

FROM THE BRIDGE AAA

Commodore Bob Zeiher

What a great start to all the summer fun! The Commodore's Ball was wonderful and Memorial weekend was great too.

The pool and pool bar are open and lunch is available seven days a week now. The boats are in the water and John has several poolside entertainers for your enjoyment this summer.

I can't believe how much fun the parties have been this year. Great bands and great crowds. This Club has to have the best members on the planet.

I have to thank a great Board of Governors and especially my flag officers for all that they do. It's because of their hard work that our club runs smoothly. I'm confident that this will continue in the coming years.

Come out and enjoy your Club.

Saturday, June 30 Evening Entertainment: The Paul Clark Band

The sun is out and the entertainment is hot at BLYC. On June 2, the fun begins with the exciting "Pat Malloy Band." These excellent musicians know how to entertain and fill the dance floor. Be sure to check them out.

On June 10 we feature our first Pool Party of the Summer! The entertainment is "Chris Gill," an excellent singer and guitar player. This is an afternoon event from 2-5 pm. Be sure to bring your swimsuit and enjoy the pool and a frosty beverage.

June 16 features our annual BLYC Golf Scramble. Afterward the entertainment is the very popular "Kay Carter Band." Whether you play golf or not please be sure to come out for this great band!

On June 23 we have scheduled "Put-in-Bay Day" at the Yacht Club. By a very special arrangement we bring you "The Darryl and Andrea Show" direct from Put-in-Bay and the Mon Ami at Catawba Island. Do not

miss this show! You will love it!

On June 24, Billy Reiter entertains for our second Pool Party. Rounding out June is the Annual Bob Dye Poker Run. Sign up, have fun cruising the Lake and dance to the sounds of the fantastic "Paul Clark Band".

Please mark you calenders for these future events:

• Fireworks July 3 with entertainment by "Dan and Randy" from 7-11 pm. see Page 2

Greetings from House and Grounds. Is it really possible that the summer season is finally here? It's great to see so many members enjoying the club again. We have 30+ new members so far this year. Please introduce yourself to unfamiliar faces and make our newest additions to the BLYC family feel welcome at the club.

Two large scale projects are currently underway. By the time you read this I'm hoping both will be complete or nearly completed. First, is the sanding, treating, & staining of the pool deck, pool railing, and bridge railing as well as replacement of the hand rail from the parking lot up to Northbank. This project was made possible due to a generous donation from the BLYC Auxiliary. If you're looking for a way to meet members and be part of a great group who contributes so much to the beautification of our club please consider joining "The Aux". Many Thanks to the BLYC Auxiliary!! The second large scale project you will soon notice is to the parking lot. A large 1600ft. section will be torn out and replaced as it has deteriorated beyond repair. Once complete the entire lot will be sealed and striped.

I'm currently working on fund raising to complete two additional projects. I realize it's out of the norm to solicit financial contributions via the Log, but I feel like this is the best method to reach the bulk of our membership. First, is the front porch railing and carpet. Both need to be replaced due age and condition. The railing has multiple dry rot spots and the carpet is faded and torn in a number of locations. I'm estimating repair costs between \$2,500-\$3,000. Second, is the purchase of a club cart. Why a club cart you ask ... I feel that we should help support those who have been supporting the club for 10, 20, 30, 40, or 50+ years. Yes, there

House & Grounds

Governor Jeff Lyons

are some, "salty dogs" out there who love coming to the club, but find the climb up Northbank daunting. I've spoken with a number of members who love coming to the club, but find it challenging to get here especially during the winter months. The cart would be a 4 seat model (brings back memories of Fantasy Island doesn't it) that can be dispatched to the parking lot with a simple phone call to the club, winter or summer. Estimated cost \$3,500-\$5,000. This would be for a lovingly used or nearly new model. We will also be selling limited monthly advertising space inside the cart to cover maintenance costs.

Please consider making a donation to one of these two initiatives. Large and small donations are gladly accepted. If each member makes a one time donation of \$20 dollars we would have enough money to complete both projects. I realize we all pay our dues, but sometimes we have additional needs to maintain and move our club forward. A check is the requested method of payment and may be marked for the project you would like to support. If you have any additional questions please contact me personally either via email or cell phone. Contact info listed below. Thank you for your support!

