000 request needed to make this project happen.

In other news, I want to thank all of the people who supported the Fall Clean-up Day (see photos of the hard, but rewarding work above and below). Through all your hard work and efforts the Club has been made ready for another winter season. Many hands makes for quick work. It was also great to see so many of the younger kids in attendance. Normally, they are running through the Club in wet bathing suits, spilling pop

and dropping popcorn, but on that day they were diligently cleaning, scrubbing, and helping with genuine enthusiasm. Thanks!

Hopefully, as you read this, the concrete work around the kids pool and by the east wall will have been finished. We have many projects to tackle throughout the winter, but promise not to interfere with any Club activities.

If you see something that needs attention please feel free to contact me personally! jlyons1969@gmail.com

P.S ... Just kidding about the pool. See you at the Club!
