## FROM THE BRIDGE ☆☆☆

April, 2012 - Vol. 21, Issue 2

**Commodore  
Bob Zeiher**

Spring is nearly here and there are some boats in the water already. Did anyone else miss winter? I certainly didn't.

Thanks to the exceptionally mild winter our parties have and fabulous attendance,

most have had over 100 people attending. A big thanks to John and Team BLYC for making them great!

A big thank you to all who have sponsored new members and to all of the members who have gone out of their way to make them feel welcome. Wouldn't it be great if they were all here in 30 years?

The Gun Club has finished their shooting year. We were worried for awhile that we would lose the privilege of shooting but thanks to Chaz McClenegan and his efforts in dealing with the EPA we are safe. I can't thank him enough for handling this for me and the Club.

Work day will be Sunday, April 15. I know that Jeff has some projects planned and I hope all will turn out to help with them.

Our Lecture Series was a huge success. Who knew that we had so many diverse and talented speakers among us? Thanks to all who let us share their knowledge and experiences. I hope we can repeat this next year. If you have any ideas for more speakers please let John know.

Don't forget the semi-annual meeting May 6 at 2 pm. Hope to see you there.

### Proposed by-law change:

The Board of Governors shall, at their discretion, approve all private parties. The manager shall be responsible to bring all requests to the Board not less than 60 days prior to the event.

This would supersede all previous rules and by-laws related to days of private parties.

The first signs of spring let us know that great things (and parties) are coming. On April 7 we start out with what has become the annual "Havana Nights Party." The staff, Team BLYC, originally suggested this party and they do their usual great job to support it. Please come to the Club, enjoy an early tropical night and dance to the music of a super band from Cincinnati, "Vaughn and Company."

On April 21 be sure to make reservations for our annual "Watkins Island Seafood Night." Chef Matt will feature the finest delicacies of the deep. The entertainment is the

incomparable "Dwight Lenox and The Lenox Express." This is entertainment that you would normally have to drive to Columbus to

see right here at your own Club.

Rounding out the month on April 28 we welcome the return of Reid Coleman and his special blend of fun music. That is the night of the "Mean Green Regatta," so it will be Party Time at the Club.

Please mark your calendars for The "Kentucky Derby Party" on May 5 with the great "Michael Sutherland Show;" Cathy Cassidy with Karaoke on Friday, May 11 and the "Commodores' Ball" on May 26 featuring "The Jack Gorham Band."

See you at the Club

Wow ... with the temperatures and all the wind, sailors are getting the itch. And it won't be long.

We've got a great lead coach for Junior Sailing this summer, Halle Harklau. Her parents are Rob and Patty, who became members just after the new millennium. Immediately, Halle took classes at BLYC the first year and began racing Opti's the next year. Over the following years she went from Opti's to racing 420's and Thistles.

She was an assistant coach for BLYC Jr. Sailing last year and is on the Wittenberg University sailing team. Welcome aboard Coach Halle; we look forward to the 2012 Jr. Sailing season!

#### The Season:

**Camps:** Please sign up sailors, new and those wanting to improve their skills.

- June 11-15 (Beginner/Intermediate)
- June 25-29 (Beginner/Intermediate)

We are PROUD of BLYC JR. Sailors, which include: JR Racers 13-18, Sailing Campers, Sailing Artists, and all BLYC kids engaged in the adult Race & Regatta on Sundays. We want our youth to enjoy Sailing and the friendships and mentors that develop while the wind takes us away.

Is it possible that Spring is almost here?? I certainly hope so. During the last few months the staff has been busy bringing our two rental properties up to date. Lots of cleaning, painting, and minor maintenance has been done to keep them rent ready. We also removed the little barn next to the two-story farm house and pulled all of the overgrown shrubs.

In an effort to "dress up" the interior of the club we've decided to take down the twinkle lights from the bar area and install 5 soft light sconces. The twinkle lights on the front porch will also be coming down and be replaced with long life, decorative rope lighting.

## House & Grounds

### Governor Jeff Lyons

Mark your calendar - April 15th., 9:30 am. Spring Clean-up day. It would be nice to see some new faces at the clean up party ...

Hint, Hint. Not that I don't love seeing the same group of 20 or so regulars that come each season, but with 500+ members I think we can do better. Come on you might actually have fun. Okay, I'm lying, you won't have fun you'll probably go home sore and blistered, but we have free coffee/donuts early and then pizza and a keg of beer for lunch. I hope to see you there!

Joke of the month: How much did the pirate pay for his peg-leg and hook? An arm and a leg ... See you at the club!

Mark Boat Training by Steve Harris, 4/22, (Sunday) 2 - 4 PM. Non-certified training for mark boat operation during sailing races for those who wish to participate in mark boat operation during race committee activities on race day.

If you missed the "Racing Rules" seminar in March, by popular demand we are running this again when racing season starts in May. "Stay sharp" and you will find the new dates and times in the May Log.

That's all for now, see you on the water, at your favorite resort, BLYC!