Bar & Kitchen

Vice Commodore Gayle Fisher-Mulvey

Hello all! Well, the fun and sun of summer is finally here! I look forward to seeing everyone out at the Club in the next several weeks. Team BLYC is ready with our trusty leaders Andrea and Chef Matt. We have some new faces on board, please join me in welcoming them, as well as some wonderful familiar folks who will ensure your visit to Your Club is relaxing and pleasurable.

Over the winter months, Chuck and Bruce have done a fabulous job refinishing our "12 top" tables to make them smooth and varnished to a beautiful touch.

These will be the tables on the porch and in an effort to save a little green, we will forego tablecloths for the summer months on the porch. They are pretty pricey and have to be replaced so often that it really adds up. IF you would really prefer a tablecloth on a porch table, we will accommodate for a nominal fee. The dining room tables will continue to have table cloths. Please bear with us, this little change could save several thousand dollars this summer. I hope everyone will enjoy the nautical look of the natural tables, the fellas really did a nice job on them.

Again, I look forward to seeing everyone enjoying The Club! Happy summer!

Entertainment continued

- The Commodore's Steak Fry with "The Wendy Pennington Show Band"on July 7
- Pool Party on July 8 with "Lou Cass and Company"
- "The Great Arnett Howard and Friends" show on July 14

Board of Governors is committed to making this a great Club to belong to and a great place to come and have fun. Help us by renewing your membership.

We are currently in transition from our old Area 8 docks to the new docks, which I will refer to as Area 300. We have the 17 slips on the west side of the dock, even numbers from #2 to #34. Current dock holders at Area 8 have first option to relocate to Area 300. Any available slips will then be assigned to club members based on the waiting list.

In addition to docks, there are storage spaces and garages available to rent.

If you wish to rent a dock, garage, or boatyard storage, please complete a "Rental Request Form". The form is available on the Yacht Club website under Docks & Facilities. The form may be submitted online, printed, or is available at the club office.

Please submit this form if you wish to cancel or change your assigned space or add a boat hoist. All changes require prior approval.

Members using the boat yard and docks, please remember to secure the gates as you enter or exit. This will help to ensure that

Docks & Rentals

Governor Charles Wadley

both you and your neighbors' property are protected.

Please contact me with any questions or concerns regarding docks, and Governor Lyons concerning the rental houses.

An early reminder, the Classic Boat Regatta is August 17-19, 2012.

We are requesting that all Watkins Island dock holders make their slips available during this event. The event is open to the public on Saturday, August 18, from 10am to 6pm.

Dear readers,

What is the origin of the word "company"? Ans. "co" with, "pan" bread, Latin. Get it? break bread together.

How about "party"? First used in 1716 to mean "gathering for social pleasure.".See what I mean? With Andrea and Chef Matt to deliver world class food and beveragethere is a lot of "social pleasure".

Recently, Cathy Cassidy was providing the Karaoke "means off key in Japanese" and the joint was jammed with revelers to well past 11PM, me included.

We have added more clubs offering visitor privileges, nearly hit our new member target at the half year point.

Share the company and pleasure off key or not at our BLYC.

Auxiliary

Summer is around the corner and the Auxiliary is heating things up with plans for a fantastic summer at BLYC!

At our May meeting, the committee approved the purchase of new lounge chairs for the pool area as well as aesthetic updates to the deck, railings and bridge.

Our June meeting will be held on June 14. Gail Klink has generously offered to host the meeting at her home. We will meet at 6.30 pm for heavy hors d'oeuvres, drinks and a tour of Gail's amazing train display. If you would like to car pool, members can meet at the club at 6 pm and drive together. Spouses and guests are welcome so please plan on joining us. Cost for this event is just \$12. Reservations must be made by June 10

We have many fun activities planned for members and their families this summer.

Our carnival themed family fun day on July 4th will offer great food and entertainment for all.

Back by popular demand on July 12 is the Cranberry Bog Tour, starting at 11.30am. Make your reservations early so you don't miss out.

