Bar & Kitchen

Hello all! As this article is written, it's a blustery fall day ... the kind of day when the warmth of the fire place and a hot chocolate (or a hot toddy) and a good book make it all feel right. I am

personally inviting Commodore Gayle you to enjoy that sort of relaxation at

Fisher-Mulvey

your Club. If that sort of "comfort and joy" doesn't pique your interest, then perhaps a rowdy party or a spirited game of Wii

As I was reading my November log I realized that I had forgotten to thank Commodore Mulvey and Commodore Ryan for theie service on Beggars night. They both manned our booth at the state park. And also I want to thank our board members who donated money for the candy so that we would not need to use Club money for this.

While we're on the subject of Community service please contact Commodore Joe Campbell about our good neighbor program. He and his wife Joni have done a great job with this project in the past years and I'm sure this year will be a great event for the local children.

As we come into the winter months there are many great events planned. Don't forget that the Club is open year round for your dining and entertainment needs. The Gun club has already started. come out and watch our members shoot.

bowling will bring you out. There are some interesting speakers that are scheduled throughout the winter to tickle your noodle and you can read more about that in the Log. There are dozens of folks who have taken on the mission to make Your Club be Your Go-to Place!

The "Beers Around the World" campaign is coming along with many followers and different beers are added bi-weekly to keep interest high. Remember, fifty different beers will earn a fabulous jacket commemorating your efforts!

Chef Matt and Andrea are doing a fabulous job with specials and they are looking forward to the big parties ahead this holiday season! Please come and enjoy!

December, 2011-January, 2012 - Vol. 20, Issue 11

We have some great marksmen and women.

We have a great lineup of activities coming through December and into January. Come out and enjoy! Season Greetings to all.

Race & Regatta

Ahoy! The sailing season may be over, but do not let gloomy thoughts cloud your horizon, sailing activities will continue all winter long. On November 6 we held our first joint Junior and Senior Race & Regatta committee meeting concerning the 2012

Dave Luttenberger

sailing season. Here are some of the highlights from the meeting:

• There is interest in racing both cruisers and 1-designs every Sunday in the Lambrecht Cup series. We are considering a separate award for the 1-designs. If you have a 1-design sailboat and are interested in racing please contact me. (See contact info below.)

• We have begun a special e-mail contact list for all juniors and seniors interested in sailing and sailboat racing. If you are on the list we will provide you with the latest sailing information. If you would like to be on the list just let me know.

• We will be showing a series of sailing movies every month on Sunday. The movie dates are 12/11, 1/8, 2/5, 3/4, at 3 p.m. We will begin each session with a brief racing topic and then batten down and watch a feature length movie with a sailing theme. Free popcorn and \$1 beers will be available. Come on down and enjoy a sailing movie with the Sailing Team!

• We will give sailing training sessions in January, February and March. We will give Race Committee (PRO) training in April. The first training session, "Sailing Basics", will be Sunday, January 22, at 3 pm.

• We are considering reserving a block of rooms at Put-In-Bay in July for members that want to support our Junior sailors and just relax and have a good time. Please let me know if you are interested in participating.

• If you are interested in sailboat racing and don't have a boat, don't reef your hopes! Contact your R&R Governor and we will find a boat for you to crew on.

Join the team and become part of sailboat racing next year! We look forward to seeing you at the first sailing movie on 12/11/2011. You can contact me any time at dbluttenberger@gmail.com, or on my cell @ 740-504-9578. Happy Sailing!

Membership

The Holiday season is upon us!! This is a great time for family and friends to get together. Hey why not make it a get together at the Club!!

Great things are always happening around OUR CLUB. We are going to start up the Wii Bowling again

Rear Commodore

right after the New Year so get your Wii

Tim Ryan

controller and start practicing.

November the 4th we had a great evening at the Club. Governor Jerry, Governor Dave and I hosted 8 Prospective New Members at the Club. They had a great time and so did we. It was an opportunity for them to get a look at the Club, have some drinks and a great meal.

I am going to continue to push for new members and I hope all of you will as well. All of the Governors are pitching in also. This is how we keep our Club going, through Membership and participation. So thanks for everyone's help.

The Spirit of the Season

Good Neighbor Group Brighten Holidays For Area Kids

The Buckeye Lake Yacht Club Good Neighbor Committee invites you to participate in our annual Christmas party for the children of the Buckeye Lake area. This is our 8th year and we need all of your help to make it a success.

Each year we provide a party including Santa and Mrs. Clause, Christmas goodies, and gifts for the children. Here's how it works ... the committee asks members to sponsor a child for \$50, L.E.A.D.S. selects needy families from the area, and each child provides us with a list of Christmas gifts. The \$50 limit is to make sure each child receives the same amount of support. Members may sponsor more than one child. Any amount you can contribute is appreciated and will go to the kids.

In past years we asked members to sign-up on a list in the Club. This year we are sending an invitation to each member and asking that you send a check or a letter expressing your willingness to shop for a child to the Club. This will allow the committee to better plan for how many children we can invite. You can also leave your check with Andrea when you visit the Club.

The Buckeye Lake area is the poorest community in all of Licking County. Many of these families will not be able to buy gifts for their children without our help. Once we know how many members are willing to help we will contact L.E.A.D.S. and ask for a list of children. If you are willing to shop we will provide you with a name and a list of gifts. The committee shops for the rest of the children. IF YOU WANT TO VOLUNTEER FOR THIS SHOPPING SPREE CONTACT US.