Both rental properties have been connected to city water. The ranch house has been renovated and leased. The two-story house is being renovated and should be ready to be leased as of April 01.

## AUXILIARY REPORT

Spring is in the air and the Auxiliary is busy preparing for some Easter Fun! This year's Easter Egg Hunt will take place on Saturday, April 7, at 12.30 p.m. This is always a wonderful family event for children of all ages. Watch this space for details about events your Auxiliary is hosting during the summer including a May Tea Party and Family Fun Day in July.

Our next Auxiliary Meeting will be held at BLYC on Thursday, April 12, at 6.30 p.m. We will start with dinner (make your selection from Chef Matt's menu items) and begin our meeting around 7pm. The Auxiliary is a great way to become more involved in your club while enjoying good times with friends for just \$25 dues per year! If you are not yet a member and would like to join (men are encouraged to join too!) please see Treasurer Gail Beck for more information. Reservations are appreciated for all events. Please call the club at 740-929-9941.

OK trivia fans : Yes Buckeye Lake is a lake, albeit a manmade one. Prior to human intervention it was , dare I say it? A bog. On the other hand, back in the 1820s, it was the largest manmade lake in the USA.

Yachts. A yacht on a bog ? The word is a derivative of Jagt "hunt" in German. The J is pronounced as a Y. Why "hunt" because the Dutch began the sport of sailboat racing in the 18th century. Shore bound onlookers thought the boats looked like a hunt in pursuit of say the fox.

Yes but are ours really yachts , yachtsmen

As I write this article, I am watching fishing boats zip back and forth across the lake while the gun club members put their shooting on hold. This has been by far, the "weirdest" winter I can remember.

Winter...sunny warm days...spring...snow days, which is it? Well, regardless of the weather, I can tell you what will happen no matter what the temperature, April 7th kicks off spring with a fantastic Easter egg hunt at 12:30 pm, sponsored by Auxiliary.

Following this fun filled event is the 2nd annual Havana Night party with Cuban specials by Chef Matt (online and in log) and phenomenal entertainment by a new band, Vaughn and Co. I heard these fellows play for a wedding reception for two of our new members last October and fell in LOVE with the band. They are from Cincinnati and they are awesome. Feel free to check out their website <http://www.vaughnandco.com/> If I can "swing" it, I might have my Zumba

This month, we have a short BLYC History Trivia Quiz for you. The answers can be found around the Clubhouse & grounds. So... let's find out how observant you are. After completing the quiz, give your answers to Andrea next time you're in the Club. The first three 100% correct quizzes returned will receive "old stock" from the Auxiliary showcase to make room for the new items coming in later this month. Thank you Auxiliary!

- BLYC was founded in the spring of 1906 at a meeting on Orchard Island. Who was elected to be our first Commodore at that meeting?

- The island on which the Club is located was originally called "Sunken Island." The Club later renamed it to Watkins Island, in honor of George Watkins. Who was Mr. Watkins and what did he do for BLYC?

- In 1975, BLYC Junior Sailors won all three classes at the I-LYA Junior Bay Week.

Finally , "Trivia?" Latin , "tri" meaning three and "via "meaning road. Three roads come together where loafers hang out talking about nothing of importance. The Romans had it, didn't they ?

Always a pleasure.

Seafood night with the ever so famous Dwight Lennox. You know the specials by Chef Matt will knock your socks off. So "save the date" on your calendar and call for reservations.

April 22 is our Jr. Sailing "Look Book" fundraiser. Please see Governor McVey's article for more details. The Club will be open for normal dining but with a limited breakfast menu that morning to allow for better service.

April 28 is the Mean Green Thistle Regatta with entertainment provided by Reed Coleman.

The Thursday/Sunday revised "Pub Menu" has gone over so well, and has been very effective on keeping labor costs down, that we have decided to continue on through April. Remember, summer hours will go into effect Memorial Day through Labor Day.

I hope this article finds all of you healthy and happy and ready for SUMMER!!!!

## Looking Aft

### P/C Steve Harris, Club Historian

The triplehanded team went on to win the Sears Cup - the US SAILING National Championship. Who were these three sailors?

- BLYC has had two of its Past Commodores move up through the ranks of the Inter-Lake Yachting Association to become Commodore of that organization as well. Who were they and in what years did they serve as I-LYA Commodore?

- The flagpole and yardarm in front of the

Clubhouse were each erected in memory of Past Commodores of BLYC. To whom are these dedicated and what years did they serve?

- BLYC has a long history of a variety of different boating activities. In the 90's and early 2000's, Club members participated in a powerboat excursion down the Muskingum and Ohio Rivers. For whom was this "Tween the Trees" Cruise named?

- One feature of our Clubhouse that attracts attention and interest is our unique bar - a replica of a classic wooden boat. Who donated the mahogany wood for the bar? Who donated the brass footrail & kickplate? In what year was the kitchen & bar area remodeled?

- When the Ohio River flooded last century, BLYC members shipped their boats by train to assist the rescue efforts in Portsmouth, Ohio. In what year was this epic flood?