Also mark your calendars for August 9 Game Day hosted by Joan Hein and the Annual Auxiliary Fundraiser on Sept. 8.

To make reservations for any of these events please call the club at (740) 929-4466.

KEEP UP TO DATE ON EVERYTHING BLYC www.buckeyelakeyc.com

AHOY! The Lambrecht Cup racing series has begun. If you missed the first race, do not hang your sorrows from the yardarm, you can throw out nine races this season. So, turn off the TV, get up off the couch, and get that sailboat in the water and over to the Club on Sundays at 2:00 PM and join the fun. (Skippers meeting at 1:30 sharp!)

Many things have changed this year. For all the details please go to the BLYC website, Race & Regatta, and check out the NOR (Notice of Race). Here are the highlights:

- There will be three series within the Lambrecht Cup; Spring, Summer, Fall. You can throw out, or miss, 3 races per series. So even if you can't make all the races, you can still win a mini-series.
- We will be running a rolling start for smaller boats, allowing One-Designs, like Interlakes and Flying Scotts, to race on Sundays with the cruisers. We need at least two of the smaller boats to make a race, so please bring your boat on down and get in the mix.
- We will be offering \$1 beers on the front porch during the race, so even if you can't

race, you can have fun just watching the exciting action. (No betting please!)

• Sailing Net: You can now get the official US Sailing Racing Rules app for your iPhone or Android smart phone. Go to your app store and search on US Sailing, or find the link at www.store.ussailing.org. Once there click on "Racing", then "Racing Rules." Be a hit at parties and quote the official Racing Rules instead of small talk!

Don't miss all the fun. Come on down to the Club on Sundays and swap stories with your sailing friends. It is a Yacht Club, so let's go yachting together, at your favorite resort, the BLY Sea! Argggh!

Greetings from TEAM BLYC. Roses are red, violets are blue, it's summer of two, zero, one, two (2012)!!

I am certain all of you used the info from last month's log to save the dates, but in case you missed it, here is the line up for June.

June 2nd - Pat Malloy Band, June 9th -Private Party, June 16th - Golf outing with Kay Carter, June 17th - Father's Day (steak special), June 23rd - Put-in-Bay Days with

Darrell and Andrea, June 24th - Billy Reiter (2-5 pool side), June 30th - Bob Dye Poker Run with Paul Clark.

I would like to introduce you to our newest TEAM BLYC player, Angel Gee. She is

from Lancaster, and was a 2011 graduate of

What is I-LYA? How did BLYC become a member? And ... why do they get \$1 of my dues money each year?

I-LYA, the Inter-Lake Yachting Association, is an association made up of approximately 150 Yacht & Boating Clubs from throughout the Lake Erie Region -Ohio, Michigan, New York, Pennsylvania, Indiana, and Canada. I-LYA's primary purpose is the protection and promotion of the interests of boat owners and enthusiasts in the enjoyment of their sport. Founded in 1885 by Detroit, Toledo, and Cleveland Yacht Clubs, I-LYA first brought together sailors and boaters for shared competition and cooperation through their annual regattas at Put-in-Bay. Today, it serves as the Regional Sailing Authority of US SAILING and is very active as a "watchdog" for proposed legislation which affects boaters and our enjoyment of our sport. Serving a very diverse population of Clubs, power... sail... large... small... and just about every combination thereof, I-LYA offers opportunities for boaters to come together for social activity and share their passion for boating - both through its Annual Regattas and through a wide variety of activities hosted by member Clubs. Through this relationship, other I-LYA clubs offer reciprocity to BLYC members and we do the same in return.