This year the party will be held on December 18 beginning at 1:00 p.m. Members are of course invited. You will never forget the looks on the faces of the kids. The committee has taken the liberty of honoring one of our best friends with this annual party. In memory of Dwight (Joe) Joseph, this event is now known as "The Dwight Joseph Children's Christmas Party." Dwight and his wife Babette were huge supporters of this event and helped us every Christmas. Dwight promised each year that he wouldn't let his emotions take over and he failed every time. When the rest of us saw that tough ex-cop with tears running down his face, most of the adults had to leave the room.

Please be as generous as you can / Make checks payable to BLYC Good Neighbor Committee.

Thank you,

Commodore Commodore Rear Commodore

House & Grounds

Greetings from House & Grounds. The winter season is closing in and the final fall projects are being completed. Our staff will now focus on a number of indoor projects during the next few months. I would like to begin compiling a list of members who may

Governor Jeff Lyons

be knowledgeable in areas including plumbing, electrical, roofing, flooring, exterior siding, heating & cooling, or any areas that may be pertinent to house and grounds. The purpose for the list would be to solicit professional advice only. If you have expertise in any of these areas, please email me at *jlyons1@columbus.rr.com*.

I would also like to wish everyone a very merry Christmas and a happy New Year!

The BLYC Gun Club gathers every Sunday around 1 p.m. Only \$4 a round. Come out, enjoy and relieve some stress.

Docks & Rentals

Ice will be forming on the lake soon. Aerators have been installed to help protect the Club docks from ice damage.

Please remember that the ice on the lake is never "safe." The lake does not freeze uniformly. A minimum thickness

Governor Charles Wadley

of 4" is required for a person to walk on ice.

All the spaces in the boat yard have assigned numbers. Please park in YOUR ASSIGNED SPACE, and leave room for your neighbor next to you.

Members wishing to rent a boat yard space, or make any changes with your dock rental, please complete the Rental Request Form. The form is available on the BLYC web site under Facilities and Docks, or at the Club office.

Come in and enjoy your Club.

Entertainment

December is one of the best times of the year to visit BLYC so come on out and enjoy our entertainment.

We begin with the Adult Christmas Party on December 10. The very popular "Eddie Polina Band" will provide

Governor John Sproat

great music from the '60s to the '80s for your dancing enjoyment.

Be sure to come to the Childrens' Christmas Party on December 11. Santa will be making an appearance.

"Dave Bott" returns to the Club on December 16. Dave will be playing a great mix of Christmas Carols for your singing and listening enjoyment.

On New Year's Eve, we feature the return of the 6-piece "Majestics" with lead singer "Jimmy Harris." Reservations are a must so that our staff can prepare for you.

Please mark your calenders for our '70s/'80s Night on January 14. DJ John will be spinning the classic rock hits.

Food and Wine Night is January 28. Corder and Cass provide the entertainment.

New this year is a Speakers Series. The Series will be held each Thursday from January 19 through February 23 at 7pm each night. We will not meet on February 9. We open with Jerry Besanceney on January 19. Jerry's topic is "Our Future with China: Economic and Military." On January 26, we welcome a fascinating discussion by Marc Miller entitled "Cryptozology."

I will be presenting on The Lewis and Clark Expedition on February 2. On February 16 Commodore Bob Zeiher will give a presentation on the "American Civil War from the Southern Perspective." And on February 23, Tony Lisska will provide a "History of the Buckeye Lake Amusement Park and Buckeye Lake Yacht Club."

Please come join us. Happy Holidays!

Junior Sailing

Well, we had a great "Meet the Sailing Governors" meeting on Sunday, November 6, at BLYC to kick off the 2011-2012 year. Thank you to all who attended and participated.

I presented the first draft of Junior Sailing's 2011-2012

Governor Michael McVey

Goals and Schedule. Attendees were then asked to participate by providing recommended changes and ideas as to how to achieve the Goals.

Junior Sailing Goals:

Increase Youth participation in BLYC sailing camps

Increase Youth participation in Jr. Racing
Enhance Parent participation in all youth programs

• Increase interaction between Juniors and Adult Sailors (e.g. Mentors, Sunday races)

• Increase Funding for Jr. Sailing programs and equipment

• Increase the interest in Jr. Sailing by other youth through other programs (e.g. "Test Drive a Sailboat" and the "Art of Sailing" contests)

It was great; everyone had ideas. They came up with ideas for how to increase participation, how to raise money, types of training, how to do a better job communicating with current sailors and potential sailors ... the interest was strong and growing.

Auxiliary

The November meeting of the Auxiliary was filled with plans for the holidays! The Committee is hard at work organizing the Children's Christmas Party for this year which will be held on December 11. Santa & his elves will be visiting and there will be lots of entertainment for the whole family. To help raise money for the children's party a holiday gift basket is being raffled. Tickets can be purchased from any of the BLYC staff. Over the next few months, members of the Auxiliary will be collecting favorite holiday recipes for the Auxiliary Cookbook which will go on sale in 2012. The next Auxiliary meeting on December 8 will get everyone in the holiday mood. There will be a performance by the Millersport Choir, a white elephant gift

Thank You Sailing Supporters!

Please bring your donations of non perishable food items to the club. Donations will be accepted until Dec. 11.

Finally on a lighter note, we want to wish P/C Steve Harris the best of luck in his upcoming election for I-LYA's Rear Commodore.

College and studying Radiologic Technology. She will graduate in June of 2013.

She looks forward to working part time until graduation and getting to know the BLYC members better. She's so glad to be a member of the BLYC team because it is such a close-knit group. She loves the lake atmosphere; her family has a cottage on Mullett Lake in Michigan and has been going up there every summer for her whole life. She enjoys water skiing, tubing, boating and would like to learn how to sail! Feel free to introduce yourself to Lindsey if you have not yet met her.