In 1907, BLYC's 2nd year, we applied for membership to I-LYA. However, it appeared as though the "big water" sailors up north had little interest in admitting a group of "stump skippers" into their

Looking Aft

P/C Steve Harris, Club Historian

esteemed organization. By the rules at that time, only clubs from the "open and connecting waters" of Lake Erie could be admitted. While BLYC's initiative was admired, our request was denied. But, then one of the "old salts" of I-LYA, P/C George Worthington of the Cleveland Yachting Club, arose in our defense. He showed on a map of Ohio how Buckeye Lake was connected to Lake Erie, at his homeport of Cleveland, by way of the Ohio-Erie Canal. This settled the debate and BLYC was admitted. Since then, our Club has been very active. Our Junior Sailors have raced at Junior Bay Week - one of the premier youth sailing regattas in the United States - every year since its beginning. Two of our Past Commodores have "moved up the lines" to serve as Commodore of I-LYA - Edgar T. Wolfe in 1937 and Gus Schell in 1975. Several of BLYC's members have chaired I-LYA's Junior Bay Week and countless other members have been active on a variety of committees over the years. Currently, several of BLYC's members regularly attend I-LYA events, Matt & Tracey Davis will again Chair Junior Bay Week in 2013, and your

author is serving I-LYA as Rear Commodore this year.

As members of BLYC, we are all also members of I-LYA and entitled to enjoy all of the benefits. This year's Junior Bay Week, Powerboat Regatta, and Sail Regattas will be held at Put-in-Bay in July & August. I hope to see a lot of BLYC members there!

Oh... and that \$1.00 for I-LYA that shows up on your dues statement each year? That is a donation, not to I-LYA, but to the Inter-Lake Yachtsmen's Fund - a 501(c)3 charitable organization closely associated with I-LYA. BLYC is a "dollar-per-member Club" member of the Fund. The Yachtsmen's Fund supports boating programs - both power and sail - that provide education, safety training, and competition, particularly those geared towards our youth. Our Club's annual donation directly supports these programs through the Fund. In addition to the \$1 paid with dues, a number of BLYC's members have also supported the Fund through their own donations. At last count, I believe there were 9 BLYC members who are Life Members of the Fund. Additionally, Gus Schell and Matt Davis, both of BLYC, serve on the Fund's Board of Trustees.

For more information on I-LYA, its activities, and how you can further support the Yachtsmen's Fund if you wish, visit www.i-lya.org

More details on the interesting way by which we became members of I-LYA are available in the history section of the website, www.buckeyelakeyc.com, or in the Centennial History Book, available for purchase at the Club.

BLYC Jr SAILING KIDS are the BEST! (As if you didn't know that!!!)

The "Lookbook Logo Fashion Show" was a HUGE success! The event chair, Davis Papson started meeting weekly with the event advisor Karen McVey & Jan Bass in February. The first of March we started with the detail planning of choosing models, their clothes, room arrangement, volunteers, defining what the event would look like and setting our dollar goal and the different ways to achieve that it. Davis chose her co-chairs of entertainment, marketing and raffle, Kennedi Christi and Simon Krajewski. Davis and her chairs continued to meet weekly as she updated them and they put things into motion, planning and talking thru the event and any obstacles that occurred. The night before, was the kick off of the raffle and we all have to say Simon's selling raffle tickets, skills were by far unbelievably wonderful.

The day of, the chairs arrived at 7:30 am to get things ready. By 9:30 the entertainment started, 10am the show began. We started the show with Michael McVey, Gov of Jr Sailing, as he set the tone, of silly, for the kids (which in the back they were all saying open the door we want to see him). All that participated did a FABULOUS job hiding behind their fears and showed for fare to you, in their BLYC logo items. By 11:15 the live entertainment of Kennedi Christi and Emma Atkinson began, WOW what fabulous voices and true singing stars from our club. Gov Michael McVey and event chair Davis Papson ended with Thanks You's to the models, volunteers, parents for getting them to the meetings AND everyone for supporting Jr Sailing with your donations from the meals, buying clothes, the raffle or

Junior Sailing

just because you wanted to. THANK YOU BIG THANK YOU for our Raffle sponsor: "Slaters Hardware" in Lancaster

Winner was Andrea Foster

And to BLYC Auxiliary for your support The next week the chairs came together to debrief the good, the not so good, how to do things differently and then to congratulate each for a job well done. These kids developed and added to their skill set of team work, consensus building, timelines, detail decision making, meeting agenda, positive talk, commitment to one another and event, overcoming obstacles, selling, marketing and making money. All while having fun!
